

# **Public Hearing Rules of Conduct**

Each speaker must be signed in to speak on this matter. You will have \_\_\_\_ minutes allotted time per speaker, but you may reserve some time to speak after someone else. Speak only on the merits of the proposed zoning consideration and address your comments to the Commission members. Refrain from personal attacks on any other speaker or discussion of any facts or opinions irrelevant to the proposed zoning decision under consideration. You may be limited or prohibited from continuing if, after being cautioned, you continue to violate these rules of conduct.
