2017 Funding Application

Project Narrative Piedmont Senior Tower Atlanta, Fulton County

The Michaels Development Company (MDC) is proposing the redevelopment of Piedmont Road High-rise an existing 209-unit (one unit used as SP) public housing development owned by the Atlanta Housing Authority. Post-rehab the project will consist of 207 rental units and one essential employee unit. The project will utilize two sources of Tax Credits, 4% Federal Low-Income Housing Tax Credits (LIHTC) as well as Georgia State Income Tax Credits.

Piedmont Road High-rise is an existing, 13-story public housing high rise tower located at 3601 Piedmont Road NE, near the corner of Piedmont Road NE and E. Paces Ferry Road in the prestigious Buckhead neighborhood of Atlanta, Georgia. Please refer to the attached maps showing the location of the property. It was developed in 1978 by the Atlanta Housing Authority and continues to operate as a public housing site for seniors and young disabled residents. AHA currently uses a 4 to 1 ratio for managing the inclusion of young disabled population and it is expected that 15% (31) of the units will continue to be set aside for young disabled residents post rehab. We are selecting the housing for older persons designation in this application for this proposed tenant population. The proposed work totals \$36,892 per unit.

The project is a proposed RAD conversion of public housing. The developemnt team has recived a CHAP and will receive a RAD commission Commitment (RCC) in early August. As part of the RCC approval, the project has undergone a subsidy layering review. Interstate Realty Management (IRM) is a wholly owned affiliate of The Michaels Organization that manages over 44,000 units nationwide. IRM specializes in managing affordable housing communities and has been recognized as having one of the most innovative and extensive Social Services Departments in the Country. IRM has been managing the property, along with 3 other AHA-owned properties, since 2013. Better Tomorrows, a national nonprofit provider of supportive services, has been providing a host of supportive services and program at the property since 2013. Both entities will continue in their roles once the LLC acquires the property from AHA. IRM will also manage the anticipated temporary relocation of residents during construction.

The development will receive a 20-year PBRA contract on all 207 units from the Atlanta Housing Authority. The Authority will also provide both hard and soft financing. The scope of work anticipated is based on a 20-year capital needs. The majority of the work is to improve building envelope and mechanical systems, repairs needed to preserve the affordable housing.

PART FOUR (b) - OTHER COSTS - 2017-0 - Piedmont Senior Tower - Atlanta - Fulton, County

DCA requires the Applicant provide a narrative for all "Other" development costs listed on Part IV-Uses of Funds. For any amounts shown below the Applicant needs to provide an explanation of the cost incurred by the development. The narrative should be a brief description for DCA intended to justify its inclusion as a valid development cost. Further, if the "Other" cost is included into eligible basis, a second narrative is required describing its justification into tax credit basis. Expand row size as needed to show text.

Re: Application for Low-Income Housing Tax Credit and/or HOME Funding

To DCA:

This Application is submitted in accordance with the 2017 Qualified Allocation Plan and the Housing Finance and Development Division Manuals. In submitting this Application for funding consideration, the undersigned applicant hereby certifies:

- 1) I understand that, in the event an allocation (or an allowance) for LIHTCs was obtained with false information supplied to the Georgia Department of Community Affairs ("DCA"), DCA will recapture the LIHTCs or request that the IRS deny tax credits to the Applicant entity. Also, a supplier, including the developer or owner, who knowingly provides false information will be barred by DCA from program participation for a period of five (5) years from the date the false information was discovered, in accordance with a Memorandum of Understanding between the Internal Revenue Service and the Georgia Housing and Finance Authority.
- 2) I am responsible for ensuring the project consists or will consist of a qualified low-income building (or buildings) as defined in the Internal Revenue Code section 42(c)(2) and will satisfy all applicable requirements of State and Federal tax law in the acquisition, development and operation of the project to receive State and federal housing tax credits.
- 3) I am responsible for all calculations and figures relating to the determination of the eligible basis of the building(s). I understand and agree the amount of the credit is allocated by reference to the figures that I submit as to eligible and qualified basis. I understand that the actual amount of credit allocated may vary somewhat from the amount initially reserved or committed due to (a) the determination by the Georgia Department of Community Affairs ("DCA") as to the amount of credit necessary for the financial feasibility of the project and its viability as a qualified low-income housing project; (b) revisions in the calculations of eligible and qualified basis as finally determined; (c) fluctuations in the prevailing credit percentage; and (d) availability of the credit.
- 4) I understand and agree that DCA makes no representations or warranties regarding the financial feasibility of the project, the amount of credit, or the appropriateness of the allocation of the credit and makes no independent investigation as to the eligible and qualified basis and that any and all credit awards and credit amounts are solely based on representations made by me. I therefore agree to hold harmless and indemnify DCA and the individual directors, employees, members, officers, and agents of DCA in the event that I or anyone acting on my behalf, at my request or by and through me incurs any loss, injury, or damages in conjunction with the project including those that may result from any inquiries or gathering of information by DCA concerning the proposed project team or Application, diminution of the credit, loss of the credit, recapture of part or all of the credit, failure to allocate the credit requested in my Application or, the failure of DCA, in whole or in part, to grant my Application.
- 5) I understand and agree that neither DCA nor any of its individual directors, employees, members, officers, or agents assume any responsibility or make any representations or warranties with respect to: (i) the amount or availability of credit for the project; or (ii) the financial feasibility of the project.

- 6) I understand and agree that my Application for a low-income housing credit and/or HOME loan, all attachments thereto, amendments, and all correspondence relating to my Application in particular or the credit in general are subject to a request disclosure under the Georgia Open Records Act and I expressly consent to such disclosure. I further understand and agree that any and all correspondence to me from DCA, other DCA-generated documents, or documents to or from a third party in the possession of DCA relating to my Application are subject to a request for disclosure under the Georgia Open Records Act and I expressly consent to such disclosure. I agree to hold harmless DCA and the individual directors, employees, members, officers, and agents of DCA against all losses, costs, damages, expenses, and liability of whatsoever nature or kind (including, but not limited to, attorneys' fees, litigation, and court costs) directly or indirectly resulting from or arising out of the release of all information pertaining to my Application pursuant to a request under the Georgia Open Records Act or resulting from or arising out of the release.
- 7) I understand and agree to authorize DCA access to information relevant to DCA's Application review. I understand that DCA may request an IRS Form 8821 for any Project Participant through final allocation of credits and/or disbursement of funds. Project Participants will complete Form 8821 upon DCA's request.
- 8) I understand that any misrepresentations, which includes fraudulent, negligent, and/or innocent, in this Application or supporting documentation may result in a withdrawal of tax credits and/or HOME loan by DCA, my (and related parties) being barred from future program participation, and notification of the Internal Revenue Service and/or HUD.
- 9) I certify that all sources of funds, including but not limited to Federal, State and local funding sources, have been disclosed and revealed.

In addition, Applicant understands:

- The above certifications are of a continuing nature and apply at all stages of the Application process: initial application, commitment, carryover allocation, and final allocation/funding.
- DCA must be notified of any subsequent events or information, which would change any statements or representations in the attached Application or amendments thereto;
- DCA reserves the right to verify all information or documents used in processing the Application, including requiring credit
 checks on all parties involved in the transaction. Applicant hereby authorizes the financing bank, accountant, mortgage
 lender, creditors, other state housing agencies and others sources identified in the Application to release information to DCA
 or its designee in order to verify the accuracy of information in the Application and amendments thereto.

Applicant agrees and understands that it may be charged for all fees and costs incurred by DCA in the inspection of funded properties during and after construction and in the enforcement of DCA regulations and policies.

Under penalty of perjury, to the best of my knowledge, I certify that all of the information in the attached Application, including all supporting documentation, is correct, complete and accurate.
