Contact information for other continua within Georgia can be found at: [Georgia Continuum of Care Contacts](#).

At the meetings on December 5, 6, and 10, we will ask membership, services providers, and local consolidated planning jurisdictions throughout Georgia's 152 county BoS Continuum planning area to comment and provide input on what youth homelessness looks like in their community in order to determine ways to address this issue. Specifically, these regional meetings will include BoS Continuum Updates, information on the BoS Continuum Coordinated Entry System, System Performance Requirements/Priorities, the 2019 Point-in-Time Homeless Count, and Addressing Youth Homelessness. These meetings will also provide a forum for members to discuss, provide input, and participate in the following areas (full agenda attached to notice):

- Youth Homelessness in Your Community, and
- Technical Assistance needs specific to HMIS (Homeless Management Information System)
