Recipient Program Grant Number	Award Date	Amount Balance Status	Proposed Jobs	Actual Jobs	Proposed Private Investment	Actual Private Investment
Bibb County Employment Incentive Program 10q-y-011-1-5316	2/28/2011	\$494,032 \$0 Draws/Comp Open	225		\$100,000,000	
Bibb County will use \$500,000 in EIP grant funds to assist with the construction of public water, sanitary sewer, and road improvements to serve First Quality Baby Products, LLC's new facility expansion location. The Company plans to relocate their existing Bibb County facility to a proposed newly constructed 800,000 square foot manufacturing and distribution facility at 2108 Avondale Mill Road in unincorporated Bibb County. The upgrade to the road system and extension of public water and sanitary sewer lines will prepare the site for the facility's operation. The inability to enhance the infrastructure at the site will drastically increase the likelihood of the Company closing the Bibb County location resulting in the loss of 222 jobs. The proposed public infrastructure will allow the Company within 24 months to invest \$100,000,000 in capital improvements and to retain / create 225 permanent full-time jobs. 115 or 51% of the 222 retained and 3 created jobs will be held by low- and moderate-income (LMI)						
Tift County Employment Incentive Program 10q-y-137-1-5315	2/21/2011	\$197,365 \$0 Draws/Comp Open	16		\$875,000	
Tift County ("the County") will use \$197,365 in EIP grant funds to assist with public roadway and drainage improvements to benefit Hendrix and Dail, Inc.'s ("the Company") expansion. The Company plans to expand their existing agricultural chemical operations at their facility on West Golden Road in Tift County. Twelve or 75% of the created jobs will be held by low- and moderate-income (LMI) persons.						
Thomaston, City of Employment Incentive Program 10q-x-145-2-5314	2/17/2011	\$0 \$0 Deobligated	100		\$7,600,000	
The City of Thomaston (the City) will use \$454,643 in EIP grant funds to assist with a public rail spur off Norfolk Southern's rail line to serve Animal Health & Sciences, Inc.'s (the Company) manufacturing facility of cleaning products for the pet care industry.						
Ware County Employment Incentive Program 09q-y-148-1-5220	8/13/2010	\$500,000 \$0 Conditionally Closed	80		\$120,000,000	
Ware County requests \$500,000 in EIP grant funds to assist with the construction of a public rail spur to serve Georgia Biomass, LLC, a new fuel pellets manufacturing plant. The proposed public rail spur will allow the Company to make approximately \$120,000,000 private investment and to create at least 80 permanent full-time jobs						

# Georgia Department of Community Affairs CDBG Information System - Employment Incentive Program

Recipient Program	Award Date	Amount Balance	Proposed Jobs	Actual Jobs	Proposed Private Investment	Actual Private Investment
Baldwin County Employment Incentive Program 09q-y-005-1-5217	7/20/2010	\$400,000 \$0 Draws/Comp Open	55		\$16,100,000	
The proposed public roadway improvements will support the Kroger Co. investment of at least \$16,100,000 in new private capital investment and the creation of at least 55 new full-time equivalent (FTE) jobs. At least 28 or 51% of the created jobs will be held by low- and moderate-income (LMI) persons.						
Spalding County Employment Incentive Program 09q-y-126-1-5216	7/13/2010	\$500,000 \$0 Formally Closed	67		\$6,781,588	
Spalding County requests \$500,000 in EIP grant funds to assist with the construction of a public rail spur to serve Norcom, a school, office and home-office paper-products company. The proposed public rail spur will allow the Company to make approximately \$6,800,000 private investment and to create at least 67 permanent full-time jobs. All (100%) of the created jobs will be presumed to be held by low- and moderate-income (LMI) persons, in accordance with 24 CFR 570.483(B)(4). Existing employment was 173 jobs as of December 8, 2009 (IPA meeting date).						
Cairo, City of Employment Incentive Program 09q-x-065-2-5210	4/28/2010	\$350,000 \$0 Conditionally Closed	35	41	\$3,271,000	\$3,271,000
The applicant proposes to use \$329,000 of a \$350,000 Employment Incentive Program (EIP) grant for a loan to assist Turner Furniture Company of Tallahassee, Inc. for the acquisition of land, an existing building and the construction of a another building on the same site.. The Company is part of a group of companies under common ownership that operate as a family-owned furniture retailer. The Company has committed to create 35 full-time jobs, 21 (60%) of which will be held by low- and moderate-income persons.						
Whitfield County Employment Incentive Program 09q-y-155-1-5207	4/19/2010	\$395,930 \$0 Formally Closed	56		\$70,000,000	
Whitfield County requests \$500,000 in EIP grant funds for public roadway access to benefit the new location of IVC US, Inc.'s new headquarters, manufacturing and distribution plant. Of the 56 jobs created, at least 55% or 31 jobs will be held by low- and moderate-income (LMI) persons.

Recipient Program Grant Number	Award Date	Amount Balance Status	Proposed Jobs	Actual Jobs	Proposed Private Investment	Actual Private Investment
Ware County Employment Incentive Program 06q-y-148-1-3257	9/13/2006	\$372,340 \$0 Formally Closed	35		\$509,810	\$700,000
Ware County will use \$372,340 in EIP grant funds to assist with construction of a public rail spur to serve MRCX Mobile Railcar Cleaning, LLC. The Company operates at an existing facility in Blackshear, Pierce County, Georgia, but is unable to expand at that location. The new facility to be located on five (5) acres in the Waycross-Ware County Industrial Park will allow the Company to expand operations, be convenient to the main location, have room for future growth and have CSX rail access.						
Blairsville, City of Employment Incentive Program 05q-z-144-2-3174	6/12/2006	\$234,226 \$0 Formally Closed	50	51	\$3,266,000	
EIP grant funds to assist with the construction of a public sewer line extension to serve Applewood Doors & Windows, Inc.'s new manufacturing and distribution facility.						
Lee County Employment Incentive Program 05q-y-088-1-3173	6/7/2006	\$400,000 \$0 Formally Closed	75	69	\$17,935,000	
EIP grant funds to assist with the construction of a public sewer line extension to serve the commercial portion of a mixed-use development by Oakland Plantation Partners.						
Emanuel County Employment Incentive Program 05q-y-053-1-3171	5/16/2006	\$500,000 \$0 Formally Closed	66	44	\$1,315,000	\$1,056,000
The recipient will use a \$500,000 EIP grant for a \$470,000 direct loan to the Development Authority of Emanuel County and the City of Swainsboro to benefit R&F Marketing. The loan will finance the rehabilitation of an existing and vacant 62,000-square-foot building on 6.35 acres of land for use as a manufacturing, warehousing and distribution facility for the Company's new giftware and household furnishings operation in Emanuel County. Products manufactured and distributed by the Company include items such as pillows, table runners, comforters, towels and throw rugs.						
Tallapoosa, City of Employment Incentive Program 05q-x-071-2-3168	4/10/2006	\$500,000 \$0 Formally Closed	400	409	\$115,600,538	\$115,600,538
To assist with the construction of public water improvements to serve the location of Honda Precision Parts of Georgia, LLC's new transmission assembly plant.

Extension of a public water main to serve the expansion of Ranew's Truck & Equipment Co., LLC's Engine Painting Div. Facility. Renew will make an \$850,000 private investment. Caterpillar, Inc. will provide 35 full-time jobs at Ranew in addition to the 14 full-time jobs created by Ranew to be held by low-/mod persons.						
Glynn County Employment Incentive Program 05q-y-063-1-3165	3/24/2006	\$500,000 \$0 Formally Closed	40	106	\$21,300,000	\$21,300,000
Glynn County ("the County") will use \$500,000 in EIP grant funds to assist with construction of storm drainage for a public railroad connector between Norfolk Southern Corporation (NSC) and CSX main railroad tracks north of the City of Brunswick that will allow NSC to access the Georgia Ports Authority's (GPA) Colonel's Island Port Terminals for direct transportation of automobiles and bulk grain without diverting through the Brunswick Yard. The railroad connector, in conjunction with major improvements to Anguilla Junction and the Golden Isles Terminal Railroad SR520 (US 17) overpass at Colonel's Island will provide a safer and more efficient means of routing the transportation of Port products. The principal sub-recipient beneficiaries of the EIP funding are International Auto Processing, Inc. (IAP), based on the retention and creation of jobs, and NSC, based on the private investment. Also, GPA will provide additional investment in railroad related improvements. Daimler-

Putnam County Employment Incentive Program 05q-z-117-1-3164	3/2/2006	\$400,000 \$0 Formally Closed	250	195	\$15,000,000	
Putnam County and the City of Eatonton will use \$400,000 in EIP grant funds to assist with the extension of a major County water supply line to the City. The extension will ensure a dependable water supply and provide fire protection needed for the location of a new commercial/retail business. According to the application, the Company constructed the facilities after May 28, 2004, the effective date of Pre-agreement Cost Approval (PACA), and opened for business on August 23, 2005. The business is located on the City's south-side Bypass at the intersection of U.S. Highways 441 and 129.						
Barrow County Employment Incentive Program 05q-y-007-1-3158	1/30/2006	\$250,000 \$0 Formally Closed	100	110	\$10,000,000	\$10,000,000
Barrow County will use \$250,000 in EIP grant funds to assist with public sewer system improvements to serve the location of a new building supply company. The Company plans to locate a new 102,513 square-foot retail facility and 28,000 square-foot garden center on a 12-acre site between Georgia Highway 316 and Georgia Highway 324 (Carl Bethlehem Road) at the intersection of Georgia Highway 81 and Georgia Highway 316 just southwest of Winder, Georgia. The proposed public improvements will allow the Company to make a \$10,000,000 private investment and create at least 100 permanent full-time jobs, 51 or 51% of which will be held by low- and moderate-income (LMI) persons. The Company plans to be operational in January 2006.						
Cairo, City of Employment Incentive Program 05q-x-065-2-3157	1/25/2006	\$500,000 \$0 Formally Closed	60	22	\$2,380,000	\$2,380,000
The recipient will use a \$500,000 EIP grant for a \$470,000 direct loan to United Structures, Inc. The loan will be used to construct a 43,000 square-foot steel fabrication plant and administrative building for the Company's new manufacturing headquarters in Cairo, Georgia. United Structures is a start-up company that will provide building materials for the steel truss construction industry. EIP will be leveraged with \$2,380,000 of private investment and debt financing from United Structures for building construction, working capital and machinery and equipment. The total project cost is \$3,380,000. The Company will create sixty (60) full-time positions, 100% of which will be presumed to be held by low- and moderate-income persons.

Johnson County will use \$350,000 in EIP grant funds to assist with the construction of a building to serve as the Cedar Creek Workforce Training Center - Johnson County. The County plans to construct a 4,911 square-foot facility to accommodate workforce development services and training to be provided by Swainsboro Technical College (STC). The facility will be located on 10 acres in the 152-acre Cedar Creek Industrial Park being developed just west of the City of Wrightsville on the south side of Georgia Highway 57. The County and STC estimate that approximately 150 participants over a two year period, 100% of which will be low- and moderate-income persons, will take advantage of the nursing and criminal justice training programs offered by STC.						
Cook County Employment Incentive Program 04q-z-037-1-3029	4/5/2005	\$216,000 \$0 Formally Closed	24	68	\$6,000,000	\$6,134,459.57
Cook County ("the County" as the lead recipient) and the City of Lenox ("the City") will use \$216,000 in EIP grant funds to assist with realigning and paving a public road, Ross Road, to serve the location of The Scruggs Company's ("the Company") proposed aggregate distribution and asphalt plant. These public road improvements will allow the Company to make approximately a \$6,000,000 private investment and to create 24 full-time permanent jobs, all of which are presumed to be held by and benefit low- and moderate-income (LMI) persons.						
Winder, City of Employment Incentive Program 04q-z-007-2-3027	3/7/2005	\$500,000 \$0 Formally Closed	349	419	\$100,000	\$100,000
The City of Winder and Barrow County will use \$500,000 in EIP grant funds to assist with constructing a public water line extension to provide the required water pressure and flow for fire protection to retain Anderson Merchandisers' distribution center facility. The Company will maintain their existing \$72,200,000 private investment, and retain 349 permanent full-time jobs, 297 of which are held by low- and moderate-income (LMI) persons.

Lavonia, City of Employment Incentive Program 04q-x-059-2-3026	3/3/2005	\$500,000 \$0 Formally Closed	116	73	\$2,068,123	
The applicant proposes to use a \$500,000 EIP grant for a \$500,000 direct loan to White Roof Development, LLC. The funds will leverage \$2,068,123 of private investment from Carry-On for facilities. The total project cost is \$2,915,923. The Company will create 75 full-time positions, at least 51% of which will be held by low- and moderate-income persons.						
Monroe, City of Employment Incentive Program 04q-x-147-2-3025	2/17/2005	\$400,000 \$0 Formally Closed	100	113	\$19,000,000	
The City of Monroe will use \$400,000 in EIP grant funds to assist with constructing a public access road with ingress and egress lanes to serve the expansion of Wal-Mart Stores, Inc's distribution center facility. The Development Authority of Walton County (DAWC) will provide a forty-three acre. These public improvements will allow the Company to make at least a \$19,000,000 capital investment and to create at least 100 new permanent full-time jobs, at least 51 of which will be available to low- and moderate-income (LMI) persons. The Company has an existing employment base of 580 employees to operate the frozen foods distribution center.						
Greensboro, City of Employment Incentive Program 04q-x-066-2-3022	1/24/2005	\$150,258 \$0 Formally Closed	28	24	\$386,579	\$366,491
The Recipient has received \$232,661 in EIP grant funds for a direct loan to First Hand (FH), Inc. The EIP loan will finance the acquisition of an existing building for use as a manufacturing and training facility as well as the purchase of machinery and equipment. EIP funds will be leveraged with \$386,579 of private investment from FH including bank financing. The total project cost is \$624,640. The Company will create 28 full-time jobs, 54% of which will be held by low- and moderate-income persons.

Tift County Employment Incentive Program 04q-y-137-1-3023	1/14/2005	\$288,458 \$0 Formally Closed	55	55	\$20,000,000	
Tift County will use \$375,200 in EIP grant funds to assist with constructing a public rail spur to serve the location of Tifton Quality Peanuts, LLC's peanut shelling facility. The Tift County Development Authority (TCDA) will provide a site in the Magnolia Industrial Park, build the facility and provide machinery and equipment to be leased to the Company. These public improvements will leverage at least a private investment of \$20,000,000 and create at least 55 new permanent full-time equivalent jobs, at least 41 of which will be available to low- and moderate-income (LMI) persons.						
Moultrie, City of Employment Incentive Program 04q-z-035-2-3021	12/31/2004	\$500,000 \$0 Formally Closed	1,400	1,420	\$80,000,000	\$80,434,086
The City of Moultrie and Colquitt County will use \$500,000 in EIP grant funds to assist with public sewer system improvements to serve the location of Sanderson Farms, Inc.'s, poultry processing facility. The grant funds will leverage \$80,000,000 capital investment in the processing plant and create 1,400 permanent full-time jobs. 100% of the jobs created will be presumed to be held by low- and moderate-income (LMI) persons due to the Company being located in a Census Tract with greater than 20% population in poverty.						
Crisp County Employment Incentive Program 04q-y-040-1-3018	12/10/2004	\$500,000 \$0 Formally Closed	80	80	\$4,855,208	
The Recipient has received \$500,000 in EIP grant funds for a direct loan to the Crisp County-Cordele Industrial Development Authority. The loan will help finance acquisition of an existing manufacturing building for use as a food distribution facility that will be leased to Meadowbrook Meat Company Inc. EIP will be leveraged with \$4,855,208 of private investment from MBM for acquisition, facilities, machinery and equipment. The total project cost is \$5,691,888. The Company will create 80 full-time jobs, 100% of which will be presumed to be held by low- and moderate-income persons.

Jesup, City of Employment Incentive Program 03q-x-151-2-3017	12/8/2004	\$286,984 \$0 Formally Closed	105	174	\$7,695,000	\$7,695,000
<p>The City of Jesup will use \$286,984 in EIP grant funds to assist with the construction of a public access road and drainage improvements to serve the location of Great Southern Wood Preserving, Inc. The grant will leverage a \$7,695,000 capital investment in a new wood preserving facility. As a result the Company will retain 69 existing jobs from the Statesboro, Bulloch County, Georgia plant and will create at least 20 new jobs. 100% of the jobs will be presumed to be held by low- and moderate-income (LMI) persons due to the Company being located in a Census Tract with greater than 20% population in poverty. Prior to August 5, 2004, the effective date of pre-agreement cost approval (PACA), the Company had 69 existing jobs.</p>						
Glynn County Employment Incentive Program 02q-y-063-1-3015	11/23/2004	\$356,160 \$0 Formally Closed	151	171	\$3,215,513	\$1,700,000
<p>Glynn County will use \$356,160 in EIP grant funds to assist with a public sewer extension to serve the retention and expansion of International Auto Processing, Inc.'s auto processing facilities. The County's public sewer extension will allow the Company to make a \$3,215,513 capital investment in the auto processing facilities, retain 131 existing permanent full-time and fulltime equivalent jobs and create at least 20 permanent full-time jobs. At least 62% of the jobs will be held by low- and moderate-income (LMI) persons.</p>						
Gordon County Employment Incentive Program 04q-y-064-1-3014	11/18/2004	\$500,000 \$0 Formally Closed	70	64	\$40,000,000	\$40,000,000
<p>Gordon County will use \$500,000 in EIP grant funds to assist with public access road improvements to serve the location of L G Chem Industrial Materials, Inc.'s. The County's proposed public road infrastructure improvements, including water and sewer will leverage a \$40,000,000 private capital investment in the facility. The public improvements and private investment will also allow the Company to create 70 permanent full-time jobs, 36 or 51% of which will be available to low- and moderate-income (LMI) persons.</p>

Alapaha, City of Employment Incentive Program 04q-z-010-2-3012	10/5/2004	\$500,000 \$0 Formally Closed	85	70	\$1,000,000	\$1,172,740.7
The Recipient has received \$500,000 in EIP funds for a direct loan to Hubert Moore Lumber Company, Inc. for a dry kiln that will allow the company to remain competitive, restructure, and expand capacity. The EIP loan will leverage private investment of \$1,000,000 to modernize the facility and convert 63 part-time jobs to full-time positions which will result in 35 new full-time-equivalent jobs and allow the creation of an additional 25 new full-time jobs. The Company has signed loan covenants that it will ensure that 60% of the new jobs will go to former part-time and new hires that were low-and moderate-income prior to their hiring.						
Eastman, City of Employment Incentive Program 03q-x-045-2-2921	7/26/2004	\$452,179 \$0 Formally Closed	367	248	\$15,000,000	\$15,200,000
The City of Eastman will use \$452,179 in EIP grant funds to assist with the cost of constructing public water and sewer systems improvements to serve the location of a new commercial "supercenter." Dogwood Gardens of Eastman Personal Care Home and Eastman Pediatrics Clinic will also benefit and have a combined total of twenty-eight full-time equivalent jobs. The grant funds will leverage a \$15,200,000 capital investment to retain the existing employee base of 78 permanent full-time equivalent (FTE) jobs and to create 170 new FTE jobs. All (100%) of the jobs created and existing are presumed to be held by low- and moderate-income (LMI) persons due to the Company's new location in a Census Block Group with population in poverty greater than twenty percent.						
Montezuma, City of Employment Incentive Program 02q-x-096-2-2915	6/10/2004	\$200,000 \$0 Formally Closed	360	336	\$6,800,000	
The City of Montezuma will use \$200,000 in EIP grant funds to assist with the public wastewater system serving Birds Eye Foods, Inc. and the new Flint River Foods, LLC food products processing, packaging and distribution facilities. The proposed public infrastructure improvements will allow BEF to retain 240 jobs and will leverage \$6,800,000 in private capital investment and to create 120 jobs in two years. All (100%) of the jobs retained and created are presumed to be held by low- and moderate-income (LMI) persons due to the companies' location in a Census Tract and Census Block Groups with population in poverty greater than twenty percent.

Waycross, City of Employment Incentive Program 03q-x-148-2-2906	2/4/2004	\$400,000 \$0 Formally Closed	43	43	\$750,000	
The City of Waycross will use \$400,000 in EIP grant funds to assist with the cost of constructing a public water well to provide adequate water flow and pressure for fire protection to serve the expansion of Stewart Candy Company. These improvements will keep the Company from being forced to close its doors. The proposed water system improvements allow the Company to complete its \$750,000 expansion and to create 43 permanent full-time jobs, of which 35 jobs (81%) will be held by low- and moderate-income (LMI) persons.						
Canton, City of Employment Incentive Program 03q-x-028-2-2907	1/29/2004	\$500,000 \$0 Formally Closed	101	102	\$24,000,000	\$26,000,000
The City of Canton will use \$500,000 in EIP grant funds to assist with the cost of extending a public rail spur into the Canton-Cherokee Industrial Park. The spur will allow Universal Alloy Corporation to expand and create one hundred and one (101) permanent full-time jobs, of which fifty seven (57) jobs (56%) will go to low- and moderate-income (LMI) persons. The grant funds will leverage approximately \$24,000,000 of private investment.						
Ware County Employment Incentive Program 00q-y-148-1-2905	1/27/2004	\$78,658 \$0 Formally Closed	33	34	\$78,658	\$78,658
Ware County will use \$78,658 in EIP grant funds to assist with the construction of a public water line and two fire hydrants to provide water flow and pressure for fire protection to retain and allow for the expansion of Lee & Davis, Inc. As a result, the Company will remain in business and expand their site. It will also allow the Company to retain its current investment and fifteen (15) jobs, of which 12 (or 80%) are held by low- and moderate-income persons. The Company will additionally invest not less than \$78,658 for its building expansion, machinery and equipment, and the creation of three (3) permanent full-time jobs, all (100%) of which will be held by low- and moderate-income (LMI) persons.

Homerville, City of Employment Incentive Program 03q-x-032-2-2890	9/4/2003	\$500,000 \$0 Formally Closed	50	63	\$1,398,000	\$2,277,099
<p>The City of Homerville has received \$500,000 in EIP grant funds for a direct loan to the Clinch County Development Authority. The loan will finance construction of a building that will be leased to SunnyRidge Farm, Inc for a new blueberry packing and distribution operation. The total project cost is \$3,367,114. SunnyRidge has committed equity of \$1,398,000. The Clinch County Development Authority, Georgia DOT and OneGeorgia will provide the balance of project financing. The project will create 50 new full-time-equivalent jobs, 100% of which are presumed to be held by low- and moderate-income persons, in accordance with 24 CFR570.483 (B)(4) because the project is located in Census Tract 9701 where 23.6% of the population is below the poverty level.</p>						
Adel, City of Employment Incentive Program 03q-z-037-2-2888	8/29/2003	\$155,963 \$0 Formally Closed	35	28	\$1,128,728	\$1,176,262
<p>The City of Adel and Cook County will use \$325,000 (\$151,234 from FFY02 and \$173,766 from FFY03) in EIP grant funds to assist with the extension of public sewer infrastructure to serve the proposed South Georgia Motorsports Park facilities. The infrastructure will allow the Company to invest at least \$2,111,095 and to create 35 permanent fulltime equivalent jobs, of which 28 jobs (80%) will be available to low- and moderate-income (LMI) persons. The facilities and job creation are located in Census Tract 9804 that has 21.7% of its population in poverty.</p>						
Adel, City of Employment Incentive Program 02q-z-037-2-2889	8/29/2003	\$151,234 \$0 Formally Closed	8	13	\$9,823,687	\$1,023,738
<p>The City of Adel and Cook County will use \$325,000 (\$151,234 and 18 jobs, 14 LM from FFY02 and \$173,766 and 17 jobs, 14 LM from FFY03) in EIP grant funds to assist with the extension of public sewer infrastructure to serve the proposed South Georgia Motorsports Park facilities. The grant will create private leverage of \$2,111,095 and allow the creation 35 permanent fulltime equivalent jobs, of which 28 jobs (80%) will be available to low- and moderate-income (LMI) persons. However, in accordance with CFR570.483 (B)(4) and the facilities being located in Census Tract 9804 that has 21.7% of its population in poverty (1999 survey of people with poverty level income), it can be presumed that 100% of the new jobs will benefit LMI persons.</p>

Pierce County Employment Incentive Program 02q-y-113-1-2730	10/15/2002	\$0 Not Accepted	30	0	\$490,470	
Pierce County plans to use \$250,000 in EIP grant funds to assist with the cost of installing three additional rail spurs as public infrastructure at Progress Rail Services Corporation's existing locomotive and railcar refurbishing facilities. The Company currently employees 29 persons. The grant funds will leverage \$490,470 private investment and allow the company to create another 30 jobs.						
Cornelia, City of Employment Incentive Program 01q-x-068-2-2729	10/1/2002	\$400,000 Formally Closed	585	1,252	\$100,000,000	\$100,000,000
The City of Cornelia plans to use \$400,000 in EIP grant funds to assist with the cost of installing public water infrastructure to adequately serve Fieldale Farms Corporation's existing poultry processing facility. The Company needs an increased water supply to accommodate and meet the federal requirements for higher water usage in the poultry processing operations. With the public infrastructure in place, the Company will be able to retain the existing workforce of 1,400 jobs. This public assistance should allow the Company to maintain its \$100,000,000 private investment in their Cornelia facility, allowing for future potential expansion.						
Hancock County Employment Incentive Program 01q-z-070-1-2625	6/28/2002	\$340,648 Formally Closed	80	106	\$911,861	\$2,000,000
Hancock County, on behalf of the County and the City of Sparta, plans to use \$500,000 in EIP grant funds to assist with the cost of public water, sewer and gas infrastructure improvements to serve the location of Saint Gobain Desjonquieres Manufacturing, Inc.'s bottle decorating facility. The grant funds will leverage private investment of at least \$911,861. The Company will also create at least 80 permanent full-time equivalent jobs, of which 100% of the jobs are presumed to be held by low- and moderate-income persons.

Barrow County plans to use \$500,000 in EIP grant funds to assist with the cost of installing a public sewer line extension to serve the location of a new "super store" by Ingles Markets, Inc's. The grant funds will leverage approximately \$9,381,000 private investment. The public improvements will allow Ingles to create 125 new positions or 97 permanent full-time equivalent jobs, 50 (51%) of which will be available to low- and moderate-income persons.						
Orchard Hill, City of Employment Incentive Program 00q-x-126-2-2470	7/2/2001	\$234,887 \$0 Formally Closed	35	35	\$500,000	\$500,000
The City of Orchard Hill plans to use \$234,887 in EIP grant funds to install a public sewer collection extension to serve the expansion of ARI's proposed new facility. Presently, ARI is operating with an on-site septic system that can not be expanded to accommodate the new addition. The grant funds will leverage ARI private investment of \$500,000. This will allow ARI to expand the building and production, and create 35 new full-time permanent jobs, 27 (77%) of which will be available to low- and moderate-income persons.						
Bainbridge, City of Employment Incentive Program 00q-x-043-2-2464	6/6/2001	\$500,000 \$0 Formally Closed	50	65	\$1,390,000	\$2,500,000
The City of Bainbridge proposes to use a \$500,000 EIP grant for a direct loan to Steward Machine Company, Inc. to purchase a large crawler crane. Steward plans to construct a barge-loading facility at the Flint River.  The total project cost, including acquisition, renovation, and machinery and equipment is estimated to be \$1,890,000, plus an earlier investment by Steward of \$625,000. Steward has committed internal financing to provide \$1,390,000. Within 24 months of the start of the project, the new Bainbridge facility will create 50 new jobs, 40 of which (80%) will be available for low-to-moderate-income persons.
