DATE: April 22, 2009

SUBJECT: County Jail Report – April 2009

Enclosed is the County Jail Inmate Report for April 2009. This report reflects the inmate population on April 2, 2009. This month, all of the functional county jails provided inmate information. The data in this report represents 100 percent of the county jails reporting and 100 percent of the State's population. Please note this report is a collaborative effort of both state and local agencies/departments, and the publication date is dependent upon a number of variables that are not within the direct control of the Department of Community Affairs. However, we make every effort to release the report as early as possible.

In April 2009, the number of inmates held in county jails *increased* by 206 inmates to 39,640. The capacity for April will change to 43,215 (an increase of 1,001) as Irwin County expanded their jail, their new capacity is 1,201, was 689; and Henry County also expanded their jail, their new capacity is 908, was 419. The number of inmates awaiting trial *increased* by 370 inmates to 23,995, and the number of sentenced inmates awaiting transfer to State Institutions *decreased* by 61 inmates to 5,127.

The jail report is available at <http://www.dca.ga.gov/development/research/programs/jailReports.asp>.
