Activity	Status	Explanation
<p><b><u>Education and Public Involvement</u></b>            Establish and maintain a Solid Waste Advisory Committee</p>	Not accomplished and no longer considered for implementation	Because the County and Cities all contract out solid waste collection and disposal and lack of public support it is felt at this time that an Advisory Committee is not viable.
Promote coordinated public education efforts through the County, Cities and other civic groups	Currently underway	Ongoing
Annually inform the public regarding the full cost of providing solid waste services	Completed	Done with publishing the Full Cost Survey on annual basis both the County and Cities are current with their FCS.
Encourage public involvement in countywide waste reduction efforts through the use of local radio, fliers, pamphlets, and newspapers.	Currently underway	Ongoing
<p><b><u>Collection</u></b>            Continue to contract with a private hauler to collect and dispose of residential solid waste for Berrien County and the Cities of Alapaha, Nashville and Ray City</p>	Currently underway	Ongoing
Expand recycling programs by pursuing grant funding, when available to provide recycling facilities or new composting/chipping programs.	Currently underway	Ongoing
Continue existing collection practices in City of Enigma	Currently underway	Ongoing
<p><b><u>Waste Reduction</u></b>            Establish drop-off collection centers for recyclables.</p>	Not accomplished and no longer considered for implementation	Due to current economy and budget restraints this is no longer considered viable
Encourage individual household composting and use of inert landfills.	Currently underway	Ongoing
Coordinate countywide waste reduction and recycling efforts.	Not accomplished and no longer considered for implementation	Lack of available manpower and public interest
Develop a method for keeping accurate and convenient records of the volume of recycled materials and implement it.	Not accomplished and no longer considered for implementation	Due to current economy, budget restraints and little recycling efforts this is no longer considered viable
Participate in regional efforts regarding resource recovery and analysis.	Currently underway	Ongoing
Participate in solid waste related seminars and workshops on an ongoing basis	Currently underway	Ongoing
Purchase and/or rent chipper to mulch and reduce yard waste with intent to give to community residents.	Postponed	Due to current economy, budget restraints and little recycling efforts this is no longer considered viable

<b><u>Disposal</u></b> Continue using Pecan Row Landfill of Lowndes County for disposal of solid waste (Alapaha, Nashville and Ray City)	Currently underway	Ongoing
Continue to use Atkinson County MSW Landfill of Atkinson County for disposal of solid waste. (Enigma, County)	Currently underway	Ongoing
Use inert landfills for yard waste.	Currently underway	Ongoing
<b><u>Land Limitation</u></b> Use land limitation maps in future planning efforts	Currently underway	Ongoing
Prepare, adopt and administer zoning ordinances.	Complete	City of Nashville and Berrien County have these ordinances
Ensure that entities which intend to locate solid waste handling facilities in the county follow all rules outlined in the Solid Waste Management Plan.	Currently underway	Ongoing

Chairman jimmy Parker  
Berrien County Commission  
201 North Davis St Room 198  
Nashville, Georgia 31639

Dear Chairman Parker,

This letter serves as a disposal capacity assurance for waste generated by Berrien County and the Cities of Alapaha, Enigma, Nashville, and Ray City from 2010 to 2019. The Georgia EPD permit number for this facility is 002-009D (MSWL). This assurance is based upon Berrien County and the Cities of Alapaha, Enigma, Nashville, and Ray City disposing of approximately 21,139 tons of waste at this facility on an annual basis.

We thank Berrien County and the Cities of Alapaha, Enigma, Nashville, and Ray City for this business partnership and look forward to providing environmentally sound waste disposal options for the foreseeable future.

Sincerely,

A handwritten signature in cursive script that reads "Steve Corbitt".

## 5 Year Short Term Work Program CERTIFICATION

**INSTRUCTIONS:** This form must, at a minimum, be signed by an authorized representative of the following governments: 1) the County; 2) all Cities within the joint Solid Waste Management Planning area.

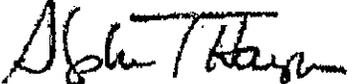

Please send this form along with the following attachments to DCA, Attention: Office of Sustainable Development:

- An updated population and waste disposal tonnage projections for the next ten (10) years
- A letter from the landfill accepting waste for disposal from the planning jurisdiction(s) confirming ten (10) years of Capacity Assurance

**COUNTY NAME:**           Berrien          

We, the undersigned authorized representatives of the jurisdictions listed below, certify that:

1. Each local government within the planning area has submitted annual, consecutive Solid Waste Surveys from 2008-present;
2. Each local government has provided updated population and waste disposal tonnage projections for the next ten (10) years; and
3. Each local government has provided ten (10) years of Capacity Assurance from *Atkinson County Solid Waste Management Authority (Atkinson County SR 50 Landfill) and Veolia ES Solid Waste Southeast, Inc. (Pecan Row and Evergreen Landfills) from 2010-2019.*
4. There are no minor or major amendments to the *2005 Berrien County Short Term Work Program.*
5. Our 10 Year Solid Waste Management Plan continues to meet existing solid waste management needs and future demands; implement waste reduction strategies to help meet the State's per capita waste reduction goal; and assure that a ten-year solid waste disposal capacity exists. [Chapter 110-4-3-.05(5)]
