Project Narrative

Valley Hill Senior Apartments Riverdale, Clayton County

Valley Hill Senior Apartments is located in Riverdale, GA and was built in 2002 under Section 42 Low Income Housing Tax Credit Program. It is restricted to residents age 55+ and there fore falls under the "housing for older persons" category in the 2017 QAP. Valley Hill has 9 residential buildings with a total of 72 units consisting of 66 - one bedroom and 6 - two bedroom apartment homes. The property currently contains 16 market-rate units, however the proposed redevelopment includes converting all market rate units to be rent and income restricted at the 60% AMI level. The result will be a property that has 5 units restricted at the 50% AMI level, and 67 units restricted at the 60% Level. Per the original LURA, the 5 units restricted to 50% AMI will convert to 60% AMI 5 years after the close of the initial compliance period, which ended in 2016. Beginning in 2021, all units will be rent and income restricted at 60% rent and income levels.

Re: Application for Low-Income Housing Tax Credit and/or HOME Funding

To DCA:

This Application is submitted in accordance with the 2017 Qualified Allocation Plan and the Housing Finance and Development Division Manuals. In submitting this Application for funding consideration, the undersigned applicant hereby certifies:

- 1) I understand that, in the event an allocation (or an allowance) for LIHTCs was obtained with false information supplied to the Georgia Department of Community Affairs ("DCA"), DCA will recapture the LIHTCs or request that the IRS deny tax credits to the Applicant entity. Also, a supplier, including the developer or owner, who knowingly provides false information will be barred by DCA from program participation for a period of five (5) years from the date the false information was discovered, in accordance with a Memorandum of Understanding between the Internal Revenue Service and the Georgia Housing and Finance Authority.
- 2) I am responsible for ensuring the project consists or will consist of a qualified low-income building (or buildings) as defined in the Internal Revenue Code section 42(c)(2) and will satisfy all applicable requirements of State and Federal tax law in the acquisition, development and operation of the project to receive State and federal housing tax credits.
- 3) I am responsible for all calculations and figures relating to the determination of the eligible basis of the building(s). I understand and agree the amount of the credit is allocated by reference to the figures that I submit as to eligible and qualified basis. I understand that the actual amount of credit allocated may vary somewhat from the amount initially reserved or committed due to (a) the determination by the Georgia Department of Community Affairs ("DCA") as to the amount of credit necessary for the financial feasibility of the project and its viability as a qualified low-income housing project; (b) revisions in the calculations of eligible and qualified basis as finally determined; (c) fluctuations in the prevailing credit percentage; and (d) availability of the credit.
- 4) I understand and agree that DCA makes no representations or warranties regarding the financial feasibility of the project, the amount of credit, or the appropriateness of the allocation of the credit and makes no independent investigation as to the eligible and qualified basis and that any and all credit awards and credit amounts are solely based on representations made by me. I therefore agree to hold harmless and indemnify DCA and the individual directors, employees, members, officers, and agents of DCA in the event that I or anyone acting on my behalf, at my request or by and through me incurs any loss, injury, or damages in conjunction with the project including those that may result from any inquiries or gathering of information by DCA concerning the proposed project team or Application, diminution of the credit, loss of the credit, recapture of part or all of the credit, failure to allocate the credit requested in my Application or, the failure of DCA, in whole or in part, to grant my Application.
- 5) I understand and agree that neither DCA nor any of its individual directors, employees, members, officers, or agents assume any responsibility or make any representations or warranties with respect to: (i) the amount or availability of credit for the project; or (ii) the financial feasibility of the project.

- 6) I understand and agree that my Application for a low-income housing credit and/or HOME loan, all attachments thereto, amendments, and all correspondence relating to my Application in particular or the credit in general are subject to a request disclosure under the Georgia Open Records Act and I expressly consent to such disclosure. I further understand and agree that any and all correspondence to me from DCA, other DCA-generated documents, or documents to or from a third party in the possession of DCA relating to my Application are subject to a request for disclosure under the Georgia Open Records Act and I expressly consent to such disclosure. I agree to hold harmless DCA and the individual directors, employees, members, officers, and agents of DCA against all losses, costs, damages, expenses, and liability of whatsoever nature or kind (including, but not limited to, attorneys' fees, litigation, and court costs) directly or indirectly resulting from or arising out of the release of all information pertaining to my Application pursuant to a request under the Georgia Open Records Act or resulting from or arising out of the release.
- 7) I understand and agree to authorize DCA access to information relevant to DCA's Application review. I understand that DCA may request an IRS Form 8821 for any Project Participant through final allocation of credits and/or disbursement of funds. Project Participants will complete Form 8821 upon DCA's request.
- 8) I understand that any misrepresentations, which includes fraudulent, negligent, and/or innocent, in this Application or supporting documentation may result in a withdrawal of tax credits and/or HOME loan by DCA, my (and related parties) being barred from future program participation, and notification of the Internal Revenue Service and/or HUD.
- 9) I certify that all sources of funds, including but not limited to Federal, State and local funding sources, have been disclosed and revealed.

In addition, Applicant understands:

- The above certifications are of a continuing nature and apply at all stages of the Application process: initial application, commitment, carryover allocation, and final allocation/funding.
- DCA must be notified of any subsequent events or information, which would change any statements or representations in the attached Application or amendments thereto;
- DCA reserves the right to verify all information or documents used in processing the Application, including requiring credit
 checks on all parties involved in the transaction. Applicant hereby authorizes the financing bank, accountant, mortgage lender,
 creditors, other state housing agencies and others sources identified in the Application to release information to DCA or its
 designee in order to verify the accuracy of information in the Application and amendments thereto.

Applicant agrees and understands that it may be charged for all fees and costs incurred by DCA in the inspection of funded properties during and after construction and in the enforcement of DCA regulations and policies.

Under penalty of perjury, to the best of my knowledge, I certify that all of the information in the attached Application, including all supporting documentation, is correct, complete and accurate.
