Project Narrative

Madison Heights, Phase II Lovejoy, Clayton County

<<Madison Heights Phase II is a proposed 120-unit family development to be located in the City of Lovejoy and will be adjacent to Madison Heights Phase I. The development will include the new construction of 7 residential buildings and a clubhouse. The community will be centrally located off of Tara Boulevard and within walking distance via sidewalks to a public park, a grocery store, public transportation and restaurants. This site is located in census tract 406.21, is considered Middle income and has a 9.05% poverty rate.</p>

Madison Heights Phase II will provide a mix of unit choices, and will appeal to a variety of individuals and families. The project will include 16 one-bedroom units, 72 two-bedroom units, and 32 three-bedroom units. There will be 24 units at 50% of the Area Median Income, 57 units at 60% of the Area Median Income, and 39 units at market rate. Residents will enjoy an equipped playground, a wellness center, a fitness center, and an onsite laundry facility. The site will also have an outdoor gathering area for residents, and the site will be surrounded by ample green space.

The needs of the Madison Heights Phase II family population will be met in several ways. Not only will this be a mixed income community in close proximity to public transportation, but families will also enjoy the convenience this project has to offer with onsite amenities and nearby services that accommodate family life and recreation. This project will be an active community with regularly scheduled social events.

The project site for Madison Heights Phase II has been accepted into the brownfield program through the Environmental Protection Division (EPD) of the Georgia Department of National Resources. Funds have been set aside for remediation of identified contaminants along with the associated environmental cleanup which will be done under the direction of EPD and United Consulting. Being good stewards of the environment will be a top priority for Madison Heights Phase II. The development will seek the well respected Enterprise Foundation Green Communities certification. This accomplishment will allow the residents to enjoy energy efficient living spaces, lower utility costs, and will limit the environmental "foot print" of the development on the community.

There will also be a healthy housing initiative called Wellness Way incorporated into the Madison Heights Phase II community. Beyond answering the demand for affordable housing, the Madison Heights Phase II development will serve as a platform for community change to improve the health and well-being of our residents through education and regular screenings. By co-locating this initiative at our development, we can literally meet people where they are and work with them to facilitate better health outcomes for themselves and their families. Through community partnerships, we will have regular monthly visits from a medical provider for biometric screenings along with education and awareness information on topics ranging from exercise and nutrition to awareness of risk factors for cardiovascular disease and stroke.

The Project Team brings a wealth of experience, both individually and collectively as a team that has worked together over multiple projects. Significantly as it relates to Madison Heights Phase II, the Project Team has completed both a phased development, and developments over 100 units. Farmington Hills and Farmington Hills II (Winder, GA) were each 72 units, for a total of 144 units. Dunwoody Place (Huntsville, AL) was 112 units, and Glen Arbor (currently finishing construction in Mobile, AL) will also be 112 units. The aforementioned experience, along with ample HOME, TCAP and other 9% Tax Credit experience, sets our long standing and cohesive team up for success.

MHL, Inc. is the legal development entity for this project and is 100% owned by Kevin Buckner. TBG Residential is the marketing name for the developer, and is used in place of the developer in various locations throughout the application. In places where TBG Residential is seen, it should be understood that it represents MHL, Inc.

The total development cost for Madison Heights Phase II is estimated to be approximately \$18,803,344. Sources of funds for construction and permanent financing include federal and state tax credit equity along with HUD 221(d)(4) financing.

| IV. APPLICANT COMMENTS AND CLARIFICATIONS | IV. | DCA COMMENTS - DCA USE ONLY |
|--|-----|-----------------------------|
| There is an overage and a deficit created in the Equity Check above because Regions Bank is purchasing 98.99% of the Federal | | |
| credits. Direct Tax Credits is purchasing 1% of the Federal Credits at federal pricing and 100% of the State credits at state | | |
| pricing. | | |
| Interest on the bridge loan is 30-day Libor plus 350 basis points as of May 1, 2017. 30-day Libor plus 350 basis points is 4.50%. See TAB 01 for documentation. We are using the 30-day Libor rate as of May 1, 2017. The QAP says May 1, 2016 and we assumed that was a typo. (See page 52 of 61 of Exhibit A to Appendix I). | | |

| V. APPLICANT COMMENTS AND CLARIFICATIONS | VI. | DCA COMMENTS - DCA USE ONLY |
|--|-----|-----------------------------|
| * To all applicants: in addition to your other comments, please provide methodology for determining applicable construction hard | | |
| costs - | | |
| Water Tap Fees: \$525x120 units = \$63,000. Sewer Tap Fees: \$660x 120 units = \$79,200. Explanation of these costs are | | |
| in TAB 01. | | |
| Construction Inspection Fees are based on \$700 a month for 16 months. | | |
| | | |
| Construction costs are \$108,912 /unit which is within the limits of HUD's 2016 PIH Office of Capital Improvements total | | |
| development costs for the Atlanta MSA. See a Construction Hard Costs Schedule of Values in TAB 01. Construction and Bridge | | |
| Loan Financing Fees are calculated at 1%. Costs for the 2nd access drive are covered in the total construction costs. | | |
| The HUD 221(d)(4) loan requires a Working Capital Deposit. This can be a cash escrow or letter of credit of not less than 2% | | |
| of the HUD mortgage, which is \$105,100 (\$5,255,000 * 2%). DCA requires a Rent Up Reserve of 3 months of operating expenses | | |
| which is \$129,000. The Working Capital Deposit and the Rent Up Reserve are intended for the same purpose of defraying costs | | |
| of initial marketing and lease up, therefore, only the DCA Rent Up Reserve is included in this budget since it more than covers | | |
| the Working Capital Deposit required by HUD. | | |
| DCA requires an Operating Deficit Reserve in the amount of 6 months operating expenses plus 6 months of debt service. | | |
| (258,000 + 138,722 = \$396,722). HUD requires an Initial Operating Reserve to be funded at closing, but has not defined the | | |
| amount in Regions Engagement Letter found in TAB 36. The Applicant intends to utilize the DCA OPR for the same purpose as | | |
| HUD's Initial Operating Reserve, therefore, only DCA's ODR is included in this budget. | | |
| HUD requires the General Contractor to give an Assuance of Completion which can secured by a Letter of Credit in the amount | | |
| of 15% of the HUD estimate of construction. Applicant has budgeted \$39,209 for this Letter of Credit, assuming a 2% fee on the | | |
| LOC. This amount is covered in the payment and performance bond line item above. (13,069,498 *15% = \$1,960,425 LOC *2% | | |
| LOC fee = \$39,209) | | |
| Developer fee calculation: TDC \$18,803,344- Land \$900,000 -Builder Profit \$687,868- Developer Fee \$1,800,000= | | |
| \$15,415,476* 15% = \$2,312,321 max developer fee. Applicant budgeted \$1,800,000 for developer fee per the QAP | | |
| requirements. | | |
| Green Building Fee: We contacted the Program Director at Enterprise Green Communities who confirmed there are no fees to | | |
| enter this program. | | |
| Permanent Financing Fees: We do not have fees here because these fees are covered in the HUD fees line item. The HUD | | |
| fees pertain to both construction and permanent financing fees and are applied between basis and non basis per the term of each | | |
| loan. | | |
| Applicant is requesting \$950,000 in annual credits. The project consists of 120 units, 39 market rate and 81 affordable | | |
| LIHTC units. Furniture Fixtures and Equipment include \$30,000 for furnishings for the clubhouse and \$10,000 for office | | |
| equipment. | | |
| Accounting: DCA's Cost Certification \$12,500 and Contractor's Cost Cert \$10,000, +\$3,000 for Carryover Report + | | |

PART FOUR (b) - OTHER COSTS - 2017-027 - Madison Heights, Phase II - Lovejoy - Clayton, County

DCA requires the Applicant provide a narrative for all "Other" development costs listed on Part IV-Uses of Funds. For any amounts shown below the Applicant needs to provide an explanation of the cost incurred by the development. The narrative should be a brief description for DCA intended to justify its inclusion as a valid development cost. Further, if the "Other" cost is included into eligible basis, a second narrative is required describing its justification into tax credit basis. Expand row size as needed to show text.

| DEVELOPMENT COST SCHEDULE Section Name Section's Other Line Item | Description/Nature of Cost | Basis Justification |
| OTHER CONSTRUCTION HARD COSTS | | |
| Secondary Access Entrance Paving | This amount includes the construction of the secondary access road from Tara Boulevard to the project site. | These are considered off site construciton costs and are therefore, not included in basis. |
| Total Cost 81,000 Total Basis - | | |
| CONSTRUCTION PERIOD FINANCING | | |
| Bridge Loan Legal Fees (Regions Bank) | The Bridge loan is made by Regions bank. All Bridge Loan legal fees are for the construction for the project. | Legal fees associated with the Bridge Loan are related to the construciton of the building and construction period soft costs and are allowed in basis. |
| Total Cost 43,000 Total Basis 43,000 | | |
| HUD Fees | HUD fees associated with the 221 (d)(4) loan are as follows: HUD mortgage insurance (.70% of loan amount) \$36,785, HUD Application Fee (.30% of loan amount) \$15,765, HUD inspection fee (.50% of loan amount) \$26,275) and Placement Costs that inlcud a GNMA Fee of \$1,300 and Processing Fee of \$5,000, for a total of \$85,125.00. | The HUD Mortgage insurance amount includes 2 years of MIP during the construction period, and \$36,785 is therefore, included in eligible basis. Since the remaining fees pertain to both the construction and permanent loans, the fees are prorated to the construction by the length of the term. The construction loan term has 24 months and the permanent loan term has a 480 month term, for a total of 504 months. Therfore, only 24/504 (or 1/21) goes toward eligible basis. |
| Total Cost 85,125 Total Basis 39,105 | | |
| PROFESSIONAL SERVICES | | |
| Brownfield Remediation Costs Total Cost - | During the ESA a foundation of an old structure was noticed. A soils and lead anaylsis report was prepared. Due to the concentration of lead that was found, the project was entered into the Georgia Brownfield Program. The projected cost of remediation and follow-up testing are in line with other projects the developer has done. | We did not put this amount in basis as the project team believes that the cost of remediation is in may ways a part of the land value. |
| | | |

| V. APPLICANT COMMENTS AND CLARIFICATIONS | VI. | DCA COMMENTS | |
| *To all Applicants: Real estate taxes shown in Operating Budget should be prior to any tax abatement. In addition to your other | | | |
| comments, please provide methodology for determining real estate tax calculation. Property Taxes were calculated as follows: Property | | | |
| Tax Eagle estimated the FMV of this property at \$5.6 million, multiplied by the effective tax rate of 1.9% = \$106,400. See documentation | | | |
| from our property tax advisor in TAB 01. | | | |
| **To all Applicants: in addition to your other comments, please provide methodology for insurance calculation. Property insurance is | | | |
| based on \$225/unit or \$27,000 annually per our insurance agent. See documentation in TAB 01. | | | |
| | | | |
| Included above is the estimated annual budget for our Healthy Housing initiative, Wellness Way. See TAB 01 for details on this annual | | | |
| amount. | | | |
| | | | |
| | | | |
| | | | |

1 PROJECT FEASIBILITY, VIABILITY ANALYSIS, AND CONFORMANCE WITH PLAN

Pass?

Threshold Justification per Applicant

Applicant has met Threshold by adhereing to DCA's feasibility assumptions and policies. Applicant's income includes rental income plus 2% of gross potential rents and is within HUD's maximum allowable rent limits. Development and Construction costs are reasonable and consistent for the project's scope of work. Applicant believes the Federal and State Equity Pricing shown in the commitments in TAB 01 are consistent with current equity market pricing. Annual operating expenses are above the minimums stated in the 2017 QAP. Applicant has followed all of DCA's policies pertaining to Project Rents, Operating Utility Allowances, Deferred Developer Fees and Commitments in this application.

DCA's Comments:

NOTE: Unit counts are linked to Rent Chart in Part VI Revenues &

| 9 | SITE ACCESS | Pass? | | |
|---|--|-------|-----|--|
| | A. Does this site provide a specified entrance that is legally accessible by paved roads and are the appropriate drawings, surveys, photographs and other documentation reflecting such paved roads included in the electronic application binder? | А. | Yes | |
| | B. If access roads are not in place, does the application contain documentation evidencing local government approval to pave the road, a commitment for funding, and the timetable for completion of such paved roads? | В. | No | |
| | C. If the road is going to be paved by the applicant, are these costs documented in the submitted electronic application binder and reflected in the development budget provided in the core application? | C. | No | |
| | D. If use of private drive proposed, is site control of private drive documented by proof of ownership or by a properly executed easement on private drive, and are the plans for paving private drive, including associated development costs, adequately addressed in Application? | D. | Yes | |

Threshold Justification per Applicant

Applicant has met Threshold by specifying an entrance to the site that is legally accessible by proposed paved roads with a map in TAB 09. Phase I (2016-019) and Phase II will utilize the same vehicular and pedestrian site entrance. Site control of this private drive is documented in TAB 09 with an easement from the Seller, as well as an easement from Phase I to Phase II. The cost for paving these areas are covered in the budget of Phase I application and a Phase I construction loan commitment of funds is included in TAB 09, therefore, we answered "NO" in item C. above . These areas are currently under construction. Please note that Phase II has a secondary entrance drive that also provides access to the site. However, this secondary access is not the vehicular and pedestrian access point from which desirable characteristics and Paved Pedestrian Walkways are measured. The cost for paving this area is covered in the Uses of Funds, Other Construction Hard Costs. These costs are not included in eligible basis.

| 10 SITE ZONING | | Pass? | | |
|-----------------------|---|-------|------|--|
| A. Is Zoning in place | at the time of this application submission? | А. | Yes | |
| B. Does zoning of th | e development site conform to the site development plan? | В. | Yes | |
| C. Is the zoning conf | firmed, in writing, by the authorized Local Government official? | С. | Yes | |
| If "Yes": | 1) Is this written confirmation included in the Application? | 1) | Yes | |
| | 2) Does the letter include the zoning and land use classification of the property? | 2) | Yes | |
| | 3) Is the letter accompanied by a clear explanation of the requirements (include a copy of the applicable sections of the zoning ordinance highlighted for the stated classification)? | 3) | Yes | |
| | 4) Is the letter accompanied by all conditions of these zoning and land use classifications? | 4) | Yes | |
| | 5) If project is requesting HOME or HUD funds, does Local Government official also comment on whether project will include development of prime or unique farmland? | 5) | N/Ap | |
| | provided (on the Architectural Site Conceptual Development Plan either graphically or in written form) that demonstrates that the site o any moratoriums, density, setbacks or other requirements? | D. | Yes | |

Threshold Justification per Applicant

Applicant has met Threshold because this project will achieve the minimum standards for efficiency and sustainable building practices.

PART EIGHT - THRESHOLD CRITERIA - 2017-027 Madison Heights, Phase II, Lovejoy, Clayton County

Applicant Response DCA USE Disclaimer: DCA Threshold and Scoring section reviews pertain only to the corresponding funding round and have FINAL THRESHOLD DETERMINATION (DCA Use Only) no effect on subsequent or future funding round scoring decisions. Pass? **17 ACCESSIBILITY STANDARDS** Yes A. 1) Upon completion, will this project comply with all applicable Federal and State accessibility laws including but not limited to: The Fair Housing A1) Amendments Act of 1988, Americans with Disabilities Act, Section 504 of the Rehabilitation Act of 1973, Georgia Fair Housing Law and Georgia Access Law as set forth in the 2015 Accessibility Manual? (When two or more accessibility standards apply, the applicant is required to follow and apply both standards so that a maximum accessibility is obtained.) 2) Owner understands that DCA requires the Section 504 accessibility requirements to be incorporated into the design and construction of ALL new 2) Yes construction and/or rehabilitation projects selected under the 2017 Qualified Allocation Plan, regardless of whether or not the project will receive federal debt financing assistance (e.g., HOME). This constitutes a higher standard of accessibility than what may be required under federal laws. This means that all projects, including those financed with tax exempt bonds which receive an allocation of 4% tax credits and 9% tax credits-only projects, must incorporate at a minimum the requirements of the Uniform Federal Accessibility Standards into the design and construction of the project. 3) Owner claims that property is eligible for any of the stated statutory exemptions for any applicable federal, state, and local accessibility law? If so, 3) No support the claim with a legal opinion placed where indicted in Tabs Checklist. 4) Does this project comply with applicable DCA accessibility requirements detailed in the 2016 Architectural and Accessibility Manuals? 4 Yes Nbr of Units Minimum Required: **B.** 1) a. Will at least 5% of the total units (but no less than one unit) be equipped for the mobility disabled, Equipped: Nbr of Units Percentage including wheelchair restricted residents? 1) a. Mobility Impaired 6 6 5% B1)a Yes b. Roll-in showers will be incorporated into 40% of the mobility 3 40% 3 Yes 1) b. Roll-In Showers equipped units (but no fewer than one unit)? 2) Will least an additional 2% of the total units (but no less than one 2) Sight / Hearing Impaired 3 3 2% Yes unit) be equipped for hearing and sight-impaired residents? C. Applicant will retain a DCA qualified consultant to monitor the project for accessibility compliance who will not be a member of the proposed Project Team С Yes nor have an Identify of Interest with any member of the proposed Project Team? Zeffert and Associates The DCA qualified consultant will perform the following: Name of Accessibility Consultant 1) A pre-construction plan and specification review to determine that the proposed property will meet all required accessibility requirements. The C1) Yes Consultant report must be included with the Step 2 construction documents submitted to DCA. At a minimum, the report will include the initial comments from the consultant, all documents related to resolution of identified accessibility issues and a certification from the consultant that the plans appear to meet all accessibility requirements. 2) At least two training sessions for General Contractor and Subcontractors regarding accessibility requirements. One training must be on site. 2) Yes 3) An inspection of the construction site after framing is completed to determine that the property is following the approved plans and specifications as to Yes 3) accessibility. DCA must receive a copy of the report issued by the consultant as well as documentation that all issues, if any, have been resolved. 4) A final inspection of the property after completion of construction to determine that the property has been constructed in accordance with all 4) Yes accessibility requirements. DCA must receive a copy of the report issued by the consultant as well as documentation that all issues, if any, have been resolved prior to submission of the project cost certification. Threshold Justification per Applicant

Applicant has met Threshold by agreeing to all of DCA's accessibility standards.

2017 Funding Application

Housing Finance and Development Division

| PART NINE - SCORING CRITERIA - 2017-027 Madison Heights, Phase II, Lovejoy, Clayton County | | | |
|--|----------------|---------------|--------------|
| REMINUER: Applicants must include comments in sections where points are claimed. Disclaimer: DCA Threshold and Scoring section reviews pertain only to the corresponding funding round and have no effect on subsequent or future funding round scoring decisions. Failure to do so will result in a one (1) point "Application Completeness" deduction. | Score Value | Self Score | DCA Score |
| TOTALS: | 92 | 64 | 22 |

DCA has included the following area for Applicants to make comments in any section they claimed points but were not provided with comment section. Include the section/(s) you are referring to within this area along with any applicable comments.

The following scoring sections did not provide a blue scoring justification box for comments. For those sections, scoring justifications comments are below.

Section 1: Application Completeness: Applicant took all available points in this section because the application has no missing or incomplete documentation. Each submitted document is accurate and legible. The application is organized as set out in the Tab Checklist. In addition, we do not expect there to be any instances where DCA will make financial adjustments.

Section 2: Deeper Targeting/Rent Income Restrictions: Applicant agrees to set income limits at 50% AMI and gross rents at or below 30% of the 50% income limit for at least 20% of the units, and therefore, qualifies for 2 points. There are 24 units at 50% AMI in this project.

Section 5: Brownfield: Georgia EPD has defined the Madison Heights Phase II site as a Brownfield site. Evidence of this designation, an opinion letter from United Consulting, a clean-up plan, work scope, budget and timeline can be found in TAB 28.

Section 7: Stable Communities: Project is located in a stable community with Middle income designation and a poverty level of 9.05%. The most recent FFIEC Census Report demonstrating the project meets these requirements can be found in TAB 30. The project is located in sub-cluster A-3 and has 39 (32.9%) market rate units.

Section 11: Extended Affordability Commitment: Owner is willing to forego the Qualified Contract Cancellation Option for at least 5 years after the close of the Compliance Period.

Georgia Department of Community Affairs Housing Finance and Development Division 60 Executive Park South, NE. Atlanta, Georgia 30329-2231

Re: Application for Low-Income Housing Tax Credit and/or HOME Funding

To DCA:

This Application is submitted in accordance with the 2017 Qualified Allocation Plan and the Housing Finance and Development Division Manuals. In submitting this Application for funding consideration, the undersigned applicant hereby certifies:

- 1) I understand that, in the event an allocation (or an allowance) for LIHTCs was obtained with false information supplied to the Georgia Department of Community Affairs ("DCA"), DCA will recapture the LIHTCs or request that the IRS deny tax credits to the Applicant entity. Also, a supplier, including the developer or owner, who knowingly provides false information will be barred by DCA from program participation for a period of five (5) years from the date the false information was discovered, in accordance with a Memorandum of Understanding between the Internal Revenue Service and the Georgia Housing and Finance Authority.
- 2) I am responsible for ensuring the project consists or will consist of a qualified low-income building (or buildings) as defined in the Internal Revenue Code section 42(c)(2) and will satisfy all applicable requirements of State and Federal tax law in the acquisition, development and operation of the project to receive State and federal housing tax credits.
- 3) I am responsible for all calculations and figures relating to the determination of the eligible basis of the building(s). I understand and agree the amount of the credit is allocated by reference to the figures that I submit as to eligible and qualified basis. I understand that the actual amount of credit allocated may vary somewhat from the amount initially reserved or committed due to (a) the determination by the Georgia Department of Community Affairs ("DCA") as to the amount of credit necessary for the financial feasibility of the project and its viability as a qualified low-income housing project; (b) revisions in the calculations of eligible and qualified basis as finally determined; (c) fluctuations in the prevailing credit percentage; and (d) availability of the credit.
- 4) I understand and agree that DCA makes no representations or warranties regarding the financial feasibility of the project, the amount of credit, or the appropriateness of the allocation of the credit and makes no independent investigation as to the eligible and qualified basis and that any and all credit awards and credit amounts are solely based on representations made by me. I therefore agree to hold harmless and indemnify DCA and the individual directors, employees, members, officers, and agents of DCA in the event that I or anyone acting on my behalf, at my request or by and through me incurs any loss, injury, or damages in conjunction with the project including those that may result from any inquiries or gathering of information by DCA concerning the proposed project team or Application, diminution of the credit, loss of the credit, recapture of part or all of the credit, failure to allocate the credit requested in my Application or, the failure of DCA, in whole or in part, to grant my Application.
- 5) I understand and agree that neither DCA nor any of its individual directors, employees, members, officers, or agents assume any responsibility or make any representations or warranties with respect to: (i) the amount or availability of credit for the project; or (ii) the financial feasibility of the project.

- 6) I understand and agree that my Application for a low-income housing credit and/or HOME loan, all attachments thereto, amendments, and all correspondence relating to my Application in particular or the credit in general are subject to a request disclosure under the Georgia Open Records Act and I expressly consent to such disclosure. I further understand and agree that any and all correspondence to me from DCA, other DCA-generated documents, or documents to or from a third party in the possession of DCA relating to my Application are subject to a request for disclosure under the Georgia Open Records Act and I expressly consent to such disclosure under the Georgia Open Records Act and I expressly consent to such disclosure. I agree to hold harmless DCA and the individual directors, employees, members, officers, and agents of DCA against all losses, costs, damages, expenses, and liability of whatsoever nature or kind (including, but not limited to, attorneys' fees, litigation, and court costs) directly or indirectly resulting from or arising out of the release of all information pertaining to my Application pursuant to a request under the Georgia Open Records Act or resulting from or arising out of the release.
- 7) I understand and agree to authorize DCA access to information relevant to DCA's Application review. I understand that DCA may request an IRS Form 8821 for any Project Participant through final allocation of credits and/or disbursement of funds. Project Participants will complete Form 8821 upon DCA's request.
- 8) I understand that any misrepresentations, which includes fraudulent, negligent, and/or innocent, in this Application or supporting documentation may result in a withdrawal of tax credits and/or HOME loan by DCA, my (and related parties) being barred from future program participation, and notification of the Internal Revenue Service and/or HUD.
- 9) I certify that all sources of funds, including but not limited to Federal, State and local funding sources, have been disclosed and revealed.

In addition, Applicant understands:

- The above certifications are of a continuing nature and apply at all stages of the Application process: initial application, commitment, carryover allocation, and final allocation/funding.
- DCA must be notified of any subsequent events or information, which would change any statements or representations in the attached Application or amendments thereto;
- DCA reserves the right to verify all information or documents used in processing the Application, including requiring credit checks on all parties involved in the transaction. Applicant hereby authorizes the financing bank, accountant, mortgage lender, creditors, other state housing agencies and others sources identified in the Application to release information to DCA or its designee in order to verify the accuracy of information in the Application and amendments thereto.

Applicant agrees and understands that it may be charged for all fees and costs incurred by DCA in the inspection of funded properties during and after construction and in the enforcement of DCA regulations and policies.

Under penalty of perjury, to the best of my knowledge, I certify that all of the information in the attached Application, including all supporting documentation, is correct, complete and accurate.
