

2020-2021 QAP Development: Sustainability Listening Session

60 Executive Park S, Atlanta, GA, 30329 (Conference Room 302)

August 13, 10-11:30 am

The Georgia Department of Community Affairs (DCA) will begin a year-round Qualified Allocation Plan (QAP) development process, starting with Listening Sessions in August and September. The Listening Sessions will provide a forum for DCA beneficiaries and partners to both provide input on short-term changes for the 2020 QAP and begin conversations around longer-term goals for the 2021 QAP.

You are invited to provide your perspective and input at our Sustainability Listening Session. This discussion will help inform updates and changes to the Environmental Manual and the Sustainability sections of the QAP.

This Listening Session will be held at DCA in Conference Room 302 on Tuesday, August 13th, from 10 to 11:30 am.
