# Project Narrative The Onion Patch Vidalia, Toombs County

Vidalia, Georgia is home to the world famous Vidalia Onion. Located in Toombs County, Vidalia is the largest city. The Onion Patch is our play on this historic city's greatest export. Located centrally within the city, the 72 unit facility will set a new bar for the existing affordable housing in the community. Our residents could be employees of the Meadows Regional Medical Center or Charcol Daddies, both located within 2 miles of our site. We know the vibrant community of Vidalia is a wonderful place to call home for anyone so we are proud to bring our Foundation's award winning approach at community building to this central community.

Our community will feature both a single three story building as well as our cottage units to provide a diversity of housing options that will meet the demand of the local renting population. Rents will begin at \$383 and go to \$675, while offering a mix of 50%, 60%, and market units. Our residents will enjoy game nights, movie nights, and BBQs (although they might get an earful at the healthy eating classes).

Beverly J. Searles Foundation, Inc. ('BJS Foundation') is a not-for-profit developer, owner and operator, of quality affordable housing in communities in Georgia. This localized development experience allows BJS Foundation to focus and grow expertise in the affordable housing needs of State of Georgia and its communities. Working with experienced partners in the process compliments and enhances this experience. BJS Foundation intends to work with Martin Riley Associates Architects once again, building on an established relationship and previous experience to create the high standard community product BJS Foundation is proud to bring to Georgia communities. Fairway Construction Company, Inc. will be the general contractor with its 30 years of experience constructing affordable housing developments; and Fairway Management, Inc. will be the property manager, using its extensive 170 community portfolio with an overall occupancy of 97% to ensure the community runs efficiently, effectively, and at full compliance with Housing Tax Credit program requirement. Affordable Equity Partners, Inc. will offer equity pricing at a fair value.

DCA requires the Applicant provide a narrative for all "Other" development costs listed on Part IV-Uses of Funds. For any amounts shown below the Applicant needs to provide an explanation of the cost incurred by the development. The narrative should be a brief description for DCA intended to justify its inclusion as a valid development cost. Further, if the "Other" cost is included into eligible basis, a second narrative is required describing its justification into tax credit basis. Expand row size as needed to show text.

#### 19. HEALTHY HOUSING INITIATIVES

(choose A or B or C)

Pre-requisites:

- 1. In Application submitted, Applicant used the following needs data to more efficiently target the proposed initiative for a proposed property:
- a) A local Community Health Needs Assessment (CHNA)
- b) The "County Health Rankings & Reports" website: http://www.countyhealthrankings.org/health-gaps/georgia
- c) The Center for Disease Control and Prevention Community Health Status Indicators (CHSI) website

- 3. Explain the need for the targeted health initiative proposed in this section.

We have three pages in our CTP discussing Healthy Housing Initiatives and pur plans to expand outside the walls of The Onion Patch. The paragraphs below summarize the pages from the CTP>

The Healthy Housing Initiative for The Onion Patch will help address the needs of Toombs County residents. Among the risks are those identified using the Centers for Disease Control and Prevention - Community Health Status Indicators website. Identified Primary Indicators (least favorable quartile) morbidity risks include: adult obesity, adult diabetes, HIV and preterm births.

County Health Rankings and Roadmaps, a Robert Wood Johnson program, revealed startling and scary data about Toombs County. Toombs in ranked 117 among 159 Georgia counties on Length of Life. Toombs is #121 on Quality of Life. Toombs County is worse than Georgia in Adult Smoking, Adult obesity, Physical inactivity, teen births and sexually transmitted infections.

The Community Health Needs Assessment for Toombs County noted that the highest causes of age-adjusted death rate were [1] heart disease [2] all COPD except asthma [3] cerebrovascular disease.

These risks can be partially addressed with monthly health screenings and personal health knowledge, teaching and understanding. The detailed health risk assessment, including diabetes prevention training and screenings, and other diagnostic screenings proposed by Accordia Healthcare will address these risk factors.

Also the Regional Commission (HOGARC) conducts healthy living classes at various locations in the 17-county HOGARC territory. BJS Foundation will work with HOGARC to bring these classes to The Onion Patch.

Re: Application for Low-Income Housing Tax Credit and/or HOME Funding

To DCA:

This Application is submitted in accordance with the 2017 Qualified Allocation Plan and the Housing Finance and Development Division Manuals. In submitting this Application for funding consideration, the undersigned applicant hereby certifies:

- 1) I understand that, in the event an allocation (or an allowance) for LIHTCs was obtained with false information supplied to the Georgia Department of Community Affairs ("DCA"), DCA will recapture the LIHTCs or request that the IRS deny tax credits to the Applicant entity. Also, a supplier, including the developer or owner, who knowingly provides false information will be barred by DCA from program participation for a period of five (5) years from the date the false information was discovered, in accordance with a Memorandum of Understanding between the Internal Revenue Service and the Georgia Housing and Finance Authority.
- 2) I am responsible for ensuring the project consists or will consist of a qualified low-income building (or buildings) as defined in the Internal Revenue Code section 42(c)(2) and will satisfy all applicable requirements of State and Federal tax law in the acquisition, development and operation of the project to receive State and federal housing tax credits.
- 3) I am responsible for all calculations and figures relating to the determination of the eligible basis of the building(s). I understand and agree the amount of the credit is allocated by reference to the figures that I submit as to eligible and qualified basis. I understand that the actual amount of credit allocated may vary somewhat from the amount initially reserved or committed due to (a) the determination by the Georgia Department of Community Affairs ("DCA") as to the amount of credit necessary for the financial feasibility of the project and its viability as a qualified low-income housing project; (b) revisions in the calculations of eligible and qualified basis as finally determined; (c) fluctuations in the prevailing credit percentage; and (d) availability of the credit.
- 4) I understand and agree that DCA makes no representations or warranties regarding the financial feasibility of the project, the amount of credit, or the appropriateness of the allocation of the credit and makes no independent investigation as to the eligible and qualified basis and that any and all credit awards and credit amounts are solely based on representations made by me. I therefore agree to hold harmless and indemnify DCA and the individual directors, employees, members, officers, and agents of DCA in the event that I or anyone acting on my behalf, at my request or by and through me incurs any loss, injury, or damages in conjunction with the project including those that may result from any inquiries or gathering of information by DCA concerning the proposed project team or Application, diminution of the credit, loss of the credit, recapture of part or all of the credit, failure to allocate the credit requested in my Application or, the failure of DCA, in whole or in part, to grant my Application.
- 5) I understand and agree that neither DCA nor any of its individual directors, employees, members, officers, or agents assume any responsibility or make any representations or warranties with respect to: (i) the amount or availability of credit for the project; or (ii) the financial feasibility of the project.

- 6) I understand and agree that my Application for a low-income housing credit and/or HOME loan, all attachments thereto, amendments, and all correspondence relating to my Application in particular or the credit in general are subject to a request disclosure under the Georgia Open Records Act and I expressly consent to such disclosure. I further understand and agree that any and all correspondence to me from DCA, other DCA-generated documents, or documents to or from a third party in the possession of DCA relating to my Application are subject to a request for disclosure under the Georgia Open Records Act and I expressly consent to such disclosure. I agree to hold harmless DCA and the individual directors, employees, members, officers, and agents of DCA against all losses, costs, damages, expenses, and liability of whatsoever nature or kind (including, but not limited to, attorneys' fees, litigation, and court costs) directly or indirectly resulting from or arising out of the release of all information pertaining to my Application pursuant to a request under the Georgia Open Records Act or resulting from or arising out of the release.
- 7) I understand and agree to authorize DCA access to information relevant to DCA's Application review. I understand that DCA may request an IRS Form 8821 for any Project Participant through final allocation of credits and/or disbursement of funds. Project Participants will complete Form 8821 upon DCA's request.
- 8) I understand that any misrepresentations, which includes fraudulent, negligent, and/or innocent, in this Application or supporting documentation may result in a withdrawal of tax credits and/or HOME loan by DCA, my (and related parties) being barred from future program participation, and notification of the Internal Revenue Service and/or HUD.
- 9) I certify that all sources of funds, including but not limited to Federal, State and local funding sources, have been disclosed and revealed.

In addition, Applicant understands:

- The above certifications are of a continuing nature and apply at all stages of the Application process: initial application, commitment, carryover allocation, and final allocation/funding.
