

Intro to AHAR Care Package (2011)

This document is intended to introduce you to a concept we call the AHAR Care Package. This Care Package will provide the CoC and their agencies the information needed to prepare their final AHAR submission. Our hope is that the documents and demos contained in the AHAR Care Package will maximize the CoC's chance for usable and acceptable data.

The Care Package documents and demo can be found on the DCA Website:

DCA Main Site > Promoting Housing Options > Homeless & Special Needs > Homeless Management Information Systems (HMIS) > AHAR Care Package >

<http://www.dca.ga.gov/housing/specialneeds/programs/hmis.asp>

This link will take you to the following Download Documents and Demos
