2021 Balance of State CoC Process

- HUD released the Notice of Funding Opportunity (NOFO) on August 18, 2021

    - Program priorities according to type (Permanent Supportive Housing) and according to population served
    - Reallocation process
  - Scoring Criteria for the project application reviews
- Competition opened and all materials released on 9/14/21
Policy Priorities from the HUD NOFO and CoC Responses

1. Ending Homelessness for All Persons (taking into account challenges faced by Veterans, Youth, Families, and Chronically Homeless)
2. Using a Housing First Approach
3. Reducing Unsheltered Homelessness
4. Improving System Performance
5. Partnering with Housing, Health, and Service Agencies
6. Racial Equity
7. Persons with Lived Experience
Policy Priorities from the HUD NOFO and CoC Responses

1. Ending Homelessness for All Persons (taking into account challenges faced by Veterans, Youth, Families, and Chronically Homeless)
   - Prioritization of 90% of non-dedicated PSH beds for people who are chronically homeless; Bonus points for projects serving chronically homeless; PSH projects that increased chronic beds; projects serving or dedicated to Veterans/Youth-headed households; & Participation in Coordinated Entry

2. Using a Housing First Approach
   - Points for projects that utilize the HF Model and commit to low-barriers models; points for projects that have policies to reflect individuals are rapidly placed and stabilized in permanent housing without preconditions regarding income, work effort, sobriety, or other; & applications scored through a HF/low-barrier lens
3. Reducing Unsheltered Homelessness

- Housing first scoring criteria
- Criteria largely performance-based for renewals
  - Measure rate of positive housing outcomes
  - Measure returns to homelessness
- Project performance emphasis in reducing homelessness
- Project performance in serving most vulnerable
4. Improving System Performance

- Criteria to measure system performance
- Underspending projects (returning $10,000 or more) may be subject to reduction or reallocation (with exception of projects 2018 or later)
- Underperforming PSH and RRH projects may be reduced, reallocated, and/or placed in lower grouping in Tier 2.
- The two lowest scoring renewal RRH and PSH projects determined to be significantly underperforming, operating under capacity, or operating significantly out of compliance may be subject to replacement by new projects, provided the applications pass the threshold review and score highly enough.

  - Project level performance will be further assessed to determine impact on CoC System Performance Measures as part of decisions to reallocate.
5. Partnering with Housing, Health, and Social Service Agencies

- Bonus points for New PSH or RRH projects that will:
  - Utilize Housing Subsidies or Subsidized Housing Units not funded through CoC or Emergency Solutions Grants (ESG)
  - That will utilize Healthcare Resources to help participants

6. Racial Equity

- Assessment of whether people of different races or ethnicities are less likely to receive assistance or positive outcomes (systemwide and project level)
  - DCA to provide projects will relevant racial equity data on populations served and permanent housing exits
  - Renewal applicants will need to provide relevant census data on counties where units are located

Scoring on project identification of barriers and steps taken/will be taken to eliminate barriers
Policy Priorities from the HUD NOFO and CoC Responses (continued)

7. Persons with Lived Experience

- Met with Youth Action Board to review project scoring criteria
- After the competition will do a thorough review with the Youth Action Board, to provide insight for next year’s competition
Other Important Highlights of the HUD NOFO and CoC Responses (continued)

2. Tiered Approach
   - Tier 1 = top 100% of funding available to the CoC
   - Tier 2 = difference between Tier 1 and max amount of renewal, reallocation & CoC bonus

- Estimated Funding Available
  - Estimated ARD = $19,505,138
  - Tier 1 = $18,798,052
  - Tier 2 =
    - Possible Reallocation - $707,086
    - CoC Bonus – (5% of PPRN) - $1,192,227
  - DV Bonus (15% of PPRN) - $3,576,680
  - Estimated Total = $24,274,045

- Bos CoC will apply for bonus project funding, provided appropriate high-scoring new project applications are submitted
Other Important Highlights of the HUD NOFO and CoC Responses (continued)

In Response

- BoS CoC may reduce or reallocate projects currently providing PSH or RRH for underperformance, underutilization, or significant capacity issues
  - Grant utilization
  - Operating Under Capacity
  - Performance
  - Operating significantly out of Compliance

- Consideration of Returns to Homelessness (prioritize PSH for people with disabilities)

- Consideration of maintaining or increasing units for chronically homeless
CoCs cannot receive bonus funds unless they demonstrate that projects are evaluated and ranked based on the degree to which they improve system performance.

HUD prioritizes funding for CoCs that demonstrate ability to reallocate lower performing projects to higher performing projects.

- Designated match and leveraging cannot be duplicated across applications.

- Review NOFO and HUD’s New Project Detailed Instructions to determine what the match documentation requirements are for e-snaps applications.

- **Note:** If third-party match is listed in e-snaps application, a separate attachment screen will appear that should be used to attach MOU(s) documentation that confirms the in-kind match commitment.
