COMPLIANCE SPOTLIGHT

DON'T FORGET TO REMEMBER.......
- The IRS Notice 2020-53 and 2021-12 has not waived the annual student certification requirement. Please review this and other related topics here, including the standard form for Income Recertification Waiver. Properties not performing income recertifications must document the reason on this form.
- The 2020 Annual Owner Certifications (AOC) must be filed no later than March 1, 2021. HUD Section 811 AOC will be posted in the coming weeks and will have a separate due date.
- Make sure adequate staff is available to respond to resident and urgent health and safety concerns if your office has limited walk-in service due to COVID-19.
- Please do not attempt to upload transactions into MITAS. Emphasys training dates will be announced in the next coming weeks. After you complete your Emphasys training you will then be able to go back and upload tenant data into Emphasys.
