

2018 CDBG Annual Competition Awards

SN	Recipient/Type/Project	Amount	Description
1796	Abbeville, City of CDBG Neighborhood Revitalization	\$626,437	The City of Abbeville proposes to use \$626,437 in CDBG funds for neighborhood revitalization. The project will rehabilitate one home, reconstruct six homes, and demolish four vacant dilapidated homes around East Ocmulgee Street. The project will benefit 15 persons, of whom 15 (100%) are LMI. The total project cost is \$637,637, with \$11,200 in match and leverage.
1851	Adel, City of CDBG Water Improvements	\$644,319	The City of Adel proposes to use \$644,319 in CDBG funds for water system improvements. The project will install 2,225 LF of 8" water mains, 4,420 linear feet of 6" water mains, and 5,500 linear feet of 2" water mains. The project will also include 33 gate valves, and 10 fire hydrants. The project will benefit 324 persons, of whom 291 (89.81%) are LMI. The total project cost is \$852,874 with \$208,555 in match and leverage.
1795	Blakely, City of CDBG Multi Activity Program	\$1,000,000	The City of Blakely proposes to use \$1,000,000 in CDBG funds for sewer system improvements, street and drainage improvements, and neighborhood revitalization around North Avenue. The project consists of replacing sewer lines and laterals, address drainage issues on North Avenue, reconstructing five dilapidated homes, rehabilitating one home, and demolishing five homes. The project will benefit 114 persons, of whom 109 (95.61%) are LMI. The total project cost is \$1,089,711, with \$89,711 in match and leverage.
1808	Brantley County CDBG Drainage/Streets Improvements	\$600,000	Brantley County proposes to use \$600,000 in CDBG funds for street and drainage improvements along Chicora Road. The street will be paved for 1.3 miles and improvements will be made to the drainage infrastructure. The project will benefit 112 persons, of whom 91 (81.25%) are LMI. The total project cost is \$736,465, with \$136,465 in match and leverage.
1843	Butts County CDBG Drainage/Streets Improvements	\$518,089	Butts County proposes to use \$518,089 in CDBG funds for street and drainage improvements to serve Issac Head Road. The project will pave 0.92 miles of dirt roads and install adequate drainage improvements. The project will benefit 53 persons, of whom 41 (77.36%) are LMI. The total project cost is \$643,303, with \$125,214 in match and leverage.
1786	Cave Spring, City of CDBG Sewer Improvements	\$750,000	The City of Cave Spring proposes to use \$750,000 in CDBG funds for sewer system improvements along Stewart Circle, Fannin Street, Floyd Street, Fincher Street, and Alabama Street. The project will consist of rehabilitating 3,547 linear feet of sewer lines, installing 16 manholes, rehabilitating existing manholes, and installing new service laterals. The project will benefit 255 persons, of whom 212 (83.14%) are LMI. The total project cost is \$857,374, with \$107,374 in match and leverage.
1785	Chattooga County CDBG Water Improvements	\$750,000	Chattooga County proposes to use \$750,000 in CDBG funds for water system improvements in the Mountain View Road Target Area. The project will install approximately 15,000 linear feet of water mains and 17 fire hydrants in the Target Area. The project will benefit 185 persons, of whom 146 (78.92%) are LMI. The total project cost is \$837,834, with \$87,834 in match and leverage.

2018 CDBG Annual Competition Awards

SN	Recipient/Type/Project	Amount	Description
1813	Colquitt County CDBG Drainage/Streets Improvements	\$532,187	Colquitt County proposes to use \$532,187 in CDBG funds for street and drainage improvements in two target areas--Holly Lane and Foxthick Road. The proposed project will pave 1.07 miles of roadway in both target areas, install curb and gutter in the Foxthick Road Target Area, and improve the drainage ditches in the Holly Lane Target Area. The project will benefit 85 persons, of whom 65 (76.47%) are LMI. The total project cost is \$897,221, with \$365,034 in match and leverage.
1802	Colquitt, City of CDBG Neighborhood Revitalization	\$625,716	The City of Colquitt proposes to use \$625,716 in CDBG funds for neighborhood revitalization. The project will reconstruct four homes, rehabilitate five homes, and demolish one dilapidated vacant home. The project will benefit 20 persons, of whom 20 (100%) are LMI. The total project cost is \$643,966, with \$18,250 in match and leverage.
1842	Cook County CDBG Drainage/Streets Improvements	\$701,884	Cook County proposes to use \$701,884 in CDBG funds for street and drainage improvements to serve Chaserville Blvd., Chaser Drive, Indigo Lane and Jo Treadway Road. The project will improve approximately 4,400 linear feet of roadway, install asphalt paving, and improve ditch sections in the target area. The project will benefit 119 persons, of whom 103 (86.55%) are LMI. The total project cost is \$783,359, with \$81,475 in match and leverage.
1836	Cornelia, City of CDBG Sewer Improvements	\$750,000	The City of Cornelia proposes to use \$750,000 in CDBG funds for sewer improvements along Elrod Street. The proposed improvements consist of replacing approximately 4,900 linear feet of sewer mains, 20 manholes, and installing 40 new service connections. The project will benefit 133 persons, of whom 124 (93.23%) are LMI. The total project cost is \$1,503,180, with \$753,180 in match and leverage.
1809	Coweta County CDBG Water Improvements	\$750,000	Coweta County proposes to use \$750,000 in CDBG funds for water system improvements for East Newnan Mill Village. The proposed improvements include the replacement of approximately 9,760 linear feet of water mains and the installation of eight fire hydrants. The project will benefit 288 persons, of whom 277 (96.18%) are LMI. The total project cost is \$944,335, with \$194,335 in match and leverage.
1823	Crawford County CDBG Water Improvements	\$367,117	Crawford County proposes to use \$367,117 in CDBG funds for water system improvements along Wildwood Road. The project will include the installation of approximately 7,400 linear feet of water mains and 15 fire hydrants. The project will benefit 100 persons, of whom 74 (74.00%) are LMI. The total project cost is \$397,117, with \$30,000 in match and leverage.
1797	Cuthbert, City of CDBG Sewer Improvements	\$750,000	The City of Cuthbert proposes to use \$750,000 in CDBG funds for sewer system improvements along Hood Street, Seaboard Street, Birch Street, and Fourth Street. The proposed improvements include the construction of a new pump station, rehabilitation of approximately 5,900 linear feet of sewer mains, installation of two manholes and rehabilitation of 17 manholes. The project will benefit 371 persons, of whom 346 (93.26%) are LMI. The total project cost is \$809,000, with \$59,000 in match and leverage.

2018 CDBG Annual Competition Awards

SN	Recipient/Type/Project	Amount	Description
1824	Danville, City of CDBG Water Improvements	\$468,000	The City of Danville proposes to use \$468,000 in CDBG funds for water system improvements citywide. The proposed project includes replacing 5,600 linear feet of water mains and 21 fire hydrants. The project will benefit 273 persons, of whom 195 (71.43%) are LMI. The total project cost is \$488,000, with \$20,000 in match and leverage.
1816	Dawson County CDBG Senior Center	\$750,000	Dawson County proposes to use \$750,000 in CDBG funds for the approximately 7,500 square-foot expansion of the Dawson County Senior Center. The project will benefit 420 persons, of whom 420 (100%) are LMI. The total project cost is \$2,180,000, with \$1,430,000 in match and leverage.
1804	Decatur County CDBG Drainage/Streets Improvements	\$538,301	Decatur County proposes to use \$538,301 in CDBG funds for street and drainage improvements along Bethel Heights Street. The proposed improvements would consist of paving 1.16 miles of roadway and making improvements to drainage ditches and installing piping. The project will benefit 119 persons, of whom 107 (89.92%) are LMI. The total project cost is \$816,775, with \$278,474 in match and leverage.
1868	Douglas, City of CDBG Water/Sewer Improvements	\$459,895	The City of Douglas proposes to use \$459,895 in CDBG funds for water and sewer improvements along West Philips Street, West Cherry Street, and Magnolia Street. The proposed improvements consist of installing 445 linear feet of water pipe, one fire hydrant, approximately 4,500 linear feet of sewer main improvements and the installation of four manholes. The project will benefit 292 persons, of whom 273 (93.49%) are LMI. The total project cost is \$594,746, with \$134,851 in match and leverage.
1841	Dublin, City of CDBG Neighborhood Revitalization	\$545,755	The City of Dublin proposes to use \$545,755 in CDBG funds for acquisition and demolition of one vacant dilapidated home, rehabilitation of 13 homes, and clearance of two additional homes on Childs Court, Edmonds Court, Carolyn Watson Street, Glenwood Park, and Garner Street. The project will benefit 82 persons, of whom 80 (97.56%) are LMI. Thirty-seven people will benefit directly from the housing activities. The total project cost is \$579,412, with \$33,657 in match and leverage.
1815	Flovilla, City of CDBG Water Improvements	\$628,614	The City of Flovilla proposes to use \$628,614 in CDBG funds for water system improvements along Cenie Road. The proposed project will consist of 7,800 linear feet of water lines and installation of 15 fire hydrants. The project will benefit 159 persons, of whom 154 (96.86%) are LMI. The total project cost is \$710,318, with \$81,704 in match and leverage.
1807	Grady County CDBG Drainage/Streets Improvements	\$685,461	Grady County proposes to use \$685,461 in CDBG funds for street and drainage improvements in the Johnson Road Neighborhood. The proposed project will pave approximately 1.85 miles of roadway and install approximately 1,200 linear feet of drainage piping. The project will benefit 140 persons, of whom 127 (90.71%) are LMI. The total project cost is \$985,633, with \$300,172 in match and leverage.
1880	Greenville, City of CDBG Water Improvements	\$590,408	The City of Greenville proposes to use \$590,408 in CDBG funds for water system improvements along Hill Haven Road, Hill Haven Circle, and Hill Plaza. The proposed improvements include the installation of 10,500 linear feet of water mains and 25 fire hydrants. The project will benefit 339 persons, of whom 310 (91.45%) are LMI. The total project cost is \$609,408, with \$19,000 in match and leverage.
