Project Narrative

Prominence Senior Village Canton, Cherokee County

Prominence Senior Village is a proposed 75 unit senior housing development for head of household sixty-two and older and will compete in the Flexible Pool. Prominence Senior Village will be located in Canton, Cherokee County, Georgia. The property is located off Prominence Point Parkway, part of parcel # 15N13 008. We believe that the development of Prominence Senior Village will provide quality affordable housing to the senior residents of Cherokee County. Not only will Prominence Senior Village provide the needed housing and economic boost, but it will provide it in the most beneficial and desirable location. There are a multitude of shopping and dining opportunities for the residents within a mile of Prominence Senior Village.

Prominence Senior Village will consist of one three-story building with an elevator. As stated previously, our residents will be head of household sixty-two and older and Prominence Senior Village will have other amenities geared towards an aging population, such as: a community room for community events, a fitness center with low impact exercise equipment appropriate for an aging population, a fully equipped computer center, a centralized laundry facility, a covered pavilion with a bbq area, a fenced community garden, a covered patio and sitting areas throughout the interior common space of the building for our residents to rest and socialize.

-Furthermore, Prominence Senior Village will obtain Ten (10) additional points over minimum in the Enterprise Foundation Green Communities certification program (following Enterprise Green Communities protocol under the guidance of an Enterprise Qualified TA provider). This will ensure that the property is developed in a sustainable manner and will extend the useful life of the development beyond what would be expected without the Green Communities Certification. This will furthermore ensure that the residents of Prominence Senior Village are afforded a more enjoyable and sustainable environment in which to live.

-There is a need for affordable senior housing in Cherokee County that is widely recognized in the community. Tim Morris, Director of Cherokee County Senior Services, recently stated in an article in the Cherokee Tribune & Ledger-News, "The problem I find is there is not nearly enough housing for seniors that are based on their income. We get more calls from seniors and family looking for a place that is affordable. This will be a problem in the future with the growth. We have a lot of seniors living on very low income". The development of Prominence Senior Village will increase the inventory of affordable senior housing that is very much needed in Cherokee County.

-In conclusion, Prominence Senior Village will be financed with equity from Affordable Equity Partners, a construction and perm loan from Lancaster Pollard which will be a FHA insured loan through the 221(d)(4) program and a construction loan from Sterling Bank. Affordable Equity Partners, Lancaster Pollard, HUD and Sterling Bank believe that investing in Prominence Senior Village is a sound decision, both from a financial and sociological perspective.

Hard cost estimates provided by experienced multi-family construction company.		
See Tab 1 in this application for a breakout of Local Government Fees.		
Construction Period Interest estimated based on construction loan interest rate and timing of equity pay-ins. Construction loan fee based upon amount in preliminary debt commitment.		
Professional Costs and Fees amounts estimated based upon other deals in owner's portfolio.		

PART FOUR (b) - OTHER COSTS - 2017-033 - Prominence Senior Village - Canton - Cherokee, County

DCA requires the Applicant provide a narrative for all "Other" development costs listed on Part IV-Uses of Funds. For any amounts shown below the Applicant needs to provide an explanation of the cost incurred by the development. The narrative should be a brief description for DCA intended to justify its inclusion as a valid development cost. Further, if the "Other" cost is included into eligible basis, a second narrative is required describing its justification into tax credit basis. Expand row size as needed to show text.

17 ACCESSIBILITY STANDARDS

- A. 1) Upon completion, will this project comply with all applicable Federal and State accessibility laws including but not limited to: The Fair Housing Amendments Act of 1988, Americans with Disabilities Act, Section 504 of the Rehabilitation Act of 1973, Georgia Fair Housing Law and Georgia Access Law as set forth in the 2015 Accessibility Manual? (When two or more accessibility standards apply, the applicant is required to follow and apply both standards so that a maximum accessibility is obtained.)
 - 2) Owner understands that DCA requires the Section 504 accessibility requirements to be incorporated into the design and construction of ALL new construction and/or rehabilitation projects selected under the 2017 Qualified Allocation Plan, regardless of whether or not the project will receive federal debt financing assistance (e.g., HOME). This constitutes a higher standard of accessibility than what may be required under federal laws. This means that all projects, including those financed with tax exempt bonds which receive an allocation of 4% tax credits and 9% tax credits-only projects, must incorporate at a minimum the requirements of the Uniform Federal Accessibility Standards into the design and construction of the project.
 - 3) Owner claims that property is eligible for any of the stated statutory exemptions for any applicable federal, state, and local accessibility law? If so, support the claim with a legal opinion placed where indicted in Tabs Checklist.

The Consultant report must be included with the Step 2 construction documents submitted to DCA. At a minimum, the report will include the initial comments from the consultant, all documents related to resolution of identified accessibility issues and a certification from the consultant that the plans appear to meet all accessibility requirements.
- 2) At least two training sessions for General Contractor and Subcontractors regarding accessibility requirements. One training must be on site.
- 3) An inspection of the construction site after framing is completed to determine that the property is following the approved plans and specifications as to accessibility. DCA must receive a copy of the report issued by the consultant as well as documentation that all issues, if any, have been resolved.
- 4) A final inspection of the property after completion of construction to determine that the property has been constructed in accordance with all accessibility requirements. -The Applicant evaluated the needs data present in two local CHNAs, The County Health Rankings & Reports and The Center for Disease Control and Prevention – Community Health Status Indicators (CHSI) and determined the most pressing health needs in Cherokee County (High Blood Pressure – either undiagnosed or poorly managed, Heart Disease, Stroke, Obesity and/or high BMI/overweight, Smoking cessation, Overall health topics to increase life expectancy and need for convenient low cost basic health screening and education) could most effectively be addressed by the implementation of a Preventive Health Screening/Wellness Program for Residents. The Applicant signed MOUs with U.S. Mobile Health Exams, Inc. who will provide mobile health screenings to consist of Blood pressure, Body Mass Index (BMI) checks, Hearing Tests and Vision Screenings and the Harbin Clinic, who will provide monthly on-site complimentary education classes to focus on topics specific to the pressing health needs noted in Cherokee County. All services will be offered on-site at Prominence Senior Village and will provide a convenient, efficient and effective way for residents to receive these services without having to leave the development.

- Health Screenings to be provided by U.S. Mobile Health Exams, Inc. will take place in their mobile testing trailer which they have agreed to deliver monthly with 2 technicians to perform the screenings. The mobile testing trailer will be located on the development property of Prominence Senior Village during the monthly screenings. However, the Applicant will still construct a separate screening room on site at Prominence Senior Village in the event that the need for this room arises so the Applicant can continue to meet its obligations to provide measured results in annual reports to DCA for a period of not less than five years from completion.

- The Applicant will measure the use and health outcome impact of the health screening services (to be provided by U.S. Mobile Health Exams, Inc.) and the use and health outcome impact of the health education classes (to be given by the Harbin Clinic) by providing voluntary anonymous surveys to the residents. The Applicant will also tabulate how many residents use the health screening services each month and how many residents attend the health screening classes each month. These utilization and attendance numbers will be anonymous to protect the privacy of residents. These results will be compiled and tabulated in annual reports that will be submitted to DCA for a period of not less than five years from completion.

In conclusion, the Applicant is eligible for three (3) points in this section. Required documentation is included in tab 40.

2017 Funding Application

Housing Finance and Development Division

PART NINE - SCORING CRITERIA - 2017-033 Prominence Senior Village, Canton, Cherokee County		
REMINDER: Applicants must include comments in sections where points are claimed. Disclaimer: DCA Threshold and Scoring section reviews pertain only to the corresponding funding round and have no effect on subsequent or future funding round scoring decisions. Failure to do so will result in a one (1) point "Application Completeness" deduction.	Score Value	Self DCA Score Score
TOTALS:	92	64 22

DCA has included the following area for Applicants to make comments in any section they claimed points but were not provided with comment section. Include the section/(s) you are referring to within this area along with any applicable comments.

Section 20 - Quality Education Area. THE APPLICANT IS ELIGIBLE FOR TWO (2) POINTS IN THIS SECTION, NOT ONE (1). The Applicant is selecting "Other" tenancy per DCA's instructions as Prominence Senior Village will be a 62+ head of household tenancy which is a senior tenancy (HUD 221(d)(4) definition of elderly). The formula to calculate the score in this section is incorrectly showing one (1) point when two (2) points should be shown.

THE TOTAL SELF SCORE and TOTAL POSSIBLE SCORE IS 64, not 63 as shown at the top and bottom of Part IX A-Scoring Criteria.

Re: Application for Low-Income Housing Tax Credit and/or HOME Funding

To DCA:

This Application is submitted in accordance with the 2017 Qualified Allocation Plan and the Housing Finance and Development Division Manuals. In submitting this Application for funding consideration, the undersigned applicant hereby certifies:

- 1) I understand that, in the event an allocation (or an allowance) for LIHTCs was obtained with false information supplied to the Georgia Department of Community Affairs ("DCA"), DCA will recapture the LIHTCs or request that the IRS deny tax credits to the Applicant entity. Also, a supplier, including the developer or owner, who knowingly provides false information will be barred by DCA from program participation for a period of five (5) years from the date the false information was discovered, in accordance with a Memorandum of Understanding between the Internal Revenue Service and the Georgia Housing and Finance Authority.
- 2) I am responsible for ensuring the project consists or will consist of a qualified low-income building (or buildings) as defined in the Internal Revenue Code section 42(c)(2) and will satisfy all applicable requirements of State and Federal tax law in the acquisition, development and operation of the project to receive State and federal housing tax credits.
- 3) I am responsible for all calculations and figures relating to the determination of the eligible basis of the building(s). I understand and agree the amount of the credit is allocated by reference to the figures that I submit as to eligible and qualified basis. I understand that the actual amount of credit allocated may vary somewhat from the amount initially reserved or committed due to (a) the determination by the Georgia Department of Community Affairs ("DCA") as to the amount of credit necessary for the financial feasibility of the project and its viability as a qualified low-income housing project; (b) revisions in the calculations of eligible and qualified basis as finally determined; (c) fluctuations in the prevailing credit percentage; and (d) availability of the credit.
- 4) I understand and agree that DCA makes no representations or warranties regarding the financial feasibility of the project, the amount of credit, or the appropriateness of the allocation of the credit and makes no independent investigation as to the eligible and qualified basis and that any and all credit awards and credit amounts are solely based on representations made by me. I therefore agree to hold harmless and indemnify DCA and the individual directors, employees, members, officers, and agents of DCA in the event that I or anyone acting on my behalf, at my request or by and through me incurs any loss, injury, or damages in conjunction with the project including those that may result from any inquiries or gathering of information by DCA concerning the proposed project team or Application, diminution of the credit, loss of the credit, recapture of part or all of the credit, failure to allocate the credit requested in my Application or, the failure of DCA, in whole or in part, to grant my Application.
- 5) I understand and agree that neither DCA nor any of its individual directors, employees, members, officers, or agents assume any responsibility or make any representations or warranties with respect to: (i) the amount or availability of credit for the project; or (ii) the financial feasibility of the project.

- 6) I understand and agree that my Application for a low-income housing credit and/or HOME loan, all attachments thereto, amendments, and all correspondence relating to my Application in particular or the credit in general are subject to a request disclosure under the Georgia Open Records Act and I expressly consent to such disclosure. I further understand and agree that any and all correspondence to me from DCA, other DCA-generated documents, or documents to or from a third party in the possession of DCA relating to my Application are subject to a request for disclosure under the Georgia Open Records Act and I expressly consent to such disclosure under the Georgia Open Records Act and I expressly consent to such disclosure. I agree to hold harmless DCA and the individual directors, employees, members, officers, and agents of DCA against all losses, costs, damages, expenses, and liability of whatsoever nature or kind (including, but not limited to, attorneys' fees, litigation, and court costs) directly or indirectly resulting from or arising out of the release of all information pertaining to my Application pursuant to a request under the Georgia Open Records Act or resulting from or arising out of the release.
- 7) I understand and agree to authorize DCA access to information relevant to DCA's Application review. I understand that DCA may request an IRS Form 8821 for any Project Participant through final allocation of credits and/or disbursement of funds. Project Participants will complete Form 8821 upon DCA's request.
- 8) I understand that any misrepresentations, which includes fraudulent, negligent, and/or innocent, in this Application or supporting documentation may result in a withdrawal of tax credits and/or HOME loan by DCA, my (and related parties) being barred from future program participation, and notification of the Internal Revenue Service and/or HUD.
- 9) I certify that all sources of funds, including but not limited to Federal, State and local funding sources, have been disclosed and revealed.

In addition, Applicant understands:

- The above certifications are of a continuing nature and apply at all stages of the Application process: initial application, commitment, carryover allocation, and final allocation/funding.
- DCA must be notified of any subsequent events or information, which would change any statements or representations in the attached Application or amendments thereto;
- DCA reserves the right to verify all information or documents used in processing the Application, including requiring credit checks on all parties involved in the transaction. Applicant hereby authorizes the financing bank, accountant, mortgage lender, creditors, other state housing agencies and others sources identified in the Application to release information to DCA or its designee in order to verify the accuracy of information in the Application and amendments thereto.

Applicant agrees and understands that it may be charged for all fees and costs incurred by DCA in the inspection of funded properties during and after construction and in the enforcement of DCA regulations and policies.

Under penalty of perjury, to the best of my knowledge, I certify that all of the information in the attached Application, including all supporting documentation, is correct, complete and accurate.
