- A certification that the recipient made a good faith effort to solicit bids for domestic products supported by terms included in requests for proposals, contracts, and nonproprietary communications with the prime contractor.
- A statement of waiver justification, **including a description of efforts made (e.g., market research, industry outreach), by the recipient, in an attempt to avoid the need for a waiver.** Such a justification may cite, if applicable, the absence of any Buy America-compliant bids received in response to a solicitation.
- **Anticipated impact if no waiver is issued.**
