# Project Narrative Lafayette Gardens Apartments LaFayette, Walker County

Lafayette Gardens Apartments is an existing 20-unit, Family community located at 709 Patterson Road in LaFayette, Walker County, Georgia. The community is situated on approximately 3.75 acres of land and consists of 3 residential buildings that were completed in 1980. The community was originally constructed using USDA-RD 515 loan proceeds and from the sale of 9% Low Income Housing Tax Credits. Of the 20 units, 100% are subsidized via the USDA Rental Assistance Program in which the tenant pays 30% of their total household income with USDA subsidizing the remainder up to the approved rent. All of the units will be set-aside for tenants whose income does not exceed 60% of Area Median Income. Per the most recent rent roll, the Project is 95% occupied and has a solid history of occupancy over the past three years.

The Project is in average condition and is in need of rehabilitation; mainly modernization of existing interior and exterior components. The rehabilitation will not only enhance the overall appeal and livability for the low to moderating income tenants, but also extend the remaining economic life of the community for many years to come Funding for the rehabilitation effort will be via loan proceeds from USDA-RD 538 guarantee loan and new 4% Low Income Housing Tax Credits. Short term tax exempt bonds used to meet the 50% test shall be issued by the Housing Authority of the City of Cordele. The bonds will be paid off in entirety at the placed in service date using both 538 and LIHTC proceeds. The new owner will also be assuming the existing USDA-RD 515 debt at very favorable terms.

For accurately determining the eligible/ineligible components of the acquisition price (land, existing structure and reserves), the percent of Land Value to Total As Is Value (5.18%) and the percent of Improvement/Building Value to As Is Value (94.82%) are calculated, then each percentage is applied to the Acquisition Price less the reserve for replacement balance to conclude the	
weighted land and building component costs. As part of the acquisition, the new Owner is assuming an existing reserve for replacement account, which is included in the above analysis as an ineligible cost of the acquisition.	
The source of the construction hard costs is from the AIA contract between the Applicant and the General Contractor. The third party architect (EMG) has determined the costs are reasonable.	
Since the financing is a construction/permanent source, only 5% of the financing fees were included as eligible construction costs with the remainder deemed ineligible.	
The Cost of Issuance includes the following total amounts (an allocation of 5% to construction phase and 95% to permanent financing phase was calculated and included in each applicable section above): Bond Counsel (9,474); Underwriter Counsel (4,211); Underwriter Fee (4,744); Issuer Fee (967); Issuer Counsel (789); Trustee Fee (395); Trustee Counsel (263); Verification Agent (79); Rating Agency (263); GA DCA Bond Fee (1,263); and Bond/TEFRA/Advisor Fee (526). Many of the numbers may appear to be low; however, there is only one bond issuance on the 19-property portfolio; lump sum costs are allocated accordingly.	
The Final Federal and State Equity Factors are atypical since the equity contribution is part of a larger portfolio fund investment, and credits are allocated according to the needs of each transaction in the portfolio.	
There is no Rent-Up Reserve since this is an in-place rehab with minimal tenant disruption, tenants will continue to pay rent, and all tenants are expected to be income-qualified to remain as tenants.	
The Operating Deficit Reserve is based on 6 months of debt service on the assumed 515 loan using the effective interest rate of 1% - not the higher Note Rate of 3.625% (in addition to the 6 months of debt service on the 538 debt and 6 months of operating expenses plus reserve for replacements).

#### APPLICANT COMMENTS AND CLARIFICATIONS

Subject Property is partially financed via a USDA-RD 515 loan. As such, USDA-RD approves the utility allowance on annual basis, or on an as needed basis. The allowances above are from the 2014 approved budget. Segregation between the electric costs was not provided.

OPERATING PRO FORMA IV. DCA Comments III.** Applicant Comments & Clarifications

Vacancy and Collection Loss - USDA-RD allows the use of a vacancy and collection loss less than 7%. For properties with strong operating history over the past three years (3% or less) and most units subsidized by Rental Assistance, a vacancy and collection loss of 4% is allowed. For properties not exhibiting as strong of historical performance, a 5% or higher vacancy and collection loss was utilized. 4% was utilized for the Project. As a result of applying the DCA 7% vacancy and collection loss minimum threshold, the transaction fails to meet the DCA DSCR requirement (1.25 during entire initial compliance period) based on the Applicant's pro forma projections.	
Debt Service Coverage Ratio (DSCR) – USDA-RD allows a combined DSCR on all mandatory-pay debt to be 1.15 (or higher if so required by the Lender). This is well below the DCA threshold of 1.25 per the QAP. As such, the Project does not meet the minimum DSCR requirement due to the debt being underwritten by the permanent lender at a lesser threshold (and further impacted by the higher vacancy and collection loss as noted above).	
Mortgage A - the annual amounts shown include: (i) annual debt service based on the terms presented in Part III, and (ii) ongoing annual USDA guarantee fee equal to 50bps applied to the UPB at the end of the prior year.

## Re: Application for Low-Income Housing Tax Credit and/or HOME Funding

## To DCA:

This Application is submitted in accordance with the 2014 Qualified Allocation Plan and the Housing Finance and Development Division Manuals. In submitting this Application for funding consideration, the undersigned applicant hereby certifies:

- 1) I understand that, in the event an allocation (or an allowance) for LIHTCs was obtained with false information supplied to the DCA, the DCA will recapture the LIHTCs or request that the IRS deny tax credits to the Applicant entity. Also, the supplier of such false information, including the developer or owner, will be barred by the DCA from program participation for a period of five (5) years from the date the false information was discovered, in accordance with a Memorandum of Understanding between the Internal Revenue Service and the Georgia Housing and Finance Authority.
- 2) I am responsible for ensuring that the project consists or will consist of a qualified low-income building (or buildings) as defined in the Internal Revenue Code section 42(c)(2) and will satisfy all applicable requirements of State and Federal tax law in the acquisition, development and operation of the project to receive State and federal housing tax credits.
- 3) I am responsible for all calculations and figures relating to the determination of the eligible basis of the building(s). I understand and agree that the amount of the credit is allocated by reference to the figures that I submit as to eligible and qualified basis. I understand that the actual amount of credit allocated may vary somewhat from the amount initially reserved or committed due to (a) the determination by the Georgia Department of Community Affairs ("DCA") as to the amount of credit necessary for the financial feasibility of the project and its viability as a qualified low-income housing project; (b) revisions in the calculations of eligible and qualified basis as finally determined; (c) fluctuations in the prevailing credit percentage; and (d) availability of the credit.
- 4) I understand and agree that DCA makes no representations or warranties regarding the financial feasibility of the project, the amount of credit, or the appropriateness of the allocation of the credit and makes no independent investigation as to the eligible and qualified basis and that any and all credit awards and credit amounts are solely based on representations made by me. I therefore agree to hold harmless and indemnify DCA and the individual directors, employees, members, officers, and agents of DCA in the event that I or anyone acting on my behalf, at my request or by and through me incurs any loss, injury, or damages in conjunction with the project including those that may result from any inquiries or gathering of information by DCA concerning the proposed project team or Application, diminution of the credit, loss of the credit, recapture of part or all of the credit, or failure to allocate the credit requested in my Application or, the failure of DCA, in whole or in part, to grant my Application.

- 5) I understand and agree that neither DCA nor any of its individual directors, employees, members, officers, or agents assume any responsibility or make any representations or warranties with respect to: (i) the amount or availability of credit for the project; or (ii) the financial feasibility of the project.
- 6) I understand and agree that my Application for a low-income housing credit and/or HOME loan, all attachments thereto, amendments, and all correspondence relating to my Application in particular or the credit in general are subject to a request disclosure under the Georgia Open Records Act and I expressly consent to such disclosure. I further understand and agree that any and all correspondence to me from DCA, or other DCA-generated documents, or documents to or from a third party in the possession of DCA relating to my Application are subject to a request for disclosure under the Georgia Open Records Act and I expressly consent to such disclosure. I agree to hold harmless DCA and the individual directors, employees, members, officers, and agents of DCA against all losses, costs, damages, expenses, and liability of whatsoever nature or kind (including, but not limited to, attorneys' fees, litigation, and court costs) directly or indirectly resulting from or arising out of the release of all information pertaining to my Application pursuant to a request under the Georgia Open Records Act or resulting from or arising out of the release.
- 7) I understand that any misrepresentations in this Application or supporting documentation may result in a withdrawal of tax credits and/or HOME loan by DCA, my (and related parties) being barred from future program participation, and notification of the Internal Revenue Service and/or HUD.
- 8) I certify that all Federal, State and local subsidies have been disclosed and revealed.

In addition, Applicant understands:

- The above certifications are of a continuing nature and apply at all stages of the Application process: initial application, commitment, and final allocation/funding.
- The State of Georgia Department of Community Affairs (DCA) must be notified of any subsequent events or information, which would change any statements or representations in the attached Application or amendments thereto;
- DCA reserves the right to verify all information or documents used in processing the Application, including requiring credit checks on all parties involved in the transaction. Applicant hereby authorizes the financing bank, accountant, mortgage lender, creditors, other state housing agencies and others sources identified in the Application to release information to DCA or its designee in order to verify the accuracy of information in the Application and amendments thereto.

Applicant agrees and understands that it may be charged for all fees and costs incurred by DCA in the inspection of funded properties during and after construction and in the enforcement of DCA regulations and policies.

Under penalty of perjury, to the best of my knowledge, I certify that all of the information in the attached Application, including all supporting documentation, is correct, complete and accurate.
