

Before Starting the Project Listings for the CoC Priority Listing

The CoC Consolidated Application requires TWO submissions. Both this Project Priority Listing AND the CoC Application MUST be completed and submitted prior to the CoC Program Competition submission deadline stated in the NOFO.

The CoC Priority Listing includes:

- Reallocation forms – must be completed if the CoC is reallocating eligible renewal projects to create new projects or if a project applicant will transition from an existing component to an eligible new component.
- Project Listings:

- New;
- Renewal;
- UFA Costs;
- CoC Planning;
- YHPD Renewal; and
- YHDP Replacement.
- Attachment Requirement

- HUD-2991, Certification of Consistency with the Consolidated Plan – Collaborative Applicants must attach an accurately completed, signed, and dated HUD-2991.

Things to Remember:

- New and Renewal Project Listings – all project applications must be reviewed, approved and ranked, or rejected based on the local CoC competition process.
- Project applications on the following Project Listings must be approved, they are not ranked per the FY 2023 CoC Program Competition NOFO:

- UFA Costs Project Listing;
- CoC planning Project Listing;
- YHPD Renewal Project Listing; and
- YHDP Replacement Project Listing.
- Collaborative Applicants are responsible for ensuring all project applications accurately appear on the Project Listings and there are no project applications missing from one or more Project Listings.
- For each project application rejected by the CoC the Collaborative Applicant must select the reason for the rejection from the dropdown provided.
- If the Collaborative Applicant needs to amend a project application for any reason, the Collaborative Applicant MUST ensure the amended project is returned to the applicable Project Listing AND ranked BEFORE submitting the CoC Priority Listing to HUD in e-snaps.

2-1 Is the CoC reallocating funds from one or more eligible renewal grant(s) that will expire in Calendar Year 2024 into one or more new projects? Yes

Alert: As stated in the FY 2023 NOFO, CoCs may reallocate renewing Round 1 YHDP projects initially funded by HUD in the FY 2016 YHDP Competition.

CoCs **MAY NOT** reallocate YHDP Renewal grants initially awarded Round 2 or later YHDP funding.

3. Reallocation - Grant(s) Eliminated

CoCs reallocating eligible CoC and Round 1 YHDP renewal project funds to create new CoC project application(s) – as detailed in the FY 2023 CoC Program Competition NOFO – may do so by eliminating one or more expiring eligible CoC and Round 1 YHDP renewal projects. CoCs that are eliminating eligible CoC and Round 1 YHDP renewal projects must identify those projects on this form.

CoCs must not reallocate YHDP Renewal grants initially awarded Round 2 or later YHDP funding.

Grant Number of Eliminated Project: GA0333L4B012206

Eliminated Project Annual Renewal Amount: \$127,812

3-2. Describe how the CoC determined that this project should be eliminated and include the date the project applicant was notified. (limit 2500 characters)

The elimination of this project (GA0333L4B012206) is due to underutilization as a result of the inactivity of this project grant. This project is not serving any participants nor spending any funds, and this project did not serve any clients or spend any grant funds in calendar year 2022.

During the application review of this renewal BoS RRH project, it was determined that this project was not operational during calendar year 2022. Collaborative Applicant staff met with MUST Ministries staff to discuss this project's performance on 8/30/23, and they discussed staffing issues for this project. CoC staff also looked at data in HMIS and determined that data was not showing anyone currently enrolled in the project.

The elimination and reallocation of this project was reviewed and approved by the Standards, Rating, and Project Selection Committee on 9/5/23, who then made recommendation to the Board. On 9/12/23, the elimination and reallocation of this project was reviewed and approved by the CoC Board. On 9/12/23, Collaborative Applicant staff sent formal notification of the decision to eliminate and reallocate this project grant due to underutilization.

4. Reallocation - Grant(s) Reduced

CoCs reallocating eligible CoC and Round 1 YHDP renewal project funds to create new CoC project application(s) – as detailed in the FY 2023 CoC Program Competition NOFO – may do so by eliminating one or more expiring eligible CoC and Round 1 YHDP renewal projects. CoCs that are eliminating eligible CoC and Round 1 YHDP renewal projects must identify those projects on this form.

CoCs must not reallocate YHDP Renewal grants initially awarded Round 2 or later YHDP funding.

Public reporting burden for this collection of information is estimated to average 3.0 hours per response, including the time for reviewing instructions, completing the form, attaching a list of projects if submitting one form per jurisdiction, obtaining local jurisdiction's signature, and uploading to the electronic e-snaps CoC Consolidated Application. This agency may not conduct or sponsor, and a person is not required to respond to, a collection information unless that collection displays a valid OMB control number.

Privacy Act Statement. This form does not collect SSN information. The Department of Housing and Urban Development (HUD) is authorized to collect all the information required by this form under 24 CFR part 91, 24 CFR Part 578, and is authorized by the McKinney-Vento Act, as amended by S. 896 The Homeless Emergency Assistance and Rapid Transition to Housing (HEARTH) Act of 2009 (42 U.S.C. 11371 et seq.). HUD considers the completion of this form, including the local jurisdiction(s) authorizing official's signature, as confirmation the project application(s) proposed activities submitted to HUD in the CoC Program Competition are consistent with the jurisdiction's Consolidated Plan and, if the project applicant is a state or unit of local government, that the jurisdiction is following its Consolidated Plan per the requirement of 24 CFR part 91. Failure to either submit one form per project or one form with a listing of project information for each field (i.e., name of applicant, name of project, location of project) will result in a technical deficiency notification that must be corrected within the number of days designated by HUD, and further failure to provide missing or incomplete information will result in project application removal from the review process and rejection in the competitive process.
