Project Narrative

Harbor Square
Hinesville, Liberty County

JT Development, Inc. proposes to acquire and rehabilitate Raintree Apartments (601 Saunders Ave), Northgate Apartments (804 Veterans Parkway) and Baytree Apartments (217 Bradwell Street) located in Hinesville, Georgia, and rebrand them as Harbor Square Apartments. The apartments are currently operated as three separate communities with a total of 340 units, all of which are supported by project-based rental assistance through long-term HUD contracts. These projects were constructed and placed in service in the early 1980's, and the units are now in disrepair. The mechanical, electrical and plumbing systems are reaching the end of their effective lives and exterior and interior finishes need to be upgraded.

The proposed project will include the acquisition and substantial renovation of all three properties over the course of 22 months. During this period, buildings will be renovated by our affiliated construction company, JT Builders, in stages of three to five buildings at a time. It is anticipated based on our company's previous experience with this type of project that each of these stages will take approximately two months. Raintree Apartments, by far the largest of the three properties, will take the full construction period to renovate. Baytree and Northgate will be renovated one after the other, concurrently with Raintree. While each building is under renovation, the residents of that building will be relocated either offsite or to other, previously-completed buildings in accordance with applicable regulations. Although there are costs associated with this relocation, not having to vacate the property will help reduce or prevent the risk of any lease-up or stabilization period immediately following construction.

The scope of work for the project includes an average of approximately \$31,000 per unit in construction costs. This includes new mechanical and water supply systems, electrical fixtures, kitchen cabinets and appliances, energy-efficient windows and doors, flooring and paint. The project will also include various upgrades to meet current accessibility requirements and eliminate all safety concerns. Updated community centers, improved parking and play areas, and other amenities to enhance the quality of life for families will be constructed.

The funding for this project will come from a variety of sources. Federal tax credit equity will be provided by R4 Capital, LLC and state tax credit equity will be provided by Sugar Creek Realty, LLC, based on anticipated award of Low Income Housing Tax Credits from DCA. Permanent debt financing will be provided by Walker & Dunlop, a major national multifamily lender, through the use of a HUD 221(d)4 government-insured mortgage. The remaining permanent sources of funds for the project will be provided through deferred developer fees. In addition to these permanent sources of funds, JT Development has secured a commitment for a construction bridge loan to fund the project between the initial tax credit equity pay-in at the start of construction and the final equity pay-in upon completion and stabilization of the project.

We believe that the age of this project and the preservation of both affordable housing and rental assistance make this an excellent candidate for receipt of tax credits. In aggregate, these three properties make up a significant portion of the available, affordable housing stock in the Hinesville market, and the rehabilitation of these units will have a major positive impact on the overall community. Through the leveraging of other sources of funds, we are able to create such a significant impact to many more units that could be served by a similarly-sized award under the 9% program.

^{*}Foundation or charity funding to cover costs exceeding DCA cost limit.

IV. APPLICANT COMMENTS AND CLARIFICATIONS

All 3rd party sources of funds have been listed with amounts, terms and rates which match their commitment letters, per DCA's instruction. However, we do not anticipate drawing the entire amount of some of our construction sources until after construction is complete. Furthermore, there are several costs which we anticipate having to fund during construction which were not included in the formula DCA provided for calculating "Construction Period Costs" in cell L26. We have added these costs into the calculation for accuracy. These costs include: construction contingency, bridge and permanent loan fees and interest, title and recording, bond costs and relocation.

Total Utility Allowance by Unit Size

APPLICANT COMMENTS AND CLARIFICATIONS

Utility allowances were pulled directly from each property's HAP contract, as amended. HAP contracts do not beak utility allowances down to individual line items. Therefore, the costs shown above are consolidated numbers for all utilities.

DCA COMMENTS

^{*}Elderly allowances cannot be used except at properties that have 100% HUD PBRA and satisfy the DCA definition of "elderly"

Scoring Section 15A - Innovative Project Concept and Design Narrative

Harbor Square Hinesville, Liberty County Georgia Department of Community Affairs Housing Finance and Development Division 60 Executive Park South, NE. Atlanta, Georgia 30329-2231

Re: Application for Low-Income Housing Tax Credit and/or HOME Funding

To DCA:

This Application is submitted in accordance with the 2013 Qualified Allocation Plan and the Housing Finance and Development Division Manuals. In submitting this Application for funding consideration, the undersigned applicant hereby certifies:

- 1) I understand that, in the event an allocation (or an allowance) for LIHTCs was obtained with false information supplied to the DCA, the DCA will recapture the LIHTCs or request that the IRS deny tax credits to the Applicant entity. Also, the supplier of such false information, including the developer or owner, will be barred by the DCA from program participation for a period of five (5) years from the date the false information was discovered, in accordance with a Memorandum of Understanding between the Internal Revenue Service and the Georgia Housing and Finance Authority.
- 2) I am responsible for ensuring that the project consists or will consist of a qualified low-income building (or buildings) as defined in the Internal Revenue Code section 42(c)(2) and will satisfy all applicable requirements of State and Federal tax law in the acquisition, development and operation of the project to receive State and federal housing tax credits.
- 3) I am responsible for all calculations and figures relating to the determination of the eligible basis of the building(s). I understand and agree that the amount of the credit is allocated by reference to the figures that I submit as to eligible and qualified basis. I understand that the actual amount of credit allocated may vary somewhat from the amount initially reserved or committed due to (a) the determination by the Georgia Department of Community Affairs ("DCA") as to the amount of credit necessary for the financial feasibility of the project and its viability as a qualified low-income housing project; (b) revisions in the calculations of eligible and qualified basis as finally determined; (c) fluctuations in the prevailing credit percentage; and (d) availability of the credit.
- 4) I understand and agree that DCA makes no representations or warranties regarding the financial feasibility of the project, the amount of credit, or the appropriateness of the allocation of the credit and makes no independent investigation as to the eligible and qualified basis and that any and all credit awards and credit amounts are solely based on representations made by me. I therefore agree to hold harmless and indemnify DCA and the individual directors, employees, members, officers, and agents of DCA in the event that I or anyone acting on my behalf, at my request or by and through me incurs any loss in conjunction with the project, diminution of the credit, loss of the credit, recapture of part or all of the credit or failure to allocate the credit requested in my Application.
- 5) I understand and agree that neither DCA nor any of its individual directors, employees, members, officers, or agents assume any responsibility or make any representations or warranties with respect to: (i) the amount or availability of credit for the project; or (ii) the financial feasibility of the project.

- 6) I understand and agree that my Application for a low-income housing credit and/or HOME loan, all attachments thereto, amendments, and all correspondence relating to my Application in particular or the credit in general are subject to a request disclosure under the Georgia Open Records Act and I expressly consent to such disclosure. I further understand and agree that any and all correspondence to me from DCA or other DCA-generated documents relating to my Application are subject to a request for disclosure under the Georgia Open Records Act and I expressly consent to such disclosure. I agree to hold harmless DCA and the individual directors, employees, members, officers, and agents of DCA against all losses, costs, damages, expenses, and liability of whatsoever nature or kind (including, but not limited to, attorneys' fees, litigation, and court costs) directly or indirectly resulting from or arising out of the release of all information pertaining to my Application pursuant to a request under the Georgia Open Records Act.
- 7) I understand that any misrepresentations in this Application or supporting documentation may result in a withdrawal of tax credits and/or HOME loan by DCA, my (and related parties) being barred from future program participation, and notification of the Internal Revenue Service and/or HUD.
- 8) I certify that all Federal, State and local subsidies have been disclosed and revealed.

In addition, Applicant understands:

- The above certifications are of a continuing nature and apply at all stages of the Application process: initial application, commitment, and final allocation/funding.
- The State of Georgia Department of Community Affairs (DCA) must be notified of any subsequent events or information, which would change any statements or representations in the attached Application or amendments thereto:
- DCA reserves the right to verify all information or documents used in processing the Application, including requiring credit checks on all parties involved in the transaction. Applicant hereby authorizes the financing bank, accountant, mortgage lender, creditors, other state housing agencies and others sources identified in the Application to release information to DCA or its designee in order to verify the accuracy of information in the Application and amendments thereto.

Applicant agrees and understands that it may be charged for all fees and costs incurred by DCA in the inspection of funded properties during and after construction and in the enforcement of DCA regulations and policies.

Under penalty of perjury, to the best of my knowledge, I certify that all of the information in the attached Application, including all supporting documentation, is correct, complete and accurate.
