Project Narrative Park Homes Rome, Floyd County

Park Homes, located at 201 Reservoir Street, Rome, GA, is a 100-unit townhome community owned and managed by the Northwest Georgia Housing Authority (NWGHA). Originally completed on July 31, 1952, the apartments consist of 100 brick, two-story townhomes laid out with approximately four units per building (total 22 residential buildings). The unit mix consists of 4 one-bedroom units, 44 two-bedroom units, 44 three-bedroom units, and 8 four-bedroom units. All units currently receive project based housing voucher rental assistance (PBRA). The property carries existing debt comprised of a \$723,500 CFFP loan and a \$270,810 EPC loan. NWGHA has received a HUD CHAP award for RAD rent vouchers on all 100 units, allowing the current PBRA to be invested in other developments.

An energy upgrade was previously completed on this development that included the addition of central heat (natural gas) and air conditioning (R22), modern light fixtures, energy efficient toilets, and modern, double-pane insulated glass windows with vinyl sashes. Total rehab work is priced at approximately \$39,296/unit before contractor's 14% profit, overhead, and general requirements. All the units within this property are within easy walking distance of one another as well as numerous amenities that include grocery stores and restaurants.

The project would consist of an acquisition/substantial rehab co-developed between NWGHA and Rea Ventures Group, LLC but 100% owned and managed by NWGHA. The land would be leased for a de minimis amount from NWGHA to a new ownership entity, Park Homes RAD 2017, LP, while the improvements would be acquired by the new ownership entity. Rea Ventures Group would serve as the lead co-developer and financial guarantor through construction completion and stabilization. NWGHA would be the 100% owner of the general partner, NWGHA Park Homes RAD 2017, LLC, and serve as property manager.

The development work would be financed through a combination of tax credit equity, permanent HUD 221(d)4 debt, and a bridge construction loan. Boston Capital would be the federal tax credit investor. Monarch Private Capital would be the state tax credit investor. Walker and Dunlop would be the HUD 221(d)4 MAP lender. Sterling Bank would provide the bridge construction loan. As a part of the development budget, the development would retire the existing EPC debt. NWGHA would assume the remaining CFFP debt and allocate its repayment to other properties in its portfolio.

The development occupancy was managed down in anticipation of this rehab effort. Current occupancy is 39% (61 vacant units) but NWGHA maintains a waiting list for Park Homes of 327 families that is more than sufficient to fully lease back up this property quickly upon completion of the work.

V. APPLICANT COMMENTS AND CLARIFICATIONS	VI.	DCA COMMENTS - DCA USE ONLY
Rehab costs were determined based on review of plans with general contractor. Soft costs determined based on actual costs incurred plus		
3rd party projections. Financing costs based on term sheets.		

PART FOUR (b) - OTHER COSTS - 2017-0 - Park Homes - Rome - Floyd, County

DCA requires the Applicant provide a narrative for all "Other" development costs listed on Part IV-Uses of Funds. For any amounts shown below the Applicant needs to provide an explanation of the cost incurred by the development. The narrative should be a brief description for DCA intended to justify its inclusion as a valid development cost. Further, if the "Other" cost is included into eligible basis, a second narrative is required describing its justification into tax credit basis. Expand row size as needed to show text.

START-UP AND RESERVES				
HUD Working Capital Reserve in Excess of Rent-Up Reserve	HUD Requires two reserves. Initial Operating Deficit Reserve (3% of Principal or 6 months debt service) and Working Capital Reserve (4% of Principal). While DCA and the Investor already require an Operating Deficit Reserve greater than the Initial Operating Reserve required by HUD, the Rent Up Reserve required by DCA is lower than the Working Capital Reserve Required by HUD. This additional reserve is not in basis and no developer fee is being applied to this reserve. Additionally, there is deferred developer fee or credit calculation by adding this additional reserve.

PROJECT FEASIBILITY, VIABILITY ANALYSIS, AND CONFORMANCE WITH PLAN 1

Pass?

Threshold Justification per Applicant

The Applicant has submitted an proposal which conforms to the QAP. All costs for Development and Construction have been carefully underwritten by experienced estimators. Federal (\$0.725) and State (\$0.595) Equity Pricing are competitive and worked out with experinced Syndicators and are appropriate for their yields. Operating Costs have been proposed by the experienced Management Company, Northwest Georgia Housing Authority, which has operated this property successfully at comparable costs for many years. Rents and utility allowances have been set by HUD as a part of the RAD CHAP award. Total Developer Fee and Deferred Developer Fee are within QAP limits. The Housing Authority maintains an extensive waiting list that is more than sufficient to fully lease the property upon completion of the renovations.

	B. Form of site control:				B. Ground lease/	Option	< <select>></select>	
	C. Name of Entity with site control:		C. Par	k Homes RAD 2017, LP	-			
	D. Is there any Identity of Interest between the entity with site control and the app	licant?				D.	Yes	
	Threshold Justification per Applicant					1		
The	e ownership entity holds a valid purchase option agreement with Northwest Georgia H	Housing Authority for the	e proposed i	mprovements to be improv	ved as well as a lease right to t	he underlying la	nd.	

DCA's Comments:

9 SITE ACCESS

A.	Does this site provide a specified entrance that is legally accessible by paved roads and are the appropriate drawings, surveys, photographs and other documentation
	reflecting such paved roads included in the electronic application binder?
Р	If access reads are not in place, does the application contain desumantation evidencing level request entrovel to have the read, a commitment for funding, and the

- B. If access roads are not in place, does the application contain documentation evidencing local government approval to pave the road, a commitment for funding, and the timetable for completion of such paved roads?
- C. If the road is going to be paved by the applicant, are these costs documented in the submitted electronic application binder and reflected in the development budget provided in the core application?
- D. If use of private drive proposed, is site control of private drive documented by proof of ownership or by a properly executed easement on private drive, and are the plans for paving private drive, including associated development costs, adequately addressed in Application?

Threshold Justification per Applicant

Site is accessible by paved, public roads.	Reservoir Street connects the property to Turner McCall Boulevard, a major north-south highway through central Rome.	
DCA's Comments:		
10 SITE ZONING		Pass?

A. Is Zoning in place a	t the time of this application submission?	Α.	Yes	
B. Does zoning of the	B. Does zoning of the development site conform to the site development plan?		Yes	
C. Is the zoning confirm	med, in writing, by the authorized Local Government official?	C.	Yes	
If "Yes":	1) Is this written confirmation included in the Application?	1)	Yes	
	2) Does the letter include the zoning and land use classification of the property?	2)	Yes	
	3) Is the letter accompanied by a clear explanation of the requirements (include a copy of the applicable sections of the zoning ordinance highlighted for the stated classification)?	3)	Yes	
	4) Is the letter accompanied by all conditions of these zoning and land use classifications?	4)	Yes	
	5) If project is requesting HOME or HUD funds, does Local Government official also comment on whether project will include development of prime or unique farmland?	5)	Yes	
	rovided (on the Architectural Site Conceptual Development Plan either graphically or in written form) that demonstrates that the site layout conforms to ensity, setbacks or other requirements?	D.	Yes	
E. Are all issues and o	uestions surrounding the zoning and land use classification clearly defined prior to this application submission?	Ε.	Yes	
Threshold Justification	per Applicant	-		
Site is properly zoned as M-F	R Multifamily Residential, which allows for the intended use post-renovation.
