

## **Before Starting the Project Listings for the CoC Priority Listing**

Collaborative Applicants must rank or reject all Project Applications –new projects created through reallocation, renewal projects, CoC planning projects, and UFA Costs projects - submitted through e-snaps from project applicants prior to submitting the CoC Project Listings.

Additional training resources are available online on the CoC Training page of the OneCPD Resource Exchange at: <https://www.onecpd.info/e-snaps/guides/coc-program-competition-resources/> .

### Things to Remember

- There are four separate forms in e-snaps that make up the Priority Listings, which lists the new projects created through reallocation, renewal, CoC planning, and UFA Costs project applications that the Collaborative Applicant intends to submit on behalf of the CoC. The Priority Listing ranks the projects in order of priority and identifies any project applications rejected by the CoC. All renewal and new projects created through reallocation, CoC planning, and UFA Costs project applications must be accepted and ranked or rejected by the Collaborative Applicant. Ranking numbers must be unique for each project application submitted.
- Collaborative Applicants are strongly encouraged to list all project applications on the FY2013 CoC Ranking Tool located on the OneCPD Resource Exchange to ensure a ranking number is used only once. The FY 2013 CoC Ranking Tool will assist the Collaborative Applicant during the ranking process among the four Project Listings.
- Any project applications rejected by the Collaborative Applicant must select the reason for rejection.
- Collaborative Applicants are required to notify all project applicants no later than 15 days before the application deadline regarding whether their project applications would be included as part of the CoC Consolidated Application submission.
- If the Collaborative Applicant needs to amend a project for any reason after ranking has been completed, the ranking of other projects will not be affected; however, the Collaborative Applicant must be sure to rank the amended project once it is returned to the Project Listing and verify that the rank number assigned has not been assigned to another project on a different Project Listing.
- Only 1 CoC Planning project can be ranked on the CoC Planning Project Listing.
- Only 1 UFA cost project can be ranked on the UFA Cost Project Listing.

**The Collaborative Applicant MUST submit both this CoC Project Listing  
AND the CoC Application by the HUD submission deadline in order for the  
CoC Consolidated Application submission to be considered complete**
