2017 Funding Application Project Narrative Huntington Villas Apartments

Huntington Villas Apartments is an existing 25 unit, Family tenancy apartment community located in Crawford, Oglethorpe County, GA. Applicant is seeking an allocation of 2017 4% non-competitive Low Income Housing Tax Credits for the acquisition/rehabilitation of this property.

Crawford, Oglethorpe County

This application is a part of a portfolio of 16 affordable rural housing properties located in 13 communities throughout the state of Georgia. The portfolio, totaling 537 units, consist of properties constructed in the 1980s and 1990s using the USDA 515 loan program and Section 42 LIHTCs.

The proposed scope of work will be in accordance with the 2017 QAP requirements. The interiors will be repaired and modernized with flooring, appliances, HVAC, hot water heaters, kitchen counters and cabinets, bathroom fixtures and paint. New smoke detectors, light fixtures and GFI outlets will be included in the electrical improvements. Exterior improvements will include doors, windows, siding and roofing when needed. All accessibility and Section 504 issues will be resolved. The dwelling rehab costs shall exceed \$25,000 per unit as required by DCA with the average total hard costs of approximately \$29,800 per unit.

Construction and permanent financing includes a new USDA 538 loan (if supportable), subordination and re-amortization of the original USDA 515 loan (with payments to be deferred for 20 years), short term tax exempt bonds and equity proceeds from the sale of the 4% federal and state LIHTCs. The transactions have been underwritten to USDA-RD agency standards and rents used for pro forma purposes are those approved by USDA-RD.

During renovations, none of the tenants are expected to be displaced or temporarily relocated. The majority of the interior improvements will be completed in one day per apartment unit. The property currently has 13, USDA-RD Section 521 Rental Assistance and will continue to receive this rent subsidy after the acquisition/rehab.

The project development team for Huntington Villas Apartments consists of David A. Brown, Houston Brown, and Melanie Ferrell. David A. Brown has over 40 years' experience in rehab and new construction of apartments and meets DCA experience and capacity requirements.

IV. APPLICANT COMMENTS AND CLARIFICATIONS

The debt service on the assumed USDA-RD 515 loan has been deferred for a period of 20 years. The loan will be restructured so that the UPB at time of closing will be the new principal balance and the term will be set for 30 years with 50 year amortization. At the end of the 20-year deferral period, the entire principal and accrued interest is due and payable. However, it is anticipated that USDA-RD will extend the loan for the remainder of the 515 loan period if the loan is still outstanding at that time.

V. APPLICANT COMMENTS AND CLARIFICATIONS	VI. DCA COMMENTS - DCA USE ONLY
The ineligible portion of the acquisition cost is included to account for cash accounts transferred to the new Owner.	
Construction hard cost estimated by McLain & Brown Construction based on previous experience with similar projects. The source of the construction hard costs is from the AIA contract between the Applicant and the General Contractor. There is an Identity of Interest between the two entities.	
The Cost of Issuance/Underwriter's Discount includes the following costs: Bond Counsel (\$11,250); Underwriter Counsel (\$6,250); Underwriter Fee (\$7,904); Issuer Fee (\$3,125); Issuer Counsel (\$1,563); Trustee Fee (\$469); Trustee Counsel (\$313); Verification Agent (\$94); Rating Agency (\$313); Bond TEFRA/Advisor Fee (\$1,250); and other miscellaneous bond costs (\$3,125). There is only one bond issuance on the 16-property portfolio; therefore, the costs above are allocated evenly among all properties.	
The Final Federal and State Equity Factors are atypical since the equity contribution is part of a larger portfolio fund investment, and credits are allocated according to the needs of each transaction in the portfolio.	
There is no Rent-Up Reserve since this is an in-place rehab with minimal tenant disruption, tenants will continue to pay rent, and al tenants are expected to be income-qualified to remain as tenants.	

PART FOUR (b) - OTHER COSTS - 2017-0 - Huntington Villas Apartments - Crawford - Oglethorpe, County

2017 Funding Application

DCA requires the Applicant provide a narrative for all "Other" development costs listed on Part IV-Uses of Funds. For any amounts shown below the Applicant needs to provide an explanation of the cost incurred by the development. The narrative should be a brief description for DCA intended to justify its inclusion as a valid development cost. Further, if the "Other" cost is included into eligible basis, a second narrative is required describing its justification into tax credit basis. Expand row size as needed to show text.

DEVELOPMENT COST SCHEDULE Section Name Section's Other Line Item	Description/Nature of Cost	Basis Justification
PRE-DEVELOPMENT COSTS		
Capital Needs Assessment	USDA-RD requires both a pre- and post-rehab Capital Needs Assessment Report as part of the 515 transfer and 538 application approval process. The post-rehab CNA report, as reviewed, revised and approved by USDA-RD, ensures adequate coverage of capital needs over a 20-year period which exceeds DCA's requirement of 15 years.	The CNA reports are required for determining the rehab scope of work and by DCA for an award of tax credits; therefore, the cost is deemed eligible.

Bond Interest Carry during Rehab Period	Proceeds from the issuance/sale of tax exempt bonds shall be used to fund "good costs" associated with the acquisition and rehabilitation of the subject property. The entire amount of the bond proceeds are placed in an account held by Trustee and interest is owed until the bonds are deemed after Placed in Service. The amount included here is the estimated interest carry during the rehab period on the bond proceeds. APPLICANT COMMENTS AND CLARIFICATIONS

The USDA-RD UA is used since the property is partially financed via the 515 loan program. The monthly utility allowance prepared by USDA-RD does not differentiate between the uses of electricity (i.e. heat, a/c, cooking, hot water and lights). As such, the entire electricity allowance is included under air conditioning since this is

17 ACCESSIBILITY STANDARDS	Pass?					
A. 1) Upon completion, will this project comply with all applicable Federal and State accessibility laws including but not limited to: The Fair Housing A Amendments Act of 1988, Americans with Disabilities Act, Section 504 of the Rehabilitation Act of 1973, Georgia Fair Housing Law and Georgia Access Law as set forth in the 2015 Accessibility Manual? (When two or more accessibility standards apply, the applicant is required to follow and apply both standards so that a maximum accessibility is obtained.)						
2) Owner understands that DCA requires the Section 504 accessibility requirements to be incorporated into the design and construction of ALL new construction and/or rehabilitation projects selected under the 2017 Qualified Allocation Plan, regardless of whether or not the project will receive federal debt financing assistance (e.g., HOME). This constitutes a higher standard of accessibility than what may be required under federal laws. This means that all projects, including those financed with tax exempt bonds which receive an allocation of 4% tax credits and 9% tax credits-only projects, must incorporate at a minimum the requirements of the Uniform Federal Accessibility Standards into the design and construction of the project.	2)	Yes
