Before Starting the CoC Application

The CoC Consolidated Application is made up of two parts: the CoC Application and the CoC Priority Listing, with all of the CoC's project applications either approved and ranked, or rejected. The Collaborative Applicant is responsible for submitting both the CoC Application and the CoC Priority Listing in order for the CoC Consolidated Application to be considered complete.

The Collaborative Applicant is responsible for: - Reviewing the FY 2016 CoC Program Competition NOFA in its entirety for specific application and program requirements.

- Using the CoC Application Detailed Instructions while completing the application in e-snaps.

- Answering all questions in the CoC application. It is the responsibility of the Collaborative Applicant to ensure that all imported and new responses in all parts of the application are fully reviewed and completed. When doing this keep in mind:

- This year, CoCs will see that a few responses have been imported from the FY 2015 CoC Application.

- For some of the questions HUD has provided documents to assist Collaborative Applicants in completing responses.

- For other questions, the Collaborative Applicant must be aware of responses provided by - Some questions require the Collaborative Applicant to attach a document to receive credit.

This will be identified in the question.

- All questions marked with an asterisk (*) are mandatory and must be completed in order to submit the CoC Application.

1B-1a. Describe in detail how the CoC solicits and considers the full range of opinions from individuals or organizations with knowledge of homelessness or an interest in preventing and ending homelessness in the geographic area. Please provide two examples of organizations or individuals from the list in 1B-1 to answer this question.

The BoS CoC makes significant effort to obtain stakeholder input and participation from individuals with expertise in addressing homelessness throughout the 152 county jurisdiction. Input was solicited from BoS CoC membership on the feasibility of regional systems that can be used to navigate coordinated entry and on priority recommendations for the CoC's response to the BoS CoC priorities within the State ESG competition. Mental Health and Substance Abuse Service Organizations, including Advantage Behavioral Health Services, are represented on the committee responsible for the application process, competition policy, and written standards, and New Horizons Community Service Board serves on the committee overseeing coordinated entry. Public Housing Authorities, including the Housing Authority of the City of Cairo serves on the Membership and Rules Committee. The Alma Housing Authority and Lawrenceville Housing Authority currently serve on the Board as Regional "At Large" members.

1B-1b. List Runaway and Homeless Youth (RHY)-funded and other youth homeless assistance providers (CoC Program and non-CoC Program funded) who operate within the CoC's geographic area. Then select "Yes" or "No" to indicate if each provider is a voting member or sits on the CoC Board.

Youth Service Provider (up to 10)	RHY Funded?	Participated as a Voting Member in at least two CoC Meetings between July 1, 2015 and June 20, 2016.	Sat on CoC Board as active member or official at any point between July 1, 2015 and June 20, 2016.

1B-2. Explain how the CoC is open to proposals from entities that have not previously received funds in prior CoC Program competitions, even if the CoC is not applying for new projects in 2016. (limit 1000 characters)

On 7/15/16, a notice seeking new proposals was issued to 1,338 persons representing nonprofits, faith organizations, coalitions, mental health boards, local governments, state agencies, and others throughout the CoC. On 7/21/16, the CoC held a web-based new project applicant meeting to train all prospective CoC applicants on eligibility as it relates to new projects, activities, persons served, and match/leveraging. Prospective applicants were briefed on priorities, application scoring, threshold factors, performance expectations, submission requirements, etc. This year, the CoC received 11 new proposals for RRH or PSH. One first-time project applicant submitted a formal application this year. All new applicants that meet threshold requirements for organizational capacity and other eligibility requirements are scored with the same methodology and objective scoring criteria where the project application score will determine final ranking for the project listing.

1B-3. How often does the CoC invite new Semi-Annually members to join the CoC through a publicly available invitation?

1C. Continuum of Care (CoC) Coordination

Instructions:

For guidance on completing this form, please reference the FY 2016 CoC Application Detailed Instructions and the FY 2016 CoC Program Competition NOFA. Please submit technical questions to the HUD Exchange Ask A Question.

1C-1. Does the CoC coordinate with Federal, State, Local, private and other entities serving homeless individuals and families and those at risk of homelessness in the planning, operation and funding of projects? Only select "Not Applicable" if the funding source does not exist within the CoC's geographic area.

Funding or Program Source	Coordinates with Planning, Operation and Funding of Projects
Housing Opportunities for Persons with AIDS (HOPWA)	Yes
Temporary Assistance for Needy Families (TANF)	No
Runaway and Homeless Youth (RHY)	Yes
Head Start Program	No
Housing and service programs funded through Federal, State and local government resources.	Yes

1C-2. The McKinney-Vento Act, requires CoC's to participate in the Consolidated Plan(s) (Con Plan(s)) for the geographic area served by the CoC. The CoC Program Interim rule at 24 CFR 578.7 (c) (4) requires the CoC to provide information required to complete the Con Plan(s) within the CoC's geographic area, and 24 CFR 91.100(a)(2)(i) and 24 CFR 91.110 (b)(2) requires the State and local Con Plan jurisdiction(s) consult with the CoC. The following chart asks for the information about CoC and Con Plan jurisdiction coordination, as well as CoC and ESG recipient coordination.

CoCs can use the CoCs and Consolidated Plan Jurisdiction Crosswalk to assist in answering this question.

How many ESG recipients did the CoC consult with in the development of ESG performance standards and evaluation process for ESG funded activities?	1

FY2016 CoC Application	Page 6	09/13/2016
------------------------	--------	------------

1C-2a. Based on the responses provided in 1C-2, describe in greater detail how the CoC participates with the Consolidated Plan jurisdiction(s) located in the CoC's geographic area and include the frequency and type of interactions between the CoC and the Consolidated Plan jurisdiction(s). (limit 1000 characters)

The CoC worked directly with Macon, Gwinnett, Cherokee, & Clayton as they updated their 5-year Plans. The CoC worked with the State Con Plan jurisdiction in March 2016 to determine ESG priorities in the BoS.

The CoC coordinated with Albany, Brunswick, Hinesville, Dalton, Cherokee, Henry, Gainesville, Gwinnett, and Valdosta where an actual count was conducted for the 2015 PIT. They worked individually with the CoC on numerous occasions and attended additional web-based training sessions and a debriefing for the 2015 PIT. And in March 2016, the CoC coordinated with Albany, Hinesville, & Dalton where these jurisdictions served as Homeless Veteran Registry Coordinators.

The CoC meets quarterly with the Con Plan (and ESG) jurisdictions of Gwinnett and Clayton counties who serve on the CoC Board. CoC staff attends monthly homeless coalition meetings coordinated/attended by local government staff in Albany and Hinesville.

1C-2b. Based on the response in 1C-2, describe how the CoC is working with ESG recipients to determine local ESG funding decisions and how the CoC assists in the development of performance standards and evaluation of outcomes for ESG-funded activities. (limit 1000 characters)

The Continuum collaborates regularly with the four ESG Entitlements within the CoC. First, the CoC works with the Georgia ESG Entitlement to develop funding priorities for project types funded through ESG. The Georgia Entitlement assigns additional weight to applications for the project types designated by the CoC as high priorities. In the most recent funding cycle emergency shelter, rapid re-housing, and homelessness prevention were the top three priorities. In addition, the Collaborative Applicant and the Georgia Entitlement share an HMIS Technical Assistant to ensure that data quality is high in order to evaluate project outcomes. Secondly, while no ESG Entitlements besides Georgia involve the CoC in determining funding priorities, the CoC did provide Con Plan data for each jurisdiction. In addition, the CoC Coordinator is consulting with ESG recipients (Clayton, Gwinnett, Macon-Bibb, and Georgia) staff to establish final written standards for providing assistance.

1C-3. Describe how the CoC coordinates with victim service providers and non-victim service providers (CoC Program funded and non-CoC funded) to ensure that survivors of domestic violence are provided housing and services that provide and maintain safety and security. Responses must address how the service providers ensure and maintain the safety and security of participants and how client choice is upheld.

FY2016 CoC Application	Page 7	09/13/2016
------------------------	--------	------------

(limit 1000 characters)

The state has historically maintained a single point of entry for those experiencing domestic violence. Using this resource, DV victims who request assistance are provided with the closest DV service agency and often transportation is arranged to that secured site with the provider. Before extensive assessments are conducted, temporary protective orders are initiated. Services and housing are offered but not required.

In the event a victim presents to a homeless service provider, the crisis line is used to identify the closest, most appropriate resource for those in need. If a homeless service provider determines that the victim is actively fleeing and therefore cannot meet the needs of a project participant, or if a participant prefers a more secure location, the homeless service provider can use the crisis line to identify an appropriate resource.

All DV client data is entered into a HMIS comparable database that is secure and cannot be viewed by homeless service providers.

1C-4. List each of the Public Housing Agencies (PHAs) within the CoC's geographic area. If there are more than 5 PHAs within the CoC's geographic area, list the 5 largest PHAs. For each PHA, provide the percentage of new admissions that were homeless at the time of admission between July 1, 2015 and June 30, 2016 and indicate whether the PHA has a homeless admissions preference in its Public Housing and/or Housing Choice Voucher (HCV) program.

Public Housing Agency Name	% New Admissions into Public Housing and Housing Choice Voucher Program from 7/1/15 to 6/30/16 who were homeless at entry	PHA has General or Limited Homeless Preference
Georgia Housing and Finance Authority	17.81%	No
Housing Authority of the City of Macon	21.21%	Yes-Both
Northwest Georgia Housing Authority	41.48%	Yes-Public Housing
Housing Authority of the City of Jonesboro	2.86%	No
Housing Authority of the City of Brunswick	12.79%	Yes-HCV

If you select "Yes--Public Housing," "Yes--HCV," or "Yes--Both" for "PHA has general or limited homeless preference," you must attach documentation of the preference from the PHA in order to receive credit.

1C-5. Other than CoC, ESG, Housing Choice Voucher Programs and Public Housing, describe other subsidized or low-income housing opportunities that exist within the CoC that target persons experiencing homelessness. (limit 1000 characters)

The Georgia Housing Voucher Program, administered statewide by the Georgia Department of Behavioral Health and Developmental Disabilities, provides permanent supportive housing to individuals with mental illness. It focuses on

FY2016 CoC Application	Page 8	09/13/2016
------------------------	--------	------------

chronically homeless individuals as well as those transitioning out of state institutions who would otherwise become homeless. To date, over 3,297 persons have been served under this program. As of September 6, 2016, there are 1,964 persons currently participating under this supportive housing program. In addition, the State of Georgia and the City of Atlanta (which includes 25 Balance of State CoC counties) HOPWA programs supports an estimated 500 additional units of housing for persons who are lower income and HIV+, many of whom were homeless at entry. Additionally, the Georgia Commission on Family Violence supports approximately 315 family violence beds, largely with state and VAWA funds.

1C-6. Select the specific strategies implemented by the CoC to ensure that homelessness is not criminalized in the CoC's geographic area. Select all that apply.

1D. Continuum of Care (CoC) Discharge Planning

Instructions:

For guidance on completing this form, please reference the FY 2016 CoC Application Detailed Instructions and the FY 2016 CoC Program Competition NOFA. Please submit technical questions to the HUD Exchange Ask A Question.

1D-1. Select the system(s) of care within the CoC's geographic area for which there is a discharge policy in place that is mandated by the State, the CoC, or another entity for the following institutions? Check all that apply.

Foster Care:	
Health Care:	
Mental Health Care:	X
Correctional Facilities:	X
None:	

1D-2. Select the system(s) of care within the CoC's geographic area with which the CoC actively coordinates with to ensure institutionalized persons that have resided in each system of care for longer than 90 days are not discharged into homelessness. Check all that apply.

Foster Care:	x

discharged are not discharged into homelessness. (limit 1000 characters)

The Balance of State CoC will seek to formalize a relationship going forward with the Georgia Alliance of Community Hospitals. This organization recognizes the need for proper placement of the state's most needy and often uninsured patients. Currently 18% of Georgians are uninsured (10th highest in the nation). Recognizing that many of these persons are also not housing stable, the Balance of State CoC will reach out with its coordinated entry system to assist community hospitals with triage for clients discharged from short and longer term institutional settings who lack resources for housing. Central to this work will be housing assessments at the point of entry in order to adequately assess options at discharge. This work, however, is ongoing in a less formal manner via relationships between hospital discharge social workers and local homeless service providers, the state's 22 assertive community treatment teams, PATH providers and others.

1E. Centralized or Coordinated Assessment (Coordinated Entry)

Instructions:

For guidance on completing this form, please reference the FY 2016 CoC Application Detailed Instructions and the FY 2016 CoC Program Competition NOFA. Please submit technical questions to the HUD Exchange Ask A Question.

The CoC Program Interim Rule requires CoCs to establish a Centralized or Coordinated Assessment System which HUD refers to as the Coordinated Entry Process. Based on the recent Coordinated Entry Policy Brief, HUD's primary goals for the coordinated entry process are that assistance be allocated as effectively as possible and that it be easily accessible no matter where or how people present for assistance.

1E-1. Explain how the CoC's coordinated entry process is designed to identify, engage, and assist homeless individuals and families that will ensure those who request or need assistance are connected to proper housing and services. (limit 1000 characters)

In the last year, the CoC has implemented a pilot version of coordinated entry for veterans in Macon. Using Veteran registry information and HMIS, the CoC matches veterans to service providers as a model for a broader system.

Referrals are made to appropriate housing providers to begin assistance and expedited housing. Client information is gathered by providers so that those persons with acute needs can be identified and helped as rapidly as possible.

An on-line Housing Gateway screens clients and provides contact information for each of the eight CoCs and other public mental and physical health providers. The CoC continues to operate the Georgia Housing Search program which allows for on-line or bi-lingual phone access to information on available rental properties.

The CoC has created a by-name list of homeless Veterans through a Veteran Registry and HMIS, and partnered with the Georgia HCV Program to provide a call center to assess needs and identify resources.

1E-2. CoC Program and ESG Program funded projects are required to participate in the coordinated entry process, but there are many other organizations and individuals who may participate but are not required to do so. From the following list, for each type of organization or individual,

select all of the applicable checkboxes that indicate how that organization or individual participates in the CoC's coordinated entry process. If there are other organizations or persons who participate but are not on this list, enter the information in the blank text box, click "Save" at the bottom of the screen, and then select the applicable checkboxes.

1F. Continuum of Care (CoC) Project Review, Ranking, and Selection

Instructions

For guidance on completing this form, please reference the FY 2016 CoC Application Detailed Instructions and the FY 2016 CoC Program Competition NOFA. Please submit technical questions to the HUD Exchange Ask A Question.

1F-1. For all renewal project applications submitted in the FY 2016 CoC Program Competition complete the chart below regarding the CoC's review of the Annual Performance Report(s).

How many renewal project applications were submitted in the FY 2016 CoC Program Competition?			
How many of the renewal project applications are first time renewals for which the first operating year has not expired yet?	10		
How many renewal project application APRs were reviewed by the CoC as part of the local CoC competition project review, ranking, and selection process for the FY 2016 CoC Program Competition?	53		
Percentage of APRs submitted by renewing projects within the CoC that were reviewed by the CoC in the 2016 CoC Competition?	96.36%		

1F-2 - In the sections below, check the appropriate box(es) for each selection to indicate how project applications were reviewed and ranked for the FY 2016 CoC Program Competition. Written documentation of the CoC's publicly announced Rating and Review procedure must be attached.

1F-2a. Describe how the CoC considered the severity of needs and vulnerabilities of participants that are, or will be, served by the project applications when determining project application priority. (limit 1000 characters)

The CoC factors in the severity of needs and vulnerabilities of participants that a project serves through scoring criteria used to review, rank, and select projects. Related scoring criteria used to review renewal projects were the following specific criteria: program targets/serves persons who are chronically homeless; program targets/serves Veterans; program serves persons who have special needs or high barriers to housing (disabling condition, current or past substance use, & victim of domestic violence); provides PSH to people with disabilities; program uses a housing first model; program uses a low barrier approach to entry; serving people with the highest barriers to housing stability; and partnering with the CoC to prioritize beds for Veterans identified in registry and on by-name list in a housing blitz. Through the scoring process, and bonus points, the CoC gives projects who serve these populations receive additional consideration in the review and ranking process.

1F-3. Describe how the CoC made the local competition review, ranking, and selection criteria publicly available, and identify the public medium(s) used and the date(s) of posting. Evidence of the public posting must be attached.

(limit 750 characters)

The CoC released a Balance of State Continuum of Care Notice of Funding Availability, which included the BoS competition policy, review application documents and scoring criteria for new and renewal projects (web link), proposal outline for new projects to indicate interest in applying. The notice and link to all supplemental materials was distributed to the BoS membership list and the Collaborative Applicant's BoS mailing list of other interested parties (1,338 individuals), and re-sent to renewal applicants. The BoS competition documents (policy, review applications, and scoring criteria) were publicly released and posted on the CoC's web site on 7/14/16.

1F-4. On what date did the CoC and 09/12/2016 **Collaborative Applicant publicly post all parts** of the FY 2016 CoC Consolidated Application that included the final project application ranking? (Written documentation of the public posting, with the date of the posting clearly visible, must be attached. In addition, evidence of communicating decisions to the CoC's full membership must be attached).

- 1F-5. Did the CoC use the reallocation Yes process in the FY 2016 CoC Program Competition to reduce or reject projects for the creation of new projects? (If the CoC utilized the reallocation process, evidence of the public posting of the reallocation process must be attached.)
- 1F-5a. If the CoC rejected project 08/29/2016 application(s), on what date did the CoC and Collaborative Applicant notify those project applicants that their project application was rejected? (If project applications were rejected, a copy of the written notification to each project applicant must be attached.)
- 1F-6. In the Annual Renewal Demand (ARD) Yes is the CoC's FY 2016 CoC's FY 2016 Priority Listing equal to or less than the ARD on the final HUD-approved FY2016 GIW?

1G. Continuum of Care (CoC) Addressing Project Capacity

Instructions

For guidance on completing this form, please reference the FY 2016 CoC Application Detailed Instructions and the FY 2016 CoC Program Competition NOFA. Please submit technical questions to the HUD Exchange Ask A Question.

1G-1. Describe how the CoC monitors the performance of CoC Program recipients. (limit 1000 characters)

The CoC monitors performance in a number of ways. DCA conducts onsite monitoring visits annually to review unit utilization, fund utilization, household stability, HMIS completeness and accuracy, etc. In conducting performance reviews, DCA obtains financial and programmatic information (including capacity to implement CoC program requirements) from the grantee's records and reports as well as information from onsite monitoring and electronic data sources semi-annually to quarterly. And through a process of review of APRs and desktop reviews using the HMIS system, DCA assesses performance of each recipient, or sub-recipient, and is able to determine project performance in how each project is performing on the following measures and within the overall CoC performance goals ending of chronic homelessness, participant eligibility, exits to homelessness, grant/bed utilization, increasing housing stability, increasing project participants income, and obtaining mainstream benefits.

1G-2. Did the Collaborative Applicant include Yes accurately completed and appropriately signed form HUD-2991(s) for all project applications submitted on the CoC Priority Listing?

2C. Homeless Management Information System (HMIS) Bed Coverage

Instructions:

For guidance on completing this form, please reference the FY 2016 CoC Application Detailed Instructions and the FY 2016 CoC Program Competition NOFA. Please submit technical questions to the HUD Exchange Ask A Question.

2C-1. Enter the date the CoC submitted the 05/02/2016 2016 HIC data in HDX, (mm/dd/yyyy):

2C-2. Per the 2016 Housing Inventory Count (HIC) Indicate the number of beds in the 2016 HIC and in HMIS for each project type within the CoC. If a particular project type does not exist in the CoC then enter "0" for all cells in that project type.

Project Type	Total Beds in 2016 HIC	Total Beds in HIC Dedicated for DV	Total Beds in HMIS	HMIS Bed Coverage Rate
Emergency Shelter (ESG) beds	1,505	692	554	68.14%
Safe Haven (SH) beds	0	0	0	
Transitional Housing (TH) beds	1,265	456	747	92.34%
Rapid Re-Housing (RRH) beds	669	100	555	97.54%
Permanent Supportive Housing (PSH) beds	2,446	37	1,972	81.86%
Other Permanent Housing (OPH) beds	0	0	0	

2C-2a. If the bed coverage rate for any project type is below 85 percent, describe how the CoC plans to increase the bed coverage rate for each of these project types in the next 12 months. (limit 1000 characters)

The HMIS coverage rate for Emergency Shelter beds is 68%. It's difficult to get agencies to both participate in HMIS, and to enter quality data in HMIS, for programs that don't receive ESG or CoC funding. Over the next 12 months, the CoC will contact those agencies in an effort to get the twelve programs that are currently not participating in HMIS to do so. The CoC will work with programs that begin using HMIS to provide technical assistance on data quality.

The HMIS coverage rate for Permanent Supportive Housing is 82%. There were 382 VASH beds leased up on the night of the PIT count, and none of them are in HMIS. Over the next 12 months, the CoC will meet with the PHAs in an effort to get Veterans served through VASH and those beds into HMIS. The CoC will also work with the PHAs that begin using HMIS to provide technical assistance on data quality.

------------------------	---------	------------

2C-3. If any of the project types listed in question 2C-2 above have a coverage rate below 85 percent, and some or all of these rates can be attributed to beds covered by one of the following program types, please indicate that here by selecting all that apply from the list below.

VA Grant per diem (VA GPD):	
VASH:	X
Faith-Based projects/Rescue mission:	X
Youth focused projects:	
Voucher beds (non-permanent housing):	
HOPWA projects:

2D. Homeless Management Information System (HMIS) Data Quality

Instructions:

For guidance on completing this form, please reference the FY 2016 CoC Application Detailed Instructions and the FY 2016 CoC Program Competition NOFA. Please submit technical questions to the HUD Exchange Ask A Question.

2D-1. Indicate the percentage of unduplicated client records with null or missing values and the percentage of "Client Doesn't Know" or "Client Refused" within the last 10 days of January 2016.

Universal Data Element	Percentage Null or Missing	Percentage Client Doesn't Know or Refused

3.15 Relationship to Head of Household	3%	0%
3.16 Client Location	15%	0%
3.17 Length of time on street, in an emergency shelter, or safe haven	31%	2%

2D-2. Identify which of the following reports your HMIS generates. Select all that apply:

CoC Annual Performance Report (APR):		X	
ESG Consolidated Annual Performance and Evaluation Report (CA	PER):		X
Annual Homeless Assessment Report (AHAR) table shells:			X
FY2016 CoC Application	Page 24	09/13	/2016

2D-3. If you submitted the 2016 AHAR, how 12 many AHAR tables (i.e., ES-ind, ES-family, etc) were accepted and used in the last AHAR?

2D-4. How frequently does the CoC review Monthly data quality in the HMIS?

2D-5. Select from the dropdown to indicate if Both Project and CoC standardized HMIS data quality reports are generated to review data quality at the CoC level, project level, or both.

2D-6. From the following list of federal partner programs, select the ones that are currently using the CoC's HMIS.

VA Supportive Services for Veteran Families (SSVF):	x
VA Grant and Per Diem (GPD):	
Runaway and Homeless Youth (RHY):	x
Projects for Assistance in Transition from Homelessness (PATH):	x
None:	

2D-6a. If any of the Federal partner programs listed in 2D-6 are not currently entering data in the CoC's HMIS and intend to begin entering data in the next 12 months, indicate the Federal partner program and the anticipated start date. (limit 750 characters)

The BoS CoC does not have any VA Grant and Per Diem beds.

2E. Continuum of Care (CoC) Sheltered Point-in-Time (PIT) Count

Instructions:

For guidance on completing this form, please reference the FY 2016 CoC Application Detailed Instructions and the FY 2016 CoC Program Competition NOFA. Please submit technical questions to the HUD Exchange Ask A Question.

The data collected during the PIT count is vital for both CoC's and HUD. HUD needs accurate data to understand the context and nature of homelessness throughout the country, and to provide Congressand the Office of Management and Budget (OMB) with information regarding services provided, gaps in service, and performance. Accurate, high quality data is vital to inform Congress' funding decisions.

2E-1. Did the CoC approve the final sheltered	Yes
PIT count methodology for the 2016 sheltered	
PIT count?	

2E-2. Indicate the date of the most recent	01/25/2016
sheltered PIT count:	
(mm/dd/yyyy)	

2E-2a. If the CoC conducted the sheltered PIT Not Applicable count outside of the last 10 days of January 2016, was an exception granted by HUD?

2E-3. Enter the date the CoC submitted the 05/02/2016 sheltered PIT count data in HDX: (mm/dd/yyyy)

2F. Continuum of Care (CoC) Sheltered Point-in-Time (PIT) Count: Methods

Instructions:

For guidance on completing this form, please reference the FY 2016 CoC Application Detailed Instructions and the FY 2016 CoC Program Competition NOFA. Please submit technical questions to the HUD Exchange Ask A Question.

2F-1. Indicate the method(s) used to count sheltered homeless persons during the 2016 PIT count:

Complete Census Count:	X
Random sample and extrapolation:	
Non-random sample and extrapolation:	
HMIS data was used to pull sheltered count data. Provider survey data was used for DV and non-HMIS user programs to determine the total sheltered number for the PIT.	X

2F-2. Indicate the methods used to gather and calculate subpopulation data for sheltered homeless persons:

HMIS:	X
HMIS plus extrapolation:	
Interview of sheltered persons:	
Sample of PIT interviews plus extrapolation:	
Provider survey data	X

2F-3. Provide a brief description of your CoC's sheltered PIT count methodology and describe why your CoC selected its sheltered PIT count methodology. (limit 1000 characters)

For the sheltered count, the CoC conducted a complete census of every person residing in an emergency shelter or transitional housing program on the night of the 2016 PIT. The CoC used HMIS data for all ES and TH programs utilizing

FY2016 CoC Application	Page 27	09/13/2016
------------------------	---------	------------

HMIS, and the survey provider method for all programs. This data was collected from programs that do not utilize HMIS (DV and others) to obtain the most complete information. Survey provider data was entered into the same format as HMIS data, and used to review and validate all HMIS data. All data was reviewed for inconsistencies or questionable responses and providers were personally contacted by CoC staff to clarify data. As a last resort, staff used extrapolation for the few programs where the CoC was not able to procure a completed survey for programs known to still be in operation and staff applied the average bed utilization of all other Emergency Shelter programs. Cost, performance, and outcome data were considered in creating this system.

2F-4. Describe any change in methodology from your sheltered PIT count in 2015 to 2016, including any change in sampling or extrapolation method, if applicable. Do not include information on changes to the implementation of your sheltered PIT count methodology (e.g., enhanced training or change in partners participating in the PIT count). (limit 1000 characters)

No changes have been made.

2F-5. Did your CoC change its provider Yes coverage in the 2016 sheltered count?

2F-5a. If "Yes" in 2F-5, then describe the change in provider coverage in the 2016 sheltered count. (limit 750 characters)

Three projects were included in the 2015 PIT, but were not included on the 2016 PIT. Emergency shelter coverage decreased by 48 beds largely due to a 65 bed VA DOM project that the CoC removed from the inventory (based on the guidance) on the 2016 HIC. Also, one warming center that was open during the 2015 PIT count was not open during the 2016 PIT count, and one shelter is no longer operational. Transitional Housing coverage increased 44 beds with the addition of 3 projects and the removal of 3 projects that are no longer operating. An additional 142 VASH Vouchers were reported in 2016. Rapid re-housing beds in use on the night of the 2016 count increased by 48 and permanent supportive housing beds saw an increase of 5.

2G. Continuum of Care (CoC) Sheltered Point-in-Time (PIT) Count: Data Quality

Instructions:

For guidance on completing this form, please reference the FY 2016 CoC Application Detailed Instructions and the FY 2016 CoC Program Competition NOFA. Please submit technical questions to the HUD Exchange Ask A Question.

2G-1. Indicate the methods used to ensure the quality of the data collected during the sheltered PIT count:

Training:	
Follow-up:	X
HMIS:	X
Non-HMIS de-duplication techniques:	

2G-2. Describe any change to the way your CoC implemented its sheltered PIT count from 2015 to 2016 that would change data quality, including changes to training volunteers and inclusion of any partner agencies in the sheltered PIT count planning and implementation, if applicable. Do not include information on changes to actual sheltered PIT count methodology (e.g. change in sampling or extrapolation methods). (limit 1000 characters)

There were no changes.

2H. Continuum of Care (CoC) Unsheltered Pointin-Time (PIT) Count

Instructions:

For guidance on completing this form, please reference the FY 2016 CoC Application Detailed Instructions and the FY 2016 CoC Program Competition NOFA. Please submit technical questions to the HUD Exchange Ask A Question.

HUD requires CoCs to conduct an unsheltered PIT count every 2 years (biennially) during the last 10 days in January; however, HUD also strongly encourages CoCs to conduct the unsheltered PIT count annually at the same time that they conduct annual sheltered PIT counts. HUD required CoCs to conduct the last biennial PIT count during the last 10 days in January 2015.

2H-1. Did the CoC approve the final Yes unsheltered PIT count methodology for the most recent unsheltered PIT count?

2H-2. Indicate the date of the most recent 01/26/2015 unsheltered PIT count (mm/dd/yyyy):

2H-2a. If the CoC conducted the unsheltered Not Applicable PIT count outside of the last 10 days of January 2016, or most recent count, was an exception granted by HUD?

2H-3. Enter the date the CoC submitted the 05/15/2015 unsheltered PIT count data in HDX (mm/dd/yyyy):

2I. Continuum of Care (CoC) Unsheltered Pointin-Time (PIT) Count: Methods

Instructions:

For guidance on completing this form, please reference the FY 2016 CoC Application Detailed Instructions and the FY 2016 CoC Program Competition NOFA. Please submit technical questions to the HUD Exchange Ask A Question.

2I-1. Indicate the methods used to count unsheltered homeless persons during the 2016 or most recent PIT count:

Night of the count - complete census:	
Night of the count - known locations:	
Night of the count - random sample:	
Service-based count:	X
HMIS:	

2I-2. Provide a brief descripton of your CoC's unsheltered PIT count methodology and describe why your CoC selected this unsheltered PIT count methodology. (limit 1000 characters)

Given the complexity of counting in the BoS CoC 152 county coverage area, the Collaborative Applicant contracted with Kennesaw State University to develop a predictive model for the state. In 2008, KSU statisticians performed a cluster analysis that used 300 census variables to group all counties in the state into 9 clusters. Using cluster sampling, the CoC works with communities to conduct Service Based Counts in counties across the state. These sample counts, along with data from the cluster analysis, are used to create a regression model that predicts estimates for counties that were not able to perform actual counts. In 2015, the CoC worked with local service providers to collect PIT data in as many counties as possible, which included 69 counties. Surveys were administered the week following the count date, and some communities utilized a hybrid methodology by completing surveys on the night of the count and then continuing to survey the following week.

FY2016 CoC Application	Page 31	09/13/2016
------------------------	---------	------------

2I-3. Describe any change in methodology from your unsheltered PIT count in 2015 (or 2014 if an unsheltered count was not conducted in 2015) to 2016, including any change in sampling or extrapolation method, if applicable. Do not include information on changes to implementation of your sheltered PIT count methodology (e.g., enhanced training or change in partners participating in the count). (limit 1000 characters)

No changes were made.

2I-4. Has the CoC taken extra measures to No identify unaccompanied homeless youth in the PIT count?

2I-4a. If the response in 2I-4 was "no" describe any extra measures that are being taken to identify youth and what the CoC is doing for homeless youth. (limit 1000 characters)

In 152 counties, it can be difficult to identify and engage the homeless youth population with the limited number for RHY providers in the CoC. However, the CoC works with youth outreach projects as they can supply critical information to help identify locations where homeless youth gather. Through the ESG Program, the state has partnered with a RHY provider to provide outreach to unaccompanied homeless youth.

For the 2017 Unsheltered PIT Count, the CoC is specifically requesting participation from RHY providers, one of whom participated in our 2016 Veteran's Registry. We are emphasizing the importance of counting youth in the CoC in order to most effectively target efforts toward this population. The CoC is also working to modify the survey instrument to collect information on the homeless youth population to ensure we're aware of the issues at hand for the homeless youth community.

2J. Continuum of Care (CoC) Unsheltered Pointin-Time (PIT) Count: Data Quality

Instructions:

For guidance on completing this form, please reference the FY 2016 CoC Application Detailed Instructions and the FY 2016 CoC Program Competition NOFA. Please submit technical questions to the HUD Exchange Ask A Question.

2J-1. Indicate the steps taken by the CoC to ensure the quality of the data collected for the 2016 unsheltered PIT count:

Training:	x
"Blitz" count:	
Unique identifier:	X
Survey questions:	
Enumerator observation:	
None:	

2J-2. Describe any change to the way the CoC implemented the unsheltered PIT count from 2015 (or 2014 if an unsheltered count was not conducted in 2015) to 2016 that would affect data quality. This includes changes to training volunteers and inclusion of any partner agencies in the unsheltered PIT count planning and implementation, if applicable. Do not include information on changes in actual methodology (e.g. change in sampling or extrapolation method). (limit 1000 characters)

Not Applicable. The Balance of State CoC did not conduct an unsheltered count in 2016. The steps in 2J-1 reflect the 2015 unsheltered PIT count.

3A. Continuum of Care (CoC) System Performance

Instructions

For guidance on completing this form, please reference the FY 2016 CoC Application Detailed Instructions and the FY 2016 CoC Program NOFA. Please submit technical questions to the HUD Exchange Ask A Question.

3A-1. Performance Measure: Number of Persons Homeless - Point-in-Time Count.

* 3A-1a. Change in PIT Counts of Sheltered and Unsheltered Homeless Persons

Using the table below, indicate the number of persons who were homeless at a Point-in-Time (PIT) based on the 2015 and 2016 PIT counts as recorded in the Homelessness Data Exchange (HDX).

	2015 PIT (for unsheltered count, most recent year conducted)	2016 PIT	Difference
Universe: Total PIT Count of sheltered and unsheltered persons	5,797	5,575	-222
Emergency Shelter Total	1,248	1,042	-206
Safe Haven Total	0	0	0
Transitional Housing Total	1,031	1,015	-16
Total Sheltered Count	2,279	2,057	-222
Total Unsheltered Count	3,518	3,518	0

3A-1b. Number of Sheltered Persons Homeless - HMIS. Using HMIS data, enter the number of homeless persons who were served in a sheltered environment between October 1, 2014 and September 30, 2015 for each category provided.

	Between October 1, 2014 and September 30, 2015
Universe: Unduplicated Total sheltered homeless persons	6,004
Emergency Shelter Total	4,593
Safe Haven Total	0
Transitional Housing Total	1,411

3A-2. Performance Measure: First Time Homeless.

Describe the CoC's efforts to reduce the number of individuals and families who become homeless for the first time. Specifically, describe what the CoC is doing to identify risk factors of becoming homeless.

FY2016 CoC Application	Page 34	09/13/2016
------------------------	---------	------------

(limit 1000 characters)

As part of the CoC's coordinated entry activities, the CoC is planning to engage a research institution to analyze data from the Barriers to Housing Stability Assessments in HMIS. These assessments, which have been recorded in HMIS since 2008, are conducted on each head of household to examine which barriers may be predictors of, or risk factors for, entering homelessness and households experiencing certain housing outcomes.

Additionally, there are 4 homeless prevention projects (amounting to \$250,000 in funding available for prevention in the Balance of State CoC) currently working towards reducing the number of households who become homeless for the first time. Further, the CoC has worked with the Georgia State Interagency Council on Homelessness and other state agencies to develop discharge planning protocols for the mainstream agencies addressing corrections, behavioral health, mental health and foster care.

3A-3. Performance Measure: Length of Time Homeless.

Describe the CoC's efforts to reduce the length of time individuals and families remain homeless. Specifically, describe how your CoC has reduced the average length of time homeless, including how the CoC identifies and houses individuals and families with the longest lengths of time homeless. (limit 1000 characters)

This year, the CoC has worked with our HMIS software provider to produce, measure and track these baseline numbers. The average length of time persons in emergency shelter are homeless is 83 days. The average for persons in emergency shelter and transitional housing is 165 days. The new HMIS software being acquired this year is expected to further assist in efforts to measure and track the length of time people are homeless.

Focusing and planning around a housing first model and rapid rehousing will reduce length-of-time homeless. Through regional meetings (March 2016) and a Housing First Training (May 2016), the CoC works with providers in an effort to address program barriers participants experience with entering or remaining in a program, and achieving rapid rehousing.

* 3A-4. Performance Measure: Successful Permanent Housing Placement or Retention.

In the next two questions, CoCs must indicate the success of its projects in placing persons from its projects into permanent housing.

3A-4a. Exits to Permanent Housing Destinations: Fill in the chart to indicate the extent to which projects exit program participants into permanent housing (subsidized or non-subsidized) or the

retention of program participants in CoC Program-funded permanent supportive housing.

	Between October 1, 2014 and September 30, 2015
Universe: Persons in SSO, TH and PH-RRH who exited	201
Of the persons in the Universe above, how many of those exited to permanent destinations?	138
% Successful Exits	68.66%

3A-4b. Exit To or Retention Of Permanent Housing: In the chart below, CoCs must indicate the number of persons who exited from any CoC funded permanent housing project, except rapid re-housing projects, to permanent housing destinations or retained their permanent housing between October 1, 2014 and September 31, 2015.

	Between October 1, 2014 and September 30, 2015
Universe: Persons in all PH projects except PH-RRH	1,865
Of the persons in the Universe above, indicate how many of those remained in applicable PH projects and how many of those exited to permanent destinations?	1,726
% Successful Retentions/Exits	92.55%

3A-5. Performance Measure: Returns to Homelessness: Describe the CoCs efforts to reduce the rate of individuals and families who return to homelessness. Specifically, describe strategies your CoC has implemented to identify and minimize returns to homelessness, and demonstrate the use of HMIS or a comparable database to monitor and record returns to homelessness. (limit 1000 characters)

Twelve percent of returns to homelessness occur in less than 6 months, 8% occur in 6-12 months, and 7% occur in 13-24 months.

Trainings/TA are offered to help agencies utilize best practices for clients to maintain stable housing and access services. Tracking of clients re-entering homelessness is done on a project-by-project basis so that targeted monitoring and support are arranged.

The state funds SOAR services and aftercare case management. For Shelter Plus Care projects, the state funds a Harm Reduction Program, an intensive case management practice supporting the Housing First Model for those with severe mental illness and active addiction.

The CoC has developed methodology for identifying recurrence of homelessness. HMIS is utilized in this effort to monitor and record these returns to homelessness for clients exiting rapid rehousing, transitional housing, and PSH.

3A-6. Performance Measure: Job and Income Growth. Performance Measure: Job and Income Growth. Describe the CoC's specific strategies to assist CoC Program-funded projects to increase program participants' cash income from employment and nonemployment non-cash sources. (limit 1000 characters)

State funds provide employment training and child care to move clients to work. Currently, half of the awards for these projects are in the BoS CoC area.

Further, 53% of current CoC recipients/subrecipients provide SOAR technical assistance to project participants. And in the last year, CoC recipients/subrecipient participants have increased income from all sources by 11% (47.78% from 36.12%). Leavers with non-cash mainstream benefits has increased by .64% (77.38% from 76.74%) in the last year.

CoC Program-funded projects utilize the COMPASS System to evaluate applicant eligibility for mainstream benefits and provide a concise online application for increasing non-employment related income.

Projects are assisted with these activities through group and individual trainings and support by the CoC, including best practices training. The CoC works to encourage recipients/subrecipients to utilize the COMPASS System, SOAR, and employment training/childcare.

3A-6a. Describe how the CoC is working with mainstream employment organizations to aid homeless individuals and families in increasing their income.

(limit 1000 characters)

The CoC works with the Department of Labor and the Department of Behavioral Health & Developmental Disabilities (DBHDD), on the CoC Board to increase income for homeless families.

DBHDD contracts with providers to operate Supported Employment (SE) services throughout the state for eligible individuals. Services include support to access benefits counseling; identifying vocational skills and interests; and developing and implement a job search plan to obtain competitive employment in an integrated community setting based on the individual's strengths, preferences, abilities, and needs.

The CoC Program funds 59 PH projects (excluding 10 new PH 2015 projects not under contract). Of those 59 projects, 31 have a relationship with DBHDD's Supported Employment Services (14 recipient/subrecipient organizations are contracted to be a SE provider). Fifty-one percent (51%) of the CoC's PH projects are regularly connecting participants with employment services.

3A-7. What was the the criteria and decision-making process the CoC used to identify and exclude specific geographic areas from the CoC's unsheltered PIT count? (limit 1000 characters)

There are three street outreach teams working in the Balance of State CoC: one

FY2016 CoC Application	Page 37	09/13/2016

targeting homeless minors, one for homeless youth and one led by a mental health provider. Each agency providing street outreach has access to homeless assistance providers, including an emergency shelter, at a minimum.

We select PIT participating organizations with convenience sampling. Organizations who participate in our PIT count identify and track homeless individuals and identify appropriate geographic areas by working with law enforcement, churches, local food banks, and other service providers who encounter and have relationships with the homeless in their communities.

Unsheltered are engaged and identified to immediately move them towards shelters. If shelters do not exist in the area, hotels can be used to temporarily house people until they can move to a more permanent housing. Permanent solutions, such as rapid rehousing and PSH are engaged for these clients as quickly as possible.

3A-7a. Did the CoC completely exclude No geographic areas from the the most recent PIT count (i.e., no one counted there and, for communities using samples the area was excluded from both the sample and extrapolation) where the CoC determined that there were no unsheltered homeless people, including areas that are uninhabitable (e.g. disasters)?

> 3A-7b. Did the CoC completely exclude geographic areas from the the most recent PIT count (i.e., no one counted there and, for communities using samples the area was excluded from both the sample and extrapolation) where the CoC determined that there were no unsheltered homeless people, including areas that are uninhabitable (e.g. deserts, wilderness, etc.)? (limit 1000 characters)

3A-8. Enter the date the CoC submitted the 08/11/2016 system performance measure data into HDX. The System Performance Report generated by HDX must be attached. (mm/dd/yyyy)

3B. Continuum of Care (CoC) Performance and Strategic Planning Objectives

Objective 1: Ending Chronic Homelessness

Instructions:

For guidance on completing this form, please reference the FY 2016 CoC Application Detailed Instructions and the FY 2016 CoC Program Competition NOFA. Please submit technical questions to the HUD Exchange Ask A Question.

To end chronic homelessness by 2017, HUD encourages three areas of focus through the implementation of Notice CPD 14-012: Prioritizing Persons Experiencing Chronic Homelessness in Permanent Supportive Housing and Recordkeeping Requirements for Documenting Chronic Homeless Status.

1. Targeting persons with the highest needs and longest histories of homelessness for existing and new permanent supportive housing; 2. Prioritizing chronically homeless

individuals, youth and families who have the longest histories of homelessness; and

3. The highest needs for new and turnover units.

3B-1.1. Compare the total number of chronically homeless persons, which includes persons in families, in the CoC as reported by the CoC for the 2016 PIT count compared to 2015 (or 2014 if an unsheltered count was not conducted in 2015).

	2015 (for unsheltered count, most recent year conducted)	2016	Difference
Universe: Total PIT Count of sheltered and unsheltered chronically homeless persons	981	933	-48
Sheltered Count of chronically homeless persons	98	50	-48
Unsheltered Count of chronically homeless persons	883	883	0

3B-1.1a. Using the "Differences" calculated in question 3B-1.1 above, explain the reason(s) for any increase, or no change in the overall TOTAL number of chronically homeless persons in the CoC, as well as the change in the unsheltered count, as reported in the PIT count in 2016 compared to 2015. (limit 1000 characters)

FY2016 CoC Application	Page 39	09/13/2016
------------------------	---------	------------

There was a decrease in the number of sheltered chronically homeless persons, and the CoC did not conduct an unsheltered count in 2016. Thus, we cannot comment on the overall changes, only the sheltered changes.

Regarding methodology, for the 2016 Sheltered Count, the CoC followed the updated guidance in the Notice on data collection in regards to who is chronically homeless for the PIT, which required homeless occasions to be at least 12 months where individuals were homeless on four separate occasions in the last 3 years. In comparing the 2016 sheltered data to the 2015 data, there were five shelter programs that reported a significantly smaller portion of their sheltered clients as being chronically homeless.

3B-1.2. Compare the total number of PSH beds (CoC Program and non-CoC Program funded) that were identified as dedicated for use by chronically homeless persons on the 2016 Housing Inventory Count, as compared to those identified on the 2015 Housing Inventory Count.

	2015	2016	Difference
Number of CoC Program and non-CoC Program funded PSH beds dedicated for use by chronically homelessness persons identified on the HIC.	479	479	0

3B-1.2a. Explain the reason(s) for any increase, or no change in the total number of PSH beds (CoC program funded or non-CoC Program funded) that were identified as dedicated for use by chronically homeless persons on the 2016 Housing Inventory Count compared to those identified on the 2015 Housing Inventory Count. (limit 1000 characters)

There was no change in the number of dedicated beds for chronically homeless individuals and families. However, in 2015 the CoC implemented policy requiring PSH project to prioritize at least 85% of non-dedicated beds for chronically homeless, and projects have committed that 100% of non-dedicated beds will be prioritized.

Collaborative Applicant staff and the Standards, Rating, and Project Selection Committee have begun discussion around methods to further increase the number of dedicated beds for chronically homeless individuals and families. The requirement of dedicated beds to exclusively serve persons experiencing chronic homelessness in those beds unless there are no persons within the CoC's geographic area, is a little more difficult for large CoCs, where a homeless person meeting the definition of chronically homeless may be multiple counties away from a given bed.

3B-1.3. Did the CoC adopt the Orders of Priority into their standards for all CoC Program funded PSH as described in Notice CPD-14-012: Prioritizing Persons Experiencing Chronic Homelessness in Permanent Supportive Housing and

FY2016 CoC Application	Page 40	09/13/2016

Recordkeeping Requirements for Documenting Chronic Homeless Status?

3B-1.3a. If "Yes" was selected for question Pages 1-6 3B-1.3, attach a copy of the CoC's written standards or other evidence that clearly shows the incorporation of the Orders of Priority in Notice CPD 14-012 and indicate the page(s) for all documents where the Orders of Priority are found.

3B-1.4. Is the CoC on track to meet the goal Yes of ending chronic homelessness by 2017?

This question will not be scored.

3B-1.4a. If the response to question 3B-1.4 was "Yes" what are the strategies that have been implemented by the CoC to maximize current resources to meet this goal? If "No" was selected, what resources or technical assistance will be implemented by the CoC to reach to goal of ending chronically homelessness by 2017? (limit 1000 characters)

The CoC adopted the orders of priority in all CoC-funded PSH programs as described in Notice CPD-14-012: Prioritizing Persons Experiencing Chronic Homelessness in Permanent Supportive Housing to both further reduce the number of people experiencing chronic homelessness and to target current PSH resources.

Current CoC strategies include increased emphasis and technical assistance for PSH providers on prioritization of people who are chronically homeless, technical assistance on harm reduction and housing first models, working with HUD TA around methodology for special populations, and working to create a by-name registry for chronically homeless individuals in the 2017 PIT.

Currently, some of the CoC-funded PSH programs have PATH Teams, and they have provided training and TA at the annual training. The CoC will work with them to strategize more comprehensive outreach approaches for PSH programs in order to reach some of the more vulnerable people who may not be accessing services.

3B. Continuum of Care (CoC) Strategic Planning Objectives

3B. Continuum of Care (CoC) Strategic Planning Objectives

Instructions:

For guidance on completing this form, please reference the FY 2016 CoC Application Detailed Instructions and the FY 2016 CoC Program Competition NOFA. Please submit technical questions to the HUD Exchange Ask A Question.

HUD will evaluate CoC's based on the extent to which they are making progress to achieve the goal of ending homelessness among households with children by 2020.

3B-2.1. What factors will the CoC use to prioritize households with children during the FY2016 Operating year? (Check all that apply).

Vulnerability to victimization:	
Number of previous homeless episodes:	X
Unsheltered homelessness:	X
Criminal History:	
Bad credit or rental history (including not having been a leaseholder):	
Head of household has mental/physical disabilities:	X
N/A:	

3B-2.2. Describe the CoC's strategies including concrete steps to rapidly rehouse every household with children within 30 days of those families becoming homeless. (limit 1000 characters)

FY2016 CoC Application	Page 42	09/13/2016
------------------------	---------	------------

The Coc's current HMIS provider does not allow length of time since becoming homeless to be extracted. However, this is expected to change when a new system is implemented this year.

The CoC and state ESG jurisdiction provides annual training in Housing First and best practices, encourages service providers to utilize funding for housing search and placement so that case managers are not overburdened and can help participants move into housing quickly, and encourages partner agencies to use the Georgia Housing Search website to identify the most appropriate housing available for program participants' particular needs.

The CoC and state ESG jurisdiction have prioritized RRH and provide training and technical assistance for maximizing RRH to quickly house families. To maximize participation in CoC and ESG-funded RRH, new agencies are contacted and encouraged to participate in these programs where appropriate. Specific TA is given to agencies who struggle to meet their goals.

3B-2.3. Compare the number of RRH units available to serve families from the 2015 and 2016 HIC.

	2015	2016	Difference
RRH units available to serve families in the HIC:	156	150	-6

3B-2.4. How does the CoC ensure that emergency shelters, transitional housing, and permanent housing (PSH and RRH) providers within the CoC do not deny admission to or separate any family members from other members of their family based on age, sex, gender or disability when entering shelter or housing? (check all strategies that apply)

CoC policies and procedures prohibit involuntary family separation:	
There is a method for clients to alert CoC when involuntarily separated:	
CoC holds trainings on preventing involuntary family separation, at least once a year:	
Other: Policies and procedures for entry are reviewed annually before funds are committee to projects.	x
None:	

3B-2.5. Compare the total number of homeless households with children in the CoC as reported by the CoC for the 2016 PIT count compared to 2015 (or 2014 if an unsheltered count was not conducted in 2015).

FY2016 CoC Application	Page 43	09/13/2016

PIT Count of Homelessness Among Households With Children

	2015 (for unsheltered count, most recent year conducted)	2016	Difference
Universe: Total PIT Count of sheltered and unsheltered homeless households with children:	691	678	-13
Sheltered Count of homeless households with children:	498	485	-13
Unsheltered Count of homeless households with children:	193	193	0

3B-2.5a. Explain the reason(s) for any increase, or no change in the total number of homeless households with children in the CoC as reported in the 2016 PIT count compared to the 2015 PIT count. (limit 1000 characters)

There was a slight decrease in the number of homeless households with children. The CoC believes this is because there are more permanent housing opportunities available through the Rapid Rehousing projects. In the BoS Continuum, over 900 people were served in Rapid Rehousing projects in 2015. Without this intervention, these individuals and families would likely have been unsheltered homeless or in an emergency shelter.

3B-2.6. From the list below select the strategies to the CoC uses to address the unique needs of unaccompanied homeless youth including youth under age 18, and youth ages 18-24, including the following.

Human trafficking and other forms of exploitation?	No
LGBTQ youth homelessness?	No
Exits from foster care into homelessness?	No
Family reunification and community engagement?	No
Positive Youth Development, Trauma Informed Care, and the use of Risk and Protective Factors in assessing youth housing and service needs?	No
Unaccompanied minors/youth below the age of 18?	No

3B-2.6a. Select all strategies that the CoC uses to address homeless youth trafficking and other forms of exploitation.

Diversion from institutions and decriminalization of youth actions that stem from being trafficked:	
Increase housing and service options for youth fleeing or attempting to flee trafficking:	
Specific sampling methodology for enumerating and characterizing local youth trafficking:

3B-2.7. What factors will the CoC use to prioritize unaccompanied youth including youth under age 18, and youth ages 18-24 for housing and services during the FY 2016 operating year? (Check all that apply)

Vulnerability to victimization:	
Length of time homeless:	X
Unsheltered homelessness:	X

3B-2.8. Using HMIS, compare all unaccompanied youth including youth under age 18, and youth ages 18-24 served in any HMIS contributing program who were in an unsheltered situation prior to entry in FY 2014 (October 1, 2013-September 30, 2014) and FY 2015 (October 1, 2014 -September 30, 2015).

Total number of unaccompanied youth served in HMIS contributing programs who were in an unsheltered situation prior to entry:	42	68	26

3B-2.8a. If the number of unaccompanied youth and children, and youthheaded households with children served in any HMIS contributing program who were in an unsheltered situation prior to entry in FY 2015 is lower than FY 2014 explain why.

(limit 1000 characters)

We've been working with agencies to provide technical assistance on HMIS data and program implementation. As a result, RHY organizations have increased outreach efforts.

3B-2.9. Compare funding for youth homelessness in the CoC's geographic area in CY 2016 and CY 2017.

	Calendar Year 2016	Calendar Year 2017	Difference
Overall funding for youth homelessness dedicated projects (CoC Program and non-CoC Program funded):	\$331,852.00	\$305,000.00	(\$26,852.00)
CoC Program funding for youth homelessness dedicated projects:	\$62,702.00	\$0.00	(\$62,702.00)
Non-CoC funding for youth homelessness dedicated projects (e.g. RHY or other Federal, State and Local funding):	\$269,150.00	\$305,000.00	\$35,850.00

3B-2.10. To what extent have youth services and educational representatives, and CoC representatives participated in each other's meetings between July 1, 2015 and June 30, 2016?

Cross-Participation in Meetings	# Times
CoC meetings or planning events attended by LEA or SEA representatives:	3
LEA or SEA meetings or planning events (e.g. those about child welfare, juvenille justice or out of school time) attended by CoC representatives:	0
CoC meetings or planning events attended by youth housing and service providers (e.g. RHY providers):	1

3B-2.10a. Based on the responses in 3B-2.10, describe in detail how the CoC collaborates with the McKinney-Vento local educational authorities and school districts. (limit 1000 characters)

It is difficult to be certain education liaisons and coordinators from all 152 counties covered by the CoC are active, however, there is a representative from the Department of Education on the CoC Board, as well as representatives from agencies that serve and advocate for children and families on CoC committees, such as Action Ministries and the Georgia Alliance to End Homelessness.

Additionally, the Head Start Collaboration Director from the GA Department of Early Care and Learning, as well as several Head Start representatives, serve on the Interagency Council to End Homelessness. In an effort to assist school administrators in identifying families who may be homeless or at risk of homelessness, CoC Education policy requires providers to designate a staff member to maintain regular contact with local school liaisons, and other community education representatives, to ensure that families receive immediate services and that schools provide additional support as needed.

FY2016 CoC Application	Page 46	09/13/2016
------------------------	---------	------------

3B-2.11. How does the CoC make sure that homeless individuals and families who become homeless are informed of their eligibility for and receive access to educational services? Include the policies and procedures that homeless service providers (CoC and ESG Programs) are required to follow. (limit 2000 characters)

The CoC has an education policy that is required to be carried out by all ESG & CoC-funded programs within the CoC. The policy is updated and published in the handbooks that the collaborative applicant distributes yearly. The policy specifically affirms that all children are enrolled in the most appropriate program, either school positioned for success in education or an early childhood education program.

The policy requires designated staff within each agency to ensure participants are informed of their educational rights, to ensure children and youth access appropriate education services (enrolled in school, early childhood programs, or other relevant education programs), and to maintain regular contact with local school liaisons. As part of the CoC & ESG application processes, agencies need to affirm that they are carrying out this policy. The collaborative applicant and entitlement staff monitor agencies annually to ensure compliance and specifically review evidence to show agencies are in full compliance and have program policies to ensure that agency staff work with local school liaisons.

Agencies are required to show how they proactively work with schools and education authorities to ensure homeless families are aware of their rights to homeless services.

Through the State Interagency Council on Homelessness, collaborative applicant staff developed a partnership with the State level McKinney Vento Education Liaison.

3B-2.12. Does the CoC or any HUD-funded projects within the CoC have any written agreements with a program that services infants, toddlers, and youth children, such as Head Start; Child Care and Development Fund; Healthy Start; Maternal, Infant, Early Childhood Home Visiting programs; Public Pre-K; and others? (limit 1000 characters)

HUD CoC-funded providers have MOU/MOAs with Homeless Liaison/Social Workers (which includes Head Start and Early Head Start), and Pre-K. Providers also have MOAs with local organizations/programs such as Open Door, Growing Room, Enrichment Services, Columbus Board of Health/Project Launch Grant Initiative (mental health consultant services), Great Start Georgia, the public mental health provider Adolescent Addictive Diseases Clubhouse Services, Our House (child care services), Boys and Girls Club.

Outside of formal agreements, providers reported working relationships with Healthy Start and performing the same assessments utilized by Public Health to make referrals for appropriate children in their shelter. Providers also reported a Family Advocacy Program, which starts working with parents and children from birth to follow milestones and encourage parents to read and do other

3B. Continuum of Care (CoC) Performance and Strategic Planning Objectives

Objective 3: Ending Veterans Homelessness

Instructions:

For guidance on completing this form, please reference the FY 2016 CoC Application Detailed Instructions and the FY 2016 CoC Program Competition NOFA. Please submit technical questions to the HUD Exchange Ask A Question.

Opening Doors outlines the goal of ending Veteran homelessness by the end of 2016. The following questions focus on the various strategies that will aid communities in meeting this goal.

3B-3.1. Compare the total number of homeless Veterans in the CoC as reported by the CoC for the 2016 PIT count compared to 2015 (or 2014 if an unsheltered count was not conducted in 2015).

	2015 (for unsheltered count, most recent year conducted)	2016	Difference
Universe: Total PIT count of sheltered and unsheltered homeless veterans:	533	468	-65
Sheltered count of homeless veterans:	113	48	-65
Unsheltered count of homeless veterans:	420	420	0

3B-3.1a. Explain the reason(s) for any increase, or no change in the total number of homeless veterans in the CoC as reported in the 2016 PIT count compared to the 2015 PIT count. (limit 1000 characters)

There was a slight decrease in the number of sheltered homeless Veterans as shown on the night of the 2016 PIT Count. This year based on guidance in the Notice, the CoC did not include inventory or veterans in VADOM, and that represents a decrease of 65. There was no change recorded in the number of unsheltered Veterans, because the CoC did not conduct a unsheltered PIT count in 2016.

While the CoC did not conduct a full unsheltered count, the CoC conducted a Homeless Veterans Registry in March 2016. Participation in the survey originally included 95 of the 152 counties served by the Balance of State CoC, but coordinators ended up only covering 80 counties. From this registry, 105 Veterans were identified as homeless (in 26 of the 80 counties), but only 71 of

FY2016 CoC Application	Page 49	09/13/2016
------------------------	---------	------------

those homeless Veterans provided their contact information and consent to be contacted to receive assistance in finding housing.

3B-3.2. Describe how the CoC identifies, assesses, and refers homeless veterans who are eligible for Veterean's Affairs services and housing to appropriate reources such as HUD-VASH and SSVF. (limit 1000 characters)

When street outreach for homeless persons is conducted, those engaged are asked about their Veteran status. Local outreach teams approach homeless at known encampments/locations.

Homeless individuals are added to the BoS CoC By-Name Veteran List, and referred to the closest SSVF provider offering services. The SSVF provider will screen the Veteran and make the appropriate referral for VASH or other housing/services utilizing a VI-SPDAT or other tools.

VA funded providers in the CoC meet bi-weekly to conduct case conferencing, along with the BoS CoC Veteran Housing Coordinator. VA medical centers partner with and refer clients into the SSVF organizations.

Agencies funded by non-VA funds refer identified homeless veterans to the SSVF provider nearest them. This includes faith based organizations, CoC funded agencies, municipalities, and other private charitable organizations.

3B-3.3. Compare the total number of homeless Veterans in the CoC and the total number of unsheltered homeless Veterans in the CoC, as reported by the CoC for the 2016 PIT Count compared to the 2010 PIT Count (or 2009 if an unsheltered count was not conducted in 2010).

	2010 (or 2009 if an unsheltered count was not conducted in 2010)	2016	% Difference
Total PIT Count of sheltered and unsheltered homeless veterans:	950	468	-50.74%
Unsheltered Count of homeless veterans:	904	420	-53.54%

3B-3.4. Indicate from the dropdown whether No you are on target to end Veteran homelessness by the end of 2016.

This question will not be scored.

3B-3.4a. If "Yes", what are the strategies being used to maximize your current resources to meet this goal? If "No" what resources or technical

FY2016 CoC Application Page	e 50 09/13/2016
-----------------------------	-----------------

assistance would help you reach the goal of ending Veteran homelessness by the end of 2016? (limit 1000 characters)

The CoC would like to continue working with HUD TA providers under the Vets@Home Initiative. Using information from the Veteran Registry conducted and with data from HMIS and SSVF Providers, a By-Name List was created for all homeless veterans within the CoC. The CoC has begun the process of matching each Veteran from the By Name List with a SSVF provider in their county for an initial assessment. This is being done regionally, starting in the geographic area that indicated the most need. If the Veteran is in a county not served by SSVF, the CoC will refer the veteran to another agency receiving ESG or CoC funding. The CoC has also been working with SSVF to expand coverage to other counties where a Veteran has been identified but SSVF funding doesn't exist. With the PSH utilization rate at 101%, the CoC has worked with current permanent housing providers (RRH and PSH) to obtain commitment to partner with the CoC in a housing blitz to prioritize homeless Veterans for housing as needed.

4A. Accessing Mainstream Benefits

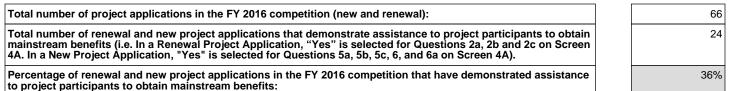

Instructions:

For guidance on completing this form, please reference the FY 2016 CoC Application Detailed Instructions and the FY 2016 CoC Program Competition NOFA. Please submit technical questions to the HUD Exchange Ask A Question.

4A-1. Does the CoC systematically provide No information to provider staff about mainstream benefits, including up-to-date resources on eligibility and program changes that can affect homeless clients?

> 4A-2. Based on the CoC's FY 2016 new and renewal project applications, what percentage of projects have demonstrated they are assisting project participants to obtain mainstream benefits? This includes all of the following within each project: transportation assistance, use of a single application, annual follow-ups with participants, and SOAR-trained staff technical assistance to obtain SSI/SSDI?

4B-7. Is the CoC requesting to designate one No or more of its SSO or TH projects to serve families with children and youth defined as homeless under other Federal statutes?

4B-7a. If "Yes", to question 4B-7, describe how the use of grant funds to serve such persons is of equal or greater priority than serving persons

defined as homeless in accordance with 24 CFR 578.89. Description must include whether or not this is listed as a priority in the Consolidated Plan(s) and its CoC strategic plan goals. CoCs must attach the list of projects that would be serving this population (up to 10 percent of CoC total award) and the applicable portions of the Consolidated Plan. (limit 2500 characters)

N/A

4B-8. Has the project been affected by a No major disaster, as declared by the President Obama under Title IV of the Robert T. Stafford Disaster Relief and Emergency Assistanct Act, as amended (Public Law 93-288) in the 12 months prior to the opening of the FY 2016 CoC Program Competition?

4B-8a. If "Yes" in Question 4B-8, describe the impact of the natural disaster on specific projects in the CoC and how this affected the CoC's ability to address homelessness and provide the necessary reporting to HUD.

(limit 1500 characters)

N/A

4B-9. Did the CoC or any of its CoC program Yes recipients/subrecipients request technical assistance from HUD since the submission of the FY 2015 application? This response does not affect the scoring of this application.

Dear Ms. Murray:

Regretfully, I am writing to let you know that the Balance of State Continuum of Care will not be advancing your request for Rapid Re-Housing funds through the HUD Continuum of Care competition.

Threshold eligibility issues centered on the following areas:

- Project proposes to serve young homeless mothers and unaccompanied youth, and therefore would not comply with HUD's final rule on Equal Access to Housing. A program that serves families with children must serve all families with children, regardless of head of household gender. The Equal Access to Housing Final Rule can be found at: https://www.hudexchange.info/resource/1991/equal-access-to-housing-final-rule/.
- Project appears to be proposing to provide RRH in their own structure similarly to facility-based housing.

Other issues with the application included the request of leasing funds within the Review Application (RRH is required to be Rental Assistance only), and there were inconsistencies within the application budgets and the number of people to be served.

While the Balance of State Continuum of Care is unable to support funding from HUD for this project at this time, we wish you every success in securing necessary funds to continue this and all of the other good work of your agency.

Should you have questions or concerns, please contact me at any time. You can also contact Tina Moore for questions at (404) 327-6870 or <u>tina.moore@dca.ga.gov</u>.

Sincerely,

Dave Whisnant

Dear Ms. Johnson and Ms. Loftin:

Regretfully, I am writing to let you know that the Balance of State Continuum of Care will not be advancing your request for Permanent Supportive Housing funds through the HUD Continuum of Care competition.

Threshold eligibility issues centered on the

- Project application, program description, and supportive services to be provided did not demonstrate that this
 proposed project met the threshold requirements of serving participants who meet HUD's definition of 100%
 chronically homeless.
- Project proposes to serve female headed homeless households with children exclusively, and therefore would not comply with HUD's final rule on Equal Access to Housing. A program that serves families with children must serve all families with children, regardless of gender of the parent. The Equal Access to Housing Final Rule can be found at: https://www.hudexchange.info/resource/1991/equal-access-to-housing-final-rule/.

Other issues with the application were inconsistencies within the application budgets, and the number of households and units.

While the Balance of State Continuum of Care is unable to support funding from HUD for this project, we wish you every success in securing necessary funds to continue this and all of the other good work of your agency.

Should you have questions or concerns, please contact me at any time. You can also contact Tina Moore for questions at (404) 327-6870 or <u>tina.moore@dca.ga.gov</u>.

Good morning,

Attached please find a chart showing the Balance of State CoC project grants where funding was reduced in order to reallocate funds to new projects. Reductions for Advantage BHS include two projects:

- As discussed, the Oconee PSH Program was reallocated entirely. Due to implementation issues with housing availability, this project was not able to reach capacity.
- The project Advantage BHS BOS S+CR was also reduced. This project is operating at 100% capacity, but this project is not utilizing all of the funds. As a result, funds are being returned to HUD. After careful review determining projected amounts that will be spent, it was determined that this project could continue operating at the current utilization, even with a grant reduction.

If you have any questions, please let me know. And Libby Tyre will also be reaching out to agencies regarding the grant reductions.

Thank you, Tina

Subject: Georgia BoS 2016 Continuum of Care Competition - Notification of Project Ranking

Good morning Georgia Balance of State Continuum of Care Members, Stakeholders and Interested Parties,

Attached please find the final Priority Chart showing the project ranking results of the Georgia Balance of State Continuum of Care. The project ranking results was approved by the Balance of State CoC Board on August 24, 2016, following approval by the Standards, Rating, and Project Selection Committee on August 22, 2016.

This information has also been posted on DCA's web page at the following two places: <u>http://www.dca.ga.gov/housing/HousingDevelopment/programs/continuumofcare.asp</u> and <u>http://www.dca.ga.gov/housing/HousingDevelopment/programs/CoCApplicantsandGranteesOnly.asp</u>.

Please note that changes as a result of funding availability or FMR adjustments for projects with rental assistance creates the possibility that the funding line could move, and projects ranking close to the funding cutoff for Tier 1 could pull one or more projects currently showing as the bottom of Tier 1, into Tier 2. We hope this won't happen, but we do want stakeholders to be aware of the possibility.

After HUD review, depending on availability of funding, and in accordance with the selection criteria outlined in the NOFA, we'll find out if the Balance of State CoC will receive awards for Tier 2 projects. As noted in the competition policy, projects in Tier 2 that pass HUD's eligibility and threshold review will be re-scored using the criteria in Section II.B.17. of the HUD NOFA (page 14 of the NOFA located at: <u>https://www.hudexchange.info/resources/documents/FY-2016-CoC-Program-NOFA.pdf</u>.)

Once the full CoC application is complete for the Balance of State CoC, DCA will send a notice letting stakeholders know the CoC Application document is available for review.

Should you have questions, please contact me (<u>tina.moore@dca.ga.gov</u>) or Dave Whisnant at (<u>david.whisnant@dca.ga.gov</u>).

(Please note: In addition to CoC members, this notice was sent to all interested parties on the mailing list of the State Housing Trust Fund for the Homeless. If you would like your contact information removed from the database, please let me know.)

Good morning,

Attached please find a chart showing the Balance of State CoC project grants where funding was reduced in order to reallocate funds to new projects. Most of the listed GHFA projects are operating at 90% or more capacity, but these projects are not utilizing all of the funds. As a result, funds are being returned to HUD. After careful review determining projected amounts that will be spent, it was determined that the GHFA S+C projects could continue operating at the current utilization, even with a grant reduction.

Thank you so much for your assistance in the review.

Overview

HUD's Continuum of Care Program

The U. S. Department of Housing and Urban Development's (HUD) Continuum of Care (CoC) program is designed to promote communitywide commitment to the goal of ending homelessness; provide funding for efforts by nonprofit providers, and State and local governments to quickly rehouse homeless individuals and families while minimizing the trauma and dislocation caused to homeless individuals, families, and communities by homelessness; promote access to and effect utilization of mainstream programs by homeless individuals and families; and optimize self-sufficiency among individuals and families experiencing homelessness.

HUD CoC grants are offered through a nation-wide competitive process for renewal and new grants. HUD has established guidelines for the competition which may be reviewed in the 2016 CoC Notice of Funding Availability. Nonprofits, states, instrumentalities of state (authorities, boards, etc.), and local governments are eligible to apply if they have been selected by one of the nine (9) Continuum of Care for the geographic area in which the proposed project will operate.

Georgia's Local Continua of Care

There are nine (9) Continua of Care in Georgia. The following localities have chosen to develop and submit local Continuums of Care -- (1) Athens/Clarke, (2) Augusta/Richmond, (3) Columbus/Muscogee, the City of (4) Atlanta, and the counties of (5) Chatham (including Savannah), (6) Cobb, (7) DeKalb, and (8) Fulton (excluding Atlanta). Contact information for each local continuum of care here.

Georgia's Balance of State Continuum of Care

The ninth (9th) continuum, the Georgia's Balance of State Continuum of Care (BoS CoC), is composed of representatives of relevant organizations organized within 152 of Georgia's 159 counties. To carry out its work, the BoS CoC has aligned its mission and goals to be consistent with the HUD Strategic Plan and with the Federal Interagency Homeless Council's plan entitled "Opening Doors.

Balance of State Continuum of Care Membership

Membership of the Balance of State CoC should consist of interested individuals and representatives from relevant organizations within the geographic area. Relevant organizations include nonprofit homeless assistance providers, victim service providers, faith-based organizations, governments, local chambers of commerce, local development authorities, businesses, advocates, local housing authorities, school districts, social service providers, mental health agencies, hospitals, colleges, technical schools, universities, affordable housing developers, landlords, law enforcement, and organizations that serve veterans and homeless and formerly homeless individuals.

The BoS Continuum has an open membership recruitment process for individuals and representatives who are interested in becoming a formal Member of the Balance of State Continuum of Care. If you are interested in becoming a formal member of the BoS CoC, please go to the following link to answer a few questions. The Georgia BoS CoC Membership Survey can be found at this link.

If you need more information about the Balance of State Continuum of Care or becoming a member, please contact:

• Tina Moore, GA Department of Community Affairs, phone (404) 327-6870 or by email at Tina.Moore@dca.ga.gov

While everyone is invited and encouraged to participate in the BoS CoC, for matters that call for a vote, only agencies (not individuals) will be eligible to vote. The Voter Membership Policy, enacted by the Membership and Rules Committee on September 8, 2014, requires each member organization/agency to designate one person to be the voting member for that respective agency. It is the responsibility of each agency to ensure the appropriate representative votes, and voting members are required to be a formal member of the BoS CoC

Other details on membership requirements can be found in the Governance Charter referenced on this page. Further, please contact Tina Moore (information above) if you need special accommodations, including language assistance, in order to participate

Agencies that have an interest in the Georgia Balance of State Continuum of Care are expected to participate in, and have membership representation on, the GA BoS CoC. Please note, participation and membership representation on each agency's respective CoC may be considered one of the threshold criteria during application review for the Continuum of Care and Emergency Solutions Grant programs.

Good evening 2016 Balance of State CoC Applicants,

By now all applicant agencies should have received individualized results for new and renewal projects submitted under the 2016 Balance of State Continuum of Care Competition. We had the conference call with the CoC Review Teams on August 16th and 17th, and the scoring results and/or threshold results have been sent to each applicant agency. If you have not received your results, please contact me.

Attached please find the final Priority Chart showing the project ranking results approved by the Balance of State CoC Board on August 24, 2016, following approval by the Standards, Rating, and Project Selection Committee on August 22, 2016. This information will also be posted on DCA's web page at: http://www.dca.ga.gov/housing/HousingDevelopment/programs/CoCApplicantsandGranteesOnly.asp.

As noted in the NOFA, HUD may issue two conditional funding announcements with the criteria set forth in Section VII. of the NOFA. HUD will select new and renewal project applications in Tier 1 in accordance with the criteria set forth in Section II.B.16 of the NOFA, and the CoC Application score and the project application score(s) will determine which projects in Tier 2 will be conditionally selected for award. For projects that ranked close to the funding cutoff for Tier 1, any changes as a result of funding availability or FMR adjustments for projects with rental assistance creates the possibility that the funding line could move, which could move the line between Tier 1 and Tier 2. We hope this won't happen, but we do want agencies to be aware of the possibility.

After HUD review, depending on availability of funding, and in accordance with the selection criteria outlined in the NOFA, we'll find out if the Balance of State CoC will receive awards for Tier 2 projects. Please remember that projects in Tier 2 that pass HUD's eligibility and threshold review will be re-scored using the criteria in Section II.B.17. of the HUD NOFA (page 14). As indicated in the NOFA, HUD will select projects in order of point value until there are no more funds available. In the case of a tie, HUD will fund the projects in the order of CoC application score. In case there is still a tie, HUD will select the project from the CoC that has the highest score on the rating factors described in Section VIII.A.2.e. (The NOFA can be found at: https://www.hudexchange.info/resources/documents/FY-2016-CoC-Program-NOFA.pdf.)

The next steps are:

- Our staff will be in contact with applicants regarding corrections and adjustments required within e-snaps.
- Applicants with projects in one or more designated Consolidated Planning Jurisdictions MUST follow up with the appropriate jurisdiction to make sure your project receives the appropriate Certifications of Consistency with the Consolidated Plan for jurisdictions where the project is located (if you haven't already done so). Please note that DCA is completing this certification for projects outside of local jurisdictions.
- Our staff is currently conducting a review of Applicant Profiles to make sure each has a current *HUD Form* 50070, Drug Free Workplace and a current *HUD 2880, Applicant/Recipient Disclosure/Update Report* (attached for each project). Both must be dated between 5/1/16 and 9/14/16.

Please let me know if you have any questions.

Thanks,

Learn more about our commitment to fair housing.

The project ranking results was approved by the Balance of State CoC Board on August 24, 2016, following approval by the Standards, Rating, and Project Selection Committee on August 22, 2016.

This information has also been posted on DCA's web page at the following two places: <u>http://www.dca.ga.gov/housing/HousingDevelopment/programs/continuumofcare.asp</u> and <u>http://www.dca.ga.gov/housing/HousingDevelopment/programs/CoCApplicantsandGranteesOnly.asp</u>.

Please note that changes as a result of funding availability or FMR adjustments for projects with rental assistance creates the possibility that the funding line could move, and projects ranking close to the funding cutoff for Tier 1 could pull one or more projects currently showing as the bottom of Tier 1, into Tier 2. We hope this won't happen, but we do want stakeholders to be aware of the possibility.

After HUD review, depending on availability of funding, and in accordance with the selection criteria outlined in the NOFA, we'll find out if the Balance of State CoC will receive awards for Tier 2 projects. As noted in the competition policy, projects in Tier 2 that pass HUD's eligibility and threshold review will be re-scored using the criteria in Section II.B.17. of the HUD NOFA (page 14 of the NOFA located at: <u>https://www.hudexchange.info/resources/documents/FY-2016-CoC-Program-NOFA.pdf</u>.)

Once the full CoC application is complete for the Balance of State CoC, DCA will send a notice letting stakeholders know the CoC Application document is available for review.

Should you have questions, please contact me (<u>tina.moore@dca.ga.gov</u>) or Dave Whisnant at (<u>david.whisnant@dca.ga.gov</u>).

(Please note: In addition to CoC members, this notice was sent to all interested parties on the mailing list of the State Housing Trust Fund for the Homeless. If you would like your contact information removed from the database, please let me know.)

Overview

HUD's Continuum of Care Program

The U. S. Department of Housing and Urban Development's (HUD) Continuum of Care (CoC) program is designed to promote communitywide commitment to the goal of ending homelessness; provide funding for efforts by nonprofit providers, and State and local governments to quickly rehouse homeless individuals and families while minimizing the trauma and dislocation caused to homeless individuals, families, and communities by homelessness; promote access to and effect utilization of mainstream programs by homeless individuals and families; and optimize self-sufficiency among individuals and families experiencing homelessness.

HUD CoC grants are offered through a nation-wide competitive process for renewal and new grants. HUD has established guidelines for the competition which may be reviewed in the 2016 CoC Notice of Funding Availability. Nonprofits, states, instrumentalities of state (authorities, boards, etc.), and local governments are eligible to apply if they have been selected by one of the nine (9) Continuum of Care for the geographic area in which the proposed project will operate.

Georgia's Local Continua of Care

There are nine (9) Continua of Care in Georgia. The following localities have chosen to develop and submit local Continuums of Care -- (1) Athens/Clarke, (2) Augusta/Richmond, (3) Columbus/Muscogee, the City of (4) Atlanta, and the counties of (5) Chatham (including Savannah), (6) Cobb, (7) DeKalb, and (8) Fulton (excluding Atlanta). Contact information for each local continuum of care here.

Georgia's Balance of State Continuum of Care

The ninth (9th) continuum, the Georgia's Balance of State Continuum of Care (BoS CoC), is composed of representatives of relevant organizations organized within 152 of Georgia's 159 counties. To carry out its work, the BoS CoC has aligned its mission and goals to be consistent with the HUD Strategic Plan and with the Federal Interagency Homeless Council's plan entitled "Opening Doors

Balance of State Continuum of Care Membership

Membership of the Balance of State CoC should consist of interested individuals and representatives from relevant organizations within the geographic area. Relevant organizations include nonprofit homeless assistance providers, victim service providers, faith-based organizations, governments, local chambers of commerce, local development authorities, businesses, advocates, local housing authorities, school districts, social service providers, mental health agencies, hospitals, colleges, technical schools, universities, affordable housing developers, landlords, law enforcement, and organizations that serve veterans and homeless and formerly homeless individuals.

The BoS Continuum has an open membership recruitment process for individuals and representatives who are interested in becoming a formal Member of the Balance of State Continuum of Care. If you are interested in becoming a formal member of the BoS CoC, please go to the following link to answer a few questions. The Georgia BoS CoC Membership Survey can be found at this link.

If you need more information about the Balance of State Continuum of Care or becoming a member, please contact:

Tina Moore, GA Department of Community Affairs, phone (404) 327-6870 or by email at Tina.Moore@dca.ga.gov

While everyone is invited and encouraged to participate in the BoS CoC, for matters that call for a vote, only agencies (not individuals) will be eligible to vote. The Voter Membership Policy, enacted by the Membership and Rules Committee on September 8, 2014, requires each member organization/agency to designate one person to be the voting member for

that respective agency. It is the responsibility of each agency to ensure the appropriate representative votes, and voting members are required to be a formal member of the BoS CoC.

Other details on membership requirements can be found in the Governance Charter referenced on this page. Further, please contact Tina Moore (information above) if you need special accommodations, including language assistance, in order to participate

Agencies that have an interest in the Georgia Balance of State Continuum of Care are expected to participate in, and have membership representation on, the GA BoS CoC. Please note, participation and membership representation on each agency's respective CoC may be considered one of the threshold criteria during application review for the Continuum of Care and Emergency Solutions Grant programs.

Georgia Balance of State Continuum of Care

Georgia Balance of State Continuum of Care Governance Board Approved July 13, 2016

2016 Georgia Balance of State Continuum of Care Competition

The Georgia Balance of State (BoS) Continuum of Care (CoC) is issuing the following guidance for the 2016 Notice of Funding Availability (NOFA) competition. This guidance applies to all renewing Continuum of Care grants for permanent supportive housing and rapid re-housing as well as for new applications submitted either for rapid re-housing and permanent supportive housing. This announcement is being provided in accordance with the HUD Notice of Funding Availability (NOFA) for the 2016 Continuum of Care Program Competition (Docket No. FR-6000-N-25) at: https://www.hudexchange.info/resources/documents/FY-2016-CoC-Program-NOFA.pdf.

Funding for new projects is only available through the process of reallocation or the permanent housing bonus. The Balance of State CoC may only create new project(s) through the permanent housing bonus up to 5% of the Final Pro Rata Need (FPRN) amount, which is around \$882,000 (based on the Preliminary Pro Rata Need amount). Applications for new projects made available through reallocation will only be considered if the application review sub-committees determine the need to reallocate from eligible renewal projects due to those projects not meeting threshold, poor performance, and underspending due to significantly operating under capacity. There is no estimated amount to be reallocated at this time.

The Georgia Department of Community Affairs (DCA), designated as the Collaborative Applicant for the Georgia Balance of State Continuum of Care (CoC), is responsible for overseeing and managing the application process for the FY2016 HUD Continuum of Care Homeless Assistance funding process. HUD requires that the CoC develop a process for submitting one consolidated application for the FY2016 CoC program. The Collaborative Applicant works with the Standards, Rating, and Project Selection Committee to develop and recommend the process for CoC Board approval. The BoS CoC Board approved this policy on July 13, 2016.

The following document outlines the policy and process for the FY2016 funding cycle.

<u>September 12, 2016</u> – CoC application submitted to HUD.

Summary of Changes and Policy Priorities for the FY2016 Georgia Balance of State Continuum of Care Homeless Assistance Funding Cycle

Please note that there have been significant changes in the process and method by which local CoCs are being scored under Federal priorities in the last two years. All applicants and interested parties are strongly encouraged to read this document, as well as the HUD FY 2016 Continuum of Care NOFA and any supplemental materials (<u>https://www.hudexchange.info/e-snaps/fy-2016-coc-program-nofa-coc-program-competition/</u>) in their entirety to ensure there is complete understanding of the information provided. Some of the major changes and policy priorities include:

- Only Permanent Supportive Housing (PSH) and Rapid Rehousing (RRH) projects will be eligible for ranking and renewal.
- In order to be eligible for renewal in FY 2016, a project must have an executed grant agreement by December 31, 2016 and have an expiration date in Calendar Year (CY) 2017 (between January 1, 2017 and December 31, 2017). All projects that received a new RRH project under the last competition are included on the 2016 Grant Inventory Worksheet (GIW) and are expected to have an application submitted to renew each project that received a new award in 2015.
- Projects implemented prior to the 2015 competition that underspend and/or are significantly operating under capacity may be subject to full or partial reallocation. Reallocation of underperforming projects is contingent on appropriate high-scoring new project applications. If there are not adequate new project applications to include in the final ranking, the CoC reserves the right to include the lower scoring renewal project. Any project that has less than \$10,000 at the end of the grant will not be in jeopardy of having the grant amount reduced.
- As in previous years, HUD will continue the Tier 1 and Tier 2 funding process, with the top 93% of the funding allotted to a CoC being in Tier 1, and the bottom 7% of the funding allotted to a CoC in Tier 2.
- Projects that were awarded for the first time under the 2015 NOFA cycle as first time grants, where they have not had the opportunity to be up and running for a full year, will automatically receive median performance scores for like applications for performance in the scoring and ranking process. Those points will then be averaged with that project's 2015 application score in order to take into account project design and other important factors related to the implementation of that project.
- Through this competition, new applications for RRH for individuals and families will be accepted. Also new applications for PSH for the chronically homeless individuals and families will be accepted.
- BoS CoC bonus points will be available for permanent housing projects (PSH or RRH) that are currently using, or commit to using, the Housing First model when housing program participants (with a concrete plan of action, to utilize the Housing First model of service delivery). To receive any of these bonus points, applicants should demonstrate that the project is low-barrier, prioritizes rapid placement and stabilization in permanent housing and does not have service participation requirements or preconditions to entry. Please note,

renewal applicants must meet, or improve, the level committed in each 2015 project application.

- BoS CoC bonus points will be available to all project applications that are low barrier projects (or commit to being low barrier projects) and allow entry to program participants that includes: low or no income, current or past substance use, criminal records—with the exceptions of restrictions imposed by federal, state or local law or ordinance (e.g., restrictions on serving people who are listed on sex offender registries), and history of domestic violence. Please note that renewal applicants must meet, or improve, the level committed in each 2015 project application.
- Beginning in the 2015 competition, any project application(s) that indicates a Housing First approach and/or commits to operating as a low barrier program and is reviewed, approved, and ranked by the CoC and awarded CoC Program funds is required to operate as a Housing First and/or low barrier project.
- BoS CoC bonus points will be available for projects that prioritize Veterans. To receive these points, projects will need to commit to partnering with the BoS CoC's Initiative to End Veteran Homelessness and indicate units/beds that become available will be prioritized, as needed, in the Housing Blitz to connect homeless Veterans on the CoC's Master List to housing. And additional bonus points will be available for applicants who coordinated the Veteran Homeless Registry in March of 2016, thus assisting the CoC identify homeless Veterans in their area.
- All renewal BoS CoC PSH projects that do not already have 100% of their beds dedicated to people who are chronically homeless will be required to prioritize at least 85% of their nondedicated beds to people who are chronically homeless*. The BoS CoC is prioritizing homeless individuals and families experiencing chronic homelessness consistent with Notice CPD 14-012: Prioritizing Persons Experiencing Chronic Homelessness in Permanent Supportive Housing and Recordkeeping Requirements for Documenting Chronic Homeless Status. Chronically homeless individuals and families should be given priority for permanent supportive housing beds not currently dedicated to this population as vacancies become available through turnover. Permanent supportive housing renewal projects serving specific disabled subpopulations (e.g., persons with mental illness or persons with substance use disorder) must continue to serve those subpopulations, as required in the current grant agreement. However, chronically homeless individuals and families within the specified subpopulation should be prioritized for entry. The full notice can be found at: https://www.hudexchange.info/resource/3897/notice-cpd-14-012-prioritizing-personsexperiencing-chronic-homelessness-in-psh-and-recordkeeping-requirements/. *Projects that committed to prioritizing 100% of non-dedicated beds to people who are chronically homeless are required to continue to prioritize 100% of beds at turnover.
- In order maintain alignment to HUD priorities for this funding and to keep homeless people with disabilities who are residing in PSH projects from becoming homeless, with the exception of the HMIS and Centralized Assessment grants, which are critical to the operations of the CoC, and will therefore be placed mid-Tier 1, the BoS CoC will rank projects within the following groupings:
 - Renewal PSH and RRH projects that are currently housing people who are homeless, without significant capacity issues (based on score)
 - New RRH projects awarded in the 2015 competition (based on score)

- Renewal PSH and RRH projects determined to be significantly underperforming or operating under capacity (and PSH projects that are both utilizing 50% or less of the units and returning a significant amount of funds).
- New PSH and RRH projects (based on score)

Projects implemented prior to the 2015 competition that underspend and/or are significantly operating under capacity may be subject to full or partial reallocation. Reallocation of underperforming projects is contingent on appropriate high-scoring new project applications. If there are not adequate new project applications to include in the final ranking, the CoC reserves the right to include the lower scoring renewal project. Any project that has less than \$10,000 at the end of the grant will not be in jeopardy of having the grant amount reduced

- HUD will score projects ranked in Tier 2 using a 100 point scale (please see full details on page 16 of the NOFA):
 - CoC Score up to 50 points will be in direct proportion to the score received on the CoC Application;
 - CoC Project Ranking up to 35 points will be based on the CoC's ranking of the project application(s);
 - Project Type up to 5 points will be based on the type of project application(s) submitted and the population that will be served;
 - Commitment to Policy Priorities up to 10 points will be based on how project application commits to applying the Housing First model.
- As noted above, HUD is also allowing for CoCs to apply for permanent housing bonus funding. More than one project can be submitted for the bonus funding. HUD guidance shows that for CoCs to receive grants for new projects, other than through reallocation, CoCs must competitively rank projects based on how they improve system performance.

General Information

In addition to the information presented in this document, it is expected that all applicants read the HUD FY 2016 Continuum of Care NOFA, related scoring criteria, and any supplemental materials (<u>https://www.hudexchange.info/e-snaps/fy-2016-coc-program-nofa-coc-program-competition/</u>) in their entirety to ensure there is complete understanding of the information provided.

All agencies submitting an application, whether for a new project or a renewal project, must submit a complete application packet, as described below, in order to be considered for scoring.

It is the responsibility of the agencies to ensure that all the application materials, whether emailed or mailed, are received by Tina Moore, by the above deadlines. Applications are required to be scored and ranked by the CoC in order to be included in the CoC's project listing submitted to HUD, and an applicant's failure to meet deadlines may result in the denial of an applicant's request for funds.

All renewal project applications must pass a threshold review and will then be scored according to specific criteria. The criteria will consist of current data in the Homeless Management Information System (HMIS), project performance, the most recent HUD monitoring visit, and the scoring of the review application. This will be scored by an independent review panel that will then consolidate the scores and rank the projects. The independent review panel will submit

their results to the Collaborative Applicant who will publish the results with the BoS CoC Board's approval.

All new project applications must pass an organizational threshold review and will then be scored according to specific criteria.

New project applications that score high enough will be eligible to be included in the prioritization tiering presented to HUD. Please note, however, eligibility does not guarantee funding. The BoS CoC Board will make the final determination of which projects will be ranked and presented to HUD for funding consideration.

In addition to the application packet, all renewing and new projects must also complete the HUD application in *e-snaps*. Completing the application in *e-snaps* does not guarantee that the project will be put forth in the HUD application, nor does it guarantee that the project will be funded.

The BoS CoC is required by CoC regulations to operate a HMIS, establish a "centralized or coordinated assessment system," and carry out planning activities in accordance with the Interim regulations. The renewal projects for centralized or coordinated assessment and HMIS will therefore be prioritized in the top tier for the ranking.

DCA, as the Collaborative Applicant, will post any additional details of the competition and HUD resources as they become available on the Continuum of Care webpage. It is the applicant's responsibility to ensure that they check the both the BoS CoC (http://www.dca.ga.gov/housing/HousingDevelopment/programs/CoCApplicantsandGranteesOnl y.asp) and the HUD CoC ((https://www.hudexchange.info/e-snaps/fy-2016-coc-program-nofa-coc-program-competition/) websites regularly for the latest updates. Please note that all of HUD's competition and e-snaps materials, notices, and training guides can be accessed on the HUD page.

Projects must agree to enter client data into Georgia's BoS Homeless Management and Information System (Pathways Compass) and participate in the annual homeless counts in Georgia's BoS jurisdiction.

The Georgia Department of Community Affairs, as the Collaborative Applicant, believes in a commitment to end homelessness throughout the State of Georgia. To this end, DCA encourages all grantees to ensure that no household is turned away because they have previously resided in a differing Continuum.

Project applicants are required to register with Dun and Bradstreet to obtain a DATA Universal Numbering System (DUNS) number, if they have not already done so, and complete or renew their registration in the System for Award Management (SAM) per Section V.A.1. of the FY 2016 General Section. The System for Award Management (SAM) can be found at: <u>https://www.sam.gov/portal/SAM/#1</u>. HUD will not enter into a grant agreement with an entity that does not have a DUNS Number or an active SAM registration.

Project applicants must ensure that applications (Review Application and HUD application in the E-Snaps system) are complete and the information within the application is consistent throughout the application. Narratives must be fully responsive to the question being asked, and responses should meet all of the criteria for that question as required by the NOFA and the detailed instructions provided in E-Snaps. Applicants must also ensure that proposed program

participants are eligible for the program component type selected, and proposed activities are eligible under 24 CFR part 578. Applicants should also ensure that all required attachments correspond to the attachments list in E-Snaps, contain accurate and complete information, and are dated between May 1, 2016 and September 14, 2016.

Appeals

In accordance with 24 CFR part 578 and the NOFA, applicants have the right to appeal if they believe that they were improperly denied the right to participate in the CoC planning process in a reasonable manner; were improperly denied or decreased funding; or were improperly denied a Certification of Consistency from the local government with the Consolidated Plan. The appeal MUST be carried out in the timeframe and process announced by HUD within the NOFA.

<u>Renewal Rapid Rehousing and Permanent Supportive Housing (Including Shelter Plus</u> <u>Care)</u>

As stated above, renewal PSH and RRH applications must be received no later than 3:00pm on July 29, 2016. The following materials must be received for each project in order for an application to be considered complete:

- o The Review Application for renewal applicants;
- o The addendum document for all projects;
- Supportive documents showing timely draw downs (LOCCS or internal database reports)
- The HUD APR part 1 and part 2 from HMIS (for 7/1/2015-6/30/2016); and
- The most recent HUD monitoring report and responses (no matter how dated).

Application materials can be emailed or mailed to Tina Moore, CoC Coordinator (<u>tina.moore@dca.ga.gov</u>; 60 Executive Park South, Atlanta, GA 30329).

In addition to the BoS CoC application materials (including all required certifications dated between May 1, 2016 and September 14, 2016), all renewal projects must complete the HUD application in *e-snaps* by 3:00pm on August 11, 2016.

Late submissions of the application package will result in a deduction of points.

New Project Application Information

In line with information presented in the NOFA, the BoS CoC will seek applications for new permanent supportive housing (PSH) projects that will serve 100 percent chronically homeless individuals and families and new rapid re-housing (RRH) projects that will serve homeless individuals and families.

Eligible applicants for new PSH or RRH projects include all agencies with existing CoC NOFA grants within the Balance of State and nonprofits, units of Government, and Housing Authorities that wish to make application for new grants.

All agencies interested in applying for a new PSH or RRH project should complete and submit a Proposal Outline (Letter of Intent) to alert the Collaborative Applicant of their intent. The Proposal Outline form is available on at:

http://www.dca.ga.gov/housing/HousingDevelopment/programs/CoCApplicantsandGranteesOnl y.asp no later than 3:00pm on July 20, 2016.

Submitting a Proposal Outline will signal DCA staff to forward information to organizations (intending to submit a new project application) regarding the New Applicant webinar, HUD training events, webinars, etc., as well as any updated COC policies, updated scoring criteria, notice of CoC changes, etc. This information will be sent to renewal applicants automatically.

All agencies submitting an application for a new PSH or new RRH project must submit a complete application package to the Department of Community Affairs. A complete application package includes:

- Five (5) copies of the Review Application for new projects (including match/leveraging documentation and the required addendum document);
- The agency 501(c)(3), if applicable (one copy) (the 501(c)(3) for any sub-recipients must also be attached);
- A current list of Board of Directors (one copy);
- o An independent financial audit, or equivalent financial statement (one copy); and
- A current 990 IRS Form: Return of Organization Exempt from Income Tax, if applicable (one copy).

All complete new project packages must be received by the CoC Collaborative Applicant, the Department of Community Affairs, by July 29, 2016 at 3:00 pm. Submissions must be mailed to Tina Moore, CoC Coordinator, 60 Executive Park South NE, Atlanta, GA 30329.

It is the responsibility of the agencies to assure that all the application materials are received by Tina Moore, by the above deadline. No late submissions for new projects will be accepted.

In addition to the application packet described above, applicants for new RRH or PSH projects must also complete, and submit, the HUD application (including all required certifications and documentation dated between May 1, 2016 and September 14, 2016) in *e-snaps*.

The complete new PSH and new RRH project criteria is posted on the Balance of State Continuum of Care webpage at

<u>http://www.dca.ga.gov/housing/HousingDevelopment/programs/CoCApplicantsandGranteesOnl</u> <u>y.asp</u>. Applicants are strongly advised to review the criteria before submitting an application.

The average proposal size for a new RRH project will depend on the area and coverage of the proposed program and funding available. While there is no minimum or maximum award amount, the CoC anticipates the average size of a large regional or metro area application to be approximately \$250,000. Smaller program designs, particularly in southern or rural parts of the State must be a minimum of \$100,000.

The average proposal size for a new PSH project will depend on the area and coverage of the proposed program and funding available. While there is no minimum or maximum award amount, the CoC anticipates the average size of a large regional or metro area application to be approximately \$250,000. Smaller program designs, particularly in southern or rural parts of the State must be a minimum of \$100,000.

Applicants must clearly demonstrate that they have experience and sufficient capacity to serve fragile, chronically homeless, and service resistant clients, and that sufficient services will be provided to clients proposed to be served.

Bonus points will be awarded to projects that commit, with a concrete plan of action, to having a low-barrier to entry project, as well as to utilize the Housing First model of service delivery.

Threshold Criteria for All New Permanent Supportive Housing and New Rapid Re-Housing Project Applications

The CoC reserves the right not to review incomplete applications or projects that don't meet eligibility requirements. Applications may receive a threshold denial for any of the following reasons;

- o Agency does not meet HUD's eligibility criteria.
- o Agency lacks adequate capacity to carry out grant.
- Application proposes ineligible costs or activities.
- Application proposes to serve ineligible populations.
- o Application does not show required match or insufficient commitments for leveraging.
- o Compliance or performance issues on current projects.
- o Project does not demonstrate adequate impact or cost effectiveness.
- Project does not meet key federal requirements.
- New proposals must be located within Georgia's 152 county Balance of State Continuum of Care jurisdiction. Applications proposing projects in the following jurisdictions are not eligible to be submitted under the BoS CoC application: Atlanta, Fulton County, DeKalb County, Cobb County, Columbus-Muscogee County, Augusta-Richmond County, Athens-Clarke County, Savannah, and Chatham County. To submit an application in one of the listed jurisdictions, you should contact the appropriate CoC jurisdiction for information.
- Agency submits an incomplete application, which includes not submitting the necessary documents listed above, or certifications/documentation as required in the HUD application.
- Agency does not utilize Pathways HMIS (or an approved family violence HMIS alternative) to capture client-level data on all clients in the project.

Match and Leveraging

Applications must meet HUD's match requirements and have at least 25% of the amount of the HUD funding request in total match, as well as an additional 125% of the amount of the HUD funding request in total leveraging, to score the maximum amount of points available for match and leveraging for the BoS CoC scoring (150% match and leveraging). Leveraging includes all funds, resources, and/or services that the applicant can secure on behalf of the client being served by the proposed project. While leveraging includes all cash and in-kind matching resources, it is broader in scope, including any other services, supplies, equipment, space, etc. that are provided by sources other than HUD.

HUD guidelines state that projects should only report match and leveraging where there are commitment letters on file that are dated between May 1, 2016 and September 14, 2016, and HUD is requesting that all documented commitments be submitted with the application.

E-Snaps Information for All Renewal and New Applications

Applicants should review and follow the steps as outlined herein and in the NOFA to ensure that applications are complete and submitted in a timely basis.

For reference, the Continuum of Care Program Interim Rule was published in the Federal Register on July 31, 2012, and was effective on August 31, 2012. This information can be accessed at: <u>https://www.onecpd.info/news/continuum-of-care-coc-program-interim-rule-posted/</u>.

GEORGIA BALANCE OF STATE COC July 13, 2016

For information on accessing HUD's *E-Snaps* system to complete and submit a full BoS CoC Project Application, please go to: <u>https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/</u>. Note that once the competition begins, there will be a significant time delay if applicants need to register new users on the *E-Snaps* system. All applicants should ensure that they have access to the system immediately.

Federal Disaster Area Notification

Applicants administering projects that have been impacted by a major disaster, as declared under Title IV of the Robert T. Stafford Act that occurred in the 12 months prior to the publication of this NOFA should submit a letter indicating this with the review application packages due on July 29, 2016. News releases related Georgia can be found at: <u>https://www.fema.gov/news-release/2016/02/26/president-declares-disaster-state-georgia</u>. CoCs in impacted areas are required to notify HUD of this prior to the close of this competition.

Notes:

- 1. Applicants must provide sufficient information to compete with other applicants under criteria, regardless of whether or not this information is required for the final application being submitted electronically to HUD.
- 2. In the event of a tie, decisions to be to be broken based upon funds requested/number served at capacity.
- 3. Review Team reserves discretion to award points between high and low ranges on Outcome, Match, and Leveraging criteria (Addendum criteria).
- 4. Note that this criteria reflects CoC priorities as well as HUD priorities outlined in the FY 2016 NOFA. As a matter of information to applicants, the Balance of State CoCs are judged competitively on CoC Coordination and Engagement (43 points), Project Ranking, Review and Capacity (30 points), Homeless

Management Information System (18 points), Point-In-Time Count (9 points), System Performance (40 points), and Performance and Strategic Planning (60 points) – 200 total points possible.

- 5. The Balance of State CoC project renewal applications for HMIS, and Coordinated Assessment have no impact upon the HUD score for the CoC application. Because of their importance to the CoC effort across the State, they will not be scored by the review panel and will be placed on the priority ranking within Tier 1. The CoC Planning grant is not part of the Tier ranking and does not impact the funding available.
- 6. Project Applicants that believe they were not allowed to participate in a fair and open process and were rejected by the CoC have the right to appeal the rejection directly to HUD as outlined in the NOFA.

HUD Priority HUD has stated that serving people with the highest needs and longest histories of homelessness for existing new and renewal PSH is a priority for funding.	Permanent Supportive Housing = 10 Rapid Re-Housing = 5

Project Overview and Priority Alignment

As specified in the Governance Charter, the BoS CoC has aligned itself with the HUD Strategic Plan, as well as with the USICH "Opening Doors" plan. While much of the scored information will be taken from agency and project HMIS APR data, agencies were asked to respond to questions, addressing the various objectives of the CoC.

Project Overview and Priority Alignment	Possible Points	Score
Project Summary	Response is clear and concise and gives a complete picture of the project = 3

Objective 1-A: Increase Progress towards Ending Chronic Homelessness Using a Housing First Service Approach	Agencies were required to answer "Yes" or "No" to each response and to provide an explanation to support answer. Points are not automatic; if explanation does not back up answer award zero points. Checklist- A-F: Yes = 1 No = 0 G: Yes = 0 and No = 1 (7 possible total points) Explanation- Agencies were required to explain all Yes/No responses. Agencies <i>not</i> receiving points for the above, were supposed to provide explanations why, for each (A-G). For a maximum total of 2 points, 1 point is allowed for each explanation that is clear and either gives a plan for addressing, or provides an adequate rationale. (2 points total possible)

Objective 1-B: Serving People with the Highest Barriers to Housing (&/or Special Needs) HUD is looking for projects that serve those people with most need and who would be most resistant to service. Projects are encouraged to have low or no barriers to entry, in an effort to serve that population.	Applicants were asked to identify which of the listed criteria has a bearing on whether a client was or was not accepted into their project. For the purpose of the following question, High Barriers consist of family or individual households who are homeless and have two or more of the following: (1) no income; (2) recent history of substance abuse or actively using drugs or alcohol; (3) serious health problems/conditions; (4) criminal background (that includes one or more felonies); and a history of domestic violence. Extreme Barriers consist of individuals with severe mental illness and/or substance abuse problems, are living on the street (or entered project from the street), and have been unable or unwilling to participate in supportive services. Income = Yes (barrier) or No Current Employment = Yes (barrier) or No State Issued Photo ID = Yes (barrier) or No Sobriety (drugs or alcohol) = Yes (barrier) or No No presenting symptoms (mental illness) = Yes (barrier) or No Transportation = Yes (barrier) or No Disabling condition (MH, SA, HIV/AIDS) = Yes or No (barrier) Medication = Yes or No (not allowed = barrier) Victim of Domestic Violence = Yes or No (not allowed = barrier) Other 2 or fewer barriers (20% or <) = 10 points 3 or 4 barriers (30 - 40%) = 5 points 5 or more barriers (Above 40%) = 0 points (10 possible total points)

	Proposal Outline.doc

Good afternoon -

Georgia's Balance of State (BoS) Continuum of Care (CoC) is issuing the attached guidance for the 2015 Notice of Funding Availability (NOFA) competition. This guidance applies to all agencies that are currently administering Continuum of Care grants as well as for new applications for rapid re-housing and permanent supportive housing in the BoS CoC. This notice is being announced in accordance with HUD's NOFA for the HUD Continuum of Care programs (Docket No. FR-6000-N-25), https://www.hudexchange.info/resource/5068/fy-2016-coc-program-nofa/.

This information relates to projects that are in Georgia's 152 county Balance of State Continuum of Care jurisdiction. Projects in the following jurisdictions are not eligible to be submitted under the State's BoS CoC application: Atlanta, Fulton County, DeKalb County, Cobb County, Columbus-Muscogee County, Augusta-Richmond County, Athens-Clarke County, and Savannah-Chatham County. To submit an application in one of the listed jurisdictions, you should contact the appropriate CoC jurisdiction for information.

Interested parties should please read the attached notice thoroughly. Please note that there have been significant changes in the process and method by which local CoCs are being scored under Federal priorities in the last two years. All applicants and interested parties are strongly encouraged to read this document (attached), as well as the HUD FY 2016 Continuum of Care NOFA and any supplemental materials (<u>https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/</u>) in their entirety to ensure there is complete understanding of the information provided. Applicants must ensure that they note the differences so that they can consider which type of project to submit a funding request for.

In the 2016 Balance of State CoC Competition, only Permanent Supportive Housing (PSH) and Rapid Rehousing (RRH) will be eligible for ranking and renewal.

Complete review criteria and the required review applications for renewal projects, new Rapid Re-Housing (RRH) projects, and new Permanent Supportive Housing (PSH) projects are posted on the Georgia BoS CoC webpage at http://www.dca.ga.gov/housing/HousingDevelopment/programs/CoCApplicantsandGranteesOnly.asp. Please note that all documents will be posted on this web page as they are available. Applicants are strongly advised to review the criteria and the 2016 competition policy before submitting an application.

Agencies interested in applying for a new RRH project or a new PSH project should complete and submit the attached "2016 BoS CoC Proposal Outline" to alert the Collaborative Applicant of their intent. The Proposal Outline form is attached and also available on the BoS CoC web page listed above. **Proposal Outlines need to be received by Tina Moore, CoC Program Coordinator, at <u>tina.moore@dca.ga.gov</u>, by 2:00 pm on July 20, 2016 (review applications due on July 29, 2016). This will alert DCA staff to forward information to organizations (intending to submit a new project application) regarding the New Applicant webinar, HUD training events, webinars, etc., as well as any updated COC policies, updated scoring criteria, notice of CoC changes, etc. This information will be sent to renewal applicants automatically. Please note that there is a very short turnaround time, and new applicants should not wait for the webinar to begin.**

Applicants that are currently funded that decide to forgo submitting a renewal application, or reduce the amount being requested, should please send something in writing to Tina Moore, CoC Program Coordinator, at <u>tina.moore@dca.ga.gov</u>, prior to the review application deadline of July 29, 2016, to alert DCA staff.

Should you have questions, please contact Tina Moore (tina.moore@dca.ga.gov) or (patricia.wright@dca.ga.gov).

Thank you for your continued dedication to serving people in need, and have a great afternoon!

(Please note: This notice was sent to all interested parties on the mailing list of the State Housing Trust Fund for the Homeless. If you would like your contact information removed from the database, please let me know.)

Thank you, Tina Moore

Overview

HUD's Continuum of Care Program

The U. S. Department of Housing and Urban Development's (HUD) Continuum of Care (CoC) program is designed to promote communitywide commitment to the goal of ending homelessness; provide funding for efforts by nonprofit providers, and State and local governments to quickly rehouse homeless individuals and families while minimizing the trauma and dislocation caused to homeless individuals, families, and communities by homelessness; promote access to and effect utilization of mainstream programs by homeless individuals and families; and optimize self-sufficiency among individuals and families experiencing homelessness.

HUD CoC grants are offered through a nation-wide competitive process for renewal and new grants. HUD has established guidelines for the competition which may be reviewed in the 2016 CoC Notice of Funding Availability. Nonprofits, states, instrumentalities of state (authorities, boards, etc.), and local governments are eligible to apply if they have been selected by one of the nine (9) Continuum of Care for the geographic area in which the proposed project will operate.

Georgia's Local Continua of Care

There are nine (9) Continua of Care in Georgia. The following localities have chosen to develop and submit local Continuums of Care -- (1) Athens/Clarke, (2) Augusta/Richmond, (3) Columbus/Muscogee, the City of (4) Atlanta, and the counties of (5) Chatham (including Savannah), (6) Cobb, (7) DeKalb, and (8) Fulton (excluding Atlanta). Contact information for each local continuum of care here.

Georgia's Balance of State Continuum of Care

The ninth (9th) continuum, the Georgia's Balance of State Continuum of Care (BoS CoC), is composed of representatives of relevant organizations organized within 152 of Georgia's 159 counties. To carry out its work, the BoS CoC has aligned its mission and goals to be consistent with the HUD Strategic Plan and with the Federal Interagency Homeless Council's plan entitled "Opening Doors.

Balance of State Continuum of Care Membership

Membership of the Balance of State CoC should consist of interested individuals and representatives from relevant organizations within the geographic area. Relevant organizations include nonprofit homeless assistance providers, victim service providers, faith-based organizations, governments, local chambers of commerce, local development authorities, businesses, advocates, local housing authorities, school districts, social service providers, mental health agencies, hospitals, colleges, technical schools, universities, affordable housing developers, landlords, law enforcement, and organizations that serve veterans and homeless and formerly homeless individuals.

The BoS Continuum has an open membership recruitment process for individuals and representatives who are interested in becoming a formal Member of the Balance of State Continuum of Care. If you are interested in becoming a formal member of the BoS CoC, please go to the following link to answer a few questions. The Georgia BoS CoC Membership Survey can be found at this link.

If you need more information about the Balance of State Continuum of Care or becoming a member, please contact:

• Tina Moore, GA Department of Community Affairs, phone (404) 327-6870 or by email at Tina.Moore@dca.ga.gov

While everyone is invited and encouraged to participate in the BoS CoC, for matters that call for a vote, only agencies (not individuals) will be eligible to vote. The Voter Membership Policy, enacted by the Membership and Rules Committee on September 8, 2014, requires each member organization/agency to designate one person to be the voting member for that respective agency. It is the responsibility of each agency to ensure the appropriate representative votes, and voting members are required to be a formal member of the BoS CoC

Other details on membership requirements can be found in the Governance Charter referenced on this page. Further, please contact Tina Moore (information above) if you need special accommodations, including language assistance, in order to participate.

Agencies that have an interest in the Georgia Balance of State Continuum of Care are expected to participate in, and have membership representation on, the GA BoS CoC. Please note, participation and membership representation on each agency's respective CoC may be considered one of the threshold criteria during application review for the Continuum of

Care and Emergency Solutions Grant programs.

Georgia Balance of State Continuum of Care

Georgia Balance of State Continuum of Care Governance Board Approved July 13, 2016

2016 Georgia Balance of State Continuum of Care Competition

The Georgia Balance of State (BoS) Continuum of Care (CoC) is issuing the following guidance for the 2016 Notice of Funding Availability (NOFA) competition. This guidance applies to all renewing Continuum of Care grants for permanent supportive housing and rapid re-housing as well as for new applications submitted either for rapid re-housing and permanent supportive housing. This announcement is being provided in accordance with the HUD Notice of Funding Availability (NOFA) for the 2016 Continuum of Care Program Competition (Docket No. FR-6000-N-25) at: https://www.hudexchange.info/resources/documents/FY-2016-CoC-Program-NOFA.pdf.

Funding for new projects is only available through the process of reallocation or the permanent housing bonus. The Balance of State CoC may only create new project(s) through the permanent housing bonus up to 5% of the Final Pro Rata Need (FPRN) amount, which is around \$882,000 (based on the Preliminary Pro Rata Need amount). Applications for new projects made available through reallocation will only be considered if the application review sub-committees determine the need to reallocate from eligible renewal projects due to those projects not meeting threshold, poor performance, and underspending due to significantly operating under capacity. There is no estimated amount to be reallocated at this time.

The Georgia Department of Community Affairs (DCA), designated as the Collaborative Applicant for the Georgia Balance of State Continuum of Care (CoC), is responsible for overseeing and managing the application process for the FY2016 HUD Continuum of Care Homeless Assistance funding process. HUD requires that the CoC develop a process for submitting one consolidated application for the FY2016 CoC program. The Collaborative Applicant works with the Standards, Rating, and Project Selection Committee to develop and recommend the process for CoC Board approval. The BoS CoC Board approved this policy on July 13, 2016.

The following document outlines the policy and process for the FY2016 funding cycle.

<u>Timeline</u>

June 20, 2016 - Final CoC Review Step for the CoC Registration due.

June 27, 2016 - Final HUD Approved GIW sent to CoCs.

June 29, 2016 – NOFA released by HUD.

<u>July 11, 2016</u> - Standards, Rating, and Review Committee meeting to approve and recommend process for scoring and ranking held.

<u>July 13, 2016</u> - CoC Board meeting to approve process recommended by the Standards, Ratings, and Review Committee held.

<u>July 14, 2016</u> – 2016 Balance of State CoC NOFA Competition Policy, Process, Timeline, Review Applications, Scoring Criteria, Addendum, and other Competition materials released (approved by the BoS CoC Standards, Rating, and Project Selection Committee and the Balance of State CoC Board).

July 20, 2016 – Proposal Outlines for new PSH or RRH projects due.

<u>July 21, 2016</u> - Informational Webinar for BoS CoC Competition Policy, Renewal PSH and RRH applicants held by DCA (repeat of webinar from July 19).

<u>July 21, 2016</u> – Informational Webinar for New PSH and RRH applicants and materials from the webinar posted.

<u>July 29, 2016</u> - Review Applications for Renewing PSH and RRH projects, as well as the required HUD APR from HMIS (or APRICOT/ALICE) and supplemental documents (including Addendum), due by 3:00 pm.

<u>July 29, 2016</u> - Review Applications (including Addendum) for New PSH and RRH projects, as well as all required copies and supplemental documents, due at DCA by 3:00 pm.

July 29-August 4, 2016 - Internal review

<u>August 11, 2016</u> – ALL project applications (Renewal PSH, RRH, and New PSH and RRH) and updated certifications must be entered into *e-snaps* by 5:00 pm.

<u>August 4, 2016 – August 18, 2016</u> – Review Team Sub-Committee application review.

<u>August 22, 2016</u> - Standards, Rating, and Review Committee meeting to approve and recommend ranking of projects held.

<u>August 24, 2016</u> - CoC Board meeting to approve ranking recommended by the Standards, Ratings, and Review Committee held.

<u>August 30, 2016</u> – Notification given to applicants of placement in scoring and ranking for all projects (due date).

<u>September 5, 2016</u> – ALL project application corrections (if applicable) should be completed in *e-snaps* by 2:00 pm.

<u>September 12, 2016</u> – CoC application submitted to HUD.

Summary of Changes and Policy Priorities for the FY2016 Georgia Balance of State Continuum of Care Homeless Assistance Funding Cycle

Please note that there have been significant changes in the process and method by which local CoCs are being scored under Federal priorities in the last two years. All applicants and interested parties are strongly encouraged to read this document, as well as the HUD FY 2016 Continuum of Care NOFA and any supplemental materials (<u>https://www.hudexchange.info/e-snaps/fy-2016-coc-program-nofa-coc-program-competition/</u>) in their entirety to ensure there is complete understanding of the information provided. Some of the major changes and policy priorities include:

- Only Permanent Supportive Housing (PSH) and Rapid Rehousing (RRH) projects will be eligible for ranking and renewal.
- In order to be eligible for renewal in FY 2016, a project must have an executed grant agreement by December 31, 2016 and have an expiration date in Calendar Year (CY) 2017 (between January 1, 2017 and December 31, 2017). All projects that received a new RRH project under the last competition are included on the 2016 Grant Inventory Worksheet (GIW) and are expected to have an application submitted to renew each project that received a new award in 2015.
- Projects implemented prior to the 2015 competition that underspend and/or are significantly operating under capacity may be subject to full or partial reallocation. Reallocation of underperforming projects is contingent on appropriate high-scoring new project applications. If there are not adequate new project applications to include in the final ranking, the CoC reserves the right to include the lower scoring renewal project. Any project that has less than \$10,000 at the end of the grant will not be in jeopardy of having the grant amount reduced.
- As in previous years, HUD will continue the Tier 1 and Tier 2 funding process, with the top 93% of the funding allotted to a CoC being in Tier 1, and the bottom 7% of the funding allotted to a CoC in Tier 2.
- Projects that were awarded for the first time under the 2015 NOFA cycle as first time grants, where they have not had the opportunity to be up and running for a full year, will automatically receive median performance scores for like applications for performance in the scoring and ranking process. Those points will then be averaged with that project's 2015 application score in order to take into account project design and other important factors related to the implementation of that project.
- Through this competition, new applications for RRH for individuals and families will be accepted. Also new applications for PSH for the chronically homeless individuals and families will be accepted.
- BoS CoC bonus points will be available for permanent housing projects (PSH or RRH) that are currently using, or commit to using, the Housing First model when housing program participants (with a concrete plan of action, to utilize the Housing First model of service delivery). To receive any of these bonus points, applicants should demonstrate that the project is low-barrier, prioritizes rapid placement and stabilization in permanent housing and does not have service participation requirements or preconditions to entry. Please note,

renewal applicants must meet, or improve, the level committed in each 2015 project application.

- BoS CoC bonus points will be available to all project applications that are low barrier projects (or commit to being low barrier projects) and allow entry to program participants that includes: low or no income, current or past substance use, criminal records—with the exceptions of restrictions imposed by federal, state or local law or ordinance (e.g., restrictions on serving people who are listed on sex offender registries), and history of domestic violence. Please note that renewal applicants must meet, or improve, the level committed in each 2015 project application.
- Beginning in the 2015 competition, any project application(s) that indicates a Housing First approach and/or commits to operating as a low barrier program and is reviewed, approved, and ranked by the CoC and awarded CoC Program funds is required to operate as a Housing First and/or low barrier project.
- BoS CoC bonus points will be available for projects that prioritize Veterans. To receive these points, projects will need to commit to partnering with the BoS CoC's Initiative to End Veteran Homelessness and indicate units/beds that become available will be prioritized, as needed, in the Housing Blitz to connect homeless Veterans on the CoC's Master List to housing. And additional bonus points will be available for applicants who coordinated the Veteran Homeless Registry in March of 2016, thus assisting the CoC identify homeless Veterans in their area.
- All renewal BoS CoC PSH projects that do not already have 100% of their beds dedicated to people who are chronically homeless will be required to prioritize at least 85% of their nondedicated beds to people who are chronically homeless*. The BoS CoC is prioritizing homeless individuals and families experiencing chronic homelessness consistent with Notice CPD 14-012: Prioritizing Persons Experiencing Chronic Homelessness in Permanent Supportive Housing and Recordkeeping Requirements for Documenting Chronic Homeless Status. Chronically homeless individuals and families should be given priority for permanent supportive housing beds not currently dedicated to this population as vacancies become available through turnover. Permanent supportive housing renewal projects serving specific disabled subpopulations (e.g., persons with mental illness or persons with substance use disorder) must continue to serve those subpopulations, as required in the current grant agreement. However, chronically homeless individuals and families within the specified subpopulation should be prioritized for entry. The full notice can be found at: https://www.hudexchange.info/resource/3897/notice-cpd-14-012-prioritizing-personsexperiencing-chronic-homelessness-in-psh-and-recordkeeping-requirements/. *Projects that committed to prioritizing 100% of non-dedicated beds to people who are chronically homeless are required to continue to prioritize 100% of beds at turnover.
- In order maintain alignment to HUD priorities for this funding and to keep homeless people with disabilities who are residing in PSH projects from becoming homeless, with the exception of the HMIS and Centralized Assessment grants, which are critical to the operations of the CoC, and will therefore be placed mid-Tier 1, the BoS CoC will rank projects within the following groupings:
 - Renewal PSH and RRH projects that are currently housing people who are homeless, without significant capacity issues (based on score)
 - New RRH projects awarded in the 2015 competition (based on score)

- Renewal PSH and RRH projects determined to be significantly underperforming or operating under capacity (and PSH projects that are both utilizing 50% or less of the units and returning a significant amount of funds).
- New PSH and RRH projects (based on score)

Projects implemented prior to the 2015 competition that underspend and/or are significantly operating under capacity may be subject to full or partial reallocation. Reallocation of underperforming projects is contingent on appropriate high-scoring new project applications. If there are not adequate new project applications to include in the final ranking, the CoC reserves the right to include the lower scoring renewal project. Any project that has less than \$10,000 at the end of the grant will not be in jeopardy of having the grant amount reduced

- HUD will score projects ranked in Tier 2 using a 100 point scale (please see full details on page 16 of the NOFA):
 - CoC Score up to 50 points will be in direct proportion to the score received on the CoC Application;
 - CoC Project Ranking up to 35 points will be based on the CoC's ranking of the project application(s);
 - Project Type up to 5 points will be based on the type of project application(s) submitted and the population that will be served;
 - Commitment to Policy Priorities up to 10 points will be based on how project application commits to applying the Housing First model.
- As noted above, HUD is also allowing for CoCs to apply for permanent housing bonus funding. More than one project can be submitted for the bonus funding. HUD guidance shows that for CoCs to receive grants for new projects, other than through reallocation, CoCs must competitively rank projects based on how they improve system performance.

General Information

In addition to the information presented in this document, it is expected that all applicants read the HUD FY 2016 Continuum of Care NOFA, related scoring criteria, and any supplemental materials (<u>https://www.hudexchange.info/e-snaps/fy-2016-coc-program-nofa-coc-program-competition/</u>) in their entirety to ensure there is complete understanding of the information provided.

All agencies submitting an application, whether for a new project or a renewal project, must submit a complete application packet, as described below, in order to be considered for scoring.

It is the responsibility of the agencies to ensure that all the application materials, whether emailed or mailed, are received by Tina Moore, by the above deadlines. Applications are required to be scored and ranked by the CoC in order to be included in the CoC's project listing submitted to HUD, and an applicant's failure to meet deadlines may result in the denial of an applicant's request for funds.

All renewal project applications must pass a threshold review and will then be scored according to specific criteria. The criteria will consist of current data in the Homeless Management Information System (HMIS), project performance, the most recent HUD monitoring visit, and the scoring of the review application. This will be scored by an independent review panel that will then consolidate the scores and rank the projects. The independent review panel will submit

their results to the Collaborative Applicant who will publish the results with the BoS CoC Board's approval.

All new project applications must pass an organizational threshold review and will then be scored according to specific criteria.

New project applications that score high enough will be eligible to be included in the prioritization tiering presented to HUD. Please note, however, eligibility does not guarantee funding. The BoS CoC Board will make the final determination of which projects will be ranked and presented to HUD for funding consideration.

In addition to the application packet, all renewing and new projects must also complete the HUD application in *e-snaps*. Completing the application in *e-snaps* does not guarantee that the project will be put forth in the HUD application, nor does it guarantee that the project will be funded.

The BoS CoC is required by CoC regulations to operate a HMIS, establish a "centralized or coordinated assessment system," and carry out planning activities in accordance with the Interim regulations. The renewal projects for centralized or coordinated assessment and HMIS will therefore be prioritized in the top tier for the ranking.

DCA, as the Collaborative Applicant, will post any additional details of the competition and HUD resources as they become available on the Continuum of Care webpage. It is the applicant's responsibility to ensure that they check the both the BoS CoC (http://www.dca.ga.gov/housing/HousingDevelopment/programs/CoCApplicantsandGranteesOnl y.asp) and the HUD CoC ((https://www.hudexchange.info/e-snaps/fy-2016-coc-program-nofa-coc-program-competition/) websites regularly for the latest updates. Please note that all of HUD's competition and e-snaps materials, notices, and training guides can be accessed on the HUD page.

Projects must agree to enter client data into Georgia's BoS Homeless Management and Information System (Pathways Compass) and participate in the annual homeless counts in Georgia's BoS jurisdiction.

The Georgia Department of Community Affairs, as the Collaborative Applicant, believes in a commitment to end homelessness throughout the State of Georgia. To this end, DCA encourages all grantees to ensure that no household is turned away because they have previously resided in a differing Continuum.

Project applicants are required to register with Dun and Bradstreet to obtain a DATA Universal Numbering System (DUNS) number, if they have not already done so, and complete or renew their registration in the System for Award Management (SAM) per Section V.A.1. of the FY 2016 General Section. The System for Award Management (SAM) can be found at: <u>https://www.sam.gov/portal/SAM/#1</u>. HUD will not enter into a grant agreement with an entity that does not have a DUNS Number or an active SAM registration.

Project applicants must ensure that applications (Review Application and HUD application in the E-Snaps system) are complete and the information within the application is consistent throughout the application. Narratives must be fully responsive to the question being asked, and responses should meet all of the criteria for that question as required by the NOFA and the detailed instructions provided in E-Snaps. Applicants must also ensure that proposed program

participants are eligible for the program component type selected, and proposed activities are eligible under 24 CFR part 578. Applicants should also ensure that all required attachments correspond to the attachments list in E-Snaps, contain accurate and complete information, and are dated between May 1, 2016 and September 14, 2016.

Appeals

In accordance with 24 CFR part 578 and the NOFA, applicants have the right to appeal if they believe that they were improperly denied the right to participate in the CoC planning process in a reasonable manner; were improperly denied or decreased funding; or were improperly denied a Certification of Consistency from the local government with the Consolidated Plan. The appeal MUST be carried out in the timeframe and process announced by HUD within the NOFA.

<u>Renewal Rapid Rehousing and Permanent Supportive Housing (Including Shelter Plus</u> <u>Care)</u>

As stated above, renewal PSH and RRH applications must be received no later than 3:00pm on July 29, 2016. The following materials must be received for each project in order for an application to be considered complete:

- o The Review Application for renewal applicants;
- o The addendum document for all projects;
- Supportive documents showing timely draw downs (LOCCS or internal database reports)
- The HUD APR part 1 and part 2 from HMIS (for 7/1/2015-6/30/2016); and
- The most recent HUD monitoring report and responses (no matter how dated).

Application materials can be emailed or mailed to Tina Moore, CoC Coordinator (<u>tina.moore@dca.ga.gov</u>; 60 Executive Park South, Atlanta, GA 30329).

In addition to the BoS CoC application materials (including all required certifications dated between May 1, 2016 and September 14, 2016), all renewal projects must complete the HUD application in *e-snaps* by 3:00pm on August 11, 2016.

Late submissions of the application package will result in a deduction of points.

New Project Application Information

In line with information presented in the NOFA, the BoS CoC will seek applications for new permanent supportive housing (PSH) projects that will serve 100 percent chronically homeless individuals and families and new rapid re-housing (RRH) projects that will serve homeless individuals and families.

Eligible applicants for new PSH or RRH projects include all agencies with existing CoC NOFA grants within the Balance of State and nonprofits, units of Government, and Housing Authorities that wish to make application for new grants.

All agencies interested in applying for a new PSH or RRH project should complete and submit a Proposal Outline (Letter of Intent) to alert the Collaborative Applicant of their intent. The Proposal Outline form is available on at:

http://www.dca.ga.gov/housing/HousingDevelopment/programs/CoCApplicantsandGranteesOnl y.asp no later than 3:00pm on July 20, 2016.

Submitting a Proposal Outline will signal DCA staff to forward information to organizations (intending to submit a new project application) regarding the New Applicant webinar, HUD training events, webinars, etc., as well as any updated COC policies, updated scoring criteria, notice of CoC changes, etc. This information will be sent to renewal applicants automatically.

All agencies submitting an application for a new PSH or new RRH project must submit a complete application package to the Department of Community Affairs. A complete application package includes:

- Five (5) copies of the Review Application for new projects (including match/leveraging documentation and the required addendum document);
- The agency 501(c)(3), if applicable (one copy) (the 501(c)(3) for any sub-recipients must also be attached);
- A current list of Board of Directors (one copy);
- o An independent financial audit, or equivalent financial statement (one copy); and
- A current 990 IRS Form: Return of Organization Exempt from Income Tax, if applicable (one copy).

All complete new project packages must be received by the CoC Collaborative Applicant, the Department of Community Affairs, by July 29, 2016 at 3:00 pm. Submissions must be mailed to Tina Moore, CoC Coordinator, 60 Executive Park South NE, Atlanta, GA 30329.

It is the responsibility of the agencies to assure that all the application materials are received by Tina Moore, by the above deadline. No late submissions for new projects will be accepted.

In addition to the application packet described above, applicants for new RRH or PSH projects must also complete, and submit, the HUD application (including all required certifications and documentation dated between May 1, 2016 and September 14, 2016) in *e-snaps*.

The complete new PSH and new RRH project criteria is posted on the Balance of State Continuum of Care webpage at

<u>http://www.dca.ga.gov/housing/HousingDevelopment/programs/CoCApplicantsandGranteesOnl</u> <u>y.asp</u>. Applicants are strongly advised to review the criteria before submitting an application.

The average proposal size for a new RRH project will depend on the area and coverage of the proposed program and funding available. While there is no minimum or maximum award amount, the CoC anticipates the average size of a large regional or metro area application to be approximately \$250,000. Smaller program designs, particularly in southern or rural parts of the State must be a minimum of \$100,000.

The average proposal size for a new PSH project will depend on the area and coverage of the proposed program and funding available. While there is no minimum or maximum award amount, the CoC anticipates the average size of a large regional or metro area application to be approximately \$250,000. Smaller program designs, particularly in southern or rural parts of the State must be a minimum of \$100,000.

Applicants must clearly demonstrate that they have experience and sufficient capacity to serve fragile, chronically homeless, and service resistant clients, and that sufficient services will be provided to clients proposed to be served.

Bonus points will be awarded to projects that commit, with a concrete plan of action, to having a low-barrier to entry project, as well as to utilize the Housing First model of service delivery.

Threshold Criteria for All New Permanent Supportive Housing and New Rapid Re-Housing Project Applications

The CoC reserves the right not to review incomplete applications or projects that don't meet eligibility requirements. Applications may receive a threshold denial for any of the following reasons;

- o Agency does not meet HUD's eligibility criteria.
- o Agency lacks adequate capacity to carry out grant.
- Application proposes ineligible costs or activities.
- Application proposes to serve ineligible populations.
- o Application does not show required match or insufficient commitments for leveraging.
- o Compliance or performance issues on current projects.
- o Project does not demonstrate adequate impact or cost effectiveness.
- Project does not meet key federal requirements.
- New proposals must be located within Georgia's 152 county Balance of State Continuum of Care jurisdiction. Applications proposing projects in the following jurisdictions are not eligible to be submitted under the BoS CoC application: Atlanta, Fulton County, DeKalb County, Cobb County, Columbus-Muscogee County, Augusta-Richmond County, Athens-Clarke County, Savannah, and Chatham County. To submit an application in one of the listed jurisdictions, you should contact the appropriate CoC jurisdiction for information.
- Agency submits an incomplete application, which includes not submitting the necessary documents listed above, or certifications/documentation as required in the HUD application.
- Agency does not utilize Pathways HMIS (or an approved family violence HMIS alternative) to capture client-level data on all clients in the project.

Match and Leveraging

Applications must meet HUD's match requirements and have at least 25% of the amount of the HUD funding request in total match, as well as an additional 125% of the amount of the HUD funding request in total leveraging, to score the maximum amount of points available for match and leveraging for the BoS CoC scoring (150% match and leveraging). Leveraging includes all funds, resources, and/or services that the applicant can secure on behalf of the client being served by the proposed project. While leveraging includes all cash and in-kind matching resources, it is broader in scope, including any other services, supplies, equipment, space, etc. that are provided by sources other than HUD.

HUD guidelines state that projects should only report match and leveraging where there are commitment letters on file that are dated between May 1, 2016 and September 14, 2016, and HUD is requesting that all documented commitments be submitted with the application.

E-Snaps Information for All Renewal and New Applications

Applicants should review and follow the steps as outlined herein and in the NOFA to ensure that applications are complete and submitted in a timely basis.

For reference, the Continuum of Care Program Interim Rule was published in the Federal Register on July 31, 2012, and was effective on August 31, 2012. This information can be accessed at: <u>https://www.onecpd.info/news/continuum-of-care-coc-program-interim-rule-posted/</u>.

GEORGIA BALANCE OF STATE COC July 13, 2016

For information on accessing HUD's *E-Snaps* system to complete and submit a full BoS CoC Project Application, please go to: <u>https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/</u>. Note that once the competition begins, there will be a significant time delay if applicants need to register new users on the *E-Snaps* system. All applicants should ensure that they have access to the system immediately.

Federal Disaster Area Notification

Applicants administering projects that have been impacted by a major disaster, as declared under Title IV of the Robert T. Stafford Act that occurred in the 12 months prior to the publication of this NOFA should submit a letter indicating this with the review application packages due on July 29, 2016. News releases related Georgia can be found at: <u>https://www.fema.gov/news-release/2016/02/26/president-declares-disaster-state-georgia</u>. CoCs in impacted areas are required to notify HUD of this prior to the close of this competition.

Good afternoon -

Georgia's Balance of State (BoS) Continuum of Care (CoC) is issuing the attached guidance for the 2015 Notice of Funding Availability (NOFA) competition. This guidance applies to all agencies that are currently administering Continuum of Care grants as well as for new applications for rapid re-housing and permanent supportive housing in the BoS CoC. This notice is being announced in accordance with HUD's NOFA for the HUD Continuum of Care programs (Docket No. FR-6000-N-25), https://www.hudexchange.info/resource/5068/fy-2016-coc-program-nofa/.

This information relates to projects that are in Georgia's 152 county Balance of State Continuum of Care jurisdiction. Projects in the following jurisdictions are not eligible to be submitted under the State's BoS CoC application: Atlanta, Fulton County, DeKalb County, Cobb County, Columbus-Muscogee County, Augusta-Richmond County, Athens-Clarke County, and Savannah-Chatham County. To submit an application in one of the listed jurisdictions, you should contact the appropriate CoC jurisdiction for information.

Interested parties should please read the attached notice thoroughly. Please note that there have been significant changes in the process and method by which local CoCs are being scored under Federal priorities in the last two years. All applicants and interested parties are strongly encouraged to read this document (attached), as well as the HUD FY 2016 Continuum of Care NOFA and any supplemental materials (<u>https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/</u>) in their entirety to ensure there is complete understanding of the information provided. Applicants must ensure that they note the differences so that they can consider which type of project to submit a funding request for.

In the 2016 Balance of State CoC Competition, only Permanent Supportive Housing (PSH) and Rapid Rehousing (RRH) will be eligible for ranking and renewal.

Complete review criteria and the required review applications for renewal projects, new Rapid Re-Housing (RRH) projects, and new Permanent Supportive Housing (PSH) projects are posted on the Georgia BoS CoC webpage at http://www.dca.ga.gov/housing/HousingDevelopment/programs/CoCApplicantsandGranteesOnly.asp. Please note that all documents will be posted on this web page as they are available. Applicants are strongly advised to review the criteria and the 2016 competition policy before submitting an application.

Agencies interested in applying for a new RRH project or a new PSH project should complete and submit the attached "2016 BoS CoC Proposal Outline" to alert the Collaborative Applicant of their intent. The Proposal Outline form is attached and also available on the BoS CoC web page listed above. **Proposal Outlines need to be received by Tina Moore, CoC Program Coordinator, at <u>tina.moore@dca.ga.gov</u>, by 2:00 pm on July 20, 2016 (review applications due on July 29, 2016). This will alert DCA staff to forward information to organizations (intending to submit a new project application) regarding the New Applicant webinar, HUD training events, webinars, etc., as well as any updated COC policies, updated scoring criteria, notice of CoC changes, etc. This information will be sent to renewal applicants automatically. Please note that there is a very short turnaround time, and new applicants should not wait for the webinar to begin.**

Applicants that are currently funded that decide to forgo submitting a renewal application, or reduce the amount being requested, should please send something in writing to Tina Moore, CoC Program Coordinator, at <u>tina.moore@dca.ga.gov</u>, prior to the review application deadline of July 29, 2016, to alert DCA staff.

Should you have questions, please contact Tina Moore (tina.moore@dca.ga.gov) or (patricia.wright@dca.ga.gov).

Thank you for your continued dedication to serving people in need, and have a great afternoon!

(Please note: This notice was sent to all interested parties on the mailing list of the State Housing Trust Fund for the Homeless. If you would like your contact information removed from the database, please let me know.)

Thank you, Tina Moore

Permanent Housing Bonus Projects

BoS CoC will apply for bonus project funding, provided appropriate high-scoring new project applications are submitted.

Additional BoS CoC NOFA Priorities and Policies (continued)

- New applicants should have submitted a proposal outline to indicate their intention to apply for a new project
- No late new applications will be accepted
- Projects that were recently awarded for the first time will receive the median performance points for like applications. Those points will be averaged with that project's 2015 score to account for project design and other factors related to implementation of that project
- All applications must pass a threshold review to move forward to the scoring portion. Threshold factors include, but are not limited to
 - Financial and Management Capacity and Experience
 - Past performance, if applicable
 - □ Lack of match or leverage dollars
 - □ Use of HMIS (or HMIS compatible system, if a DV provider)
 - Incomplete or late (for new projects) applications
 - Ineligible populations, activities, location, etc.
 - Failure to obtain Certificate of Consistency (Local Approval)
 - □ Submission of Required certifications as specified in NOFA

Georgia Balance of State Continuum of Care Governance Charter

I. Overview

The Georgia Balance of State Continuum of Care (generally referenced in this document as "BoS CoC" or "Continuum") is the group composed of representatives of relevant organizations that are organized to plan for and provide, as necessary, a system of outreach, engagement, and assessment; emergency shelter; rapid rehousing; transitional housing; permanent housing; and prevention strategies to address the various needs of homeless or at risk of homelessness persons for a specific geographic area (named next paragraph). This group serves as the U.S. Department of Housing and Urban Development's (HUD) recognized decision making body for the Continuum rule at 24 CFR 578, Subpart B, entitled "Establishing and Operating a Continuum of Care."

The geographical area currently covered by the BoS CoC includes the 152 counties not covered by eight local Continuum plans. Local plans exist for the City of Atlanta, Fulton County, DeKalb County, Cobb County, Athens-Clarke County, Augusta-Richmond County, Savannah-Chatham County, and Columbus-Muscogee County. Contact information for each of the local Continuum can be found at: http://www.hudhre.info/index.cfm?do=viewContinuumContacts&st=GA&cSort=#tl.

This Charter outlines the broad organizational structure and general work of the BoS CoC and is organized as follows:

- Mission and Goals
- Membership and Membership Responsibilities
- Board Selection, Structure and Governance
- Committee Responsibilities General
- Standards, Rating and Project Selection Committee
- Homeless Management Information System (HMIS) Committee
- Membership and Rules Committee
- Assessment, Placement and Services Committee
- Collaborative Applicant Responsibilities
- HMIS Lead Responsibilities
- Procedures

For the Balance of State Continuum of Care, this Charter calls for more than one applicant, and further herein, designates a "Collaborative Applicant." Subject to oversight by the Standards, Rating and Project Selection Committee, the Collaborative Applicant shall have the authority to submit the Continuum application and to apply for planning funds [578.9]. No Unified Funding Agency is established for the BoS CoC.

II. Mission and Goals

The BoS CoC shall align and evolve its mission and goals in order to remain consistent with the HUD Strategic Plan and with the United States Interagency Council on Homelessness plan entitled "Opening Doors," as updated. The mission of Georgia's BoS CoC is to work with stakeholders throughout its geographical area to design effective strategies and solutions with the goals of:

- Ending veteran homelessness as soon as possible;
- Ending chronic homelessness by 2017;
- Ending family and youth homelessness by 2020; and
- Setting a path to ending all homelessness.

To maximize effectiveness, the Continuum will often work in collaboration with other entities outside of the Continuum, such as the Georgia State Interagency Council on Homelessness and Georgia's other Continua, to help create integrated, state and community-wide strategies and plans to prevent and end homelessness; provide coordination among the many regional organizations and initiatives that serve people experiencing homelessness across Continuum of Care geographical areas; and to prepare the comprehensive grant application to HUD for the Continuum of Care Program.

While ending homelessness remains the Continuum's overarching goal, the Continuum is laser-focused on immediately (same day) moving all unsheltered persons to a shelter or otherwise safe location (hotel/motel, etc.). At the same time, and with a priority on best practices for rapid re-housing, the Continuum will persistently focus its efforts to mitigate the trauma of homelessness by working with all stakeholders to immediately link persons to appropriate homeless and mainstream services and to shorten the length of time that persons remain unsheltered or in shelters. Further priority will be placed upon moving all homeless persons to stable housing that optimizes self-sufficiency. The only exception to this goal is for individuals, typically not families, for whom transitional housing is the most appropriate intervention. In this case, the move to transitional housing will take place as quickly as possible.

The Balance of State Continuum of Care is a very large Continuum. The distance from Rising Fawn in Georgia's northwest corner to Saint Marys in the southeast is 440 miles. Full meetings of membership will be held at least twice annually in the Forsyth-Macon area in or near the geographical center of the state and will be available also by webinar [578.7(a)(1)].

In addition to continuum-wide meeting efforts, the Continuum will work to understand and address homelessness through locally- and regionally-driven, collaborative processes that include regional meetings, attendance at local coalition meetings, participation in Project Homeless Connect events, work with communities participating in the State's Georgia Institute for Community Housing initiative, etc., as well as diligence in meeting HUD and Federal Interagency Council goals.

III. Responsibilities of the Continuum

A. Membership

Membership shall consist of interested individuals and representatives from relevant organizations within the geographic area. Ongoing efforts will be made to solicit open membership from relevant organizations including nonprofit homeless assistance providers, victim service providers, faith-based organizations, governments, local chambers of commerce, local development authorities, businesses, advocates, local housing authorities, school districts, social service providers, mental health agencies, hospitals, colleges, technical schools, universities, affordable housing developers, landlords, law enforcement, and organizations that serve veterans and homeless and formerly homeless individuals.

Proactive member recruitment efforts will take place at least semi-annually through targeted emails to parties associated with relevant organizations. In addition, there will be an open membership recruitment process posted on the collaborative applicant's website at

www.dca.ga.gov/housing/HousingDevelopment/programs/continuumofcare.asp.

To remain in good standing, Continuum members are expected to attend not less than one meeting (annual membership, Board, Committee or Subcommittee) per year. Members must also adhere to the code of conduct requirements (conflict of interest, rules of order, etc.) established by the Membership and Rules Committee. Among other requirements established by the Membership and Rules Committee, no member may participate in or influence discussions or resulting decisions concerning the award of a grant or other financial benefit to the organization that the member represents. Otherwise, members may be subject to sanctions by this Committee that may include loss of voting privilege, termination of committee or subcommittee assignments, or other actions consistent with policy established and interpreted by the Committee, including membership termination, which is anticipated only in the most egregious cases.

The work of the BoS CoC will be accomplished through a comprehensive process that includes full membership, regional, board and committee meetings. The Continuum will develop and implement an on-line voting system for members. Full membership votes shall be taken as follows:

- An initial vote for ratification of the Charter;
- Periodic votes to elect "at large" members of the Board; and
- Review and/or update the Charter's process for Board selection not less than once every five (5) years [578.7(3)].

B. Governing Board

The process for Board selection shall take place as follows [578.7(3)]:

The BoS CoC Board of Directors (hereinafter referred to as "Board") is the governing body of the Balance of State Continuum. Considerations for board representation include expertise and experience in homelessness, geographic distribution, diversification of interests, provider perspective, the perspective of homeless persons, limiting/managing conflicts of interest, and other relevant factors. Board members must be relevant -- meaning that they must live or work in the geographical area of the BoS CoC. By accepting a Board position, all Board members by definition also become Continuum members.

The Board shall consist of nineteen (19) members. To assure a strong start, continuity over the longer-term, and to mitigate the potential for liability claims against individuals serving on the Board, eleven (11) appointments will be made by state agency heads. All of these appointments must be "relevant" to the Continuum (providing homeless funding, services, mainstream services that serve homeless persons, or provide other indirect services to homeless persons or to community organizations in the Continuum), and otherwise qualified, as outlined in this Charter and by HUD rule.

The BoS CoC Board membership shall be established as follows:

- Two (2) appointments by the State agency with lead responsibility for coordination of the Emergency Solutions Grants (ESG) Program, and for the provision of, and planning for, housing and housing related matters;
- Two (2) appointments by the State Housing Trust Fund for the Homeless Commission;

- One (1) appointment by the Membership and Rules Committee who is homeless or formerly homeless. This appointment shall be initially made by the Department of Community Affairs;
- One (1) appointment by the State agency that was designated by the General Assembly to focus solely on policies, programs, and services for people with mental illness, substance use disorders, and developmental disabilities;
- One (1) appointment by the State agency that was designated by the General Assembly to combat family violence and to develop a comprehensive state plan for ending family violence in Georgia;
- One (1) appointment by the State agency responsible for effectively managing adult offenders and providing opportunities for positive change;
- One (1) appointment by the State agency responsible for providing leadership and service to local school systems;
- One (1) appointment by the State agency responsible for working with public and private partners in building a workforce system that contributes to Georgia's economic prosperity;
- One (1) appointment, specific to assist in addressing housing and homelessness among Veterans, made by the State agency with lead responsibility for the provision of, and planning for, housing and housing related matters;
- One (1) appointment by Clayton County with lead responsibility for coordination of the ESG Program;
- One (1) appointment by Gwinnett County with lead responsibility for coordination of the ESG Program;
- One (1) appointment by Macon-Bibb County with lead responsibility for coordination of the ESG Program; and
- Five (5) elected by full membership; one from each of the five (5) GA Department of Community Affairs' "Super Regions" (see Exhibit A).

Appointments must be made by the senior executive of each organization responsible for making an appointment(s). Appointments may be recommended by the Membership and Rules Committee. To encourage geographic representation among Board appointments, and inasmuch as is possible, agency heads will be encouraged to choose appointees from regional staff or from others living or working within the BoS CoC. As previously noted in this Charter, appointing state agencies may make appointments from within or from outside the agency.

The Membership and Rules Committee shall develop and implement a process for the nomination and election of "at large" Board members from each of the five (5) DCA super-regions. All appointments will be subject to approval by the Membership and Rules Committee based upon criteria established by that Committee.

The responsibilities of the Board include:

- Following its initial ratification by membership, and in consultation with the Collaborative Applicant and the HMIS Lead, update and follow the Georgia Balance of State Continuum of Care Governance Charter [578.7(5)]. Exception: The Board selection process outlined in the Charter may only be revised by a vote of membership;
- Publish agendas on the DCA Continuum of Care website and hold meetings as necessary to carry out the work of the Continuum. Full membership meetings must be held at least twice annually [578.7(1)];
- Appoint standing committees outlined in this Charter, as well as additional committees, as necessary, and in collaboration with its committees, manage the work of the "Collaborative Applicant," and "HMIS Lead" [578.7(4)].
- Appoint Committee members;
- Act on recommendations of Continuum Committees; and
- Set Priorities for the Continuum based on solely upon committee recommendations.

Board procedure shall be established as follows:

From its membership, the Board shall appoint a Chair and a Vice-Chair. The Chair of the Membership and Rules Committee shall serve as the Ethics Officer of the Board but may or may not be a member of the Board. The Board shall be governed by this Charter, and otherwise by *Roberts Rules of Order*. Board terms shall be for three years. Initially, however, to ensure continuity, initial terms will be staggered (3, 4, and 5 years), as determined by the Membership and Rules Committee. Absent reappointment or a new appointment, Board Members shall continue to serve indefinitely following the end of their term. There shall be no limit on terms of service. Board members may be terminated by the Membership and Rules Committee for reasonable cause. Reasonable cause includes, but is not limited to, the presence of a conflict of interest that cannot be mitigated or if attendance at meetings does not meet standards established by the Membership and Rules Committee.

Meetings of the Board shall be held as called by the Collaborative Applicant, and each meeting shall be attended by the Collaborative Applicant. Meetings may be attended either in person or via Webinar, must be called at least seven (7) days in advance and are open to the public. Meeting notices shall be distributed to all Continuum members and posted by the Collaborative Applicant on the DCA Continuum of Care website.

A quorum shall require that at least fifty percent (50%) of the entire board membership is present. Assigned proxy can be used.

The affirmative vote of a majority of the Board members in attendance at a meeting shall be the act of the Board if a quorum is present.

The Chair, or the person acting as Chair, shall only vote in the event of a tie vote from other Board members.

A record shall be kept of attendance and all motions, votes and actions taken by the Board.

C. <u>Committees and Subcommittees</u>

General Requirements for All Committees

While decisions for the Continuum will be made by the Board, the work of the Continuum will generally be carried out by Committees and, as appointed by Committees, Subcommittees. Committee members may be recommended to the Board by Committees themselves, but all Committee appointments shall also be "members" of the Continuum with formal appointment of each by the Board. Board members may also, and are encouraged to, serve on Committees. All subcommittee appointments may be made by the appropriate Committee. Each Committee is responsible for establishing a Committee Chair and the Chair, or his/her designee, must attend all Board meetings.

Subcommittees are formulated by committees in order to add specific expertise and to develop special recommendations to the committee. Expertise may come from outside the Continuum geography, so logically; subcommittee appointments (made by members of each Committee) may or may not be members of the Continuum.

Formal Committee meetings must be called and attended by the Collaborative Applicant. The Collaborative Applicant will maintain Committee records. With the exception of the Membership and Rules Committee, Committees are responsible not for decision-making, but for making recommendations to the Board.

The Board may appoint Committees as it deems necessary to carry out the work of the Continuum, but at a minimum, BoS CoC Committees shall include the following:

- Standards, Rating and Project Selection Committee;
- HMIS Committee;
- Membership and Rules Committee; and
- Assessment, Placement and Services Committee.

At its discretion, the Board may expand the work of these Committees and/or appoint other Committees with special purposes associated with priorities such as ending

chronic, veterans, family and youth homelessness, coordination with educational and family violence providers, etc.

1. Standards, Rating and Project Selection Committee

The Standards, Rating and Project Selection Committee shall be responsible for developing and recommending written standards for all phases of BoS CoC and Emergency Solutions Grants programs for Board approval. In accordance with the goals of the Continuum, these written standards shall prioritize assistance and placement for persons and families who are chronically homeless, persons with disabilities, and persons with the highest number of barriers to placement and stable housing [578.9(2)].

Acting on behalf of the Continuum, and as a part of its duty to "design, operate and follow a collaborative process" in response to a HUD NOFA, the process established by this Committee and due diligence in its implementation shall serve as "approval for submission" of the BoS CoC by the Collaborative Applicant [578.9(a)(1)].

These written standards will be developed in consultation with the Collaborative Applicant, the Continuum's four (4) ESG entitlement jurisdictions [Clayton County, Gwinnett County, Macon-Bibb County and the State of Georgia (Georgia Housing and Finance Authority (GHFA)] and with stakeholders throughout the Continuum, including Continuum recipients and subrecipients, shall be updated annually, and shall be approved by the Board [578.7(a)(9)]. Standards shall reflect the goals of the Continuum which are also consistent with the HUD Strategic Plan, the McKinney Vento Act, and with the USICH "Opening Doors" plan.

Written standards will be established for all prevention, outreach, shelter, rapid rehousing, transitional, supportive service, and permanent supportive housing programs that serve homeless or near homeless persons in the Continuum [578.7(a)(9)(i-vi)]. Among other requirements, these standards will include criteria for ESG and CoC programs, as follows:

- Policies and procedures for evaluating household eligibility;
- Policies and procedures for determining appropriate transitional, permanent supportive (including rapid re-housing and permanent supportive housing), or other housing placement; and
- Rental payment standards for the Continuum's rapid re-housing programs.

The standards will reflect priority for project type and performance and outcome criteria. Standards shall include scoring criteria for project applications and renewal applications, as well as monitoring criteria and accompanying policy surrounding poor performance to be implemented by the Collaborative Applicant [578.7(a)(6)].

The Standards, Rating and Project Selection Committee shall evaluate the outcomes of ESG and Continuum of Care programs, and as possible other programs within the Continuum, and report those outcomes to the Board, Continuum membership, to HUD, and to others [578.7(a)(7)].

This Committee shall also be responsible for developing the semi-annual "point in time count," as well as the annual shelter and transitional housing count methodologies. The Committee shall determine gaps in housing and services, consult with ESG entitlements on the allocation of funds [578.7(c)(5)], and develop and implement a rating and selection system for Continuum projects. This Committee, or a subcommittee that it may choose to appoint, is further responsible for review of Continuum of Care applications. The work of this Committee may also include tasks assigned by the Board [578.7(c)(2-3)].

For this Committee, the Membership and Rules Committee shall review all appointments, and direct conflicts of interest will not be allowed. Perceived conflicts of interest will be disclosed and mitigated through a process established by the Membership and Rules Committee.

2. Homeless Management Information Systems (HMIS) Committee

The HMIS Committee will be responsible for communicating HMIS needs of the Continuum and for assisting the Board with management and oversight of the HMIS Lead and the Continuum's HMIS implementation. This Committee, in consultation with the Collaborative Applicant, and as appropriate, the HMIS Lead, shall have further responsibilities, as follows [578.7(b)]:

- As may be necessary, making recommendations to the Board on changes to the HMIS system, HMIS Lead, and HMIS applicant utilized by the Continuum;
- Reviewing policies and procedures and making recommendations for a privacy, security, and data quality plan to the Board;
- Monitoring the Continuum's compliance with HMIS requirements prescribed by HUD [587.7(a)(5)]; and
- Monitoring participation in HMIS by users throughout the Continuum.

3. Membership and Rules Committee

Unlike any of the other committees, the Membership and Rules Committee will act with a great deal of autonomy. It will provide checks and balances for the Continuum and operate with absolute authority over all matters related to:

- Development and operationalizing the Continuum's "Conflict of Interest and Recusal Policy" [578.7(a)(5)] and process, as required by HUD rule at 24 CFR 578.95 (see Exhibit B). Until the recusal policy is fully developed and operationalized, any Continuum member or subcommittee appointee must disclose any real or perceived conflict of interest. If there is a direct conflict of interest, he/she shall (1) not discuss any matter before the Continuum relating to the conflict, (2) abstain from any voting related to matters subject to the conflict, and (3) leave the room while matters are discussed. This policy shall also include code of conduct provisions for all members. This duty shall also include oversight of implementation, interpretations of policy, etc.;
- The exercise of judgment over the selection of Board members in order to assure that prospective members are qualified;
- Assurance that there is geographical dispersion and diversity among Board members; and
- Ethics and parliamentary procedure while carrying out its duties to provide Board oversight.

The Membership and Rules Committee will have ultimate responsibility for making sure that appointments meet HUD and Continuum rules around diversity in the selection of Board members so that "relevant organizations" will be included.

The Membership and Rules Committee will create criteria for conducting elections of Board Members. The Committee will work with appointing authorities to assure relevance and diversification in Board appointments. It may develop criteria for selection, verify that candidates meet said criteria, and must ratify all appointments.

This Committee may serve, as necessary, as a nominating committee for Board appointments, as well as for candidates for election. The Committee shall monitor service by all Continuum and Board members and shall set terms for all Board members. The Committee shall also review, and as necessary, propose revisions to the criteria for Board selection not less than once every five (5) years. Revisions to Board structure must be presented to the Board for approval, and once approved, ratified by a majority vote of membership.

The Membership and Rules Committee will act on complaints filed against the Continuum in accordance with 24 CFR 578.7 and 578.9 and report on all complaints and actions to the Board. As necessary, Committee recommendations will be presented to the Board for mitigation.

In consultation with the Collaborative Applicant and the HMIS Lead, this Charter shall be updated by the Committee and approved not less than annually by a majority vote of a quorum of the Board. For substantial updates to this Charter, as determined by this Committee, a majority vote of Continuum membership must be obtained.

4. Assessment, Placement and Services Committee

The Assessment, Placement and Services Committee will be primarily responsible for identifying and seeking to maximize and coordinate mainstream and homeless services as well as housing resources available for homeless and near homeless persons throughout the Continuum. Together with the Collaborative Applicant, the Committee will develop written standards for assessment and program admissions within the Continuum.

The Committee will develop policy to be approved by the Board and will work to insure that the Continuum's system of care meets the needs of homeless individuals and families by seeking to implement comprehensive prevention, outreach, engagement, assessment, shelter (or other short-term housing), transitional (very limited), and permanent housing strategies throughout its broad geographical area. The group served will also include persons fleeing family violence, including victims of dating or sexual assault, and/or stalking, as well as unaccompanied youth.

This work will include identification of ongoing gaps in housing and service resources, as well as barriers to housing (including barriers to housing choice) and services that limit the ability of homeless persons to access and sustain stable housing. The Committee will work in partnerships with all stakeholders (including educational liaisons, family violence staff, public housing officials, etc.) at local, regional, state and federal levels in order to identify resources to fill identified gaps in housing and services.

Specific work of this Committee will center on measures that will enable the Continuum's homeless service providers to:

• Implement plans within their programs that will affirmatively further fair housing, per 24 CFR 578.93(c);

- Prevent involuntary separation of families experiencing homelessness within the Continuum; and
- Best collaborate with Georgia Department of Education officials and with homeless liaisons and others associated with local school systems in order to maximize the availability of HUD McKinney resources for housing and services (including prevention) for families with school age children, as well as to measure the mainstreams services of the school system in order to further stabilize families in housing.

The Committee will recommend (and may oversee the development of) training for Continuum providers. It will monitor changes and proposed changes to funding programs and other public assistance at all levels (local, regional, state and Federal) for diminished programs and benefits, as well as stricter eligibility requirements that limit access to ongoing benefits that may either (1) limit the Continuum's ability to place and serve homeless persons in stable housing, or (2) lead to further destabilization of fragile populations currently housed.

This Committee will troubleshoot system access issues on a state, local and regional basis, and will coordinate/collaborate closely with the Georgia State Interagency Council on Homelessness. Working closely with the Collaborative Applicant, the Assessment, Placement and Services Committee will be responsible for oversight related to meeting the HUD mandate for "coordinated or centralized intake and assessment" [578.7(a)(8)].

D. Collaborative Applicant

In accordance with HUD's Continuum of Care Interim Regulations, the Georgia Department of Community Affairs (DCA) is designated as the Collaborative Applicant. The Georgia Housing and Finance Authority (GHFA) is a state authority attached to DCA, and for administrative purposes, DCA may transfer legal authority, at its discretion, to GHFA in the future. At its discretion, the Collaborative Applicant shall have the authority to apply for planning funds from HUD.

DCA shall provide comprehensive oversight for the Continuum in order to meet HUD's rule for Continua of Care and to assure that requirements are met for the annual HUD Continuum of Care funding competition. DCA shall collaborate with other Georgia Continua and shall provide administrative support for the Board, all Continuum committees, and as otherwise necessary to assure the sound operation of and the success of the Balance of State Continuum of Care. DCA shall work to build awareness for and public/stakeholder confidence in the Continuum and will publicize its work.

For the Continuum DCA will maintain membership lists, conduct membership recruitment campaigns targeted to stakeholders [578.7(a)(2)], publish agendas for membership meetings, and assist the Board in conducting meetings of full membership not less than twice annually [578.7(a)(1)]. DCA shall update and maintain the Continuum's website with meeting notices, a list of Board members, Board meeting minutes, downloads of documents related to Board actions, and other related documents. The website shall also include an open invitation and process for membership.

DCA's work with the Board will include, but will not be limited to, providing or securing meeting space, calling meetings, providing notice to Board/Continuum members and others, technology for web meeting capacity, recordkeeping, assisting the board with draft policies and updates (including updates to this Charter) as directed by the Board, and other duties assigned by the Board or as necessary in order to meet Continuum compliance requirements or other standards established by HUD.

DCA shall serve as staff to all Continuum committees, call meetings, develop agendas, keep records of committee meetings, provide technical assistance and monitor recipients of funds, and assist with research and the development of plans and documents for each committee. Working with the Standards, Rating and Project Selection Committee, DCA will seek outside funds for, and will provide staff oversight and training for the semi-annual unsheltered point in time count and the annual shelter survey [578.7(c)(2)].

Working with stakeholders Continuum-wide through state-wide, regional and local meetings (onsite and/or web-based) as well as attendance at local and regional events, such as Project Homeless Connect, local coalition meetings, etc., the Collaborative Applicant will provide lead staff for the Continuum's planning. This includes coordination and implementation "of a housing and service system within its geographic area that meets the needs of the homeless individuals (including unaccompanied youth) and families. At a minimum, such system encompasses the following: (i) Outreach, engagement, and assessment; (ii) Shelter, housing, and supportive services; and (iii) Prevention strategies" [578.5(c)].

DCA will meet the Continuum's obligations through the HUD rule to coordinate with ESG Entitlements (Clayton, Gwinnett, Macon-Bibb, and State), and to collaborate with and provide information to complete plans for the HUD Consolidated Planning jurisdictions (the cities of Albany, Brunswick, Dalton, Gainesville, Hinesville, Macon, Rome, Valdosta, Warner Robins, the counties of Cherokee, Gwinnett, Clayton and Henry, and the State) within the Continuum [578.7(c)(4)].

DCA will collect and combine all required application information from projects within the Continuum, prepare, and submit the annual Continuum application to the Board for approval and then to HUD.

E. Homeless Management Information Systems (HMIS) Lead

The Georgia Housing and Finance Authority (GHFA), a state authority attached to the Georgia Department of Community Affairs (DCA), is designated by the Georgia Balance of State Continuum of Care as the HMIS Lead for the Continuum.

The roles and responsibilities of the HMIS Lead, as well as the roles and responsibilities of the CoC, as they relate to HMIS matters, are outlined in the "Georgia HMIS Bylaws," which were approved by the CoC HMIS Committee and the CoC Board.

GHFA shall attend all HMIS Committee meetings and coordinate closely with this Committee in all of its work.

GHFA shall have the authority to apply for and administer Continuum funds for HMIS in accordance with all HUD requirements. GHFA, in working with the Continuum's HMIS Committee, shall review, revise and approve a privacy, security and data quality plan (or plans) for the Continuum's HMIS.

GHFA shall exercise required due diligence in order to assure that the Continuum's HMIS is administered in compliance with all present and future HUD requirements, and it shall ensure consistent participation by all HUD McKinney-funded recipients and subrecipients in the Continuum. For non-HUD funded Continuum agencies, GHFA shall work with those agencies as well as their funders to maximize HMIS participation.

Lastly, GHFA will work to maximize the use of HMIS data in order to meet the Continuum's obligations through the HUD rule to coordinate with ESG Entitlements (Clayton, Gwinnett, Macon-Bibb and State) and HUD Consolidated Planning jurisdictions (the cities of Albany, Brunswick, Dalton, Gainesville, Hinesville, Macon, Rome, Valdosta, Warner Robins, and the counties of Cherokee, Gwinnett, Clayton and Henry) within the Continuum.

F. Procedural Processes

By numerical order the work of the Balance of State Continuum of Care governance became operational as follows:

 Initial Continuum Membership was established by DCA, as the Collaborative Applicant, based upon full membership meetings held September 30 and October 2, 2013. Through these meetings and through follow-up survey input was received by

Members and much of said input was incorporated into the Founding Governance Charter.

- 2. The Founding Governance Charter dated January 9, 2014 was first posted on the Continuum's website by DCA for review ratification by a majority vote of Continuum membership.
- 3. Upon ratification of the Founding Governance Charter, DCA obtained Board appointments from appointing authorities, and the Inaugural Board consisted of appointed members.
- 4. While awaiting agency appointments for the Founding Board, DCA, as the Collaborative Applicant, worked with an Interim Membership and Rules Committee and an Interim Standards, Rating, and Project Selection Committee. Both were approved at the inaugural Board Meeting on January 21, 2015.
- 5. The Membership and Rules Committee:
 - a. Reviewed and approved appointed Board members, as required in the Governance Charter, on December 16, 2014;
 - b. Developed criteria for approval and for the election of regional Board members, which was approved September 8, 2014;
 - c. Called upon membership for nominees by email notification on September 10, 2014; and
 - d. Developed the initial slate of nominees for review by Members on November 18, 2014.
- 6. The Collaborative Applicant conducted elections for regional Board members.
- 7. The full Board held its first meeting and appointed the Interim Membership and Rules Committee and the Interim Standards, Rating, and Project Selection Committee were approved on January 21, 2015. The Assessment, Placement, and Services Committee was appointed at a special meeting on September 29, 2015, and the HMIS Committee was appointed on November 18, 2015.

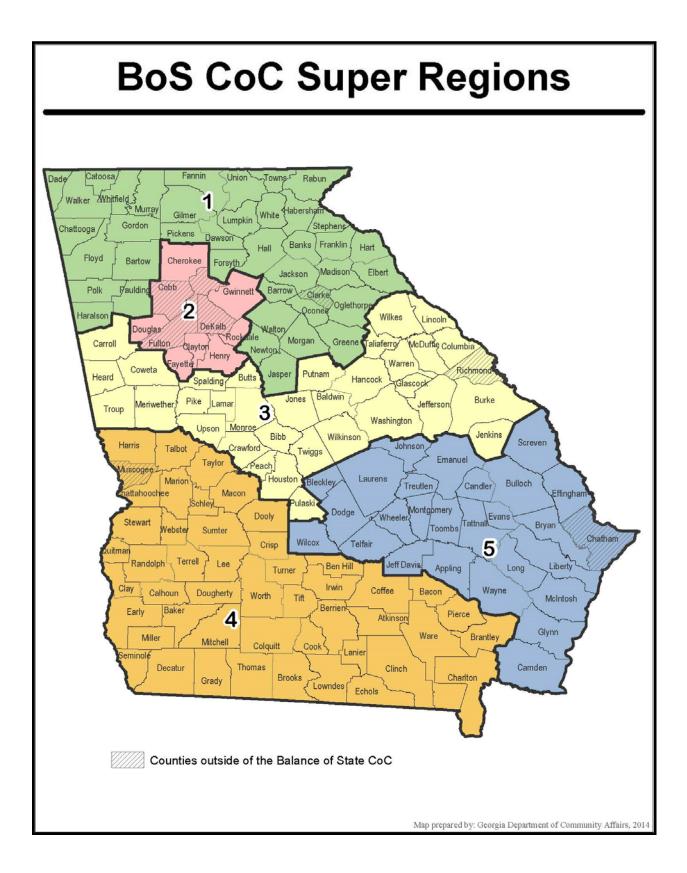

Exhibit B

24 CFR 578.95 Conflicts of interest.

(a) Procurement. For the procurement of property (goods, supplies, or equipment) and services, the recipient and its subrecipients must comply with the codes of conduct and conflict-of-interest requirements under 24 CFR 85.36 (for governments) and 24 CFR 84.42 (for private nonprofit organizations).

(b) Continuum of Care board members. No Continuum of Care board member may participate in or influence discussions or resulting decisions concerning the award of a grant or other financial benefits to the organization that the member represents.

(c) Organizational conflict. An organizational conflict of interest arises when, because of activities or relationships with other persons or organizations, the recipient or subrecipient is unable or potentially unable to render impartial assistance in the provision of any type or amount of assistance under this part, or when a covered person's, as in paragraph (d)(1) of this section, objectivity in performing work with respect to any activity assisted under this part is or might be otherwise impaired. Such an organizational conflict would arise when a board member of an applicant participates in decision of the applicant concerning the award of a grant, or provision of other financial benefits, to the organization that such member represents. It would also arise when an employee of a recipient or subrecipient participates in making rent reasonableness determinations under §578.49(b)(2) and §578.51(g) and housing quality inspections of property under §578.75(b) that the recipient, subrecipient, or related entity owns.

(d) Other conflicts. For all other transactions and activities, the following restrictions apply:

(1) No covered person, meaning a person who is an employee, agent, consultant, officer, or elected or appointed official of the recipient or its subrecipients and who exercises or has exercised any functions or responsibilities with respect to activities assisted under this part, or who is in a position to participate in a decision-making process or gain inside information with regard to activities assisted under this part, may obtain a financial interest or benefit from an assisted activity, have a financial interest in any contract, subcontract, or agreement with respect to an assisted activity, or have a financial interest in the proceeds derived from an assisted activity, either for him or herself or for those with whom he or she has immediate family or business ties, during his or her tenure or during the one-year period following his or her tenure.

(2) Exceptions. Upon the written request of the recipient, HUD may grant an exception to the provisions of this section on a case-by-case basis, taking into account the cumulative effects of the criteria in paragraph (d)(2)(ii) of this section, provided that the recipient has satisfactorily met the threshold requirements of paragraph (d)(2)(ii) of this section.

(i) Threshold requirements. HUD will consider an exception only after the recipient has provided the following documentation:

(A) Disclosure of the nature of the conflict, accompanied by a written assurance, if the recipient is a government, that there has been public disclosure of the conflict and a description of how the public disclosure was made; and if the recipient is a private nonprofit organization, that the conflict has been disclosed in accordance with their written code of conduct or other conflict-of-interest policy; and

(B) An opinion of the recipient's attorney that the interest for which the exception is sought would not violate State or local law, or if the subrecipient is a private nonprofit organization, the exception would not violate the organization's internal policies.

(ii) Factors to be considered for exceptions. In determining whether to grant a requested exception after the recipient has satisfactorily met the threshold requirements under paragraph (c)(3)(i) of this section, HUD must conclude that the exception will serve to further the purposes of the Continuum of Care program and the effective and efficient administration of the recipient's or subrecipient's project, taking into account the cumulative effect of the following factors, as applicable:

(A) Whether the exception would provide a significant cost benefit or an essential degree of expertise to the program or project that would otherwise not be available;

(B) Whether an opportunity was provided for open competitive bidding or negotiation;

(C) Whether the affected person has withdrawn from his or her functions, responsibilities, or the decision-making process with respect to the specific activity in question;

(D) Whether the interest or benefit was present before the affected person was in the position described in paragraph (c)(1) of this section;

(E) Whether undue hardship will result to the recipient, the subrecipient, or the person affected, when weighed against the public interest served by avoiding the prohibited conflict;

(F) Whether the person affected is a member of a group or class of persons intended to be the beneficiaries of the assisted activity, and the exception will permit such person to receive generally the same interests or benefits as are being made available or provided to the group or class; and

(G) Any other relevant considerations.

Section A. Background and Structure

A.1 HMIS Background

A Homeless Management Information System (HMIS) is a software application designed to record and store client-level information on the characteristics and service needs of homeless persons. An HMIS is typically a web-based software application that homeless assistance providers use to coordinate care, manage their operations, share information and better serve their clients.

HMIS implementations can encompass geographic areas ranging from a single county to an entire state. They are based primarily on the Continuum of Care geography. A HUD Continuum of Care is the primary decision making entity defined in the funding application to HUD as the official body representing a community plan to organize and deliver housing and services to meet the specific needs of people who are homeless as they move to stable housing and maximum self-sufficiency. An HMIS helps to link homeless assistance providers within a community and create a more coordinated and effective housing and service delivery system.

The U. S. Department of Housing and Urban Development (HUD) and other planners and policymakers at the federal, state and local levels use aggregate HMIS data to obtain better information about the extent and nature of homelessness over time. Specifically, an HMIS can be used to produce an unduplicated count of homeless persons, understand patterns of service use, and measure the effectiveness of homeless programs.

The Georgia Homeless Management Information System was started in 2002. Pathways Community Network was designated as the State of Georgia's sole HMIS provider. The COMPASS ROSE has been around since 1999 when it was developed to assist homeless service providers in Atlanta to share information and case manage their clients. By 2004, Pathways incorporated the HUD data standards and had added a number of agencies to the system from across the state. Currently the Georgia HMIS has over 300 active agencies and covers eight of the nine Georgia Continuum's of Care. Active agencies have entered over 1,643,233 individuals and families into COMPASS ROSE since 1999. The Georgia HMIS is a shared system, meaning agencies that are serving the same person can view information and coordinate services using HMIS.

A.2 HUD Requirements and HMIS Data Standards

The HMIS Data Standards (2014 HMIS Data Dictionary and HMIS Data Manual) provide communities with baseline data collection requirements developed by each of these federal partners. The Manual is intended to serve as a reference and provide basic guidance on HMIS data elements for CoCs, HMIS Lead Agencies, HMIS System Administrators and users. This release of the 2014 HMIS Data Manual is Version 5.1 and is an update to the 2014 Data Standards Manual. The companion document to the HMIS Data Manual is the HMIS Data Dictionary which defines all of the data elements and requirements for HMIS compliance for HMIS Vendors and System Administrators. The privacy and system security standards for providers remain the same as presented in the July 30, 2004 Final Notice.

A.3 Annual Homeless Assessment Report (AHAR)

The Annual Homeless Assessment Report (AHAR) is a report to the U.S. Congress on the extent and nature of homelessness in America. The report is prepared by the Department of Housing and Urban Development (HUD) and provides nationwide estimates of homelessness, including information about the demographic characteristics of homeless persons, service use patterns, and the capacity to house homeless persons. The report is based primarily on Homeless Management Information Systems (HMIS) data about persons who experience homelessness during a 12month period.

The AHAR uses aggregate HMIS data from communities across the country to produce a national report on homelessness to the U.S. Congress. The AHAR is designed to:

- Develop an estimate of the number of homeless persons nationwide;
- Create a descriptive profile of homeless persons;
- Understand service use patterns; and,
- Estimate the nation's capacity to house homeless persons.

The AHAR is based on an unduplicated count of homeless persons within each community, and focuses on persons who use emergency or transitional shelters. Thus, the AHAR reports only on the number of sheltered homeless persons and does not account for homeless persons who: only use a supportive service program, are formerly homeless and living in permanent supportive housing; or are service resistant and do not access any type of homeless service program during the study period.

Eventually, all Continuum of Care will most likely submit AHAR data. Therefore, it is important that all programs, especially those that provide shelter or housing, enter data accurately and in a timely manner.

For more information on Annual Homeless Assessment Report, see http://www.hudhdx.info/

A.4 Georgia HMIS Organization, Management and Contacts

Project Goals

The goals of the GA HMIS Project are:

1) Assist homeless persons to navigate the continuum of care

2) Assist homeless service agencies with information allowing them to better serve their clients3) Assist homeless agencies, local, state and Federal entities with information on numbers of homeless persons, reasons for homelessness, services they require, services they receive, gaps in services, etc.

Project Organization

The Georgia HMIS is a collaborative statewide effort to implement HMIS across eight of the nine Georgia continuum's of care. Columbus-Muscogee has a separate HMIS implementation. The Lead Agency for the Georgia HMIS project is the Department of Community Affairs. The lead agency oversees the HMIS project and manages the Supportive Housing Program grant from HUD, however each Continuum of Care is responsible for ensuring that the implementation is successful in their Continuum. Many of the Continuum of Care also have HMIS staff that work specifically on HMIS issues in that Continuum.

HMIS System Development and Planning

Each CoC is responsible for soliciting feedback from agencies and stakeholders and communicating that feedback to the Steering Committee. Each CoC should establish an advisory group made up of agencies and other stakeholders in order to solicit feedback on HMIS implementation. The CoC representative should then bring this feedback to the Steering Committee.

The Steering Committee is made up of representatives from each of the eight continuum of care and the DCA project manager. The role of the steering committee is to oversee overall implementation and request enhancements to the Pathways system.

HMIS Implementation

Each CoC is responsible for ensuring that all agencies in that CoC are adhering to the State or Local CoC HMIS policies. The CoC lead should coordinate with DCA in order to develop a training and technical assistance plan that will allow them to troubleshoot any problems in implementation. Agencies can also request training and technical assistance from their CoC Representative.

If a user or agency has a request for a **system enhancement** they should communicate the request to their CoC lead that will pass it on to the project manager for review. This request will be reviewed by the GA HMIS Steering Committee.

Georgia HMIS Standard Operating Procedures

Pathways System Errors

For issues related to system errors, agencies and the continuum of care representatives should communicate directly with Pathways. System errors can be reported through the system itself using the "Contact Support" link or by calling Pathways Support at 404.639.9933, option 2 in the Atlanta area. You may also contact Support by email at <u>support@pcni.org</u>. Pathways will provide the steering committee and project management with regular updates on any system errors reported and the status of their repair.

Contacts

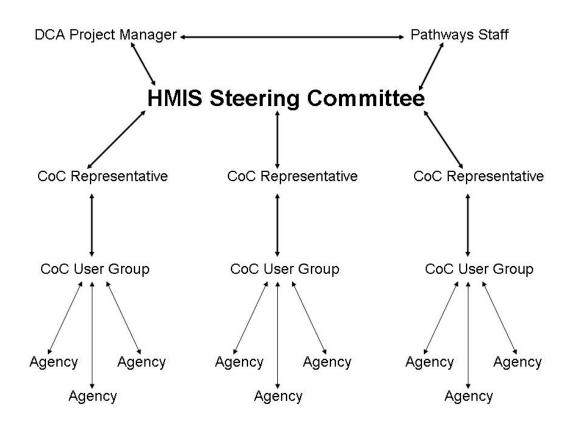

The HMIS Lead contact at the Department of Community Affairs is Jeanette Pollock at Jeanette.pollock@dca.ga.gov.

The CoC lead contact for HMIS issues are:

- Communicate Concerns and Enhancement Requests to Continuum Representative
- Communicate Bugs to Pathways and Continuum HMIS Administrator
- Request Support and Technical Assistance from Pathways when needed

Continuum of Care HMIS Representative(s)

- Run Continuum User Group
- Attend Steering Committee
- Inform Agencies of Continuum Specific Policies
- Monitor HMIS Utilization by CoC Agencies
- Communicate Concerns and Enhancement Requests to Project Manager
- Communicate Bugs to Pathways
- Troubleshoot Implementation and Training Needs
- Provide additional assistance to agencies as needed
- AHAR submission

Lead Agency Staff (DCA)

- Manage GA HMIS Grant
- Coordinate Steering Committee
- Obtain Feedback from Continuum Representatives
- Compile Continuum Requested Enhancements for Steering Committee
- Monitor Project Progress and Deliverables
- Monitor Adherence to HUD HMIS Data and Technical Standards and Guidelines
- Communicate National HMIS Best Practices to Steering Committee

Pathways Staff

- Develop Enhancements as Directed by Steering Committee
- Assist Continuums with Monitoring Data Quality and Completeness
- Monitor Agency and System Security
- Repair System Errors in a Timely Manner
- Ensure System is Operational and Accessible
- Provide Ongoing Reports to Project Manager and Steering Committee regarding: Data Quality; Training and Technical Assistance Provided; Enhancement Project Progress; Bug List and Fixes; HMIS Utilization Rates; Security Audit Findings

A.5 State and Local HMIS Policies

DCA has developed a policy regarding utilization of HMIS for all DCA grantees and Balance of State Continuum of Care grantees. The policy can be found on the DCA website at: <u>http://www.dca.ga.gov/housing/specialneeds/programs/documents/HMIS_Policy_7-07-09.pdf</u>. This policy may be updated periodically.

DCA grantees should also refer to the Housing Support Standards regarding additional requirements regarding COMPASS ROSE. Information regarding the HSS Standards can be found on the DCA website at:

http://www.dca.ga.gov/housing/specialneeds/programs/HousingSupportStandards.asp

Each additional Continuum of Care may have a Continuum policy regarding HMIS implementation. Agencies should contact Continuum leadership regarding any Continuum

specific requirements. If there are no specific Continuum Policy for their county and the agency is not a DCA grantee, the agency should follow general the Georgia HMIS Standard Operating Procedures on HMIS implementation found in this manual.

Additional funders (e.g. United Way, Salvation Army, local governments) may have additional requirements regarding the use of the Pathways System. Agencies should consult each of their funders to ensure they are aware of all relevant requirements.

A.6 Domestic Violence Agencies

According to the HUD Federal Register dated March 16, 2007 [FR-5056-N-01], agencies that are classified as Domestic Violence Agencies should not enter any identifying information into HMIS. Specifically, the register states:

"The new Confidentiality provision directs victim service providers not to disclose, for the purposes of HMIS, personally identifying information about any client. In accordance with this statutory requirement, victim service providers must maintain the confidentiality of personally identifying information of the providers' clients."

At this point in time, HUD has instructed Domestic Violence agencies not to use HMIS to enter any client level information, including non-identifying information.

Section B. Agency and User Procedures

B.1 New Agency Procedures

Step 1. Sign Agency Agreements

- 1. Complete General Service Agreement Form
- 2. Complete Business Associate Addendum
- 3. Complete Exhibit A Pricing form
- 4. Complete Waiver Certification Form (if applicable)
- 5. Complete New Agency Form
- 6. Ensure system and equipment requirements are met

7. Complete Memorandum of Understanding (MOU) with Continuum and/or Funders if applicable.

All agency forms should be completed and returned to Tommy Phillips at Pathways Community Network, Inc. by fax or mail. Keep a copy of all documents for your files. Proceed to step two.

Step 2. Ensure Agency Meets Technical Requirements

Recommended Computer Specifications:						
Processor:	300 MHz Processor PC					
Operating System:	Windows 98 or above					
Memory:	128 MB RAM					
Browser:	Internet Explorer 5.0 or greater, Mozilla Firefox					
Internet Access:	DSL or better					

Agencies must also be able to meet applicable security requirements. Detail on security requirements can be found in section D.2 of this manual.

Step 3. Designate COMPASS ROSE Agency Administrator

This individual(s) will have the capability to configure the PATHWAYS

COMPASS HMIS system to mirror the services the agency provides. The Administrator will be able to configure/update: Agency info, Custom fields, Funds, Keywords, Programs, Program Profile, Reasons, Referrals, Services, Beds, Admissions, Sites, Assessments, Reservations and Users. This individual will also want to sign up for the Agency Administrator Training that is provided.

Step 4. Set up Programs and Complete Program Profiles

Each Agency will need to complete a Program Profile for each type of program or service that is captured in the COMPASS ROSE system. This profile will allow for better tracking of data and quality control, rendering more effective use of the system as well as quality data needed for HUD reporting.

Agencies should use the following guidelines when setting up programs in HMIS:

• All programs which provide shelter or housing must set up a projects in the HMIS system.

- Separate projects should be set up for emergency shelter, transitional housing, permanent supportive housing, overflow and winter shelter, and vouchers.
- Separate projects should be set up for programs that cross multiple continuum of care. For example, if a project has beds or units in both DeKalb and Gwinnett County, they should set up two separate projects in HMIS – one for the beds in DeKalb County and one for the beds in Gwinnett County.
- If a project has separate beds or units in separate counties but within the same Continuum (i.e. Tri-J or Balance of State), they should contact their Continuum of Care Lead for guidance on whether or not they need to set up separate projects by county.
- Projects cannot be more than one type.
 - If services are provided as part of enrollment in a shelter or housing program, the agency does not have to set up a separate project for these services unless the agency chooses to do so.
- If a service program is required to produce an Annual Progress Report for HUD, they must set up a project in HMIS.

Step 5. Designate who will be authorized system users and their access level

It should be determined who within the Agency will be utilizing the COMPASS ROSE system. For each User, a User Access Checklist (UAC) will need to be completed. The UAC determines each Users access to the Client and Client Visit Menu, the Reports Menu, and the My Agency Menu.

B.2 New User Procedures

Once the agency administrator has designated a user access level and completed the User Access Checklist, the user must complete several key steps in order to gain access to the system.

- 1. Visit <u>Pathways Training</u> to get a listing on the available Confidentiality & Best Practices Trainings.
- 2. Sign up for and attend the Confidentiality & Best Practices Training.
- 3. Sign the attendance roster and pass the Confidentiality & Ethics post-test by 70%.

Step 1. Attend Confidentiality & Best Practices Training

In order to obtain a COMPASS ROSE User ID and password, each user will be required to pass the Confidentiality & Ethics with a score of 70% or above.

This training is offered monthly and the training schedule is posted on the <u>Pathways Training</u> page, where you can also sign up electronically.

In extenuating circumstances a user needs to access the system prior to attending a Confidentiality & Best Practices training. If a user needs access to the system before they are able to attend the Confidentiality & Best Practices training, they can complete a user responsibility that can be obtained from the Support Team or can be accessed at <u>Pathways</u> <u>Training</u> under Forms. However, this method should be the exception and not the rule.

Step 2. Obtaining a Password

Each COMPASS ROSE system user is required to maintain a private password that allows them access to the system. This password is not to be shared with anyone. This password is initially set up when a system user completes the Confidentiality & Best Practices Training with a passing score of 70%. Each subsequent year the system user is required to be recertified (attend another Confidentiality & Best Practices Training).

Within 2-3 business days of completing Confidentiality & Best Practices training, each new user should receive an email with their COMPASS ROSE User Id and temporary password to activate their account. The account becomes activated once the User has logged in with their User Id and created a new password.

Step 3. Logging into COMPASS ROSE

Once you have received via email your user id and temporary password, you have the information to now log in. If you do not receive this information via email, it may be one of the reasons listed below:

- An email address was not provided
- The email address provided may not have been legible
- The system may not have sent it as it should

In any event, if you have not received your login information after 3 days, please contact the Support Team.

If you have received the login information:

- 1. Go to https://pathwayscompass.org/
- 2. In the Instructions box there are three links.
 - a. If you are required to use a registered computer click here.
 - b. If you are not required to register a computer, click here.
 - c. If you need to download the Java Runtime download, click here.

If this is your first time logging on, you will need to click on the link for the Java Runtime Environment download. Follow the prompts. Once you have downloaded the JRE download, you will need to go back to the Instruction box. Unless you have been directed by the Support Team, you will need to follow the instructions for Logging on for a registered computer.

Logging on for a registered computer:

Once you are back at the Instruction box,

1. Click on the first link (If you are required to use a registered computer). The Java coffee like screen will appear. You will then see the login box.

2. Enter your User Id and temporary password you received or were given by the Support Team. The screen will say you are being redirected to a secure site.

3. Click Continue (if necessary) and another login screen will appear.

4. Enter your User Id and Temporary Password again. You will see a message saying your password has expired, please provide a new one. This new password should be 8 to 14 characters and must include at least 1 number. It cannot include your name or the name of your agency.

5. You should now see the Search Page. When you see this page, you have logged in successfully. You will need to remember your password, as Pathways does not store this information.

Logging into a non-registered computer:

In order to have the requirement removed, the Computer Registration Request must be completed and submitted to the Pathways Support/Training Coordinator. On that form a valid business reason must be included as part of your request. Ultimately, your CoC has the right to deny the request (See form in Appendix). If the Request has been granted:

- 1. Go to <u>https://pathwayscompass.org/</u>
- 2. Go to the COMPASS ROSE login link
- 3. In the Instructions box, click on the second link (Not required to log in by a registered computer).
- 4. Enter your User Id and temporary password you received or were given by the Support Team. You will see a message saying your password has expired, please provide a new one. This new password should be 8 to 14 characters and must include at least 1 number. It cannot include your name or the name of your agency.
- 5. You should now see the Search Page. When you see this page, you have logged in successfully. You will need to remember your password, as Pathways does not store this information.

Step 4. Attend New User Training

Each authorized system user should attend a New User Training. In this training the user will learn what are the required HUD Data Elements, and how to: Sign on to the COMPASS ROSE system, Navigate the pages within the system, Search for clients, Work with the Search Results, Verify and modify the authorization status of a client, Perform an Intake Process, Enroll and Discharge a client from a program. Additionally, the User will learn how to work with the following client information records: General, Household, Residential, Client Goals, Client Status Indicators, Financial, Services, and Program.

Section C. Data Entry and Data Quality

C.1 Client Authorization and Intake

Prior to a client's data being entered into the COMPASS ROSE system, every client must read, complete and sign a Client or Family Authorization Form for each agency that provides services to them. The Authorization Forms are available for download from the Reports Menu under "Lists". This form allows the client decide if they wish to have their information entered in to the HMIS database. If the client agrees to have their information entered into the system, they must sign the Client Authorization Form. This Client Authorization Form should reside in the clients file for future verification and auditing purposes.

A Client Authorization Form should be completed for all unaccompanied adults. The Family Consent Form should be used by those parents/guardians with minor children. If there is more than one adult in a family, the second adult should sign their own client authorization form rather than signing the family authorization form. For example, if you have a family of four with two adult and two children, one adult can sign a family authorization for themselves and the children and one adult should sign a client authorization just for themselves.

If the client declines to have their information entered into the COMPASS ROSE system, the client information should not be entered in to COMPASS ROSE. The Client Authorization Form should reflect they declined and the form should be inserted into the client file for future verification and auditing purposes.

Client Opt-Out Form:

The client has the right to revoke their authorization at any time for any reason. If the client wishes to revoke the client authorization, an Opt-Out client form should be completed, signed and dated and inserted into the client file. Additionally, Authorization should be turned off within COMPASS ROSE which will deny any member within the agency to access that client file. The Opt-Out form can be accessed by clicking on List under the Reports menu, then select Blank Forms, and then select the Blank Authorization Opt-Out Form.

Client Authorization Expired:

The Agency HMIS Administrator or Executive Director sets the time period in which a client can be seen by an agency before another authorization form is required to be completed again when the agency first signs up for COMPASS ROSE. This duration can be updated at any time by the Executive Director. If the client authorization duration is not specified, by default the duration will be 1529 days before another authorization is required by a client. Once a client authorization is expired, the agency will have to obtain another signed authorization before they are able to enter additional information into the system.

Client Intake:

This is the process in which a client or potential client will go through a process where information is gathered and entered into the COMPASS ROSE system. Client Intake includes entering new client data or updating information for a client that is already in the COMPASS ROSE system. Any client intake should start with a thorough client search to

make sure the client is not already in Pathways. All efforts should be taken to ensure duplicate records are not created within the COMPASS ROSE system. Conducting a thorough client search at Intake will help reduce the number of duplicates within the system. For further instructions on how to conduct a client search to avoid duplicates, refer to the COMPASS ROSE User Guide.

Each agency should enter and/or update the Universal Data Elements for all household members and Program Specific Data Elements (where required) at intake. Detailed information about these data elements can be found below. Ideally, an agency would input the information into Pathways during the intake, however when paper intake forms are necessary agencies can use their own in-house forms if they collect all required information or can follow the Sample Intake Form available from the Pathways website:

<u>http://www.pathwaystraining.org/#!guides-and-manuals/c5pe</u> - click on the Sample Intake Form.

Care should be taken to make sure that all of a client's information is updated (such as housing status, marital status, household, etc.) at intake if they have an existing record in the system

C.2 Required Data Elements

The September 2014 HUD Data Standards outline three categories of required data elements. Two of these categories are at the client level and the third, Program Descriptor, is at the program level.

The Universal Data Elements section provides information on data elements required to be collected by all projects using an HMIS as part of a CoC implementation. This includes all projects funded by any of the HMIS federal partners and those projects that receive other funding, including those who receive no federal funding.

HUD Universal Data Elements:

The Universal Data Elements are to be collected from all clients served by all homeless assistance programs reporting to the HMIS. The Universal Data Elements section provides information on data elements required to be collected by all projects using an HMIS as part of a CoC Implementation. This includes all projects funded by any of the HMIS federal partners and those that receive other funding, including those who receive no federal funding. The Universal data elements are needed for Continuums of Care (CoC) to understand the basic dynamics of homelessness in their communities and for HUD to meet Congressional direction to: develop unduplicated counts of homeless services users at the local level; describe their characteristics; and identify their use of homeless assistance and mainstream resources.

The Universal data elements are: Name, Social Security Number, Date of Birth, Ethnicity, Race, Gender, Veteran Status, Disabling Condition, Residence Prior to Program Entry, Project Entry Date, Project Exit Date, Destination, Personal ID, Household ID, Relationship to Head of Household, Client Location, Length of Time on Street, in an Emergency Shelter, or Safe Haven.

The COMPASS ROSE system automatically generates the unique person identification number, the project identification number and household identification number data elements.

HUD Program Specific Data Elements:

Program Specific Data Elements as defined in the final Notice, are data elements that are required for programs receiving certain types of funding, but are optional for other programs. Program specific data elements are necessary to complete the Annual Progress Reports (APR's) required by programs.

The program specific data elements that are required for HUD's current APR reporting include: Housing Status, Income and Sources, Non-Cash Benefits, Health Insurance, Physical Disability, Developmental Disability, Chronic Health condition, HIV/AIDS, Mental Health, Substance Abuse, Domestic Violence, Contact, Date of Engagement, Services Provided, Financial Assistance Provided, Referrals Provided, Move –In Date, Housing Assessment Disposition and Housing Assessment at Exit. Some of these elements may be required for certain programs and funding streams.

Program Descriptor Data Elements

These elements are required of all programs in a Continuum of Care and provide descriptive information about an agency and their programs. For more guidance on the HUD data standards:

https://www.hudexchange.info/resources/documents/HMIS-Data-Standards-Manual.pdf

DCA Data Requirements

DCA may request additional data elements of its grantees. If you receive funding from DCA refer to the DCA HMIS Policy and the Housing Support Standards for information about additional data collection requirements. These requirements can be found at: <u>http://www.dca.ga.gov/housing/specialneeds/programs/documents/HMIS_Policy_7-07-09.pdf</u> <u>http://www.dca.ga.gov/housing/specialneeds/programs/HousingSupportStandards.asp</u>

Continuum of Care Data Requirements

Each Continuum of Care may have additional data element requirements. You will need to consult with your CoC to verify what additional data elements may be required. Balance of State Continuum of Care Grantees should follow all DCA HMIS and HSS requirements.

Timelines for Data Entry

Each agency should follow the guidelines set forth by their respective Continua of Care relating to data entry timelines. However, whenever possible, it is best to input the data as soon as possible, in order to maintain the most current support being offered to a client.

DCA and Balance of State Continuum of Care Grantees, data should be entered within one week of intake/enrollment. Clients should be discharged from the HMIS program within one week of their discharge.

When client information is entered, the dates entered for enrollment and discharge should be the ACTUAL dates that an individual entered or left the program, not the date of data entry/update.

C.3 Programs (Enrollment and Discharge)

Program entry and exit dates should be recorded upon any program entry or exit on all participants. Entry dates should record the first day of service or program entry with a new program entry date for each period/episode of service. Exit dates should record the last day of residence in a program's housing before the participant leaves the shelter or the last day a service was provided.

Program Enrollment:

The COMPASS ROSE system includes a program enrollment wizard that allows the user to enroll a client in to one or more programs. The client remains in the program based upon the expected length of stay as determined by the agency administrator. This requires programs to be configured prior to enrolling a client into a program.

Program Discharge:

In order for a client to be discharged from a program, the client must first be enrolled in a program. Once the client has completed or the time has expired for the client to be in the program, such as Emergency Shelter or Transitional Housing, the client should be discharged from the program. Failure to discharge the client on a timely basis will skew the data and will impact the accuracy of reporting, such as the HUD APR Entry Report and the HUD APR Exit Report.

The COMPASS ROSE system includes a discharge wizard which guides the user through the process of collecting HUD-required information when a client leaves a program. Refer to the User Guide for more guidance on discharging a client.

C.4 Updating Data

Care should be taken to make sure that the clients information is updated (such as housing status, marital status, household, etc.) each time the client file is reviewed. At the very minimum, data should be updated at program enrollment, once a year for long term programs, and at program discharge. It is recommended that at every visit by a client, the universal data elements should be verified to ensure the latest information in the client record is complete. Suggested updates that should also occur with each client visit should include: Income, Services Rendered, Housing Status/Residence, Household composition. While there are more suggested data elements, updating information on a client should occur as often as reasonably possible.

C.5 Data Quality and Data Integrity

Reducing Duplicates:

All efforts should be taken to ensure duplicate records are not created within the COMPASS ROSE system. Conducting a thorough client search at Intake will help reduce the number of duplicates within the system. For further instructions on how to conduct a client search to avoid duplicates, refer to the COMPASS ROSE User Guide or click on the Conducting a client search tutorial. If you do create a duplicate, please contact Pathways Support regarding ways to eliminate the duplicate.

Improving data quality

- One of the most effective ways to collect quality data is to make sure your agency develops clear data collection and entry standards that are implemented by all staff members entering data into the COMPASS ROSE HMIS system.
- There should be a shared understanding of purpose and process. Minimally, each staff member should have a document that outlines the data collection process and explains the importance of accurate data and maintaining data quality.
- Establish a Rapport with Consumers. Often people in a vulnerable position of being homeless may give incorrect information intentionally or unintentionally for a host of reasons. Inaccurate information can be minimized by establishing a rapport with the consumer.
- Paper forms should closely resemble the layout of the Intake screens within the COMPASS ROSE system. A sample client intake form in word format is available for download from: <u>http://www.pathwaystraining.org/#!guides-and-manuals/c5pe</u>
- Proofread any hard copy of information that has been entered.
- Periodically review data quality at your agency. Emphasize and communicate any issues with data quality into already scheduled staff meetings.

Section D. Data Ownership, Security and Access

D.1 HMIS Privacy and Security Standards

HUD released HMIS Privacy and Security Standards in the Homeless Management Information System (HMIS) Data and Technical Standards Final Notice on July 30, 2004. The notice presents privacy and system security standards for providers, Continuums of Care and all other entities that use or process HMIS data.

Access the Privacy and System Security Standards from the July 30, 2004 Final Notice at: <u>http://www.hmis.info/Resources/724/Data-Standards-Training-Module-1-Handout-HUD-Data-and-Technical-Standards.aspx</u>

D.2 Agency Privacy and Security Procedures

All agencies must comply with the current HMIS Privacy, Confidentiality, and Security standards issued in the HUD Notice on 7/31/2004. These standards require, but are not limited to: installing virus protection software, with an automatic update on every computer that accesses HMIS; activating a locking screen saver on every computer that accesses HMIS; developing a data privacy policy and notice; posting the agency's privacy notice on its premises and website (if one exists); installing an individual or network firewall; and posting "purpose for data collection" signs at each intake desk. Information on how to develop a privacy policy can be found at:

http://www.dca.ga.gov/housing/specialneeds/programs/downloads/HUDPrivacyPolicyRequirem ents.pdf

For information about how to implement the security procedures required by HUD, please contact your Continuum of Care Representative.

D.3 Pathways Privacy and Security Procedures

Pathways Privacy Policy

Pathways Community Network will not sell or rent personally identifiable information that we collect, and will not collect or share personally identifiable information from visitors or system users without first informing them that information will be collected, whether or not it could be shared, and with whom it might be shared. We will not share any individual's personally identifiable information without that individual's permission.

Log Files: We may use IP addresses to analyze trends, administer the site and gather broad demographic information for aggregate use. IP addresses are not linked to personally identifiable information.

Links: Pathways Community Network web sites contain links to other sites. Please be aware that Pathways is not responsible for the privacy practices of such other sites. We encourage our users to be aware when they leave our site, and to read the privacy statements of each and every web site that collects personally identifiable information. This privacy statement applies solely to information collected by Pathways Community Network's web sites.

News Service: If a user wishes to subscribe to our news service, we require contact information such as name and email address.

Surveys: From time-to-time our site requests information from users via surveys. Participation in these surveys is completely voluntary and the user therefore has a choice whether or not to disclose this information. Information requested may include contact information (such as name and address), and demographic information (such as zip code, age level). Survey information will be used for purposes of monitoring or improving the use and satisfaction of Pathways Community Network's services.

Pathways Security Policy

Pathways Community Network takes every precaution to protect the information of people who use our services. When you submit sensitive information via the COMPASS ROSE application website, your information is protected both online and off-line. When our case management system users are asked to enter sensitive information (such as a social security number) the information is encrypted. While on a secure page, the lock icon on the bottom of web browsers such as Mozilla Firefox and Microsoft Internet Explorer becomes locked, as opposed to unlocked, or open, when you are just 'surfing'. While we use SSL encryption to protect sensitive information online, we also do everything in our power to protect user- information off-line. All of our users' information, not just the sensitive information mentioned above, is restricted in our offices. Only employees who need the information to perform a specific job (for example, a technical support representative) are granted access to personally identifiable information. Furthermore, ALL employees are kept up-to-date on our security and privacy practices. Every quarter, as well as any time new policies are added, our employees are notified and/or reminded about the importance we place on privacy, and what they can do to ensure our customers' information is protected. Finally, the servers that we store personally identifiable information on are kept in a secure environment, in a locked data center.

The use of this system constitutes an express consent to the monitoring of system use and security at all times. If such monitoring reveals possible violations of the law, pertinent information will be provided to law enforcement officials. Any persons using this COMPASS ROSE, or information obtained form this application, without proper authorization or in violation of these policies and procedures may be subject to civil and/or criminal prosecution. Any persons enabling access by an unauthorized individual may also be subject to internal disciplinary actions in addition to civil and/or criminal prosecution.

These policies are applicable to all users (employees, contractors, and others) of agencies, partners and funders and the computer systems, networks, and any other electronic processing or communications and related resources used in conjunction with the COMPASS ROSE HMIS system and/or data obtained through the HMIS system.

Pathways Community Network places highest priority on the security of its systems, and the private information they contain. Pathways, its staff and volunteers continually work to protect data and systems:

1. <u>Confidentiality</u>. Access to client information must be tightly controlled and people with access to confidential information must understand their personal responsibility to maintain its confidentiality.

2. <u>Integrity</u>. Client information must be protected so that it cannot be modified while in transit or storage. Reported data must be accurate.

3. <u>Availability</u>. Systems must be available to users when and where they need them.

If an employee leaves your agency, inform Pathways as soon as possible so that their account can be deactivated.

Information Security Procedures:

All Pathways Community Network employees and volunteers are responsible for protecting the confidentiality and security of Pathways data systems and the human services client information they contain. Information concerning the security related tasks an employee is responsible for are included in the employee's job description. The agency is responsible for ensuring that information that is printed from the COMPASS ROSE is also kept confidential, private and secure.

HIPAA

Pathways Community Network consulted with HIPAA experts at Price Waterhouse Coopers to ensure that its privacy and security features meet or exceed requirements of the Health Information Portability and Accountability Act (HIPAA). COMPASS ROSE was one of the first such systems in the country to fully comply with HIPAA. Agencies that are covered by HIPAA include health care providers, health care plans, or healthcare clearinghouse. These agencies should ensure that they complete the appropriate Business Associate Addendum when they sign their Pathways Contract.

For more information about HIPAA visit the following website: http://www.hhs.gov/ocr/privacy/hipaa/understanding/coveredentities/index.html

D.4 Access to Data

Data Sharing across Providers

The Pathways HMIS gives individual clients complete control over which agencies can view their information. At point of service the client may authorize an agency to access existing information in the HMIS, and to add information about the client to the HMIS. When the client approaches another organization, the authorization process is repeated. This ensures that no agency accesses a client's record without that client's specific permission, and it significantly increases client confidence in the HMIS.

The COMPASS ROSE system allows for data sharing across agencies, but also has color coding to enhance security measures that help to limit data access across agencies.

Color coding within COMPASS ROSE application: Dark Blue Areas: Information accessible for all agencies. Teal Areas: Information only accessible by the recording agency. Red Areas: Information only accessible by the User entering the data within the agency.

"Protected" Information

Protected Agency: Certain agencies that deal substantially with HIV/AIDS, domestic violence, substance abuse, mental illness, or legal services are designated as Protected Class agencies. If your agency is a Protected Class agency, all Client Services Information records (including referrals) are hidden, or protected, from view by any other agency. This includes all Need Information records as well.

Protected Need Codes: If a non-Protected Class agency creates a need record that uses a Protected Need Code, then that record is treated as if the agency that creates it is a Protected Class agency (i.e., protected at the agency level). In addition, if the record is a referral to a Protected Class agency, then it is visible only to the creating user (i.e., protected at the user level).

Access to Data for Monitoring

Department of Community Affairs, as the lead HMIS agency, and your Continuum of Care representative will have access to your agency's data for monitoring purposes and aggregate reporting purposes. All staff at DCA and the Continuum of Care who have access to data will undergo Confidentiality and Ethics training as well as additional Community Administrator Training. Other funders may have access to your data for monitoring purposes based on their funding agreement with your agency.

Unauthorized Access to the COMPASS ROSE system:

Any user accessing the COMPASS ROSE system must be affiliated with an active member agency. Additionally, each system user must attend the required Confidentiality & Ethics Training or have completed a User Responsibility Form in order to be given a User Id and Password. Unauthorized access is prohibited and are grounds for legal action.

D.5 Client Grievances

Grievance Procedure:

- A client has the right to appeal his or her individual complaints related to their HMIS data to the entering agency in accordance with the agency's established grievance policy.

- Complaints about the conduct or practice of HMIS may be filed in writing to the Executive Director of Pathways or to the Project Manager at the Department of Community Affairs.

- Agencies are responsible for establishing an internal grievance process to handle client complaints and grievances related to consent and release of information related to the HMIS system.

If a client has a grievance regarding erroneous data entry or inappropriate use of their data, they will need to follow the agency's established guidelines, standard operating procedures or protocol on resolving these issues.

Revoking Authorization:

The client has the right to revoke their authorization at any time for any reason. If the client wishes to revoke the client authorization, an Opt-Out client form should be completed, signed and dated and inserted into the client file. Additionally, Authorization should be turned off within COMPASS ROSE which now would deny any member within the agency to access that client file.

Section E. Reporting

E.1 Introduction to Pathways Reporting

COMPASS ROSE is a Community Information Sharing System for HMIS. The easiest and most accessible way to share this information is through the COMPASS Reports. The reporting module provides quick intuitive on demand reporting, analysis and data export for sharing the information stored in your HMIS.

Reports were designed to help you

- Make better decisions that support the success of your organization
- Know and understand your clients (What is working)
- Tap into and analyze data
- Help manage your organization and resources
- Produce accurate and up to date counts
- Monitor Agency Performance

The reports can provide users a variety of options for printing and sharing their HMIS information. An abundance of standard reports and data exports can be accessed by any user that has access rights.

Your HMIS administrator controls access to different reports for each user. You should contact them if you would like access to the reports available in COMPASS.

All reports depend on the quality of information captured during data entry. Complete and accurate data is crucial for accurate reporting. Accurate reports, in turn help with funding, grant writing, staffing, tracking services and forecasting.

Report Formats

For most all of your report requirements COMPASS ROSE provides an easy to use menu system where users can generate reports one of two formats – **PDF or HTML**.

HTML displays reports very quickly on the screen and does not require any additional software. These reports are not formatted to print on paper.

PDF (Portable Document Format) requires that <u>Adobe Acrobat Reader</u> (or any software that can display PDF documents) be installed on your computer. It may also take a little more time to display on your screen.

PDF display is easier to read and scroll through online, and easier to print on paper. In addition, <u>Adobe Acrobat Reader</u> adds the capability to search the report online for words or phrases. The reports can also be saved and transmitted by email.

Report Filters

Filters and Parameters are the mechanism COMPASS ROSE uses to customize the standard on demand reports for your organization's particular requirements. Filters allow you to narrow the scope of data that meets the conditions of the filter.

Filters may be as simple as entering a Begin and End Date or as specific as program type or demographic. To simplify the use of filters in statistical reports many of the reports ask you if you want to apply filter conditions. If you answer YES, a list of available filters appear. This will then generate a report based on the filters you specify.

COMPASS ROSE has incorporated into the Statistical Standard Reports the ability to filter a report by Need Code, Outcome, Homeless Status, Chronically Homeless Status, Referral Status, Disbursement, Reservation and Area (by County, City or Zip Code). Other reports may have different filter capabilities.

E.2 Reporting Categories

With the large number of reports available in COMPASS ROSE, these reports have been organized by Categories of User, Function and Type. These reports have been organized in the Reports module by Category to help simplify the selection of Reports. These organization categories are briefly described below: (see Online Reports Manual available at: <u>http://www.pathwaystraining.org/#!guides-and-manuals/c5pe</u>

List Reports - These reports includes agency lists by Code and Name and blank forms like Barriers to Housing Stability Assessment, Authorizations, Opt-Out, and Privacy Practice.

Summary Reports – These reports include detailed client level data on key areas such as Programs, Services, Authorizations and Custom Fields.

Funds Reports – These reports provide disbursement details and totals by Fund or Need.

Statistical Reports – These reports provide statistical data (numerical) with no client level identification.

Agency Reports – These reports are customized based upon specific request from an agency. There is generally a fee associated with these reports.

Data Exports – These reports are the raw data that has been entered into the system. These reports are in the .csv format and shown in Excel and allows for some modification to content and format.

E.3 Commonly Required Reports

ESGP-This report provides data on services received. This report can be filtered at the program level allowing for reporting of services at the program level.

APR- This report provides information on a subset of clients enrolled in a program. This report provides the demographic information, program enrollments and program discharges for clients that receive homelessness assistance funding.

E.4 Advanced Use of Report Tools

Using Reports to Monitor Data Quality

System Utilization Report- This report provides overall information on the agencies system utilization by a specified date range. This report includes data for Authorizations, Services, Program enrollments and discharges, bed utilization, etc...

Alerts – These reports are located in across several report categories and are targeted on those client records where there is incomplete information. These reports include Alerts for Currently Authorized Clients and Alerts for Clients in Programs.

Using Data Exports

It would be difficult to anticipate and format all of the reports required by HMIS users. Therefore COMPASS ROSE provides an Export utility to deliver unformatted data that can be downloaded to your local system and imported into different database reporting systems. Some of the exports available for download are Basic Client Demographics, Finance, Household, Housing Status, Education, Goals, System Utilization, Programs and Bed Counts, and much more.

The COMPASS ROSE Data Export feature creates a CSV format data file for download to your local computer which contain information about client demographics and transactions. Such a file can then be downloaded to your local computer and imported into a spreadsheet or database application. Once the information is in your local application, it can be processed, viewed, printed, etc. according to the needs of your agency.

Comma Separated Values (CSV) is a format for a data file that is commonly used to transfer information from one computer system to another. Practically every major spreadsheet and database application can import and work with data that is formatted this way.

The most commonly used Reporting software is Microsoft Excel which allows user to import their COMPASS ROSE Data directly from the CSV Export File. Excel features common spreadsheet tasks like sorting on fields, filtering, grouping, calculation functions as well as creating Charts and Graphs for data visualization. Microsoft Access is another common database application that can read your COMPASS Exported data. Access provides tools for working with your database, creating views and formatted reports.

Advanced Reporting Solutions

Oracle SQL Developer is a free *and fully supported* graphical tool for database development. With SQL Developer, you can browse database objects, run SQL statements and SQL scripts, and edit and debug PL/SQL statements. You can also run any number of provided reports, as well as create and save your own. SQL Developer enhances productivity and simplifies your database development tasks.

Other Report Writing Tools are available to create custom reports, charts and data visualization from COMPASS ROSE exports. These database, spreadsheet and report writing tools include but are not limited to Microsoft Excel, Microsoft Access, FileMaker, ESRI ArcGIS and ODBC.

Section F. System Support, Training and Technical Assistance

F.1 Training

Pathways provides training via classroom, web cast and on-site. All Pathways training, locations, dates and times are listed on <u>http://www.pathwaystraining.org/</u>. Each user can register for the training most conducive to their learning style. The most common training courses are described below.

Course	Required ?	Objectives	Prerequisites
Confidentiality & Ethics Training	Yes	Explain what guides a Human Services Professional, explain the HIPAA Federal Mandates, explain State of Georgia Reporting Requirements, and additional mandated reporting requirements.	Ability to use a computer, including the use of a mouse and keyboard and a basic understanding of the Windows operating system. The ability to navigate the Internet, including the use of a browser and the ability to recognize and choose a link.
New Users Training	Yes	Process and Update a client record, which may include: Conduct a client search, working with the General Page, residence page, household page, income page, service page, client enrollment and discharge from a program(s). Additionally, users will learn what data that must be entered to run ESG, CDBG, and HUD APR reports.	The ability to use a computer, including the use of a mouse and keyboard and a basic understanding of the Windows operating system. The ability to navigate the Internet, including the use of a browser and the ability to recognize and choose a link.
Reports Training	No	Identify the category and the reports that are under each category Describe what data drives what reports Run a report, including: Enter parameters, display a pdf report, use Adobe Acrobat Reader to view the report online, and print a report. Additionally, some of the most common reports will be discussed.	User must take Confidentiality & Best Practices, New Users Training, and must have access to Reports Menu.

In addition to these primary training courses, there are often project specific or topic specific trainings available including but not limited to HPRP, Program Profile, Housing Support Standards, and System Utilization Report. For a full list of training opportunities, see: http://www.pathwaystraining.org/

To assess the various trainings for HMIS, visit <u>http://www.pathwaystraining.org/</u>, and select Training Schedule. You can register online, by email at <u>support@pcni.org</u> or by phone at: 404-866-1032 option 2.

F.2 Technical Assistance

Technical Assistance Prerequisites:

- 1. Attend Confidentiality & Ethics training, pass with 70% or greater
- 2. Attend User Training
- 3. Attend Reports Training (where applicable)
- 4. Attend Agency Administration Training (where applicable)
- 5. Entering data into COMPASS ROSE system
- 6. Basic knowledge of computer, use of browser, and mouse, navigate to various pages.

Technical Assistance Process:

The Technical Assistance/Training Specialist will work with an Agency to help them achieve HMIS compliance on the COMPASS ROSE system. The proper personnel should be in attendance to make sure each user within the agency follows the same protocols and procedures needed to ensure good data quality. The outline below will serve as a guideline. Additional assistance, will be evaluated on a case by case basis.

Technical Assistance Visit:

Who should attend: All personnel that will be entering data into COMPASS ROSE. The TA

will:

- Assess the agency's intake process and offer recommendations where necessary.
- Ensure that the agency is capturing the required data so they are in compliance.
- Reinforce and clarify concepts learned from the User Training.
- Utilize the Pre-Onsite Assessment Form to verify the agency configurations are setup to capture the required data for reports such as: ESG, CDBG, HUD APR and any other funder requirements.
- Discuss optional configurations that may be addressed in the visit or may be discussed on a subsequent visit.

For more information on requesting a TA, contact the Support Team at <u>support@pcni.org</u> or by phone at 404-639-9933 option 2. Note: It is the expectation that the agency will be utilizing the system prior to their scheduled TA visit.

F.3 Online Resources

The following online documents can be found at <u>Online resources</u> under Forms, Documents and Videos:

User Access Checklist

User Responsibility Statement

General Service Agreement - *The main agreement between your organization and Pathways*

Business Associate Addendum - A data sharing agreement required under the federal Health Insurance Portability and Accountability Act (HIPAA)

Business Associate Requirement Waiver Form - For organizations not required to comply with HIPAA regulations

New Agency Form - Complete this form and send it to the Pathways Support Team so they can create or update your organization's system accounts.

Referral Only Agency Form - Complete this form and send it to the Pathways Support Team so they can add to a list of agencies that your agency can use to record client referrals. This form is not required.

COMPASS ROSE User Guide - *Step-by-step procedures for all of the end-user COMPASS ROSE system functions, including logging in, searching, intake, building households, program enrollment and discharge, and recording services.* **HUD Data Elements Guide** - *This job aid describes the data elements required in the COMPASS HMIS for the HUD Annual Performance Report (APR) and gives instructions on entering them and running the COMPASS ROSE reports that relate to the APR.* **COMPASS ROSE Reports User Guide** - *How to display and print reports, plus a complete description of all the standard reports that come with the system. This includes the Data Export feature.*

COMPASS ROSE Administration Guide - *The procedures needed to create configurations to ensure the required data is captured and maintain information about your agency's profile, display information, programs, funds, end-users, and more!*

In addition, Quick Reference "How To" Guides available:

Program & Service: This Quick Reference Guide contains instructions to: a) enroll a client in a program and record a service for that client in one transaction; b) discharge a client from one or more programs.

Sample Client Intake Form: This sample form can be used as a starting point for agencies to use when creating their own Client Intake form. Download this form and then modify it to suit your agency's needs.

COMPASS ROSE Quick Reference Card: The QRC contains information such as how to log into the COMPASS ROSE system, check training class schedules, and contact the Support Team.

F.4 Reporting System Issues

Pathways provides several ways in which to report system outage, problems, or questions. Users can communicate with the Support Team by:

Email: <u>support@pcni.org</u> Phone: 404-639-9933 option 2 (local)

Any request or system problems should be submitted to the Support Team. Phone requests are discouraged as it does not provide adequate documentation of who, when, where, what and other specifics that are needed to maintain an accurate listing of all support queues.

Process for minor quick system errors:

1) System errors that are reported to the Support Team are tested to confirm it is a system error

2) The error is discussed with the Development Team for a timeline for completion

3) The Development Team fixes and then sends to QA for testing

4) Client is notified

Process for major system errors:

1) System errors that are reported to the Support Team are tested to confirm it is a system error

- 2) The error is discussed with the Development Team for a timeline for completion
- 4) A resource is assigned to work on the error
- 5) The Development Team interacts with Support to ensure the details are correct
- 6) The Development Team fixes and then sends to QA for testing
- 7) Client is notified

Please keep in mind that other priorities and impact of the system error will be taken into consideration when determining the timeline for addressing system errors.

F.5 Requesting Enhancements

An enhancement to the system includes an additional data element, report, or function that was not previously in the system. Enhancements do not include fixing an existing function of the system. System errors should be communicated directly to Pathways Support. If Pathways Support determines the request is an enhancement rather than a System Error, they will communicate this to the requestor who should then follow enhancement request protocol.

If an agency would like to request an enhancement to the system, they should communicate this request to the HMIS representative for their continuum of care directly or through the advisory/user group. Continuum of Care HMIS contacts can be found on page 6 of this manual.

Once the continuum of care HMIS representative has determined that the request is a priority for the continuum, they will communicate this request to the DCA HMIS Project Manager. The project manager will then compile all requested enhancements for discussion at the steering committee meeting. All GA HMIS enhancements will be approved by the steering committee and/or project manager before placement in the GA HMIS development pipeline.

Section G. Monitoring

G.1 Data Monitoring

Each continuum of care or funder may have individual monitoring procedures. For specific information on monitoring, agencies should contact their funder or continuum of care representative.

If your agency receives DCA funding, agency utilization of the system is monitored on a quarterly basis in addition to being monitored during on-site visits. For more information about DCA monitoring, contact Tina Moore at tina.moore@dca.ga.gov. Information defining common DCA data concerns and providing information about how to correct them is available at:

http://www.dca.ga.gov/housing/SpecialNeeds/programs/documents/HMIS_Monitoring_Correction_Guidance_Q4.pdf

There are multiple ways in which an agency can monitor their own data quality and completeness in order to prevent any data concerns during monitoring. These include running the system utilization report and checking the program roster on a regular basis. For more information on the system utilization report, see the Reports User Guide at: http://www.pathwaystraining.org/#!guides-and-manuals/c5pe

G.2 Privacy and Security Monitoring

Security Audits will be conducted periodically by Pathways Staff in pursuant to the baseline standards defined in the HUD 2004 Data and Technical Standards. <u>https://www.hudexchange.info/resource/1318/2004-hmis-data-and-technical-standards-final-notice/</u>

These Security Audits will focus on the following areas: Physical Access to Systems with Access to HMIS Data Disaster Protection and Recovery Disposal System Monitoring User Authentication Electronic Data Submission Electronic Data Storage Security Privacy Standards

Contact Pathways Support for a template of the Pathways Agency's Security and Privacy Policy Audit.

DCA and other funders may also monitor during on-site visits to ensure that the agency is following the key privacy and security standards.

C. RECEIPT OF APPLICATION FOR ADMISSION and TENANT SELECTION

It is the policy of the MHA to fully implement the rental choice provisions of QHWRA (flat rents) to ensure that the market-based rents of the lowest income developments reflect the actual value of such units. This will enable such developments to compete more effectively with internal and external competition for the working poor. This policy is also intended to ameliorate disincentives to employment and encourage existing residents to increase their incomes.

C.6.0 APPLICATION SELECTION AND ASSIGNMENT PLAN

Admissions Preference Guidelines and Application Ranking

1. APPLICATION RANKING (Rev. 2012)

The MHA at its sole discretion hereby adopts the following admission preference to be effective April 1, 2012. Applications will be filed first by unit size and then by unit type required (regular, elderly, or handicapped).

Applications will be deemed ineligible for a preference if a family does not qualify under the following definitions, and/or any family member is found to owe MHA a debt from a prior tenancy, either in public housing or Section 8 or is on the MHA Barred List.

Within each category of unit size and type, the order of preference to select applications is as follows:

a. <u>First Preference</u>

i. Applicant families whose head or spouse is otherwise eligible, and who qualify as elderly, handicapped or disabled families, as defined in 24 CFR 5.603, and are receiving Social Security or SSI benefits as a result of their inability to work..

b. <u>Second Preference</u>

- i. Applicant families whose head or spouse is otherwise eligible, who are employed and have been employed for 120 days or more and are working an average of 15 hours per week as of the date of the application. "Employed" is defined as continuously working for monetary compensation with no break of 30 days or more between jobs. Employment includes Self-Employment outside of the home only.
- ii. Applicant families otherwise eligible, whose head or spouse is currently receiving retirement benefits or disability payments (other than SS or SSI); e.g., Pension from employment, RR Retirement, Civil Service Pension, VA Benefits, Family Medical Leave (FMLA) payments, Workmen's Compensation, or other such benefits.
- c. <u>Third Preference</u>
 - i. Applicant families whose head or spouse is otherwise eligible, who are currently receiving other types of income; e.g., TANF, Child Support, Alimony, Regular Contributions and Gifts, SSI/SSA for children, working less than 120 days, or other types of income.
- d. <u>Fourth Preference</u>
 - i. All other families.

2. HOMELESS PRIORITY WITHIN EACH PREFERENCE

a. Applicants, otherwise eligible, who meet the definition of homeless. "Homeless" is defined as any individual or family who:

- i. Lacks a fixed, regular and adequate nighttime residence, AND
- ii. Is living in a homeless shelter (or other temporary housing provided by an agency serving the homeless) that is controlled in whole by an agency that has a current Memorandum of Understanding on file with the MHA. An applicant family must also be referred by such agency. Referrals in this regard must be accompanied by an official certification by the referring agency as to the homeless status of the applicant.
- b. This priority cannot be claimed by:
 - i. An individual or family who is residing with relatives
 - ii. An individual or family who has created a homeless situation for the sole purpose of obtaining the priority. Creating a homeless situation includes, but is not limited to: (1) purposely setting fire to existing shelter, (2) being evicted from a rental unit for violation of the lease, or (3) voluntarily moving from an otherwise suitable unit.

Within each preference, applications will be ranked by priority along with the date and time of application as described in Section C.7.0.2 of this policy.

None of the above preferences create a property right, actual or implied, for applicant families. The burden to provide verification for any preference claimed rests solely on the applicant family. Failure to provide verification will result in denial of claimed preference.

If MHA determines that an individual or family does not qualify for a claimed preference, MHA will follow the procedures found in Section C.7.0.5 of this policy, "Grounds for Denial of Preference".

Chapter 4

ESTABLISHING PREFERENCES AND MAINTAINING MHA's WAITING LIST

[24 CFR Part 5, Subpart D; 982.54(d)(1); 982.204, 982.205, 982.206]

INTRODUCTION

It is MHA's objective to ensure that families are placed in the proper order on the waiting list and selected from the waiting list for admissions in accordance with the policies in this Administrative Plan.

This chapter explains the three local preferences which MHA has adopted to meet local housing needs, defines the eligibility criteria for the preferences and explains MHA's system of applying them. Placement on the waiting list in no way guarantees acceptance to the Section 8 program. MHA reserves the right to remove any individual or family from the waiting list for supplying false information, or not supplying MHA with requested information.

By maintaining an accurate waiting list, MHA will be able to perform the activities which ensure that an adequate pool of qualified applicants will be available so that program funds are used in a timely manner.

A. WAITING LIST [24 CFR 982.204]

MHA uses a single waiting list for admission to its Section 8 tenant-based assistance program.

Except for special admissions, applicants will be selected from the MHA waiting list in accordance with policies and preferences and income targeting requirements defined in this chapter.

The waiting list contains the following information for each applicant listed as listed on each preapplication:

- 1. Applicant name
- 2. Family unit size (number of bedrooms family qualifies for under MHA subsidy standards)
- 3. Date and time of application
- 4. Qualification for any local preference
- 5. Racial or ethnic designation of the head of household, for demographic research purposes only
- 6. Annual (gross) family income
- 7. Number of persons in family
- 8. Any other information which MHA or HUD may require from time to time

MHA reserves the right to stop application-taking at any time. The existence of a waiting list does not guarantee placement on the list. Placement on the waiting list only occurs when MHA opens the

MACON GA PHA Public Housing and HCV Preference Excerpts

waiting list for application-taking. MHA opens the list at its discretion when it is estimated that additional applications can be processed in a timely manner, generally within the next eighteen months to two years.

B. SPECIAL ADMISSIONS [24 CFR 982.203]

Special admissions families will be admitted outside of the regular waiting list process. They do not have to qualify for any preferences, nor are they required to be on the program waiting list. MHA maintains separate records of these admissions.

These types of admissions only occur when HUD awards MHA special funding that is targeted to specific families for specific reasons. Additionally meeting the following criteria for special admissions does not guarantee admission to the Section 8 program. Special admission applicants must otherwise qualify for admission to the program. Some examples of special admissions include:

- 1. A family displaced because of demolition or disposition of a public or Indian housing project as outlined in the Displacement Preference Policy;
- 2. A family residing in a multifamily rental housing project when HUD sells, forecloses or demolishes the project as outlined in the Displacement Preference Policy;
- 3. For housing covered by the Low Income Housing Preservation and Resident Homeownership Act of 1990;
- 4. A family residing in a project covered by a project-based Section 8 HAP contract at or near the end of the HAP contract term; and
- 5. A non-purchasing family residing in a HOPE 1 or HOPE 2 project.

Additionally, the HUD office of the Inspector General and/or the U.S. Attorney's Office from time to time, contacts MHA wanting to house families or individuals under the Witness Protection Program. In these types of situations, MHA will at its discretion enter into an agreement with the Inspector General's Office or the U.S. Attorney's Office to house individuals who must otherwise qualify for Section 8. The HUD Inspector General may waive other provisions under this and HUD policy as it deems necessary to accomplish its purposes.

C. LOCAL PREFERENCES [24 CFR 982.207]

MHA has three local (not to be confused with any Federal definitions) preferences:

- 1. Homeless Preference
- 2. Displacement Preference
- 3. Disabled Preference

D. HOMELESS PREFERENCE

1. For purposes of this policy, a homeless family lacks a fixed, regular and adequate night time residence; AND

MACON GA PHA Public Housing and HCV Preference Excerpts

2. Has a primary night time residence that is a supervised public or private shelter providing temporary accommodations (including welfare hotels, congregate shelters and transitional housing), or an institution providing temporary residence for individuals intended to be institutionalized, or a public or private place not ordinarily used as a sleeping accommodation for human beings.

Memoranda of Understanding:

All individuals or families who claim a homeless preference must present a letter from an agency that has a memorandum of understanding with MHA to certify that the particular individuals or families are homeless with respect to the above definition. Memoranda of understanding are currently on file with the following agencies:

- 1. Bibb County Department of Family & Children's Services
- 2. Macon-Bibb County Economic Opportunity Council, Inc.
- 3. Macon Rescue Mission, Elderly Division
- 4. Macon Rescue Mission, Women's Division
- 5. Macon Outreach

MHA reserves the right to add or remove agencies from this list at any time. MHA retains the sole right to determine whether an applicant meets the criteria for the homeless preference and may consider any other available information in making this determination.

E. <u>DISPLACEMENT PREFERENCE</u>:

From time to time, there is a need for low-income families to obtain a Section 8 voucher because their current place of residence (either a unit rented or owned by a low-income individual or family), is being considered for purchase to be demolished by an agency of the United States or by any state or local governmental body or agency, including the Macon Housing Authority (MHA), for the purpose of developing a public improvement program. When this occurs, MHA may offer assistance through the Section 8 rental assistance program in accordance with this policy.

POLICY:

1. At its sole discretion, MHA may enter into a memorandum of understanding, contract, or other type of agreement with Federal, state or local governments or agencies who are in the process of purchasing and disposing of homes or rental units for the purpose of developing public improvement programs.

When an agreement is reached between MHA and an appropriate agency, MHA will give preference to those families or individuals who are or will be affected by displacement action imposed by that Federal, state or local government or agency.

a) "Displacement" means that a low-income individual or family will not have a suitable place of residence to reside in if action is taken to acquire and/or demolish their home or rental unit.

- b) "Preference" means that an individual or a family, who is or will be affected by displacement action, will be given the opportunity to apply for a Section 8 voucher without having to be placed on the regular Section 8 waiting list and will receive a higher raking than others on the waiting list, regardless of date of application. Among families equally qualified under this preference, those with the earliest date and time of application will normally be selected first, but MHA reserves the right to coordinate the actual issuance of vouchers to meet the scheduling needs of the cooperating agency, or for other business reasons.
- 2. If the individual or family is determined to be eligible, and has provided proper certification that displacement will occur, the individual or family will be issued a voucher to find Section 8 housing. The family or individual may also be issued a voucher to find Section 8 housing because of MHA initiated displacement.
 - a) "Eligible" means that an individual or family meets all the requirements found at CFR 982.201, Subpart E, and any other requirements as specified in the MHA Administrative Plan and memorandum of understanding, contract or agreement between MHA and the entity engaging in action which will displace a low-income family. Also, to be eligible, a low-income individual or family must provide proper certification that they will be displaced. MHA retains the sole right to determine eligibility.
 - b) "Proper Certification" means that the low income individual or family must obtain a letter, with such supporting documentation as MHA may require, from the agency with which MHA has entered into a signed agreement. The letter must include a statement that the low-income individual or family will be displaced because of the actions undertaken by the agency. The letter must also include a recommendation that the individual or family receive the displacement preference. MHA retains the sole right to determine the adequacy of the certification.
 - c) "MHA Initiated Displacement" means that MHA may cause displacement of Section 8 eligible families as a result of its own housing or redevelopment programs. In such cases, MHA shall document the displacement and determine eligibility at the outset of the project on an individual basis in the same manner as with an outside agency.
- 3. If a low income individual or family is approved for Section 8 rental assistance, the individual or family will be required to adhere to all Federal regulations and MHA policy pertaining to Section 8 continued occupancy.
- 4. Nothing in this policy creates a property right for any individual or family to receive the displacement preference. Additionally, this policy does not create a right for any governmental body or agency to enter into a memorandum of understanding, agreement or contract with MHA to provide the displacement preference.
- 5. When a need has been identified, MHA will develop an agreement which will include specific time limits, eligibility requirements, and any other lawful requirements which must be met before MHA will allow a low-income individual or family who is being displaced to apply for Section 8 assistance and receive a displacement preference.

CHAPTER 4 ESTABLISHING PREFERENCES AND MAINTAINING THE WAITING LIST [24 CFR Part 5, Subpart D; 982.54(d)(1); 982.204, 982.205, 982.206]

A. INTRODUCTION

It is NWGHA's objective to ensure that families are placed in the proper order on the waiting list and selected from the waiting list for admissions in accordance with the policies in this Administrative Plan.

This chapter explains the local preferences which NWGHA has adopted to meet local housing needs, defines the eligibility criteria for the preferences and explains NWGHA's system of applying them.

By maintaining an accurate waiting list, NWGHA will be able to perform the activities, which ensure that an adequate pool of qualified applicants will be available so that program funds are used in a timely manner.

B. WAITING LIST [24 CFR 982.204]

NWGHA uses a single waiting list for admission to its Housing Choice Voucher tenantbased assistance program. This list is maintained separately from Public Housing.

Except for Special Admissions, applicants will be selected from the NWGHA waiting list in accordance with policies and preferences and income targeting requirements defined in this Administrative Plan.

NWGHA will maintain information that permits proper selection from the waiting list.

The waiting list contains the following information for each applicant listed:

- Applicant name
- Family unit size (number of bedrooms family qualifies for under NWGHA subsidy standards)
- Date and time of application
- Qualification for any local preference
- Racial or ethnic designation of the head of household
- Number of persons in family
- Singles preference status
- Targeted program qualifications

C. SPECIAL ADMISSIONS [24 CFR 982.54(d)(e), 982.203]

If HUD awards NWGHA program funding that is targeted for specifically named families, NWGHA will admit these families under a Special Admission procedure.

Special admissions families will be admitted outside of the regular waiting list process. They do not have to qualify for any preferences, nor are they required to be on the program waiting list. NWGHA maintains separate records of these admissions.

The following are examples of types of program funding that may be designated by HUD for families living in a specified unit:

- A family displaced because of demolition or disposition of a public or Indian housing project
- A family residing in a multifamily rental housing project when HUD sells, forecloses or demolishes the project
- For housing covered by the Low Income Housing Preservation and Resident Homeownership Act of 1990
- A family residing in a project covered by a project-based Housing Choice Voucher HAP contract at or near the end of the HAP contract term, and
- A non-purchasing family residing in a HOPE 1 or HOPE 2 project

Applicants, who are admitted under Special Admissions, rather than from the waiting list, are not maintained on separate lists.

D. WAITING LIST PREFERENCES [24 CFR 982.207]

An applicant will not be granted any local preference if any member of the family has been evicted from housing assisted under a 1937 Housing Act program during the past five (5) years because of drug-related criminal activity.

NWGHA will grant an exception to such a family if the responsible member has successfully completed a rehabilitation program.

If an applicant makes a false statement in order to qualify for a local preference, NWGHA will deny admission to the program for the family.

E. LOCAL PREFERENCES [24 CFR 982.207]

Individuals who qualify for local preference will be organized based on date and time of receipt of a completed application.

NWGHA uses the following local preference system:

Working preference. Families with at least one adult who is employed at least twenty (20) hours per week or who are active participants in accredited educational and training programs designed to prepare the individual for the job market and paying more than 30% of adjusted income toward rent and utilities. This preference is automatically extended to elderly families or a family whose head or spouse is receiving income based on their inability to work.

Victims of domestic violence. NWGHA will offer a local preference to families that have been subjected to or victimized by a member of the family or household within the past year. NWGHA will require evidence that the family has been displaced as a result of fleeing violence in the home. Families are also eligible for this preference if there is proof that the family is currently living in a situation where they are being subjected to or victimized by violence in the home. The following criteria are used to establish a family's eligibility for this preference:

- Actual or threatened physical violence directed against the applicant or the applicant's family by a spouse or other household member who lives in the unit with the family.
- The actual or threatened violence must have occurred within the past ninety (90) days or be of a continuing nature.
- An applicant who lives in a violent neighborhood or is fearful of other violence outside the household is not considered involuntarily displaced.
- To qualify for this preference, the abuser must still reside in the unit from which the victim was displaced. The applicant must certify that the abuser will not reside with the applicant unless NWGHA gives prior written approval.

NWGHA will approve the return of the abuser to the household under the following conditions:

- NWGHA verifies that the abuser has received therapy or counseling that appears to minimize the likelihood of recurrence of violent behavior.
- A counselor, therapist or other appropriate professional recommends in writing that the individual be allowed to reside with the family.
- If the abuser returns to the family without approval of NWGHA, NWGHA will deny or terminate assistance for breach of the certification.

At the family's request, NWGHA will take precautions to ensure that the new location of the family is concealed in cases of domestic abuse.

Target Population Preference People with severe, chronic development disabilities who currently live in institutions or are at serious risk of institutionalization; people with serious, persistent mental illness who reside in state hospitals, are at serious risk of institutionalization, or are chronically homeless due to their disabilities, and persons qualifying for participation in Money Follows the Person program.

Involuntary Displacement. Involuntarily displaced applicants are applicants who have been involuntarily displaced and are not living in standard, permanent replacement housing, or will be involuntarily displaced within no more than six months from the date of verification by NWGHA

Families are considered to be involuntarily displaced if they are required to vacate housing as a result of:

- 1. A disaster (fire, flood, earthquake, etc.) that has caused the unit to be uninhabitable.
- 2. Federal, state or local government action related to code enforcement, public improvement or development.
- 3. Action by a housing owner which is beyond an applicant's ability to control, and which occurs despite the applicant's having met all previous conditions of occupancy, and is other than a rent increase.

If the owner is an immediate family relative and there has been no previous rental agreement and the applicant has been part of the owner's family immediately prior to application, the applicant will not be considered involuntarily displaced.

Northwest GA Housing Authority

For purposes of this definitional element, reasons for an applicant having to vacate a housing unit include, but are not limited to:

- Conversion of an applicant's housing unit to non-rental or non-residential use;
- Closure of an applicant's housing unit for rehabilitation or non-residential use;
- Notice to an applicant that s/he must vacate a unit because the owner wants the unit for the owner's personal or family use or occupancy;
- Sale of a housing unit in which an applicant resides under an agreement that the unit must be vacant when possession is transferred; or
- Any other legally authorized act that results, or will result, in the withdrawal by the owner of the unit or structure from the rental market.
- 4. To avoid reprisals because the family provided information on criminal activities to a law enforcement agency and, after a threat assessment, the law enforcement agency recommends re-housing the family to avoid or reduce risk of violence against the family.
- 5. NWGHA will take precautions to ensure that the new location of the family is concealed in cases of witness protection.
- 6. By hate crimes if a member of the family has been the victim of one or more hate crimes, and the applicant has vacated the unit because of the crime or the fear of such a crime has destroyed the applicant's peaceful enjoyment of the unit.
- 7. A hate crime is actual or threatened physical violence or intimidation that is directed against a person or his property and is based on the person's race, color, religion, sex, national origin, disability or familial status [including sexual orientation] and occurred within the last ninety (90) days or is of a continuing nature.
- 8. Displacement by non-suitability of the unit when a member of the family has a mobility or other impairment that makes the person unable to use critical elements of the unit and the owner is not legally obligated to make changes to the unit. Critical elements are:
 - Entry and egress of unit and building
 - A sleeping area,
 - A full bathroom,
 - A kitchen if the person with a disability must do his or her own food preparation/other.
- 9. Due to HUD disposition of a multifamily project under Section 203 of the Housing and Community Development Amendments of 1978.

Homeless

- 1. Individuals and families who lack a fixed, regular and adequate night-time residence and includes a subset of an individual who resided in an emergency shelter or a place not meant for human habitation and who is exiting an institution where he or she temporarily resided.
- 2. Individuals and families who will imminently lose their primary nighttime residence.
- 3. Unaccompanied youth and families with children and youth who are defined as homeless under other federal statues who do not otherwise qualify as homeless under this definition. "Youth" is defined as less than 25 years of age.

4. Individuals and families who are fleeing, or are attempting to flee, domestic violence, dating violence, sexual assault, stalking and other dangerous or life-threatening conditions that relate to violence against the individual or a family member. Third party documentation is required.

Substandard Housing. Applicants who live in substandard housing are families whose dwelling meets one or more of the following criteria provided that the family did not cause the condition:

- Is dilapidated, as cited by officials of local code enforcement office and does not provide safe, adequate shelter; has one or more critical defects or a combination of defects requiring considerable repair; endangers the health, safety, and well-being of family.
- Does not have operable indoor plumbing.
- Does not have usable flush toilet in the unit for the exclusive use of the family.
- Does not have usable bathtub or shower in unit for exclusive family use.
- Does not have adequate, safe electrical service.
- Does not have an adequate, safe source of heat.
- Should, but does not, have a kitchen. (Single Room Occupancy (SRO) Housing is <u>not</u> substandard solely because it does not contain sanitary and/or food preparation facilities in the unit).
- Has been declared unfit for habitation by a government agency.
- Is overcrowded according to HQS

An applicant who is a "Homeless Family" is considered to be living in substandard housing. "Homeless Families":

- Lack a fixed, regular and adequate nighttime residence; AND
- Have a primary nighttime residence that is a supervised public or private shelter providing temporary accommodations (including welfare hotels, congregate shelters and transitional housing), or an institution providing temporary residence for individuals intended to be institutionalized, or a public or private place not ordinarily used as a sleeping accommodation for human beings.

Homeless families may maintain their place on the waiting list while completing a transitional housing program.

Families who are residing with friends or relatives on a temporary basis will not be included in the homeless definition.

Rent Burden. For purposes of this preference, "Family Income" is Gross Monthly Income as defined in the regulations.

"Rent" is defined as the actual amount <u>due</u> under a lease or occupancy agreement calculated on a monthly basis without regard to the amount actually paid, plus the monthly amount of tenant-supplied utilities, which can be either:

• The average monthly payments the family <u>actually made</u> for these utilities in the most recent 12-month period, <u>OR</u>

• If information is not obtainable for the entire period, the average of at least the past three (3) months or available representative sampling.

If the applicant pays their share of rent to a cohabitant and is not named on the lease, NWGHA will require both verification from the Landlord that the applicant resides in the unit, and verification from the cohabitant of the amount of rent paid by the applicant.

If an applicant owns a mobile home, but rents the space upon which it is located, then "Rent" must include the monthly payment made to amortize the purchase price of the home.

Treatment of Single Applicants. Single applicants will be treated as any other eligible family on the waiting list.

NWGHA may not issue to non-preference applicants. The waiting list will be reopened when all applicants claiming a preference have received a voucher.

F. INCOME TARGETING

In accordance with the Quality Housing and Work Responsibility Act of 1998, each fiscal year NWGHA will reserve a minimum of seventy-five percent (75%) of its Housing Choice Voucher Program new admissions for families whose income does not exceed 30 percent of the area median income. HUD refers to these families as "extremely low-income families." NWGHA will admit families who qualify under the Extremely Low Income limit to meet the income-targeting requirement, regardless of preference.

NWGHA's income targeting requirement does not apply to low income families continuously assisted as provided for under the 1937 Housing Act.

G. INITIAL DETERMINATION OF LOCAL PREFERENCE QUALIFICATION [24 CFR 982.207]

At the time of application, an applicant's entitlement to a local preference may be made on the following basis.

An applicant's certification that they qualify for a preference will be accepted without verification at the initial application. When the family is selected from the waiting list for the final determination of eligibility, the preference will be verified.

If the preference verification indicates that an applicant does not qualify for the preference, the applicant will be returned to the waiting list without the local preference and given an opportunity for a meeting.

H. EXCEPTIONS FOR SPECIAL ADMISSIONS [24 CFR 982.203, 982.54(d)(3)]

If HUD awards NWGHA program funding that is targeted for specifically named families, NWGHA will admit these families under a Special Admission procedure.

Special admissions families will be admitted outside of the regular waiting list process. They do not have to qualify for any preferences, nor are they required to be on the program waiting list. NWGHA maintains separate records of these admissions.

The following are examples of types of program funding that may be designated by HUD for families living in a specified unit:

- A family displaced because of demolition or disposition of a public or Indian housing project;
- A family residing in a multifamily rental housing project when HUD sells, forecloses or demolishes the project;
- For housing covered by the Low Income Housing Preservation and Resident Homeownership Act of 1990;
- A family residing in a project covered by a project-based Section 8 HAP contract at or near the end of the HAP contract term; and
- A non-purchasing family residing in a HOPE 1 or HOPE 2 project.

I. TARGETED FUNDING [24 CFR 982.203]

When HUD awards special funding for certain family types, families who qualify are placed on the regular waiting list. When a specific type of funding becomes available, the waiting list is searched for the first available family meeting the targeted funding criteria.

Applicants who are admitted under targeted funding which are not identified as a Special Admission are identified by codes in the automated system NWGHA has the following "Targeted" Programs:

- Mainstream for Persons with Disabilities
- Family Unification Program

J. PREFERENCE AND INCOME TRAGETING ELIGIBILITY [24 CFR 982.207]

Change in Circumstances. Changes in an applicant's circumstances while on the waiting list may affect the family's entitlement to a preference. Applicants are required to notify NWGHA in writing when their circumstances change.

If the family's verified annual income, at final eligibility determination, does not fall under the Extremely Low Income limit and the family was selected for income targeting purposes before family/families with a higher preference, the family will be returned to the waiting list.

Cross-Listing of Different Housing Programs and Section 8 [24 CFR 982.205(a)]

NWGHA will not merge its waiting lists. However, if the Housing Choice Voucher Program waiting list is open when the applicant is placed on the public housing program, or the project-based voucher, or the moderate rehabilitation program waiting list, the NWGHA must offer to place the family on its tenant-based assistance list.

If the waiting list for NWGHA's public housing program is open at the time an applicant applies for Housing Choice Voucher Program, NWGHA may offer to place the family on its waiting lists for the other programs.

Other Housing Assistance [24 CFR 982.205(b)]

Other housing assistance means a federal, State or local housing subsidy, as determined by HUD, including public housing.

NWGHA may not take any of the following actions because an applicant has applied for, received, or refused other housing: [24 CFR 982.205(b)]

- Refuse to list the applicant on the NWGHA waiting list for tenant-based assistance;
- Deny any admission preference for which the applicant is currently qualified;
- Change the applicant's place on the waiting list based on preference, date and time of application, or other factors affecting selection under NWGHA selection policy; or
- Remove the applicant from the waiting list.

K. ORDER OF SELECTION [24 CFR 982.207(e)]

NWGHA's method for selecting applicants from a preference category leaves a clear audit trail that can be used to verify that each applicant has been selected in accordance with the method specified in the administrative plan.

Local Preferences

The PHA has selected the following system to apply local preferences equally.

Among Applicants with Equal Preference Status

Among applicants with equal preference status, the waiting list will be organized by date and time.

L. FINAL VERIFICATION OF PREFERENCES [24 CFR 982.207]

Preference information on applications will be updated as applicants are selected from the waiting list. At that time, NWGHA will obtain necessary verifications of preference at the interview and by third party verification.

M. PREFERENCE DENIAL [24 CFR 982.207]

If NWGHA denies a preference, NWGHA will notify the applicant in writing of the reasons why the preference was denied and offer the applicant an opportunity for an informal meeting. If the preference denial is upheld as a result of the meeting, or the applicant does not request a meeting, the applicant will be placed on the waiting list without benefit of the preference. Applicants may exercise other rights if they believe they have been discriminated against.

If the applicant falsifies documents or makes false statements in order to qualify for any preference, they will be removed from the waiting list.

N. REMOVAL FROM WAITING LIST AND PURGING [24 CFR 982.204(c)]

The Waiting List will be purged not more than one time each year by a mailing to all applicants to ensure that the waiting list is current and accurate. The mailing will ask for confirmation of continued interest.

Any mailings to the applicant, which require a response, will state that failure to respond within ten (10) days will result in the applicant's name being dropped from the waiting list.

Northwest GA Housing Authority

An extension of ten (10) days to respond will be granted, if requested and needed as a reasonable accommodation for a person with a disability.

If an applicant fails to respond to a mailing from NWGHA, the applicant will be sent written notification and given ten (10) days to contact NWGHA. If they fail to respond within ten (10) days, they will be removed from the waiting list.

If the applicant did not respond to NWGHA request for information or updates because of a family member's disability, NWGHA will reinstate the applicant in the family's former position on the waiting list.

If a letter is returned by the Post Office without a forwarding address, the applicant will be removed without further notice, and the envelope and letter will be maintained in the file.

If a letter is returned with a forwarding address, it will be re-mailed to the address indicated.

If an applicant is removed from the waiting list for failure to respond, they will not be entitled to reinstatement unless the Director of Housing determines there were circumstances beyond the person's control.

NWGHA allows a grace period of ten (10) days after completion of the purge. Applicants who respond during this grace period will be reinstated.

PART III: SELECTION FOR HCV ASSISTANCE

4-III.A. OVERVIEW

As vouchers become available, families on the waiting list must be selected for assistance in accordance with the policies described in this part.

The order in which families are selected from the waiting list depends on the selection method chosen by the PHA and is impacted in part by any selection preferences for which the family qualifies. The availability of targeted funding also may affect the order in which families are selected from the waiting list.

The PHA must maintain a clear record of all information required to verify that the family is selected from the waiting list according to the PHA's selection policies [24 CFR 982.204(b) and 982.207(e)].

4-III.B. SELECTION AND HCV FUNDING SOURCES

Special Admissions [24 CFR 982.203]

HUD may award funding for specifically-named families living in specified types of units (e.g., a family that is displaced by demolition of public housing; a non-purchasing family residing in a HOPE 1 or 2 projects). In these cases, the PHA may admit such families whether or not they are on the waiting list, and, if they are on the waiting list, without considering the family's position on the waiting list. These families are considered non-waiting list selections. The PHA must maintain records showing that such families were admitted with special program funding.

Targeted Funding [24 CFR 982.204(e)]

HUD may award a PHA funding for a specified category of families on the waiting list. The PHA must use this funding only to assist the families within the specified category. In order to assist families within a targeted funding category, the PHA may skip families that do not qualify within the targeted funding category. Within this category of families, the order in which such families are assisted is determined according to the policies provided in Section 4-III.C.

PHA Policy

The PHA administers the following types of targeted funding:

Regular HCV Funding

Regular HCV funding may be used to assist any eligible family on the waiting list. Families are selected from the waiting list according to the policies provided in Section 4-III.C.

4-III.C. SELECTION METHOD

PHAs must describe the method for selecting applicant families from the waiting list, including the system of admission preferences that the PHA will use [24 CFR 982.202(d)].

Local Preferences [24 CFR 982.207; HCV p. 4-16]

PHAs are permitted to establish local preferences, and to give priority to serving families that meet those criteria. HUD specifically authorizes and places restrictions on certain types of local preferences. HUD also permits the PHA to establish other local preferences, at its discretion. Any local preferences established must be consistent with the PHA plan and the consolidated plan, and must be based on local housing needs and priorities that can be documented by generally accepted data sources.

PHA Policy

The PHA will offer a preference to any family that has been terminated from its HCV program due to insufficient program funding.

Victims of Domestic Violence

Victims of domestic violence as defined by HUD VAWA notice.

Involuntary Displacement

Involuntarily Displaced applicants are applicants who have been involuntarily displaced and are not living in standard, permanent replacement housing, or will be involuntarily displaced within no more than six months from the date of verification by the PHA.

Families are considered to be involuntarily displaced if they are required to vacate housing as a result of:

1. A disaster (fire, flood, earthquake, etc.) that has caused the unit to be uninhabitable.

2. Federal, state or local government action related to code enforcement, public improvement or development.

3. Action by a housing owner which is beyond an applicant's ability to control, and which occurs despite the applicant's having met all previous conditions of occupancy, and is other than a rent increase.

If the owner is an immediate family relative and there has been no previous rental agreement and the applicant has been part of the owner's family immediately prior to application, the applicant will not be considered involuntarily displaced.

For purposes of this definitional element, reasons for an applicant's having to vacate a housing unit include, but are not limited to:

Conversion of an applicant's housing unit to non-rental or non-residential use;

Closure of an applicant's housing unit for rehabilitation or non-residential use;

Notice to an applicant that s/he must vacate a unit because the owner wants the unit for the owner's personal or family use or occupancy;

Sale of a housing unit in which an applicant resides under an agreement that the unit must be vacant when possession is transferred; or

Any other legally authorized act that results, or will result, in the withdrawal by the owner of the unit or structure from the rental market.

4. To avoid reprisals because the family provided information on criminal activities to a law enforcement agency and, after a threat assessment, the law enforcement agency recommends rehousing the family to avoid or reduce risk of violence against the family.

The family must be part of a Witness Protection Program, or the HUD Office or law enforcement agency must have informed the PHA that the family is part of a similar program.

The PHA will take precautions to ensure that the new location of the family is concealed in cases of witness protection.

5. By hate crimes if a member of the family has been the victim of one or more hate crimes, and the applicant has vacated the unit because of the crime or the fear of such a crime has destroyed the applicant's peaceful enjoyment of the unit.

A hate crime is actual or threatened physical violence or intimidation that is directed against a person or his property and is based on the person's race, color, religion, sex, national origin, disability or familial status including sexual orientation and occurred within the last 30 days or is of a continuing nature.

6. Displacement by non-suitability of the unit when a member of the family has a mobility or other impairment that makes the person unable to use critical elements of the unit and the owner is not legally obligated to make changes to the unit.

Critical elements are:

entry and egress of unit and building

a sleeping area,

a full bathroom,

a kitchen if the person with a disability must do their own food preparation/other.

7. Due to HUD disposition of a multifamily project under Section 203 of the Housing and Community Development Amendments of 1978.

Standard Replacement Housing

In order to receive the displacement preference, applicants who have been displaced must not be living in "standard, permanent replacement housing."

Standard replacement housing is defined as housing that is decent, safe and sanitary according to local housing code, that is adequate for the family size according to local code, and that the family is occupying pursuant to a written or oral lease or occupancy agreement.

Standard replacement housing does not include transient facilities, hotels, motels, temporary shelters, and (in the case of Victims of Domestic Violence) housing occupied by the individual who engages in such violence.

It does <u>not</u> include any individual imprisoned or detained pursuant to State Law or an Act of Congress. Shared housing with family or friends is considered temporary and is not considered standard replacement housing.

Substandard Housing

Applicants who live in substandard housing are families whose dwelling meets one or more of the following criteria provided that the family did not cause the condition:

Is dilapidated, and does not provide safe, adequate shelter; has one or more critical defects or a combination of defects requiring considerable repair; endangers the health, safety, and wellbeing of family.

Does not have operable indoor plumbing.

Does not have usable flush toilet in the unit for the exclusive use of the family.

Does not have usable bathtub or shower in unit for exclusive family use.

Does not have adequate, safe electrical service.

Does not have an adequate, safe source of heat.

Should, but does not, have a kitchen. (Single Room Occupancy (SRO) Housing is <u>not</u> substandard solely because it does not contain sanitary and/or food preparation facilities in the unit).

Has been declared unfit for habitation by a government agency.

Persons who reside as part of a family unit shall not be considered a separate family unit for substandard housing definition preference purposes.

Is residing in temporary housing that is not adequate for the family size and does not offer separate sleeping areas for adults and children.

Applicants living in Public Housing or publicly assisted housing shall not be denied this preference if unit meets the criteria for the substandard preference.

Brunswick GA Housing Authority HCV Preference Documentation

An applicant who is a "Homeless Family" is considered to be living in substandard housing. "Homeless Families":

Lack a fixed, regular and adequate nighttime residence; AND/OR

Have a primary nighttime residence that is a supervised public or private shelter providing temporary accommodations (including welfare hotels, congregate shelters transitional housing), or an institution providing temporary residence for individuals intended to be institutionalized, or a public or private place not ordinarily used as a sleeping accommodation for human beings.

Rent Burden

This preference applies to families paying more than 50% of their income for rent and utilities for at least 90 days prior to submitting an application.

For purposes of this preference, "Family Income" is Gross Monthly Income as defined in the regulations.

"Rent" is defined as the actual amount <u>due</u> under a lease or occupancy agreement calculated on a monthly basis without regard to the amount actually paid, plus the monthly amount of tenant-supplied utilities which can be either:

The PHA's reasonable estimate of the cost of such utilities, using the Section 8 Utility Allowance Schedule; or

The average monthly payments the family actually made for these utilities in the most recent 12-month period, or if information is not obtainable for the entire period, the average of at least the past 3 months.

An applicant family may choose which method to use to calculate utilities expense. Any amounts paid to or on behalf of a family under any energy assistance program must be subtracted from the total rent burden if included in family income. The applicant must show that they actually paid the utility bills.

To qualify for the Rent Burden preference, the applicant must pay rent directly to the landlord or agent.

Members of a cooperative are "renters" for the purposes of qualifying for the preference. In this case, "rent" would mean the charges under the occupancy agreement.

Homelessness

The PHA considers the family homeless if:

- 1. Lacks a fixed, regular and adequate nighttime residence and/or
- 2. Has a primary nighttime residence that is:
 - a. Supervised publically or privately operated shelter designed to provide temporary living accommodations

Georgia HMIS Steering Committee

By-Laws

Section I: Name

The name of the organization shall be Georgia Homeless Management Information System (GA HMIS) Steering Committee. This committee serves the following Continua of Care (CoC), known collectively as the "GA HMIS Collaborative":

GA-500 Atlanta

- GA-501 Georgia Balance of State
- GA-502 Fulton County
- GA-503 Athens-Clarke County
- GA-504 Augusta-Richmond County
- GA-506 Marietta-Cobb County
- GA-507 Savannah-Chatham County
- GA-508 DeKalb County

Section II: Purpose

Because the CoCs listed in Section I share a single Homeless Management Information System (HMIS), it is crucial for the HMIS to be managed collaboratively and transparently, and for uniform priorities and standards to be established across the whole HMIS implementation, for the good of all participating CoCs. The purpose of these by-laws is to establish the authority of the GA HMIS Steering Committee, and to outline the governance roles, responsibilities, relationship, and authorities of Georgia's aforementioned participating CoCs and the HMIS Lead Agency. The Georgia Housing and Finance Authority (Authority), the grantee has designated the Georgia Department of Community Affairs (DCA) to serve as the HMIS Lead for the Georgia HMIS Collaborative.

The purpose of the GA HMIS Steering Committee (Committee) is to collaboratively manage the implementation and administration of the shared HMIS in accordance with the requirements established by the U.S. Department of Housing and Urban Development (HUD), its Federal partners, and the shared priorities of the GA HMIS Collaborative. Additionally, the Steering Committee strives to identify ways to help provider agencies record, report, and improve their services through the shared HMIS by serving as a conduit between CoCs and the HMIS Lead.

Section III: Responsibilities

Responsibilities of the Continua of Care

Each CoC listed in Section I has agreed to participate in the statewide HMIS implementation through Memoranda of Agreement (MOA) with DCA on behalf of the GHFA, and has agreed to collaboratively govern HMIS through these by-laws. At a minimum, each CoC agrees to carry out the following responsibilities:

- Adopt and/or re-affirm adoption of these by-laws and participate in an annual review and request updates to these by-laws;
- Appoint two voting members, in writing, as specified in Section IV, to serve on the GA HMIS Steering Committee to provide oversight of the implementation and represent the Continuum in GA HMIS decision-making;
- Accept the HMIS software chosen by the GA HMIS Collaborative as the designated software for its Continuum;
- Designate the HMIS Lead chosen by the GA HMIS Collaborative to manage the Continuum's HMIS and apply for/receive HUD HMIS funding on behalf of their CoC;
- Require that all agencies and users in their respective CoC jurisdiction comply with the GA HMIS policies and procedures of the GA HMIS Collaborative;
- Ensure that service providers in their respective CoC jurisdiction adequately meet the minimum HMIS participation requirements as established by the GA HMIS Steering Committee;
- Designate at least one user in the CoC to be a CoC Administrator, who would be authorized to have administrative-level access to the data for the specific CoC for purposes of providing oversight and user support, as well as to monitor agency compliance with Federal Data Standards;
- Direct all requests and concerns to the HMIS Lead, including, but not limited to, software vendor management, HMIS enhancements, system errors, and project status to allow the HMIS Lead to more efficiently manage communications and centralize feedback and input across all participating CoCs;
- Require that participating agency users meet the minimum training requirements established by the GA HMIS Steering Committee;
- Ensure the commitment of funding for the implementation of the GA HMIS project;
- Ensure HMIS privacy and security protocols are integrated into agency policies and practices;
- Conduct ongoing data analysis and evaluation to help drive planning and funding decisions; and
- Prepare, review, and submit all HUD required Continuum-level reports (i.e., Housing Inventory Chart, Point in Time Count, Annual Homeless Assessment Report, and System Performance Measures) with support from the HMIS Lead.

CoCs may individually identify additional priorities, policies, procedures, and requirements for their respective CoC, so long as no conflict is created with the priorities, policies, procedures, and requirements created by the GA HMIS Steering Committee under authority of these bylaws, and provided they assume the burden of enforcing any additional requirements.

Responsibilities of the HMIS Lead

The HMIS Lead agrees, at a minimum, to carry out the following responsibilities to the best of its ability:

Project Management

- Oversee the day-to-day operations and management of the GA HMIS;
- Enter into an Memorandum of Agreement with each CoC for the provision of HMIS services;
- Obtain and maintain GA HMIS Participation Agreements with all participating agencies and users;
- Administer HUD HMIS awards for all Continua participating in the GA HMIS Collaborative, in accordance with the MOAs between GHFA and these jurisdictions and in concert with these by-laws;
- Provide staff support for GA HMIS Steering Committee meetings;
- Develop and maintain a process for the Committee to submit, track, review, and approve requests for system enhancements and development projects; and
- Develop and maintain a tracking and communication process that will allow the Committee to stay informed about vendor activities related to compliance, enhancements, bug fixes, and new development projects.

System Functionality

- Enter into a formal contractual relationship with the GA HMIS vendor that outlines the requirements and responsibilities of the vendor, including those required by HUD and its Federal partners through its data and technical standards, rules, notices, etc.;
- Ensure the vendor's software system maintains timely compliance with all current and future data and technical standards, statute, regulation, and notices;
- Ensure that the vendor's software system maintains timely compliance with any other required standards set by other federal partner and state programs that require HMIS use;
- Provide any assistance to the GA HMIS Collaborative that the GA HMIS Steering Committee deems necessary to ensure that the comparable database used statewide by Victim Service Providers meets the minimum standards set forth by HMIS regulations and notices;
- Ensure the software system, within reasonable development timeframes, provides CoCs with the ability to produce all HUD required reports, including related reports needed to assess data quality, timeliness, and completeness; and,
- Provide CoC Administrators, the CoC-identified user who is authorized to have administrative-level access to the data in a specific CoC for purposes of providing oversight and user support with tools necessary to monitor agency compliance with Federal Data Standards, including reports and access to raw agency data; and
- Ensure that the software continues to meet the needs of the GA HMIS Collaborative.

Policies and Procedures

- Develop and maintain GA HMIS Policies and Procedures in accordance with HUD requirements and notices and CoC needs for approval by the GA HMIS Steering Committee;
- Develop and maintain a privacy plan, security plan, and data quality plan for the HMIS in accordance with HUD requirements for approval by the GA HMIS Steering Committee;
- As specified by MOA with each CoC, assist CoCs in monitoring participating agency compliance with security, privacy, and confidentiality policies; and
- Develop minimum general participation and timeliness standards for agencies for approval by the GA HMIS Steering Committee.

Training and Technical Assistance

- Develop minimum training requirements for participating agency users for approval by the GA HMIS Steering Committee;
- Ensure required basic training is available to participating agency staff and accessible on a regular basis;
- Identify and provide additional training that may be needed to ensure good data quality for HUD and the federal partners;
- Ensure technical assistance and help desk support is available and accessible to participating agencies on a regular basis; and
- Ensure CoCs have access to reports, technical assistance, and training required to develop a data quality improvement plan when necessary.

Responsibilities of the GA HMIS Steering Committee

Except where stated otherwise in these by-laws, the GA HMIS Steering Committee has authority on all matters regarding HMIS and is responsible for providing oversight of the HMIS implementation, and for providing counsel, guidance, and assistance to the staff members, governing bodies, and contributing providers within each of the eight (8) participating CoCs. The Steering Committee agrees, at a minimum, to carry out the following responsibilities to the best of its ability:

- Participate in decision making and approve system-wide priorities, policies, protocols, procedures, and other requirements needed to implement the GA HMIS, including but not limited to Standard Operating Procedures, privacy policies, security policies, data quality standards, timeliness standards, and provide input and direction to the HMIS Lead;
- Collaborate on goals and objectives that support shared HMIS activities;
- Disseminate information to the respective CoCs about GA HMIS, the Steering Committee, and HMIS Lead activities, policies, procedures, and training;
- Provide counsel, guidance, and assistance to HMIS staff within their respective CoC;
- Identify, develop, and implement strategies for improving HMIS coverage and data quality throughout the geographic region of the participating Georgia CoCs;
- Provide support to individual CoCs in their efforts to identify and eliminate potential barriers to the use and improvement of the GA HMIS;

- Ensure that the comparable database used statewide by Victim Service Providers meets the minimum standards set forth by HMIS regulations and notices;
- Ensure the collaborative availability of funding for the implementation of the GA HMIS project.

Section IV: Membership and Officers

Committee Composition

The GA HMIS Steering Committee is a partnership of representatives from each of the participating Continua of Care listed in Section I, and the HMIS Lead, and contains one class of member. Each member shall have equal voting rights except as may be provided elsewhere in these by-laws. The Committee is composed of the following:

- 1. Two representatives from each Continuum of Care (one from the Collaborative Applicant, and one with a solid technical understanding of HMIS, such as an HMIS power user). Each CoC shall designate their two representatives by whatever means established within that CoC and provide those names to the HMIS Committee Chairs in writing within the timeframes stated elsewhere in these by-laws.
- 2. One representative from the HMIS Lead Agency, appointed by the chief official of the HMIS Lead.

Appendix A lists the appointments by each CoC and by the HMIS Lead. Necessary changes to Appendix A do not constitute a change to these by-laws and do not require Committee approval.

Terms of Office

With the exception of unanticipated vacancies, each Steering Committee member shall serve two year terms with no limit to the number of consecutive terms, with all the terms beginning in July. Each CoC can change their appointees to ensure their membership is reflective of the CoC needs as stated in the section below.

Appointment of Committee Members

Each CoC and the HMIS Lead is responsible for the appointment of a designee prior to the end of the term limit for an existing designee by providing the appointee's name to the HMIS Steering Committee Chairs in writing.

If the CoC or HMIS Lead does not submit the appointment or reappointment to fill a particular Steering Committee slot in writing by the first working day of July, the CoC or HMIS Lead will forfeit that vote until proper reappointment is made. Additionally, any CoC or the HMIS Lead with vacancies due to neglecting to appoint or reappoint members will not be needed to achieve a quorum.

Unanticipated vacancies will be filled as outlined in Section IX.

Officers

The GA HMIS Steering Committee shall have two co-chairs, one elected chair and one chair being filled by the HMIS Lead. Any member of the GA HMIS Steering Committee is eligible to serve as a chair. The elected chair position shall be filled by a simple majority vote during the first occurring meeting after the first working day of July. The newly elected chair shall assume

office at the close of that meeting and shall serve a term of one year. Elected chairs have no term limits, but may only serve a maximum of two full terms consecutively. If an officer is elected due to a need to fill a vacancy, that officer will serve for the remainder of the vacating officer's term. This partial term will not count toward the consecutive term limitation. The current designated HMIS Lead shall fill the non-elected co-chair position without any term limitations until such time that a new HMIS Lead is designated by the GA HMIS collaborative.

The elected chairperson's duties will be to:

- 1. Serve as primary point of contact for the Steering Committee;
- 2. Co-facilitate and preside over GA HMIS Steering Committee meetings with the HMIS Lead;
- 3. Facilitate the development of meeting agendas with the HMIS Lead; and
- 4. Ensure communication of Steering Committee matters to all members.

The HMIS Lead's duties as a co-chair will be to:

- 1. Record and distribute meeting minutes;
- 2. Co-facilitate and preside over GA HMIS Steering Committee meetings with the elected chairperson;
- 3. Maintain the committee and subcommittee appointment lists;
- 4. Co-develop and disseminate the meeting agendas; and
- 5. Distribute meeting notices

The Chairpersons shall be ex-officio members of all committees created by this Steering Committee.

Section V: Subcommittees

Any member of the HMIS Steering Committee is eligible to serve on any subcommittees and are approved by a simple majority vote of the GA HMIS Steering Committee Members.

Standing Committees

Governance and Policy Subcommittee

The Governance and Policy Subcommittee is responsible for keeping these by-laws and any related appendices up to date. In addition, it will assist the HMIS Lead in policy and procedures development and maintenance by providing feedback during initial drafts. At a minimum, this means conducting an annual review of the by-laws, appendices, and all related policies and procedures and recommending changes to the Steering Committee for approval.

The Governance and Policy Subcommittee is also responsible for working with the HMIS Lead and other relevant organizations to develop and approve a template for MOAs for approval by the respective CoCs. The purpose of this is to ensure that each CoC has the same minimum requirements in their MOA and that CoCs do not add requirements that conflict with the goals of the GA HMIS Collaborative as a whole.

Ad hoc subcommittees

The GA HMIS Steering Committee may create ad hoc subcommittees as it deems necessary to carry out the work of the Georgia HMIS Implementation. Ad hoc committee participation is not restricted to GA HMIS Steering Committee members and may include any individual from the at-large GA HMIS collaborative. However, at a minimum, each ad hoc committee must have a chair, and that chair must be an existing GA HMIS Steering Committee members. If non-GA HMIS Steering Committee members will be included in an ad hoc subcommittee, the GA HMIS Steering Committee will develop a process for nominating a slate of candidates from all participating CoCs and a process for approving subcommittee members. The creation of any ad hoc meetings will be documented in the minutes of the meeting in which the subcommittee was created.

Section VI: Meetings and Attendance

General Meetings

At a minimum, the GA HMIS Steering Committee will conduct six meetings per year, with increased frequency when needed. A minimum of two weeks advance notice of meeting dates, times, and locations will be provided to all GA HMIS Steering Committee members, as well as posted on the <u>GA HMIS Steering Committee Meetings</u> website. The meetings for the following calendar year will be scheduled during the last meeting of each calendar year so that members may plan accordingly.

Any action required or permitted to be taken by the GA HMIS Steering Committee may be taken without a meeting, if all members of the Steering Committee unanimously consent to taking action without a meeting. If consent is not collected at a meeting (i.e. consent is collected through electronic means instead), written consents must be filed with the minutes of the proceedings of the Steering Committee. Action by written consent has the same force and effect as the in-person vote of the Steering Committee members. Written consent includes electronic written communication such as email.

Members must maintain adequate participation to ensure continuity in the process. Remote access to the meetings will be provided as needed, and remote participation will serve as attendance. "Adequate participation" is defined as either a) a minimum member attendance of 4 meetings per year, if only six meetings are held, or b) if more than six meetings are held in a particular year, a minimum of 75% of the meetings held.

Should a member experience a last -minute issue that prevents attendance, the member shall notify the Co-Chairs via telephone or email.

Section VII: Voting

Each individual Steering Committee member shall have one vote. Committee actions shall require a majority vote from a quorum of the Steering Committee. A quorum shall be defined as a simple majority of the Committee members, subject to the provision that at least one member from each of the Continua be present. With the exception of vacancies due to lack of

appointment (as addressed in Section IV), if both appointees for a particular CoC are absent, a quorum is defined as the presence of two-thirds of the remaining members. Voting by simple majority will prevail except as may be provided elsewhere in these by-laws. The HMIS Lead shall retain the right to settle any matters not met with a consensus of a simple majority (i.e. 8-8 or 16-16 split in voting on an issue, HMIS Lead would hold the tie-breaker).

Proxy Voting

At times, situations (such as geographic constraints) may occur that make it difficult or impossible for a Steering Committee member to vote at some meetings. Therefore, a Committee member may decide to grant a proxy to a third party in order to ensure that his or her vote is cast.

The Committee member who wishes a third party to vote for him or her will issue the third party a written proxy statement. A copy of the written proxy statement shall be forwarded to the one of the co-chairs at least 24 hours in advance of the meeting date on which the proxy shall be placed in effect.

The proxy statement will provide the following information:

- 1. The name of the Committee member issuing the proxy;
- 2. The party who will vote (this must be another Committee member, unless both are missing, in which case a non-committee member can be designated); and
- 3. Whether the proxy is limited to the vote on a particular question or if the proxy is valid for all votes at a specific meeting.

A proxy statement shall only be valid for a specific meeting and the proxy statement will expire upon adjournment of that meeting. While a proxy allows a vote to be cast in a member's absence, from an attendance perspective, the member is considered absent when a proxy is used.

Section VIII: Resignation, Replacement, and Removal of members and officers

A Committee member or Chairperson may resign from the Steering Committee by:

- 1. Submitting a written notice to the Chairperson, or
- 2. A CoC may choose to replace their respective Steering Committee members at any time by submitting a written notice to the Chairperson.

A Committee member or officer may only be removed if a meeting is called specifically for this reason and only if the member:

- 1. Is in violation of the attendance policy as outlined in Section VI;
- 2. Commits a violation of the Conflict of Interest Code as outlined in Section X;
- 3. Commits a violation of the Code of Conduct as outlined in Section XI; or
- 4. For just cause, as defined below.

If a member wishes to call a meeting for the purpose of removal of another member, they must first notify the Chairpersons, at which point, notice must be sent by one of the Chairpersons to

both the Collaborative Applicant and Board of the potentially affected CoC, and all GA HMIS Steering Committee members, stating that the proposed removal is the purpose of the meeting, and include the reasons for the proposed removal. The person recommended for removal and any additional representation desired by the affected CoC shall have the opportunity to speak on his or her behalf prior to a vote of the Steering Committee. The Steering Committee may deliberate without the person recommended for removal present, prior to a vote. A member or officer may only be removed from the Steering Committee by a 2/3 majority vote of the remaining Steering Committee members.

Just cause is defined as (but is not limited to):

- 1. Charged with a crime that would subject the member to debarment, suspension, disqualification or other exclusion from participating in a federally funded transaction pursuant to federal law.
- 2. Unprofessional behavior or acts of moral turpitude.
- 3. As defined by a 2/3 majority of the Steering Committee.

Section IX: Unanticipated Vacancies

Aside from vacancies due to lack of appointment, as described in Section IV of this document, unanticipated vacancies in a CoC position on the Steering Committee shall be filled, in writing, by the respective CoC within sixty (60) days. During this allotted time frame, the remaining appointee for that CoC will have two votes.

Should a CoC fail to fill a vacant position within the required period, then the vacancy shall remain open until action by the CoC, which will cause the CoC to lose the vote of the vacant position until such time that the position is filled.

Steering Committee members who are appointed due to an unanticipated vacancy will complete the remaining term of the committee member he or she was replacing.

Aside from a vacancy due to lack of appointment, as described in Section IV of this document, an unanticipated vacancy of the HMIS Lead representative shall be filled within thirty (30) days through appointment, in writing, by the chief official of the HMIS Lead. During this allotted time frame, the HMIS Lead forfeits its single vote.

Section X: Conflict of Interest

A Conflict of Interest Code shall govern the performance, behavior, and actions of the GA HMIS Steering Committee and its members.

- 1. No Committee Member shall participate in the selection, award, or administration of a bid or contract supported by Federal funds if a conflict of interest is real or apparent to the reasonable person.
- 2. Conflicts of interest may arise when any Committee Member has a financial, family, or any other beneficial interest in the vendor firm selected or considered for an award.

- 3. No Committee Member shall do business with, award contracts to, or show favoritism toward a member of his/her immediate family, spouse's family or to any company, vendor or concern who either employs or has any relationship to a family member; or award a contract or bid which violates the spirit or intent of Federal, State and local procurement laws and policies established to maximize free and open competition among qualified vendors.
- 4. Committee Members shall neither solicit nor accept gratuities, gifts, consulting fees, trips, favors or anything having a monetary value in excess of one hundred dollars (\$100) from a vendor, potential vendor, or from the family or employees of a vendor, potential vendor or bidder; or from any party to a sub-agreement or ancillary contract.
- 5. As permitted by law, rule, policy or regulation, the Steering Committee shall pursue appropriate legal, administrative or disciplinary action against a committee member, vendor or vendor's agent who is alleged to have committed, has been convicted of or pled no contest to a procurement related infraction. If said person has been convicted, disciplined, or pled no contest to a procurement violation, said person shall be removed from any further responsibility or activities on behalf of the Steering Committee.

Section XI: Code of Conduct

GA HMIS Steering Committee members are expected to conduct themselves with courtesy and respect, and the utmost civility and decorum.

At all times, the best interest of the GA HMIS Collaborative should influence the decisions made by the GA HMIS Steering Committee members. Personal relationships must not result in special considerations, including bias, nepotism, or favoritism that influences the performance of their official duties in a manner contrary to the interest of the GA HMIS Collaborative.

GA HMIS Steering Committee members are expected to exercise adequate control and supervision over matters for which they are individually responsible.

Section XII: CoC Withdrawal from the GA HMIS Collaborative

CoCs may withdraw from the GA HMIS Collaborative at any time by submitting written notice to the GA HMIS Steering Committee chairpersons; however, any CoC that does so will forfeit their access to both the HMIS Lead and the HMIS Implementation identified by the GA HMIS Collaborative. If a CoC fails to adopt these by-laws or amendments to these by-laws, such failure shall constitute a decision to withdraw from the GA HMIS Collaborative.

Section XIII: Exceptions to GA HMIS Steering Committee Authority

HMIS Lead changes

In the event that the HMIS Lead for the GA HMIS Collaborative must be changed, and this change is not initiated by the HMIS Lead, the GA HMIS Steering Committee must seek a 2/3 majority approval of the CoCs in the GA HMIS Collaborative to initiate the process. Additionally, the documented process by which the new HMIS Lead is selected, regardless of the reason a change was initiated, must also be approved by a 2/3 majority vote of the CoCs in the GA HMIS Collaborative.

HMIS Software changes

In the event that the HMIS Software must be changed, the GA HMIS Steering Committee must seek a 2/3 majority approval of the CoCs in the GA HMIS Collaborative to initiate the process. Additionally, the documented process by which the new HMIS Software is selected must also be approved by a 2/3 majority vote of the CoCs in the GA HMIS Collaborative.

Section XIV: By-Laws

Adoption

These by-laws shall be in effect upon approval by a 2/3 majority vote of the CoCs listed in Section I. Each CoC is responsible for determining the process by which they vote. Approval shall be by signatures which are documented and stored by the Chairpersons.

Annual Review

These by-laws shall be reviewed by the Governance and Policy Subcommittee not less than annually. Any proposed changes will be provided to the full GA HMIS Steering Committee membership for comments at least 21 calendar days in advance of the next regularly scheduled meeting, at which point the process outlined in Section XV will be followed if amendments are needed.

Section XV: Amendments

Recommendations to change or amend these by-laws may be made by any GA HMIS Steering Committee Member and shall be submitted at a regular meeting of the GA HMIS Steering Committee. Proposals shall stand for action and be open for discussion among members. If the proposal is accepted by a majority vote of the GA HMIS Steering Committee, the change(s) will be proposed to the Board of each CoC. Final changes must be voted on by each CoC, with each CoC voting by its established method. Each CoC will have 30 calendar days to submit their written vote to the HMIS Lead for record and tabulation.

If approved by a 2/3 majority of CoCs, the proposed change(s) will be accepted and the HMIS Lead shall update the document to reflect the changes and will distribute updated copies to all members before the next regular GA HMIS Steering Committee meeting.

Georgia Balance of State Continuum of Care Permanent Supportive Housing Written Standards & Chronic Prioritization

PERMANENT SUPPORTIVE HOUSING PROGRAMS (PSH)

Permanent Supportive Housing (PSH) programs provide community-based housing and supportive services, without a predetermined length of stay, to assist homeless persons with a disability to live independently.

STANDARD:

The project will provide safe, affordable housing that meets participants' needs in accordance with HUD guidelines for permanent supportive housing programs.

CRITERIA:

- 1. In providing or arranging for housing, the program considers the needs of the individual or family experiencing homelessness.
- 2. The program provides assistance in accessing suitable housing.
- 3. The program may provide assistance with moving costs.
- 4. The program signs occupancy agreements or leases (or subleases) with all program participants residing in housing.
- 5. The program enters into an occupancy agreement or lease agreement (or sublease) with program participant for a term of at least once year, which is terminable for cause. The lease must be automatically renewable upon expiration for a minimum term of one month. Assistance may be extended as stated in 24 CFR 578.79.
- For programs where regulations require individuals and families residing in permanent supportive housing to pay occupancy charges or rent, occupancy charges and rent may not exceed those specified in 24 CFR 578.77.

ELIGIBILITY CRITERIA:

In order to be served in a CoC-funded PSH program (individuals or family households) all adult program participants must meet the following program eligibility requirements:

- Be homeless; and
- Be 18 years old or older; and
- Be a member of a zero to low-income household.

Priority is given to chronically homeless individuals and families as defined by HUD.

Recipients that are providing permanent supportive housing for hard-to-house populations of homeless persons must exercise judgment and examine all circumstances in determining whether termination is appropriate. Under the Continuum of Care Interim Rule, it was determined that a participant's assistance should be terminated only in the most severe cases.

The Georgia Balance of State CoC adopts HUD's Notice CPD-14-012, *Notice on Prioritizing Persons Experiencing Chronic Homelessness and Other Vulnerable Homeless Persons in Permanent Supportive Housing*, issued on July 28, 2014, in that those experiencing chronic homelessness should be given priority for non-dedicated PSH beds as vacancies become available through turnover. PSH renewal projects serving specific disabled subpopulations (e.g., persons with mental illness or persons with substance abuse issues) must continue to serve those groups, as required in the current grant agreement. However, the chronically homeless within the specified

subpopulation should be prioritized for entry as described below. The full notice, which includes related recordkeeping requirements can be found at: <u>https://www.hudexchange.info/resources/documents/Notice-CPD-14-012-Prioritizing-Persons-Experiencing-Chronic-Homelessness-in-PSH-and-Recordkeeping-Requirements.pdf</u>. As noted in the Georgia Balance of State CoC Competition policy for 2015, at least 85 percent of the CoC program-funded permanent supportive housing beds that become available through turnover must be prioritized for chronically homeless individuals and families.

The overarching goal of adopting this Notice is to ensure that the homeless individuals and families with the most severe service needs within a community are prioritized in PSH, which will also increase progress towards the Georgia Balance of State CoC's goal of ending chronic homelessness. This will also guide programs in ensuring that all CoC Program-funded PSH beds are used most effectively.

Recipients of CoC Program-funded PSH are required to follow the order of priority when selecting participants for housing in accordance with the Georgia Balance of State CoC's written standards while also considering the goals and any identified target populations served by the project, in a manner consistent with their current grant agreement.

Due diligence must be exercised when conducting outreach and assessment to ensure that persons are served in the order of priority as adopted by the Georgia Balance of State CoC. HUD and the Georgia Balance of State CoC recognize that some persons—particularly those living on the streets or in places not meant for human habitation—might require significant engagement and contacts prior to their entering housing. Recipients are not required to keep units vacant where there are persons who meet a higher priority within the CoC and who have not yet accepted the PSH opportunities offered to them. Street outreach and housing providers should continue to make attempts to engage those persons using a Housing First approach to place as few conditions on a person's housing as possible.

PRIORITIZATION of CHRONICALLY HOMELESS

A. Order of Priority in CoC Program-funded Permanent Supportive Housing Beds Dedicated to Persons Experiencing Chronic Homelessness and Permanent Supportive Housing Prioritized for Occupancy by Persons Experiencing Chronic Homelessness

First Priority:

Chronically Homeless Individuals and Families with the Longest History of Homelessness and with the Most Severe Service Needs.

A chronically homeless individual or head of household as defined in 24 CFR 578.3 for whom both of the following are true:

- The chronically homeless individual or head of household of a family has been homeless and living in a place not meant for human habitation, a safe haven, or in an emergency shelter for at least 12 months either continuously or on at least four separate occasions in the last 3 years, where the cumulative total length of the four occasions equals at least 12 months; and
- 2. The CoC or CoC Program recipient has identified the chronically homeless individual or head of household, who meets all of the criteria in paragraph (1) of the definition for chronically homeless, of the family as having severe service needs (see Section I.D.3. of this Notice for definition of severe service needs).

Second Priority:

Chronically Homeless Individuals and Families with the Longest History of Homelessness.

A chronically homeless individual or head of household, as defined in 24 CFR 578.3, for which both of the following are true:

- 1. The chronically homeless individual or head of household of a family has been homeless and living in a place not meant for human habitation, a safe haven, or in an emergency shelter for at least 12 months either continuously or on at least four separate occasions in the last 3 years, where the cumulative total length of the four occasions equals at least 12 months; and,
- 2. The CoC or CoC program recipient has <u>not</u> identified the chronically homeless individual or the head of household, who meets all of the criteria in paragraph (1) of the definition for chronically homeless, of the family as having severe service needs.

Third Priority:

Chronically Homeless Individuals and Families with the Most Severe Service Needs.

A chronically homeless individual or head of household as defined in 24 CFR 578.3 for whom both of the following are true:

- The chronically homeless individual or head of household of a family has been homeless and living or residing in a place not meant for human habitation, a safe haven, or in an emergency shelter on at least four separate occasions in the last 3 years, where the total length of those separate occasions equals less than 12 months; and
- 2. The CoC or CoC program recipient has identified the chronically homeless individual or the head of household, who meets all of the criteria in paragraph (1) of the definition for chronically homeless, of the family as having severe service needs.

Fourth Priority:

All Other Chronically Homeless Individuals and Families.

A chronically homeless individual or head of household as defined in 24 CFR 578.3 for whom both of the following are true:

- 1. The chronically homeless individual or head of household of a family has been homeless and living in a place not meant for human habitation, a safe haven, or in an emergency shelter for at least 12 months either continuously or on at least four separate occasions in the last 3 years, where the cumulative total length the four occasions is **less than** 12 months; and
- 2. The CoC or CoC program recipient has <u>not</u> identified the chronically homeless individual or the head of household, who meets all of the criteria in paragraph (1) of the definition for chronically homeless, of the family as having severe service needs.

Where a CoC or a recipient of CoC Program-funded PSH beds that are dedicated or prioritized is not able to identify chronically homeless individuals and families as defined in 24 CFR 578.3 within the CoC, the order of priority in the section below (*B. Order of Priority in Permanent Supportive Housing Beds Not Dedicated or Prioritized for Persons Experiencing Chronic Homelessness*) may be followed.

B. Order of Priority in Permanent Supportive Housing Beds Not Dedicated or Prioritized for Persons Experiencing Chronic Homelessness

First Priority:

Homeless Individuals and Families with a Disability with the Most Severe Service Needs.

An individual or family that is eligible for CoC Program-funded PSH who has been living or residing in a place not meant for human habitation, a safe haven, or in an emergency shelter for any period of time, including persons

exiting an institution where they have resided for 90 days or less but were living or residing in a place not meant for human habitation, a safe haven, or in an emergency shelter immediately prior to entering the institution **and** has been identified as having the most severe service needs.

Second Priority:

Homeless Individuals and Families with a Disability with a Long Period of Continuous or Episodic Homelessness.

An individual or family that is eligible for CoC Program-funded PSH who has been living or residing in a place not meant for human habitation, a safe haven, or in an emergency shelter continuously for at least 6 months or on at least three separate occasions in the last 3 years where the cumulative total is at least 6 months. This includes persons exiting an institution where they have resided for 90 days or less but were living or residing in a place not meant for human habitation, a safe haven, or in an emergency shelter immediately prior to entering the institution and had been living or residing in one of those locations for at least 6 months or on at least three separate occasions in the last 3 years where the cumulative total is at least 6 months or on at least three separate occasions in the last 3 years where the cumulative total is at least 6 months.

Third Priority:

Homeless Individuals and Families with a Disability Coming from Places Not Meant for Human Habitation, Safe Havens, or Emergency Shelters.

An individual or family that is eligible for CoC Program-funded PSH who has been living in a place not meant for human habitation, a safe haven, or an emergency shelter. This includes persons exiting an institution where they have resided for 90 days or less but were living or residing in a place not meant for human habitation, a safe haven, or in an emergency shelter immediately prior to entering the institution.

Fourth Priority:

Homeless Individuals and Families with a Disability Coming from Transitional Housing.

An individual or family that is eligible for CoC Program-funded PSH who is coming from transitional housing, where prior to residing in the transitional housing lived on streets or in an emergency shelter, or safe haven. This priority also includes homeless individuals and homeless households with children with a qualifying disability who were fleeing or attempting to flee domestic violence, dating violence, sexual assault, or stalking and are living in transitional housing–all are eligible for PSH even if they did not live on the streets, emergency shelters, or safe havens prior to entry in the transitional housing.

PROCEDURE:

Permanent Supportive Housing Programs will be required to utilize the Coordinated Assessment Process as implemented.

Key Terms:

Homeless means (To be eligible for permanent supportive housing, people must meet the federal criteria under category [1] or [4] of the "homeless" definition in 24 578.3):

- An individual or family who lacks a fixed, regular, and adequate nighttime residence, meaning:
 - An individual or family with a primary nighttime residence that is a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings, including a car, park, abandoned building, bus or train station, airport, or camping ground;
 - An individual or family living in a supervised publicly or privately operated shelter designated to provide temporary living arrangements (including congregate shelters, transitional housing, and hotels and motels paid for by charitable organizations or by federal, state, or local government programs for low-income individuals); or

An individual who is exiting an institution where he or she resided for 90 days or less and who
resided in an emergency shelter or place not meant for human habitation immediately before
entering that institution

Disabling Condition (Disability) means:

- A person shall be considered to have a disabling condition if he or she has a condition that:
 - o Is expected to be long-continuing or of indefinite duration;
 - o Substantially impedes the individual's ability to live independently;
 - o Could be improved by the provision of more suitable housing conditions; and
 - Can be diagnosed as one or more of the following conditions: substance abuse disorder, serious mental illness, developmental disability (as defined in section 102 of the Developmental Disabilities Assistance Bill of Rights Act of 2000 (42 U.S.C. 15002)), post-traumatic stress disorder, cognitive impairments resulting from brain injury, or chronic physical illness or disability (page 53, CoC Interim Rule).
- A person will also be considered to have a disability if he or she has acquired immunodeficiency syndrome (AIDS) or any conditions arising from the etiologic agent for acquired immunodeficiency syndrome, including infection with the human immunodeficiency virus (HIV).

Chronically Homeless means:

- a) A "homeless individual with a disability," as defined in section 401(9) of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11360(9)), who:
 - i. Lives in a place not meant for human habitation, a safe haven, or in an emergency shelter; and
 - ii. Has been homeless and living as described in paragraph (a)(i) continuously for at least 12 months or on at least four separate occasions in the last 3 years, as long as the combined occasions equal at least 12 months and each break in homelessness separating the occasions included at least 7 consecutive nights of not living as described in paragraph (a)(i). Stays in institutional care facilities for fewer than 90 days will not constitute as a break in homelessness, but rather such stays are included in the 12-month total, as long as the individual was living or residing in a place not meant for human habitation, a safe haven, or an emergency shelter immediately before entering an institutional care facility;
- b) An individual who has been residing in an institutional care facility, including a jail, substance abuse or mental health treatment facility, hospital, or other similar facility, for fewer than 90 days and met all of the criteria in paragraph (a) of this definition, before entering that facility; or
- c) A family with an adult head of household (or if there is no adult in the family, a minor head of household) who meets all of the criteria in paragraph (a) or (b) of this definition described above, including a family whose composition has fluctuated while the head of household has been homeless.

Housing First means:

Housing First is an approach in which housing is offered to people experiencing homelessness without preconditions (such as sobriety, mental health treatment, or a minimum income threshold) or service participation requirements and in which rapid placement and stabilization in permanent housing are primary goals. PSH projects that use a Housing First approach promote the acceptance of applicants regardless of their sobriety or use of substances, completion of treatment, or participation in services. HUD encourages all recipients of CoC Program-funded PSH to follow a Housing First approach to the maximum extent practicable. Any recipient that indicated that they would follow a Housing First approach in a CoC Project Application must continue to do so in subsequent years, as the CoC score for that CoC Program Competition was affected by the extent in which project applications indicated that they would follow this approach and this requirement will be incorporated into the recipient's HUD grant agreement.

Severity of Service Needs means (these PSH written standards refer to persons who have been identified as having the most severe service needs):

For the purpose of these standards, this means an individual for whom at least one of the following is true:
 a. History of high utilization of crisis services, which include but are not limited to, emergency rooms, jails, and psychiatric facilities; or

b. Significant health or behavioral health challenges or functional impairments which require a significant level of support in order to maintain permanent housing.

Severe service needs as defined in paragraphs a. and b. above should be identified and verified through data-driven methods such as an administrative data match or through the use of a standardized assessment tool that can identify the severity of needs such as the Vulnerability Index (VI), the Service Prioritization Decision Assistance Tool (SPDAT), or the Frequent Users Service Enhancement (FUSE). The determination must not be based on a specific diagnosis or disability type, but only on the severity of needs of the individual.

2. In states where there is an alternate criteria used by state Medicaid departments to identify high-need, high cost beneficiaries, CoCs and recipients of CoC Program-funded PSH may use similar criteria to determine if a household has severe service needs instead of the criteria defined paragraphs a. and b. above. However, such determination must not be based on a specific diagnosis or disability type.

Summary Report for GA-501 - Georgia Balance of State CoC

Measure 1: Length of Time Persons Remain Homeless

This measures the number of clients active in the report date range across ES, SH (Metric 1.1) and then ES, SH and TH (Metric 1.2) along with their average and median length of time homeless. This includes time homeless during the report date range as well as prior to the report start date, going back no further than October, 1, 2012.

Metric 1.1: Change in the average and median length of time persons are homeless in ES and SH projects. Metric 1.2: Change in the average and median length of time persons are homeless in ES, SH, and TH projects.

	Universe (Persons)			Average LOT Homeless (bed nights)			Median LOT Homeless (bed nights)		
	Previous FY	Current FY	Previous FY	Current FY	Difference	Previous FY	Current FY	Difference	
1.1 Persons in ES and SH		4072		83			20		
1.2 Persons in ES, SH, and TH		5229		165			30		

a. This measure is of the client's entry, exit, and bed night dates strictly as entered in the HMIS system.

b. Due to changes in DS Element 3.17, metrics for measure (b) will not be reported in 2016.

This measure includes data from each client's "Length of Time on Street, in an Emergency Shelter, or Safe Haven" (Data Standards element 3.17) response and prepends this answer to the client's entry date effectively extending the client's entry date backward in time. This "adjusted entry date" is then used in the calculations just as if it were the client's actual entry date.
