State of Georgia's Annual Action Plan

Federal Fiscal Year 2014/State Fiscal Year 2015

The Georgia Department of Community Affairs (DCA) is currently preparing the Federal Fiscal Year 2014 Annual Action Plan that details how the State proposes to use the resources during the State Fiscal Year 2015, which begins July 1, 2014 – June 30, 2015.

The Plan covers the federal funded programs requirements from the U. S. Department of Housing and Urban Development (HUD) through the Community Development Block Grant (CDBG); HOME Investment Partnerships (HOME); Emergency Solutions Grant (ESG); and the Housing Opportunities for Persons with AIDS (HOPWA) Programs. The Consolidated Plan describes Georgia's existing housing conditions and how state, local, private and federal resources will be used to address the identified needs during that 5 year period.

A key component in the successful development of the Annual Action Plan is the citizen participation process through which the State receives public input and direction on the state's housing and community development needs. The State has scheduled three public hearings to solicit citizen input. Dates, times, and locations of these hearings are as follows:
