Pre-Applications not listed that requested Performance/Experience Determinations will be notified of their status via fax no later than Friday at 10:00am. The approvals are contingent on the submission and documentation contained in the Pre-Application.

All Applicants must submit updated experience and compliance documents under Tab 3 in the Final Application. Even if Pre-Applications material were submitted they must still be included in Tab 3. DCA realizes this creates a large volume of paper but it is necessary for a comprehensive application review and for record retention purposes.
