

## Development Impact Fee Authorization

The local governments listed below satisfactorily maintain capital improvement elements as components of their comprehensive plans. Consistent with O.C.G.A. 36-71-1, et seq., each listed government is authorized to collect development impact fees to fund the expansion of public facilities/services necessitated by new development as specifically described below. As local government compliance with minimum standards changes this list may change. For further information contact the Office of Sustainable Development at [pemd.opqga@dca.ga.gov](mailto:pemd.opqga@dca.ga.gov)
