**FROM: Brian DiNapoli**

**DATE: February 27, 2009**

**SUBJECT: County Jail Report – February 2009**

Enclosed is the County Jail Inmate Report for February 2009. This report reflects the inmate population on February 5, 2009. This month, all of the functional county jails provided inmate information. The data in this report represents 100 percent of the county jails reporting and 100 percent of the State's population. Please note this report is a collaborative effort of both state and local agencies/departments, and the publication date is dependent upon a number of variables that are not within the direct control of the Department of Community Affairs. However, we make every effort to release the report as early as possible.

In February 2009, the number of inmates held in county jails *increased* by 160 inmates to 40,079. The capacity decreased by 14 to 42,214 as Baker County closed their jail. The number of inmates awaiting trial *increased* by 339 inmates to 24,295, and the number of sentenced inmates awaiting transfer to State Institutions *increased* by 24 inmates to 5,301.

The jail report is available at <http://www.dca.ga.gov/development/research/programs/jailReports.asp>.
