Project Narrative White Circle Phase 3 Marietta, Cobb County

White Circle Phase 3 will be developed, built and managed through the Marietta Housing Authority. This development will consist of 108 one-, two-, and three- bedroom units. We will set aside the majority of units for moderate-income families earning 60% or less of the area median income.

The community will serve a workforce market and as such, these residents will derive a great value from the kid's clubs programs. These activities are specially planned with different age groups in mind and will include educational and enrichment programs, field trips and mentoring opportunities.

The community will also serve the adult residents by sponsoring programs such as Moms & Tots and the Single Parents Night Out. Family outings to local cultural activities will be encouraged through the reimbursement of 90% of the costs. Additionally, other field trips and social functions are sponsored throughout the year. Many of these residents will use these functions as their primary opportunity for social interaction.

Floorplans at the White Circle Phase 3 will include spacious one-, two-, and three-bedroom homes with Whirlpool appliances, including self-cleaning ovens, separate laundry rooms with pantry shelving and convenient raised vanities in the baths. Each home will be pre-wired for home office technology with high-speed internet and fax capabilities.

Construction materials will include hardi siding in a neutral palette, accented with brick and masonry. Till-out insulated aluminum windows will provide an attractive exterior appearance as well as excellent energy efficiency. All ground floor units will be accessible and adaptable. Several apartment units will be handicap accessible and as such will be fitted with all appropriate handicap features as required by local and federal building codes, and some will have features specifically designed for those with audio &/or visual impairments.

White Circle Phase 3 will included planted areas containing landscape materials of high-quality and above-average size. All trees will be a minimum caliper size of 2" in diameter and shrubs shall have a minimum height of 24". Ground covers shall be a minimum size of 1 gallon and placed a minimum of 18" on center.

Areas of central focal point will include street trees, sodded lawns, seasonal planting beds and attractive fencing. High-end entry signage will be comparable to other Marietta Housing communities.

White Circle Phase 3 will be developed, built and managed through the Marietta Housing Authority.

V. APPLICANT COMMENTS AND CLARIFICATIONS	VI.	DCA COMMENTS - DCA USE ONLY
* To all applicants: in addition to your other comments, please provide methodology for determining applicable construction hard costs.		
We are currently under construction on the first phase of White Circle with similar construction as the product proposed here. We are basing our hard cost estimate on these numbers.		
Impact Fee estimates are located in Tab 01 for feasibility. We obtained these from our contractor who is doing the work on Phase 1.		

PART FOUR (b) - OTHER COSTS - 2017-045 - White Circle Phase 3 - Marietta - Cobb, County

DCA requires the Applicant provide a narrative for all "Other" development costs listed on Part IV-Uses of Funds. For any amounts shown below the Applicant needs to provide an explanation of the cost incurred by the development. The narrative should be a brief description for DCA intended to justify its inclusion as a valid development cost. Further, if the "Other" cost is included into eligible basis, a second narrative is required describing its justification into tax credit basis. Expand row size as needed to show text.

Scoring Section 8.C.1 - Transformational Communities: Community Improvement Fund Narrative

White Circle Phase 3 Marietta, Cobb County

The funds allocated by Marietta Housing Authority will be used for the primary support of the "Ready to Learn" Program operation. This innovative education program delivers critical literacy supports and assessment to elementary school students to help further academic achievement and high school graduation rates. In addition, students participating in the program will be surrounded by an array of supportive services to promote healthy, stable homes. Supports to be funded by the Community Improvement fund may include, but are not limited to:

- · Access to onsite wellness programming and healthy lifestyle education for families
- Assessment and tutoring
- Assistance with transportation to the Kennesaw State University Literacy Center
- · Leveled library of books for teaching and practice and materials for learning
- · Provision of needed school supplies and uniforms
- · Support programs to help parents meet challenges related to healthcare, employment, transportation and continuing education

Scoring Section 16 - Innovative Project Concept Narrative

White Circle Phase 3 Marietta, Cobb County

Research affirms that reading comprehension by 3rd grade is a strong determiner of future academic success and High School Graduation. It is at this point that students no longer "learn to read" but "read to learn". An average of 16% of children not reading on grade level by 3rd grade do not graduate on time. For children living in poverty this number rises to 27%.

Obstacles that hinder a student, in even the school districts, obstruct children in low-income households to exponential effect. These challenges include; decent housing, access to healthcare, including mental healthcare, food insecurity, and lack of supplies needed to complete schoolwork.

White Circle Phase 3 is situated in the attendance zones of exceptional elementary, middle and high schools. In addition, since 2016 the project has been working with Dr. Shannon Howrey, Associate Professor of Reading and Literacy Education Reading Endorsement Coordinator at Kennesaw State University (KSU), the KSU "EDge" organization for future teachers, and Parents with a Purpose to develop an Innovative Approach to Literacy. This dedicated team has been focused on the critical benchmark of 3rd grade literacy and the "4th grade slump". To support this effort the "Ready to Learn" program has been developed to help children achieve quality education outcomes and break the cycle of intergenerational poverty.

Proposed services include:

- · Education supports:
- o Assessment and tutoring through Kennesaw State University for literacy on grade level, with a focus on ensuring literacy on grade level by grade 3.
- o After school and summer tutoring, homework help and mentoring, onsite in the "Adventure Center" operated by Parents with a Purpose for k-5.
- o Reading program which provides an age-appropriate book-a-month and quarterly reading rewards for students, in addition to a kids' book sale and a parade in celebration of reading.
- o Teen service leadership opportunities focused on high school graduation through work and college visits with mentors.
- o Provide children in need with school supplies and school uniforms.
- · Family Stability:
- o Low cost mental health and family counseling, including referrals for specialties such as domestic violence and substance abuse through Legacy Strategy Counseling, Summit Counseling, Cameron Butler Counseling, Family Mosaic Counseling and Laurie Chandler Counseling.
- o Access to onsite Wellness programming via our Wellness center and partnership with Family Healthcare group of Georgia.
- o "Raising Highly Capable Kids" Program
- * Provides caregivers and children strong conflict resolution, teamwork and civic engagement skills.
- o Monthly support programs for parents: cooking classes, financial education, parenting workshops and cultural enrichment programs with a focus on single parent's needs.
- Food Security:
- o Bi-weekly food cooperatives with the Food Security for America, which provides fruits and vegetables, package grocery items and frozen meats to resident families, for \$4 per session.

Our benchmark for success in this program will focused on progress towards ensuring children can read on grade level by grade 3, as well as High School graduation rates. Additional data collection will be related supportive program engagement and family success.

Re: Application for Low-Income Housing Tax Credit and/or HOME Funding

To DCA:

This Application is submitted in accordance with the 2017 Qualified Allocation Plan and the Housing Finance and Development Division Manuals. In submitting this Application for funding consideration, the undersigned applicant hereby certifies:

- 1) I understand that, in the event an allocation (or an allowance) for LIHTCs was obtained with false information supplied to the Georgia Department of Community Affairs ("DCA"), DCA will recapture the LIHTCs or request that the IRS deny tax credits to the Applicant entity. Also, a supplier, including the developer or owner, who knowingly provides false information will be barred by DCA from program participation for a period of five (5) years from the date the false information was discovered, in accordance with a Memorandum of Understanding between the Internal Revenue Service and the Georgia Housing and Finance Authority.
- 2) I am responsible for ensuring the project consists or will consist of a qualified low-income building (or buildings) as defined in the Internal Revenue Code section 42(c)(2) and will satisfy all applicable requirements of State and Federal tax law in the acquisition, development and operation of the project to receive State and federal housing tax credits.
- 3) I am responsible for all calculations and figures relating to the determination of the eligible basis of the building(s). I understand and agree the amount of the credit is allocated by reference to the figures that I submit as to eligible and qualified basis. I understand that the actual amount of credit allocated may vary somewhat from the amount initially reserved or committed due to (a) the determination by the Georgia Department of Community Affairs ("DCA") as to the amount of credit necessary for the financial feasibility of the project and its viability as a qualified low-income housing project; (b) revisions in the calculations of eligible and qualified basis as finally determined; (c) fluctuations in the prevailing credit percentage; and (d) availability of the credit.
- 4) I understand and agree that DCA makes no representations or warranties regarding the financial feasibility of the project, the amount of credit, or the appropriateness of the allocation of the credit and makes no independent investigation as to the eligible and qualified basis and that any and all credit awards and credit amounts are solely based on representations made by me. I therefore agree to hold harmless and indemnify DCA and the individual directors, employees, members, officers, and agents of DCA in the event that I or anyone acting on my behalf, at my request or by and through me incurs any loss, injury, or damages in conjunction with the project including those that may result from any inquiries or gathering of information by DCA concerning the proposed project team or Application, diminution of the credit, loss of the credit, recapture of part or all of the credit, failure to allocate the credit requested in my Application or, the failure of DCA, in whole or in part, to grant my Application.
- 5) I understand and agree that neither DCA nor any of its individual directors, employees, members, officers, or agents assume any responsibility or make any representations or warranties with respect to: (i) the amount or availability of credit for the project; or (ii) the financial feasibility of the project.

- 6) I understand and agree that my Application for a low-income housing credit and/or HOME loan, all attachments thereto, amendments, and all correspondence relating to my Application in particular or the credit in general are subject to a request disclosure under the Georgia Open Records Act and I expressly consent to such disclosure. I further understand and agree that any and all correspondence to me from DCA, other DCA-generated documents, or documents to or from a third party in the possession of DCA relating to my Application are subject to a request for disclosure under the Georgia Open Records Act and I expressly consent to such disclosure. I agree to hold harmless DCA and the individual directors, employees, members, officers, and agents of DCA against all losses, costs, damages, expenses, and liability of whatsoever nature or kind (including, but not limited to, attorneys' fees, litigation, and court costs) directly or indirectly resulting from or arising out of the release of all information pertaining to my Application pursuant to a request under the Georgia Open Records Act or resulting from or arising out of the release.
- 7) I understand and agree to authorize DCA access to information relevant to DCA's Application review. I understand that DCA may request an IRS Form 8821 for any Project Participant through final allocation of credits and/or disbursement of funds. Project Participants will complete Form 8821 upon DCA's request.
- 8) I understand that any misrepresentations, which includes fraudulent, negligent, and/or innocent, in this Application or supporting documentation may result in a withdrawal of tax credits and/or HOME loan by DCA, my (and related parties) being barred from future program participation, and notification of the Internal Revenue Service and/or HUD.
- 9) I certify that all sources of funds, including but not limited to Federal, State and local funding sources, have been disclosed and revealed.

In addition, Applicant understands:

- The above certifications are of a continuing nature and apply at all stages of the Application process: initial application, commitment, carryover allocation, and final allocation/funding.
- DCA must be notified of any subsequent events or information, which would change any statements or representations in the attached Application or amendments thereto;
- DCA reserves the right to verify all information or documents used in processing the Application, including requiring credit checks on all parties involved in the transaction. Applicant hereby authorizes the financing bank, accountant, mortgage lender, creditors, other state housing agencies and others sources identified in the Application to release information to DCA or its designee in order to verify the accuracy of information in the Application and amendments thereto.

Applicant agrees and understands that it may be charged for all fees and costs incurred by DCA in the inspection of funded properties during and after construction and in the enforcement of DCA regulations and policies.

Under penalty of perjury, to the best of my knowledge, I certify that all of the information in the attached Application, including all supporting documentation, is correct, complete and accurate.
