INTRODUCTION

Mission: Georgia Serves is a catalyst to address critical needs in Georgia by working with AmeriCorps and community partners.

- We create and promote opportunities for Georgians to serve.
- We support organizations that use volunteer service to solve Georgia's community problems.
- We make sure the investment in volunteer service is protected and managed well.

Application workshops are conducted annually. These workshops are an open dialogue; providing attendees the opportunity to ask questions and gain clarity on the NOFO or any of the other supplemental materials. Georgia Serves staff will review the NOFO in its entirety. We want all applicants to be in a position to submit strong and viable applications. Each year the application process becomes increasingly competitive as more people become aware of the AmeriCorps opportunity. Only those applications that are high quality are considered for funding. Applications are scored by both internal and external reviewers. A scoring rubric, based on this NOFO, is utilized to score applications. Once all applications are scored, scores are averaged and sorted from highest to lowest. Funding decisions are made based on scores.

A. PROGRAM DESCRIPTION

A.1. Purpose of AmeriCorps Funding

AmeriCorps brings people together to tackle some of the country's most pressing challenges through national service and volunteering. AmeriCorps members and AmeriCorps Seniors volunteers serve with organizations dedicated to the improvement of communities. AmeriCorps helps make service a cornerstone of our national culture. AmeriCorps grants are awarded to eligible organizations (See Section C.1 Eligible Applicants) proposing to engage AmeriCorps members in evidence-based or evidence-informed interventions/practices to strengthen communities. An AmeriCorps member is an individual who engages in community service through an approved national service position. Members may receive a living allowance and other benefits while serving. Upon successful completion of their service, members may earn a Segal

AmeriCorps Education Award¹ that they can use to pay for higher education expenses or apply to qualified student loans.²

AmeriCorps Focus Areas

The National and Community Service Act of 1990, as amended by the Serve America Act³, emphasizes measuring the impact of service and focusing on a core set of issue areas. In order to maximize the impact of investment in national service, AmeriCorps has the following focus areas:

- **Disaster Services** - Grants will support increased and improved disaster services for individuals and communities to prepare and adapt to disasters, including but not limited to climate change events. Activities will provide support to increase preparedness for disasters, improve readiness to respond to disasters, support recovery efforts from disasters, and/or assist in the implementation of pre-disaster mitigation and adaptation measures. Grants will support communities and individuals in planning for disasters, in particular engaging disadvantaged communities in the planning process.
- **Economic Opportunity** - Grants will provide support and/or facilitate access to services and resources that contribute to the improved economic well-being and security of economically disadvantaged people; help economically disadvantaged people to have improved access to services that enhance financial literacy; transition into or remain in safe, healthy, affordable housing; and/or have improved employability leading to increased success in becoming employed.
- **Education** - Grants will provide support and/or facilitate access to services and resources that contribute to improved educational outcomes for economically disadvantaged children; improved school readiness for economically disadvantaged young children; improved educational and behavioral outcomes of students in low-achieving elementary, middle, and high schools; and/or support economically disadvantaged students' preparation for success in post-secondary educational institutions.
- **Environmental Stewardship** - Grants will support responsible stewardship of the environment, while preparing communities for challenging climate and environmental circumstances and helping Americans respond to and recover from disruptive events: programs that conserve natural habitats; protect clean air and water; maintain public lands; support wildland fire mitigation and sustainable forest management; cultivate individual and community resilience; and provide reforestation services after floods or fires, such as nature based solutions.
- **Healthy Futures** - Grants will provide support for activities that will address the opioid crisis; increase seniors' ability to remain in their own homes with the same or improved quality of life for as long as possible; and/or increase physical activity and improve nutrition with the purpose of reducing obesity.
- **Veterans and Military Families** - Grants will improve the quality of life of veterans and improve military family well-being; increase the number of veterans, wounded warriors, military service members, and their caregivers, families, and survivors served by AmeriCorps programs; and/or increase the number of veterans and military family members engaged in service through AmeriCorps programs.

A.2. AmeriCorps Funding Priorities

AmeriCorps' priorities for this grant competition are:

- Efforts to help local communities respond to and recover from the COVID-19 pandemic. Applicants may propose programming to aid communities in their efforts to recover from the COVID-19 pandemic, including outcomes of COVID-19 on student subgroups described in the Elementary and Secondary Education Act.
- Educational opportunity and economic mobility for communities experiencing persistent unemployment or underemployment, and students experiencing homelessness or those in foster care.
- Programs that prioritize civic engagement and social cohesion.
- Evidence-based interventions⁴ on the AmeriCorps Evidence Exchange that are assessed as having Moderate or Strong evidence. Please note that many of these interventions have demonstrated effectiveness in improving outcomes for individuals living in underserved communities and that the agency has committed resources to supporting grantees seeking to replicate and evaluate these interventions in similar communities.
- Veterans and Military Families, Caregivers, and Survivors – a program model that improves the quality of life of veterans and improves the well-being of military families, caregivers, and survivors.
- Rural intermediaries - organizations that demonstrate measurable impact and primarily serve rural communities with limited resources and organizational infrastructure.
- Environmental stewardship and climate change including renewable energy and energy efficiency, building community resilience, sustainable food systems and agriculture, and conservation and habitat preservation.
- Faith-based organizations.
- Economic Mobility Corps⁵

To receive priority consideration, applicants must show that the priority area is a significant part of the program focus and intended outcomes. Proposing programs that receive priority consideration does not guarantee funding.

Georgia Serves Funding Priorities

In addition to the above funding priorities, Georgia Serves seeks applications in the following areas:

- Educators in Rural Communities - organizations placing AmeriCorps members as tutors and/or individuals as teachers in rural schools and communities.
- Homelessness – As described in the preamble of the HUD Final Rule Defining Homelessness, the final rule establishes four categories of homelessness. These categories are as follows:
 - Individuals and families who lack a fixed, regular, and adequate nighttime residence and includes a subset for an individual who is exiting an institution where he or she resided for 90 days or less and who resided in an emergency shelter, or a place not meant for human habitation immediately before entering that institution.
 - Individuals and families who will imminently lose their primary nighttime residence;
 - Unaccompanied youth and families with children and youth who are defined as homeless under other federal statutes who do not otherwise qualify as homeless under this definition; or
 - Individuals and families who are fleeing, or are attempting to flee, domestic violence, dating violence, sexual assault, stalking, or other dangerous or life-

⁵ <https://www.americorps.gov/newsroom/press-release/americorps-cdfi-fund-launch-economic-mobility-corps>

threatening conditions that relate to violence against the individual or a family member.

- Human Sex Trafficking – As defined by the Advocates for Human Rights. Human sex trafficking is a form of slavery and involuntary servitude resulting in grave human rights violations. Sex trafficking involves individuals profiting from the sexual exploitation of others and has severe physical and psychological consequences for its victims.
- Rural Communities - those communities with a population of less than 50,000 and where the poverty percentage is 10% or greater.

A.3. Performance Goals or Expected Outcomes Performance Measures

All applications must include at least one aligned performance measure (output and outcome) that corresponds to the proposed primary intervention. This may be a National Performance Measure or an applicant-determined measure. See the Performance Measure Instructions for details about performance measure requirements and selection rules.⁶

Georgia-Specific Performance Measures

All programs must include the following Georgia-Specific Performance Measures:

- 1) Volunteer Recruitment
- 2) CPR and First Aid Training

These measures will be fully explained during the PM Training Module. Do not include these two measures in eGrants.

A.4. Program Authority

Awards under this Notice are authorized by the National and Community Service Act of 1990, as amended, (42 U.S.C. 12501 et seq.)

B. FEDERAL AWARD INFORMATION

B.1. Estimated Available Funds

AmeriCorps expects a highly competitive AmeriCorps grant competition. AmeriCorps reserves the right to prioritize providing funding to existing awards over making new awards. The actual level of funding is subject to the availability of annual appropriations.

B.2. Estimated Award Amount

Award amounts will vary as determined by the scope of the projects.

B.3. Period of Performance

AmeriCorps anticipates making three-year grants. The agency generally makes an initial award for the first year of the period of performance, based on a one-year budget. Continuation awards for

⁶ <https://www.americorps.gov/funding-opportunity/fy-2022-ameri-corps-state-national-grants#performance-measure>

subsequent years are not guaranteed; they depend upon availability of appropriations and satisfactory performance.

The project start date may not occur prior to the date AmeriCorps awards the grant. AmeriCorps applicants may not enroll prior to the start date of the award. AmeriCorps applicants may not begin service prior to the beginning of the member enrollment period as designated in the grant award. A program may not certify any hours an applicant performs prior to the applicant becoming a member in the system of record and the beginning of the member enrollment period.

B.4. Type of Award

AmeriCorps Operating Grants: AmeriCorps may award a Cost Reimbursement or a Fixed Amount grant to any successful applicant, but the availability of a Full-Cost Fixed-Amount grant is limited to certain applicants. **Georgia Serves does not allow new applicants to apply for Fixed Amount Grants.** Existing applicants may be considered for fixed amount grants only if they have a very low risk score.

Professional Corps applicants are ineligible to apply for Cost Reimbursement grants. See the C.1. Eligible Applicants section and the Mandatory Supplemental Information for more information. AmeriCorps will not provide both types of grants for the same project in one fiscal year.

C. ELIGIBILITY INFORMATION

C.1. Eligible Applicants

The following non-Federal entities (all of which are defined in 2 CFR 200.1) are eligible to apply:

- Indian Tribes
- Institutions of higher education
- Local governments
- Nonprofit organizations
- States

Applicants must have a valid SAM registration and DUNS and/or Unique Entity Identifier to receive an award. See Section D.3. Unique Entity Identifier and System for Award Management (SAM) for more information.

New Applicants

AmeriCorps encourages organizations that have not received prior funding from AmeriCorps to apply.

New applicants are eligible to apply for Cost Reimbursement and Education Award Program (EAP) grant but are not eligible to apply for Full Cost Fixed Amount grants.

Types of Applicants

1. State and Territory Service Commissions (for Single-State Applicants)

Organizations that propose to operate in only one state must apply through the Governor-appointed State or Territory Commissions. Each commission administers its own selection process and submits the applications it selects to compete for funding directly to AmeriCorps. Single-State applicants must contact their Commissions to learn about their state or territory processes and deadlines. State deadlines may be significantly earlier than the AmeriCorps deadlines and may have additional requirements. The list of Commissions can be found on the AmeriCorps website. A Single-State application from a State or Territory with a Commission that is submitted directly to AmeriCorps by the applicant rather than the Commission will be considered noncompliant and will not be reviewed. See the Mandatory Supplemental Information for descriptions of National Direct and Single-State applicants.

2. National Direct Applicants⁷

Multi-State: Organizations that propose to operate AmeriCorps programs in more than one State or Territory should apply directly to AmeriCorps, the Federal Agency.

⁷ Although National Direct applicants do not have to apply to Commissions, there are substantial requirements to coordinate with the Commissions for states in which national service programs will operate. See the Coordination among State Commission & National Direct Applicants section for information on these important requirements.

States and Territories without Commissions: Applicants in South Dakota, American Samoa, the Commonwealth of the Northern Mariana Islands, and the U.S. Virgin Islands apply directly to AmeriCorps because this State and these Territories do not have an established Commission.

Federally recognized Indian Tribes: Applicants that are Indian Tribes apply directly to AmeriCorps. In addition to Indian Tribes as defined in 2 CFR 200.1, tribal organizations that are controlled, sanctioned, or chartered by Federally recognized Indian Tribes are also eligible to apply. If an entity applies for an award as a tribal organization that is controlled or chartered by one or more Indian Tribes, the organization must provide copies of, or links to, documentation which demonstrates that the organization is controlled or chartered by a Federally recognized Indian Tribe. If an entity applies as an organization sanctioned by a Federally recognized tribe, or multiple specific Federally recognized tribes, it must submit a sanctioning resolution, adopted by the Tribal Council (or comparable tribal governing body) of each Indian Tribe. The resolution(s) must identify the entity applying for an AmeriCorps award by name as a tribal organization that is sanctioned by the Indian Tribe(s) for the purpose of applying for AmeriCorps funding (or Federal grant funds generally).

In addition to being eligible to apply under this Notice, Federally recognized Indian Tribes will also be eligible to apply for operating or planning grants under a separate Notice of Federal Funding Opportunity for Indian Tribes to be released later in the fall with an application deadline in the spring. AmeriCorps may request applicants apply under the Tribal competition, rather than under this Notice.

Threshold Issues

Applications should reflect that they meet the following threshold requirements for the grant type for which they are applying.

- Professional Corps applicants and/or applicants determined to be a Professional Corps by the agency, AmeriCorps, must demonstrate that the community in which it will place AmeriCorps members serving as professionals has an inadequate number of said professionals.
- If the proposed service activities require specialized member qualifications and/or training (for example, tutoring programs: 45 CFR 2522.910-.940), the applicant must describe how the program will meet these requirements.
- All applicants must propose program designs that are either evidence-based or evidence informed. Applicants assessed as lower than the Preliminary evidence tier (i.e., Pre-Preliminary) must provide adequate responses to the Evidence Quality review criteria to be considered for funding.

C.2. Cost Sharing or Matching

Fixed Amount Grants

There is no match requirement for Fixed Amount grants. AmeriCorps does not provide all the funds necessary to operate the program, therefore organizations should raise the additional revenue required to operate the program.

New applicants are eligible to apply for Cost Reimbursement and Education Award Program (EAP) grant but are not eligible to apply for Full Cost Fixed Amount grants.

Cost Reimbursement Grants

Applicants are required to match funds based on the chart below. The applicant's match can be non-AmeriCorps cash and/or in-kind contributions. Applicants must indicate whether the match is proposed or secured. Applicants must demonstrate the ability to meet the match requirement at the time of application submission. See Section D.6. Funding Restrictions for more information.

A first-time successful applicant is required to match at 24 percent for the first three-year funding period. Starting with year four, the match requirement gradually increases every year to 50 percent by year ten, according to the minimum overall share chart found in 45 CFR 2521.60 and below.

AmeriCorps Funding Year	1, 2, 3	4	5	6	7	8	9	10+
Grantee Share Requirements	24%	26%	30%	34%	38%	42%	46%	50%

Law requires that grantees that use other Federal funds as matching funds for an AmeriCorps grant to report those amounts and sources to AmeriCorps on a Federal Financial Report.⁶ Grantees must track and be prepared to report on that match separately each year and at closeout.⁸

Match Waiver

Please see the Match Waiver information.

Alternative Match

Under certain circumstances, applicants may qualify to meet alternative matching requirements that increase over the years to 35 percent instead of 50 percent as specified in the regulations.⁹ To qualify, applicants must demonstrate that the proposed program is either located in a rural county or in a severely economically distressed community as defined in the Application Instructions. Applicants who plan to request an alternative match schedule must submit a request at the time the application is submitted. Programs applying through State Service Commissions must submit requests for alternative match to the Commission, who will submit it to AmeriCorps 6 Section 121(e)(5) of NCSA (42 U.S.C. §12571(e)).⁷ 45 Code of Federal Regulations CFR 2521.60(b) 11 on their behalf. Commissions and National Directs will submit requests to directly to ACAlternateMatchRequests@cns.gov.

C.3. Other Eligibility Requirements

Under Section 132A(b) of the National and Community Service Act of 1990, as amended, organizations that have been convicted of a Federal crime may not receive assistance described in this Notice.

⁸ Section 121(e)(5) of NCSA (42 U.S.C. §12571(e))

⁹ 45 Code of Federal Regulations CFR 2521.60(b)

Applications that propose to engage in activities that are prohibited under AmeriCorps' statutes, regulations, or the terms and conditions of its awards are not eligible to receive AmeriCorps funding.

Note that under appropriations provisions annually enacted by Congress, if AmeriCorps is aware that any corporation has any unpaid Federal tax liability—

- that has been assessed
- for which all judicial and administrative remedies have been exhausted or have lapsed
- that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability—

that corporation is not eligible for an award under this Notice. However, this exclusion will not apply to a corporation which a Federal agency has considered for suspension or debarment and has determined that suspension or debarment is not necessary to protect the interests of the Federal government.

Pursuant to the Lobbying Disclosure Act of 1995, an organization described in the Internal Revenue Code of 1986, 26 U.S.C. 501 (c)(4) that engages in lobbying activities is not eligible to apply for AmeriCorps funding.

D. APPLICATION AND SUBMISSION INFORMATION

This Notice should be read together with the AmeriCorps Regulations, 45 CFR 2520–2550, the Mandatory Supplemental Information, Application Instructions, and Performance Measure Instructions which are incorporated by reference. These documents can be found on <https://www.americorps.gov/partner/funding-opportunities>. The full Regulations are available online at www.ecfr.gov.

D.1. Address to Request an Application Package

All information associated with this funding opportunity is available through the AmeriCorps Funding Opportunities webpages. Applicants should refer to AmeriCorps Funding Opportunities for more information and instructions on how to fully respond to this Notice. Applicants can also send an email to americorpsgrants@cns.gov or call (202) 606-7508 for a printed copy of the Notice and Application Instructions. AmeriCorps also offers live text chat at <https://www.americorps.gov/contact>.

D.2. Content and Form of Application Submission

D.2.a. Application Content

Complete applications must include the following elements:

- Standard Form 424 (SF-424) Face Sheet: This is automatically generated when applicants complete the data elements in the eGrants system.
- Narrative Sections:
 - Executive Summary: This is a brief description of the proposed program.
 - Program Design
 - Organizational Capability

- Cost-Effectiveness & Budget Adequacy
- Evaluation Summary/Plan
- Logic Model
- Performance Measures
- Standard Form 424A Budget
- Continuation Changes
- Clarification
- Authorization, Assurances, and Certifications¹⁰

D.2.b. Page Limits

There are page limits for the Narratives and Logic Model:

- Narratives
 - Applications must not exceed 10 double-spaced pages for the Narratives or 12 pages for Rural Intermediaries and Multi-State applications with more than five operating sites as the pages print out from eGrants. AmeriCorps will use the number of locations in the “multi-state operating sites” field in AmeriCorps’ web-based management system to determine whether a multi-state application has more than five operating sites. The “multi-state operating sites” field can be found by clicking on the “operating sites” link in the system. Multi-state applicants that list five or fewer operating sites cannot exceed 10 pages for the Narrative.
 - The application sections that count towards the page limit are the:
 - SF-424 Face Sheet
 - Executive Summary
 - Program Design, Organizational Capability, and Cost-Effectiveness & Budget Adequacy narratives.
 - The application page limit does not include the Budget, Performance Measures, or any required additional documents.
- Logic Model
 - The Logic Model may not exceed three pages when printed with the application from the “Review” tab in AmeriCorps’ web-based management system.

Please note that the length of the application as a word processing document may differ from the length of the document printed out from eGrants. The character limits in eGrants do not align with page limits set in the Notice. **AmeriCorps strongly encourages applicants to print out the application from the “Review and Submit” tab in eGrants prior to submission in order to confirm that the application does not exceed the page limit.**

AmeriCorps will not consider the results of any alternative printing methods when determining if an application complies with the page limit. Reviewers will also not consider material that is over the page limit, even if eGrants allows applicants to enter and submit additional text.

D.3. Unique Entity Identifier and System for Award Management (SAM)

All applicants must register with the System for Award Management (SAM) at <https://www.sam.gov/SAM/> and maintain an active SAM registration until the application process is complete. If an applicant is awarded a grant, it must maintain an active SAM registration throughout the life of the award. See the SAM Quick Guide for Grantees at: [https://sam.gov/SAM/transcript/Quick Guide for Grants Registrations.pdf](https://sam.gov/SAM/transcript/Quick%20Guide%20for%20Grants%20Registrations.pdf)

¹⁰ <https://egrants.cns.gov/cnsmisc/ECERTS.HTM> and <https://egrants.cns.gov/cnsmisc/EASSUR.HTM>

SAM registration must be renewed annually. AmeriCorps suggests that applicants finalize a new registration or renew an existing one at least three weeks before the application deadline, to allow time to resolve any issues that may arise. **Applicants must use their SAM-registered legal name and address on all grant applications to AmeriCorps.**

AmeriCorps will not make awards to entities that do not have a valid SAM registration and DUNS or Unique Entity Identifier. If an applicant has not fully complied with these requirements by the time AmeriCorps is ready to make a Federal award, AmeriCorps may determine that the applicant is not qualified to receive an award and use that determination as a basis for making a Federal award to another applicant.

Applications must include an Employer Identification Number.

Applications must include a DUNS number. Applicants can obtain a DUNS number at no cost by calling the DUNS number request line at (866) 705-5711 or by applying online at the DUNS Request Service. AmeriCorps recommends registering at least 30 days before the application due date.

The Federal government is implementing Unique Entity Identifiers (UEI) as part of the SAM registration process to eventually replace DUNS numbers. AmeriCorps may ask applicants to add the UEI to their application as part of the clarification or pre-award process. AmeriCorps is adding a field to capture the UEI in eGrants. If you already have a UEI and the UEI field is available in eGrants, you can enter it at the time you submit your application.

D.4. Submission Dates and Times

D.4.a. Application Submission Deadline

Applications are due Friday, February 11, 2022, by 3:00 p.m. Eastern Time via eGrants. We encourage applicants to submit applications prior to the due date. Late applications will not be accepted.

D.5. Intergovernmental Review

This Notice is not subject to Executive Order 12372, "Intergovernmental Review of Federal Programs."

D.6. Funding Restrictions

D.6.a. Award Funding Requirements

1. Member Living Allowance

A living allowance is not considered a salary or a wage. Programs are not required to provide a living allowance for members serving in less than full-time terms of service. If a program chooses to provide a living allowance to a less than full-time member, it must comply with the maximum limits in the table below. For Cost Reimbursement grants, the amount must be included in the proposed budget as either AmeriCorps or grantee share. Exceptions are noted below.

While Fixed Amount grant applicants are not required to submit detailed budgets, they are still required to provide a living allowance to members that complies with the minimum and maximum requirements. Exceptions are noted below. Fixed Amount grant applicants should indicate that amount in the application.

Table: Minimum and Maximum Living Allowance

Service Term	Minimum # of Hours	Minimum Living Allowance	Maximum Total Living Allowance
Full-time	1,700	\$16,502	\$33,004
Three Quarter-time	1,200	n/a	\$23,103
Half-time	900	n/a	\$16,502
Reduced Half-time	675	n/a	\$12,542
Quarter-time	450	n/a	\$8,581
Minimum-time	300	n/a	\$6,931
Abbreviated-time	100	n/a	\$1,980

Exceptions to the Living Allowance Requirements

a. Programs existing prior to September 21, 1993, are not required to offer a living allowance. If an applicant chooses to offer a living allowance, it is exempt from the minimum requirement, but not the maximum requirement.

b. EAP Grantees are not required to provide a living allowance, but if a living allowance is provided, it must comply with the maximum requirements set forth in the Living Allowance Table above.

c. Professional Corps Grantees must provide members a living allowance or salary, which must meet the minimum, but may exceed the maximum living allowance set in the Living Allowance Table above. Professional Corps member salaries and benefits including childcare are paid entirely by the organizations with which the members serve; and are not included in the budget request to AmeriCorps (Federal share).

2. Maximum Cost per Member Service Year (MSY)

The AmeriCorps cost per MSY is determined by dividing the AmeriCorps share of budgeted grant costs by the number of MSYs requested. It does not include childcare or the value of the education award a member may earn. The maximum amount an applicant may request from AmeriCorps per MSY is determined on an annual basis.

New and re-competing Commission subgrantees/applicants will be held to the maximum cost per MSY for their grant type.

Grant Program	Maximum
Individual Competitive State/Territory Program (cost reimbursement)	\$21,600
Multi-state competitive (cost reimbursement)	\$21,600
Professional Corps competitive Fixed Amount Applicants/Grantees	\$1,000*
Full-cost competitive Fixed Amount Grant	\$21,600
Education Award Program (EAP) Fixed Amount Grant (competitive and formula)	\$800 or \$1,000**
All non EAP formula grants***	\$28,800****

*AmeriCorps requires **Professional Corps** programs to cover the operating expenses associated with the AmeriCorps program through non-AmeriCorps resources. AmeriCorps will only consider operating funds of up to \$1,000 per MSY if an applicant is able to demonstrate significant organizational financial need.

** Per 42 U.S.C. 12581a, the Corporation may provide the operational support under this section for a program in an amount that is not more than \$800 per individual enrolled in an approved national service position, or not more than \$1,000 per such individual if at least 50 percent of the persons enrolled in the program are disadvantaged youth.

*** Except planning grants

****\$18,000 adjusted for inflation as measured by the Consumer Price Index for all Urban Consumers.

AmeriCorps reserves the right to 1) treat an applicant that meets the statutory requirements of a Professional Corps as such, whether or not they submitted their application as a professional corps program; and 2) determine whether an applicant has demonstrated inability to effectively operate in the absence of AmeriCorps operating funds.

3. Segal AmeriCorps Education Award

AmeriCorps members who successfully complete a term of service will be eligible for an Education Award from the National Service Trust. The amount of the Education Award is linked to the value of the Pell Grant. A member has up to seven years after his or her term of service to use the Education Award. AmeriCorps will provide the updated Education Award amounts at the time of grant award.

D.6.b. Indirect Costs

Application budgets may include indirect costs. Based on qualifying factors, applicants may either use a Federally-approved indirect cost rate, a 10 percent de minimis rate of modified total direct costs, or may claim certain costs directly, as outlined in 2 CFR 200.413. States, local governments, and Indian Tribes may use previously-approved indirect cost allocation plans. All methods must be applied consistently across all Federal awards. Applicants that have a Federal negotiated indirect cost rate or that will be using the 10 percent de minimis rate must enter that information in the Organization section in eGrants. However, under section

121(d) of the NCSA and AmeriCorps' regulations at 45 CFR 2521.95 and 2540.110, no more than five percent of award funds may be used to recover indirect costs on AmeriCorps State and National grants.

The instructions for how to enter the organization's indirect cost rate.¹¹ Applicants should not submit documentation addressing the indirect cost rate agreement via email.

Please note: To request a Federally negotiated indirect cost rate agreement, when AmeriCorps is the applicable cognizant agency for an organization's indirect costs, the applicant must submit a request to IndirectCostRate@cns.gov. The applicant may also obtain instructions and additional information by contacting the email address above.

D.6.c. Pre-Award Costs

Pre-award costs, where authorized, are allowed after receiving written approval from AmeriCorps.

D.7. Other Submission Requirements

D.7.a. Electronic Application Submission in eGrants

Applicants must submit applications electronically via eGrants, AmeriCorps' web-based application system. AmeriCorps recommends that applicants create an eGrants account and begin the application at least three weeks before the deadline. Applicants should draft the application as a Word document, then copy and paste the text into the appropriate eGrants field no later than 10 days before the deadline.

The applicant's authorized representative must be the person who submits the application. The authorized representative must use their own eGrants account to sign and submit the application. A copy of the governing body's authorization for this official representative to sign must be on file in the applicant's office.

Applicants should contact the AmeriCorps Hotline at (800) 942-2677 or via eGrants Questions if they have a problem when they create an account, prepare, or submit the application. AmeriCorps Hotline hours are posted at <https://questions.americorps.gov/app/ask>.

Be prepared to provide the application ID, organization's name, and the competition to which the organization is applying. If the issue cannot be resolved by the deadline, applicants must continue working with the AmeriCorps Hotline to submit via eGrants.

D.7.c. Coordination among State Commissions and National Direct Applicants

AmeriCorps expects Commissions and National Direct applicants to consult and coordinate activities at the local level, as specified in Section 131 of the NCSA (42 U.S.C. § 12583). This consultation is designed to ensure the most effective use of national service resources and lead to enhanced coordination. The list of Commissions can be found here:

<https://americorps.gov/contact/state-service-commissions>.

To ensure coordination:

National Direct applicants, except Federally-recognized Indian Tribes, must:

Before application submission:

- Consult with the Commission of each state and/or territory in which the organization plans to operate and describe this consultation in their applications. Contact the Commissions for details about the consultation process. Provide information that connects the proposed activities to the current State/Territory Service plan and/or State logic model.

After Award:

- Provide the Commission with contact information for National Direct programs in the state and/or territory and update the information on an annual basis.
- Participate in the Commissions' annual needs assessment and training plan development activities, and in the development of its state/territory service plan, as well as appropriate training and other events.
- Include the Commission on the National Direct's mailing/email distribution lists and invite it to appropriate training and other events.

State/Territory Commissions must:

Before application submission:

- Consult in a timely manner with the National Direct applicants, except Indian Tribes, that contact them prior to application submission.

After Award:

- Consider the schedules and needs of National Direct applicants, including Indian Tribes, operating in their states when planning annual events and technical assistance activities.
- Include National Direct programs, including Indian Tribes, in their annual needs assessment and training plan development activities, and in the development of their state/territory service plan.
- Add staff of multi-state programs in their state/territory to their mailing/email distribution lists and invite them to appropriate training and other events.

AmeriCorps will solicit Commission input on National Direct applicants, except Indian Tribes, proposing to operate in their state/territory. Via the AmeriCorps' web-based management system, Commissions will have the opportunity to select "support," "do not support," or "neutral," and provide comments. Participation by Commissions in providing this input is strongly encouraged. AmeriCorps reviews and considers Commission input on multi-state applicants proposing to operate in their state.

E. APPLICATION REVIEW INFORMATION

E.1.a. Executive Summary (Required - 0 percent)

Please fill in the blanks of these sentences to complete the Executive Summary. Do not deviate from the template below.

The [Name of the organization] proposes to have [Number of] AmeriCorps members who will [service activities the members will be doing] in [the locations the AmeriCorps members will serve]. At the end of the first program year, the AmeriCorps members will be responsible for [anticipated outcome of project]. In addition, the AmeriCorps members will leverage [number of leveraged volunteers, if applicable] who will be engaged in [what the leveraged volunteers will be doing.]

This program will focus on the AmeriCorps focus area(s) of [Focus Area(s)].* The AmeriCorps investment of \$[amount of request] will be matched with \$[amount of projected match], \$[amount of local, state, and Federal funds] in public funding and \$[amount of nongovernmental funds] in private funding.

*If the program is not operating in an AmeriCorps focus area, omit this sentence.

Fixed-Amount grant applicants (EAP, Full-Cost Fixed, No Cost Slots) should list their Other Revenue (see Mandatory Supplemental Information) because they are not required to provide a specific amount of match, but still raise significant additional resources to operate the program.

E.1.b. Program Design (50 percent)

Reviewers will consider the quality of the application's response to the criteria below. Do not assume all sub-criteria are of equal value. Please ensure the Theory of Change and Logic Model incorporates the funding priorities listed above, for example supporting communities historically excluded and/or underserved from government services, addressing structural and institutional inequities, or increasing opportunity in order to achieve sustainable change in communities.

1. Theory of Change (15 points)

The Theory of Change shall address:

- The problem is prevalent and severe in communities where the program plans to serve and has been documented with relevant data.
- The proposed intervention is responsive to the identified community problem.
- The applicant's proposed intervention is clearly articulated including the design, dosage, target population, and roles of AmeriCorps members and (if applicable) leveraged volunteers.
- The applicant's intervention is likely to lead to the outcomes identified in the applicant's Theory of Change.
- The expected outcomes articulated in the application narrative and logic model represent meaningful progress in addressing the community problem identified by the applicant.
- The rationale for utilizing AmeriCorps members to deliver the intervention(s) is reasonable.
- The service role of AmeriCorps members will produce significant contributions to existing efforts to address the stated problem.

2. The Logic Model (10 points)

- A summary of the community problem, including the role current or historical inequities faced by underserved communities may play in contributing to the problem.
- The inputs or resources that are necessary to deliver the intervention, including but not limited to:
 - Locations or sites in which members will provide services
 - Number of AmeriCorps members who will deliver the intervention
- The core activities that define the intervention or program model that members will implement or deliver, including:
 - The duration of the intervention (e.g., the total number of weeks, sessions, or months of the intervention)
 - The dosage of the intervention (e.g., the number of hours per session or sessions per week)
 - The target population for the intervention (e.g., disconnected youth, third graders at a certain reading proficiency level)
- The measurable outputs that result from delivering the intervention (i.e., number of beneficiaries served, types and number of activities conducted, equity gaps closed). If applicable, identify which National Performance Measures will be used as output indicators
- Outcomes that demonstrate changes in knowledge/skill, attitude, behavior, or condition that occur as a result of the intervention. If applicable, identify which National Performance Measures will be used as outcome indicators.

Note: The logic model is a visual representation of the applicant's Theory of Change. Programs should include short, medium, or long-term outcomes in the logic model. Applicants are not required to measure all components of their Theory of Change. The applicant's performance measures should be consistent with the program's Theory of Change and should represent significant program activities.

In the application narrative, applicants should discuss the community need as it relates to the CDC's Social Vulnerability Index: <https://www.atsdr.cdc.gov/placeandhealth/svi/index.html>. Also in the application narrative, applicants should discuss their rationale for setting output and outcome targets for their performance measures.

Rationales and justifications should be informed by the organization's performance data (e.g., program data observed over time that suggests targets are reasonable), relevant research (e.g., targets documented by organizations running similar programs with similar populations), or prior program evaluation findings.

Applicants with multiple interventions should complete one Logic Model chart which incorporates each intervention. Logic model content that exceeds three pages will not be reviewed.

3. Evidence Base (20 points)

The assessment of an applicant's evidence base has two parts. First, the applicant will be assigned to an evidence tier (see the Mandatory Supplemental Information.) Second, the quality of the applicant's evidence and the degree to which it supports the proposed program design, including program aligned with the priority areas identified above, will be assessed, and scored.

3a. Evidence Tier (15 points):

An evidence tier will be assessed for each applicant for the purpose of understanding the relative strength of each applicant's evidence base and the likelihood that the proposed intervention will lead to outcomes identified in the logic model.¹³

Applicants who have outcome or impact evaluation reports of the same intervention described in the application (see Mandatory Supplemental Intervention for a definition of "same intervention") may submit up to 2 of those reports, plus (if applicable) the evaluation report from their last three-year grant cycle, to qualify for the Preliminary, Moderate, or Strong evidence tier. In order to qualify for consideration, the intervention evaluated in the submitted report(s) must match the intervention proposed by the applicant in the following areas, all of which must be clearly described in the Program Design and Logic Model sections of the application:

- Characteristics of the beneficiary population, including evidence of current or historic inequities facing the population;
- Characteristics of the population delivering the intervention;
- Dosage (frequency and duration) and design of the intervention, including all key components and activities;
- The context in which the intervention is delivered; and
- Outcome of the intervention.

Submitted reports that do not sufficiently match the intervention proposed by the applicant in all of these areas will not be considered applicable and will not be reviewed or receive any points. Submission of additional documents that are not consistent with the guidance and requirements described in the Notice (e.g., advocacy pieces, policy briefs, other narratives that are not research studies or program evaluations) will not be reviewed.

In the Evidence Tier section of the application narrative, applicants must (1) summarize the study design and key findings of any outcome or impact evaluation report(s) submitted and (2) describe any other evidence that supports their program, including past performance measure data and/or other research studies that inform their program design. Applicants who submit evaluation reports for consideration must also describe in the Evidence Base section of the application narrative how the intervention described in the submitted reports is the same as the intervention described in the application (see Mandatory Supplemental Information). Applicants should provide citations for the studies they describe, if applicable; however, reviewers will not review any documents external to the application other than evaluation report(s) submitted in accordance with the Notice instructions.

Applicants must meet all requirements of an evidence tier in order to be considered for that tier.

If the evaluation reports submitted by the applicant do not meet the definitions in the Mandatory Supplemental Information, the applicant may be considered for a lower evidence tier.

3b. Evidence Quality (5 points)

After the applicant's evidence tier has been assessed, the quality of the applicant's evidence and the extent to which it supports the proposed program design will be assessed and scored.

¹³In 2021, the evidence tiers of successful AmeriCorps State and National applicants that were competing were as follows: Strong 38%, Moderate 19%, Preliminary 16%, and Pre-Preliminary 26%. As these figures indicate, AmeriCorps values and funds programs at all points along the evidence continuum and expects programs to progress along the evidence continuum over time. Thus, do not be deterred from applying for funding due to your current evidence level.

Applicants who are assessed as being in the Preliminary, Moderate, or Strong evidence tiers, reviewers will score the submitted evaluation reports using the following standards:

- The submitted reports are of satisfactory methodological quality and rigor for the type of evaluation conducted (e.g., adequate sample size and statistical power, internal and/or external validity, appropriate use of control or comparison groups, etc.);
- The submitted reports describe evaluations that were conducted relatively recently, preferably within the last six years;
- The submitted reports show a meaningful and significant positive effect on program beneficiaries in at least one key outcome of interest.

Applicants that are assessed as being in the Pre-Preliminary evidence tier, reviewers will score the narrative provided in the Evidence Base section of the application using the following standards:

- The applicant uses relevant evidence, including past performance measure data and/or cited research studies, to inform their proposed program design;
- The described evidence is relatively recent, preferably from the last six years;
- The evidence described by the applicant indicates a meaningful positive effect on program beneficiaries in at least one key outcome of interest.¹⁴

4. Notice Priority (1 point)

- The applicant proposed program fits within one or more of the AmeriCorps funding priorities as outlined in the Funding Priorities section and more fully described in the Mandatory Supplemental Information and the proposed program meets all of the requirements detailed in the Funding Priorities section and in the Mandatory Supplemental Information.

5. Member Experience (4 points)

- AmeriCorps members as a result of their service will have opportunities to develop as leaders.
- AmeriCorps members will gain skills as a result of their training and service that can be utilized and will be valued by future employers after their service term is completed.
- Applicant should discuss plans for members' professional development. Discuss trainings that will be provided by program for members.
- The program has a well-defined plan to recruit AmeriCorps members from the geographic or demographic communities in which the programs operate.
- The applicant will foster an inclusive service culture where different backgrounds, talents, and capabilities are welcomed and leveraged for learning and effective service delivery.
- The applicant's organization and/or program has a diversity, equity, and inclusion council that seeks to diversity its staff and board and create a supportive and safe environment as well ensure that its programming is culturally and community appropriate.

E.1.c. Organizational Capability (25 percent)

Reviewers will consider the quality of the application's response to the following criteria below. Do not assume all sub-criteria are of equal value.

¹⁴Applicants assessed in the Pre-Preliminary evidence tier that do not provide adequate responses to the Evidence Quality standards will not meet the threshold requirements for this Notice and will not be considered for funding.

1. Organizational Background and Staffing (9 points)

- The organization details the roles, responsibilities, and structure of the staff that will be implementing the AmeriCorps program as well as providing oversight and monitoring for the program.
- The organization has facilitated, partnered, or participated in educational or workforce development programs (i.e., pre-apprenticeship/registered apprenticeship, work experience and job training programs, etc.).
- The organization has a stated commitment and plan to advance diversity, equality, and inclusion (DEI) throughout its mission, for example by using a DEI council or strategic plan.
- If the organization has partnered with other national service programs, please discuss the relationship and the specific stream(s) of service.

2. Compliance and Accountability (8 points)

- The organization has a monitoring and oversight plan to prevent and detect noncompliance and enforce compliance with AmeriCorps rules and regulations including those related to prohibited and unallowable activities and criminal history checks at the grantee, subgrantee (if applicable), and service site locations.
- The organization has sufficient policies, procedures, and controls in place to prevent, detect, and mitigate the risk of fraud, waste, abuse, and mismanagement, such as appropriate segregation of duties, internal oversight activities, measures to prevent timekeeping fraud, etc.
- The organization has an effective mechanism in place to report, without delay, any suspected criminal activity, waste, fraud, and/or abuse to both the AmeriCorps Office of Inspector General and AmeriCorps and a plan for training staff and participants on these reporting protocols.
- The AmeriCorps-required evaluation report meets AmeriCorps requirements (if applicable).
- The AmeriCorps-required evaluation report is of satisfactory quality (if applicable).

3. Culture that Values Learning (4 points)

- The applicant's board, management, and staff collect and use information, including performance data, for learning and decision making.
- The applicant's board, management, and staff collect and use information to determine its programmatic effectiveness in serving in a community with members that are diverse.

4. Member Supervision (4 points)

- AmeriCorps members will receive sufficient guidance and support from their supervisor to provide effective service.
- AmeriCorps supervisors will be adequately trained/prepared to follow AmeriCorps and program regulations, priorities, and expectations.

E.1.d. Cost Effectiveness and Budget Adequacy (25 percent)

Reviewers will assess the quality of the application's budget to the following criteria below. Do not assume all sub-criteria are of equal value.

These criteria will be assessed based on the budget submitted. Do not include narrative in the narrative box except for “See budget”.

1. Cost Effectiveness and Budget Adequacy (25 points)

- Budget is submitted without mathematical errors.
- Proposed costs are allowable, reasonable, and allocable to the award.
- Budget is submitted with adequate information to assess how each line item is calculated.
- Budget complies with the budget instructions.
- Match is submitted with adequate information to support the amount written in the budget.
- The budgeted match is equal to or more than the required match for the given program year.
- The cost per MSY is equal to or less than the maximum cost per MSY.

Proposed budgets that contain MSY costs that exceed the maximum cost per MSY and/or less than required match will be considered unresponsive to the application criteria.

Applicants must complete the budget and ensure the following information is in the budget screens:

- Current indirect rate cost rate information if used to claim indirect/administrative costs.
- Identify the non-AmeriCorps funding and resources necessary to support the project, including Fixed Amount applicants.
- Indicate the amount of non-AmeriCorps resource commitments, type of commitments (in-kind and/or cash), the sources of these commitments, and if the commitments are proposed or secured.

E.1.e. Evaluation Plan (Required for recompeting grantees - 0 percent)

If the applicant has previously received three or more years of competitive funding for the same project being proposed (see the Mandatory Supplemental Information for the AmeriCorps definition of “same project”), the applicant must submit an evaluation plan as an attachment (see the Submission of Additional Documents section for more information). If the applicant has previously received six or more years of competitive funding for the same project being proposed, the applicant must submit both an evaluation plan and an evaluation report as attachments.

Applicants should use the evaluation plan template available on the Notice webpage to craft their evaluation plans. The template document provides detailed information about the AmeriCorps evaluation requirements (45 CFR 2522.700-710) and specifies the information that must be provided for the evaluation plan to be approved by AmeriCorps. The evaluation plan will not be scored and will not be reviewed until after funding decisions have been made.

All applicants should enter “N/A” in the “Evaluation Summary or Plan” field of the Narrative. Any other text entered in this field will not be reviewed.

E.1.f. Amendment Justification (0 percent)

Enter N/A. This field will be used if the applicant is awarded a grant and needs to amend it.

E.1.g. Clarification Information (0 percent)

Please make a heading entitled “FY 2022 Match replacement” and enter the dollar amount of match replacement your program would like to request. The amount cannot result in your program being above the maximum cost per MSY. Should your application go to clarification, this field will also be used to enter information that requires clarification in the post-review period.

E.1.h. Continuation Changes (0 percent)

Enter N/A. This field will be used to enter changes in the application narratives in continuation requests.

E.2. Review and Selection Process

AmeriCorps will engage External and Staff Reviewers with relevant knowledge and expertise to assess and provide input on the eligible applications. The review and selection processes are intended to produce a diversified set of high-quality programs that represent the priorities and strategic considerations described in this Notice. The determinations made by AmeriCorps reviewers may be different than what the applicant self-determined upon submission of its application. The stages of the review and selection process follow:

E.2.a. Initial Application Compliance and Eligibility Review

AmeriCorps will conduct an initial Compliance and Eligibility Review to determine if an application meets the eligibility requirements published in this Notice and advances to the next stage of the review process.

An application is compliant if the applicant:

- is an eligible organization
- is eligible to submit directly to AmeriCorps
- submitted an application by the submission deadline

Reviewing for eligibility is intended to ensure that only those applications that are eligible for award are further reviewed. However, determinations of eligibility can take place at any point during the application review and selection process. Applicants that are determined to be ineligible will not receive an award.

E.2.b. Application Review**External Review**

External Reviewers will review and assess the evidence criteria in the Notice. AmeriCorps will recruit and select reviewers on the basis of demonstrated expertise. All External Reviewers will be screened for conflicts of interest.

Internal Review

AmeriCorps staff will evaluate the applications using the application review criteria and assess the priorities and strategic considerations detailed in the Notice. Reviewers will be screened for conflicts of interest.

AmeriCorps will review and assess the input from the Commission about National Direct applications.

E.2.c. Applicant Clarification

AmeriCorps may ask an applicant for clarifying information. AmeriCorps staff will use this information to make funding recommendations. Not all applications are clarified. A request for clarification does not guarantee an award. Applicants may be recommended for funding even if they are not asked for clarifying information. An applicant's failure to respond to a request for clarification adequately and in a timely manner may result in the removal of its application from consideration.

E.2.d. Pre-Award Risk Assessment

AmeriCorps staff will evaluate the risks to the program posed by each applicant to assess an applicant's ability to manage Federal funds. This evaluation is in addition to assessments of the applicant's eligibility and the quality of its application on the basis of the Selection Criteria. Results from this evaluation will inform funding decisions. If AmeriCorps determines that an award will be made to an applicant with assessed risks, special conditions that correspond to the degree of assessed risk may be applied to the award. Additionally, if AmeriCorps concludes that the reasons for applicants having poor risk assessment are not likely to be mitigated, those applications may not be selected for funding.

In evaluating risks, AmeriCorps may consider the following criteria:

Due Diligence:

- Federal debt delinquency
- suspension and debarment
- information available through OMB-designated repositories of government-wide eligibility qualification or financial integrity information, such as:
 - Federal Awardee Performance and Integrity Information System (FAPIS)
 - U.S. Treasury Bureau of Fiscal Services
 - System for Award Management (SAM)
 - "Do Not Pay"
- reports and findings from single audits performed under Uniform Administrative Guidance and findings of any other available audits or investigations
- IRS Tax Form 990 • Oversight.gov
- Public Litigation Records

Operational and Financial Management:

- financial stability
- Operational and Financial Management Survey¹⁵

Past Performance:

- applicant's record in managing previous AmeriCorps awards, cooperative agreements, or procurement awards, including:
 - timeliness of compliance with applicable reporting requirements

¹⁵ <https://www.nationalservice.gov/resources/financial-management/financial-and-grantsmanagement>

- conformance to the terms and conditions of previous Federal awards
- applicant's ability to effectively implement statutory, regulatory, or other requirements imposed on award recipients
- meeting matching requirements
- the extent to which any previously awarded amounts will be expended prior to future awards
- national service criminal history check compliance.

Other Programmatic Risks:

- publicly available information, including information from the applicant organization's website

Commission staff should review for the same types of risks for the applicants they submit.

Commission staff will assess their subgrantees' programmatic past performance using the italicized criteria above and submit those assessments to AmeriCorps.

E.2.e. Consideration of Integrity and Performance System Information

Prior to making any award that exceeds the \$250,000, AmeriCorps is required to review and consider any information about the applicant that is in the designated integrity and performance system accessible through SAM (currently FAPIIS) (See 41 U.S.C. 2313). Additionally, AmeriCorps may expand upon these requirements and use its discretion to review and consider information about any applicant receiving an award, including those under \$250,000.

Any applicant, at its option, may review information in the designated integrity and performance systems accessible through FAPIIS and comment on any information about itself that a Federal awarding agency previously entered and is currently in the designated integrity and performance system accessible through FAPIIS.

AmeriCorps may consider comments by any applicant, in addition to the other information in the designated integrity and performance system, in making a judgment about the applicant's integrity, business ethics, and record of performance under Federal awards when completing its review of risk posed by the applicant under the Risk Assessment Evaluation section of this Notice.

E.2.f. Selection for Funding

The review and selection process are designed to:

- identify how well eligible applications are aligned with the application review criteria
- build a diversified portfolio based on the following strategic considerations:
 - AmeriCorps Funding Priorities (See Section A.2. Funding Priorities)
 - meaningful representation of
 - rural communities
 - innovative community strategies

Based on the evaluation of these strategic considerations, applications may be selected for funding over applications with a greater degree of alignment with the review criteria. In selecting applicants to receive awards under this Notice, the Chief Executive Officer will endeavor to include a diverse portfolio of applications based on staff recommendations and strategic considerations.

AmeriCorps will assess an applicant's strategic considerations. Applicants must check the relevant boxes in the Program Information tab in AmeriCorps' web-based management system in order to be considered for AmeriCorps' assessment of the strategic considerations (see Selection for Funding section.) Applicants should only check the boxes if the strategic consideration is a significant and intentional part of their program design and if implementation strategies are described in the application.

AmeriCorps reserves the right to prioritize funding existing awards over making new awards. AmeriCorps reserves the right to award applications in an amount other than at the requested level of funding and will document the rationale for doing so.

AmeriCorps reserves the right to adjust or make changes to the review process, if unforeseen challenges or urgent circumstances make it impossible, impracticable, or inefficient to conduct the review process as planned. Any such adjustments or changes will not affect the selection criteria that will be used to assess applications.

E.3. Feedback to Applicants

Applicants will receive feedback from the External Review and Staff Review of their compliant applications. This feedback will be based on the review of the original application and will not reflect information provided during clarification.

E.4. Transparency in Grant-making

AmeriCorps is committed to transparency in grant-making. The following information for new and re-competing applications will be published on <http://www.americorps.gov/partner/fundingopportunities/funded-grants> government within 90 business days after all grants are awarded:

- a list of all approved applications
- executive summaries of all approved applications
- data extracted from the SF-424 Face Sheet
- a blank template of the external review worksheet
- a list of all external reviewers who completed the review process

Information about funded grants and subgrants is also available in USASpending.gov.

Submitted program narratives and a summary of external reviewer comments for successful applications will be available upon request via email to OGAGarp@cns.gov.

F. FEDERAL AWARD ADMINISTRATION INFORMATION

F.1. Federal Award Notices

AmeriCorps will make awards following the selection announcement. AmeriCorps anticipates announcing the results of this funding opportunity by mid May 2022 contingent on the availability of congressional appropriations. All applicants, successful or not, will be notified of funding decisions via email.

Notification of an award is not an authorization to begin activities. The Notice of Grant Award is the authorizing document. An awardee may not expend Federal funds until the start of the Period of Performance identified on the Notice of Grant Award unless it has received a written pre-award cost approval from AmeriCorps.

F.2. Administrative and National Policy Requirements

F.2.a. Uniform Guidance

All awards made under this Notice will be subject to the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance), in 2 CFR Parts 200 and 2205.

F.2.b. Requests for Monitoring or Payment Integrity Information

AmeriCorps may request documentation from recipients in order to monitor the award or to comply with other legal requirements, such as the Payment Integrity Information Act of 2019. Failure to make timely responses to these requests may result in award funds being placed on manual hold, reimbursement only status, or other remedies may be applied as appropriate.

F.2.c. AmeriCorps Terms and Conditions

All awards made under this Notice will be subject to the FY 2022 AmeriCorps General Terms and Conditions, and the FY 2022 Program-Specific Terms and Conditions for the particular program (when applicable). These Terms and Conditions contain detailed, mandatory compliance and reporting requirements. Current versions of the AmeriCorps General and Program-Specific Terms and Conditions for each of its programs is available at <https://americorps.gov/grantees-sponsors/directs-territories-tribes>.

F.2.d. National Service Criminal History Check Requirements

The National Service Criminal History Check (NSCHC) is a specific screening procedure established by law to protect the beneficiaries of national service. We encourage grantees to minimize barriers to service without putting their program beneficiaries at genuine risk.

- In general, award recipients and subrecipients must conduct an NSCHC for AmeriCorps members, AmeriCorps Seniors volunteers, and staff funded under, or whose salary is reflected as match on, the award.
- AmeriCorps strongly encourages applicants to review the regulations and additional guidance to fully understand how to comply with the requirements.¹⁶
- AmeriCorps also strongly encourages funded applicants to utilize the two AmeriCorps-approved vendors to conduct the required NSCHCs.¹⁷
- Failure to conduct a compliant NSCHC may result in significant disallowed costs.
- The cost of conducting NSCHC is an allowable expense under the award and the individual subject to the NSCHC may not be required to cover the cost without being reimbursed.

A NSCHC consists of a check of the:

1. National Sex Offender Public website through NSOPW.gov (nationwide check);
2. State criminal history record repository or agency-designated alternative for the individual's State of residence and State of service; and
3. Fingerprint-based check of the FBI criminal history record database through the State criminal history record repository or agency-approved vendor.

All checks must be conducted, reviewed, and an eligibility determination made before the individual begins work or service.

An individual is not eligible to serve or work in a position subject to the NSCHC requirements if:

- the individual refuses to consent to a criminal history check;
- makes a false statement in connection with a criminal history check;
- is registered, or is required to be registered, on a state sex offender registry or the National Sex Offender Registry; or
- has been convicted of murder.

See 45 CFR 2540.200– 2540.207¹⁸ and National Service Criminal History Check Resources¹⁹ for complete information and FAQs.

F.2.e. Official Guidance

All AmeriCorps active Guidance is available on the agency’s Guidance webpage: <https://www.americorps.gov/about/agency-overview/official-guidance>. The contents of these documents do not have the force and effect of law and are not meant to bind the public in any way unless incorporated into a contract or grant agreement. These documents are intended only to provide clarity to the public regarding existing requirements under the law or agency policies.

F.3. Use of Material

To ensure that materials generated with AmeriCorps funding are available to the public and readily accessible to recipients and non-recipients, AmeriCorps reserves a royalty-free, nonexclusive, and irrevocable right to obtain, use, modify, reproduce, publish, or disseminate publications and materials produced under the award, including data, and to authorize others to do so (2 CFR §200.315).

F.4. Reporting

Recipients are required to submit a variety of reports which are due at specific times during the life cycle of an award. All reports must be accurate, complete, and submitted on time.

Cost reimbursement grantees are required to provide annual progress reports, semi-annual financial reports, and an internal or external evaluation report as required by the AmeriCorps regulations 45 CFR 2522.500-2522.540 and 2522.700-2522.740. Final financial and progress reports are due 120 days after the end of the agreement.

Fixed Amount grantees are required to provide annual and final progress reports and an internal or external evaluation report.

All grantees, including Fixed Amount grantees, must submit quarterly financial reports to the U.S. Department of Health and Human Services Payment Management System.

In addition, at the end of the award period, recipients must submit final financial (cost reimbursement grantees only) and progress reports that are cumulative over the entire award period and consistent with the close-out requirements. The final reports are due 120 days after the end of the period of performance.

Award recipients will be required to report at <https://www.FSRS.gov> on all subawards over \$30,000 and may be required to report on executive compensation for the recipient organization and its subrecipients. Recipients must have the necessary systems in place to

¹⁹ <https://americorps.gov/grantees-sponsors/history-check>

collect and report this information. See 2 CFR Part 170 for more information and to determine how these requirements apply.

Once the grant is awarded, recipients will be expected to have data collection and data management policies, processes, and practices that provide assurance that they are reporting high quality performance measure data. At a minimum, recipients should have policies, processes, and practices that address the following five aspects of data quality for themselves and for subrecipients (if applicable):

- the data measures what it intends to measure
- the data reported is complete
- the recipient collects data in a consistent manner
- the recipient takes steps to correct data errors
- the recipient actively reviews data for accuracy prior to submission.

Failure to submit accurate, complete, and timely required reports may affect the recipient's ability to secure future AmeriCorps funding.

F.5. Continuation Funding Information and Requirements

Organizations that have current awards that continue beyond FY 2021 must submit an application in order to be eligible to receive funding for the following year. Please see the Application Instructions, if applicable. Requests by existing continuation applicants for increases in the level of funding or number of positions will be assessed using the review criteria published in this Notice. The review will also be based on progress reports, the federal financial report, evaluation plans, and CNCS staff's knowledge of the grant program. To be approved for continuation funding, recipients must demonstrate satisfactory performance with respect to key program goals and requirements, as well as compliance with the terms and conditions of the grant.

AmeriCorps reserves the right to award applications in an amount less than the requested level of funding and will document the rationale for doing so.

Attachment A: Economic Mobility Corps

About the CDFI Fund and CDFIs

The mission of the U.S. Treasury Department's Community Development Financial Institution Fund (CDFI Fund) is to expand economic opportunity for underserved people and communities by supporting the growth and capacity of a national network of community development lenders, investors, and financial service providers known as Community Development Financial Institutions (CDFIs).

CDFIs are community-based financial institutions that have a common goal of filling financing gaps in underserved, low-income areas. As community-based institutions, they possess a keen sensitivity to needs of local residents and businesses, and their creation reflects a bottom-up, rather than a top-down, approach to community investment and revitalization.

Currently, there are more than 1,100 CDFIs that are certified by the CDFI Fund serving urban and rural communities throughout the United States. CDFIs are found in all fifty states, the District of Columbia, Guam, and Puerto Rico. They bridge diverse public and private sector interests to serve people and places that traditional financial institutions usually do not. CDFIs provide:

- loans for businesses and projects that otherwise would not receive for financing;
- safe, affordable banking services that otherwise would not be available in the community;
- loan rates and terms that are more flexible than those offered by traditional lenders; and development services—such as business planning, credit counseling, and homebuyer education—to help their borrowers use credit effectively and build financial strength.

As a result, CDFIs support the creation of small businesses and local jobs, and the development of affordable housing, community facilities, and schools—all in places where economic opportunity is needed most.

About the Economic Mobility Corps

A joint initiative of the CDFI Fund and AmeriCorps, the Economic Mobility Corps (EMC) places full-time AmeriCorps members at Certified CDFIs to enhance their capacity to provide financial literacy, financial planning, budgeting, saving, and other financial counseling activities in distressed and underserved areas. Economic Mobility Corps members will be placed in Certified CDFIs and will receive training on the principles of financial counseling and financial literacy. A Certified CDFI is an entity that the CDFI Fund has officially notified that it meets all CDFI certification requirements. Only Certified CDFI's are eligible to receive EMC members.

This initiative will fund up to 61 full-time members a year for two years.

Who is Eligible for an EMC Award?

Organizations that meet the AmeriCorps State and National eligibility criteria. Additionally, applicants that are Certified CDFIs and organizations with CDFI Fund awards will be considered ineligible for award if the applicant has:

- a previously executed award agreement(s), as of the date of the Application, (i) the CDFI Fund has determined that such entity is noncompliant or found in default with a previously executed agreement, and (ii) the CDFI Fund has provided written notification that such entity is ineligible to apply for or receive any future CDFI Fund awards or allocations. Such entities will be ineligible to apply for such time period as specified by the CDFI Fund in writing. Applicants that have pending noncompliance

issues of any of its previously executed award agreement(s), are eligible to receive an award if the CDFI Fund has not yet made a final compliance determination.

- defaulted on a loan from the CDFI Fund within five years of the application deadline.

Preference will be given to applicants that intend to enroll veterans as AmeriCorps members and/or serve rural areas.
